The Certificate of Substantial Completion shall be deemed accepted by the City and the St. Louis Development Corporation unless, within thirty (30) days following delivery of the Certificate of Substantial Completion, the Mayor or his designee or the St. Louis Development Corporation furnishes the Developer with specific written objections to the status of the Work, describing such objections and the measures required to correct such objections in reasonable detail. Upon acceptance of the Certificate of Substantial Completion by the Mayor or his designee and the St. Louis Development Corporation or upon the lapse of thirty (30) days after delivery thereof to the St. Louis Development Corporation without any written objections thereto, the Developer may record the Certificate of Substantial Completion with the City's Recorder of Deeds, and the same shall constitute evidence of the satisfaction of the Developer's agreements and covenants to perform all Work. The Certificate of Substantial Completion shall be in substantially the form attached as **Exhibit E**, attached hereto and incorporated by referenced herein.

ARTICLE IV. REIMBURSEMENT OF DEVELOPER COSTS

4.1 City's Obligation to Reimburse Developer. The City agrees to reimburse Developer for the verified Reimbursable Redevelopment Project Costs in an amount not to exceed Four Hundred Thousand Dollars (\$400,000) plus Issuance Costs. Subject to the terms of the Note Ordinance and this Agreement, the City agrees to issue TIF Obligations to evidence the City's obligation to reimburse Developer for verified Reimbursable Redevelopment Project Costs in an amount not to exceed Four Hundred Thousand Dollars (\$400,000), plus Issuance Costs and interest as provided in **Section 5.2** of this Agreement, subject to the limitations of **Article IV** of this Agreement.

4.2 Reimbursements Limited to Reimbursable Redevelopment Project Costs; Developer's Right to Substitute. Nothing in this Agreement shall obligate the City to issue TIF Obligations to reimburse the Developer for any cost that is not incurred pursuant to Section 99.820.1 of the TIF Act or that does not qualify as a "redevelopment project cost" under Section 99.805(14) of the TIF Act. The Developer shall provide to the City (a) itemized invoices, receipts or other information evidencing such costs; and (b) a Certificate of Reimbursable Redevelopment Project Costs constituting certification by the Developer that such cost is eligible for reimbursement under the TIF Act. Within thirty (30) days of the City's receipt from the Developer of a Certificate of Reimbursable Redevelopment Project Costs, the City shall review and act upon such Certificate of Reimbursable Redevelopment Project Costs. The parties agree that each of the categories of costs set forth in **Exhibit B**, attached hereto and incorporated herein by reference, shall constitute Reimbursable Redevelopment Project Costs which are eligible for reimbursement in accordance with the TIF Act and this Agreement. The Developer shall be entitled to reimbursement for Redevelopment Project Costs from any of the categories set forth in **Exhibit B** up to the maximum aggregate amount established in **Section 4.1** of this Agreement; provided that the Developer shall be obligated to advance to the City the full amounts identified in **Section 2.2, clauses (i)-(v)**, of this Agreement. If the City determines that any cost identified as a Reimbursable Redevelopment Project Cost is not a "redevelopment project cost" under Section 99.805(14) of the TIF Act, the City shall so notify the Developer in writing within the 30-day period referenced in this **Section 4.2**, identifying the ineligible cost and the basis for determining the cost to be ineligible, whereupon the Developer shall have the right to identify and substitute other Redevelopment Project Costs as Reimbursable Redevelopment Project Costs with a supplemental application for payment. If the City fails to approve or disapprove any Certificate within thirty (30) days after receipt thereof, the Certificate of Reimbursable Redevelopment Project Costs shall be deemed approved.

4.3 City's Obligations Limited to Special Allocation Fund and Bond Proceeds. Notwithstanding any other term or provision of this Agreement, TIF Notes issued by the City to the Developer for Reimbursable Redevelopment Project Costs are payable only from the Special Allocation Fund and from Bond Proceeds, if any, and from no other source.

ARTICLE V. TIF OBLIGATIONS

5.1 Conditions Precedent to the Issuance of TIF Notes. No TIF Notes shall be issued until such time as the City has received (i) a Certificate of Substantial Completion; (ii) a Certificate of Reimbursable Redevelopment Project Costs in substantially the form of **Exhibit D**, attached hereto and incorporated herein by reference evidencing Developer's payment of Reimbursable Redevelopment Project Costs of at least \$400,000, of which at least \$200,000 shall be hard costs related to categories B through D on **Exhibit B**; (iii) payment of the City's Issuance Costs in connection with the TIF Notes pursuant to **Section 2.2, clause (v)**; (iv)

an opinion of Bond Counsel regarding the taxable nature of the TIF Notes; and (v) such other documentation as the City shall reasonably require of Developer in order for the City to obtain an opinion of Bond Counsel as required by this **Section 5.1**.

5.2 Issuance of TIF Notes. Upon satisfaction of the conditions of **Section 2.2, clause (v)**, and **Section 5.1** of this Agreement, the City agrees to issue one or more TIF Notes as provided in the Note Ordinance to reimburse the Developer for Reimbursable Redevelopment Project Costs up to the maximum amount established in **Section 4.1** of this Agreement, subject to the limitations of **Article IV** of this Agreement. The TIF Notes shall be in a form substantially similar to **Exhibit F**, attached hereto and incorporated herein by reference.

5.2.1 Terms. Each TIF Note shall bear simple interest at a fixed rate per annum equal to (i) seven and one-half percent (7.5%) if the interest on such TIF Note, in the opinion of Bond Counsel, is not exempt from Federal income taxation; or (ii) six percent (6%) if the interest on such TIF Note, in the opinion of Bond Counsel, is exempt from Federal income taxation. All TIF Notes shall have a stated maturity of the Maturity Date

5.2.2 Procedures for Issuance of TIF Notes. Except as otherwise provided in this Agreement, the City shall, within ten (10) days after acceptance by the City of the Certificate of Reimbursable Redevelopment Project Costs, issue an endorsement to the TIF Note evidencing an advance for the reimbursement of Reimbursable Redevelopment Project Costs ("Construction Advance"). In lieu of an endorsement to the TIF Note, the City shall, upon written request by the Developer, issue additional TIF Notes in denominations of One Hundred Thousand Dollars (\$100,000) and in increments of One Thousand Dollars (\$1,000) in excess thereof, to evidence the City's obligation to pay such advances of Redevelopment Project Reimbursement Costs ("Additional Notes").

If the City accepts the Certificate of Reimbursable Redevelopment Project Costs within thirty (30) days after submission by the Developer, the resulting Construction Advance or Additional Notes shall be deemed to have been issued on the date that the City accepts the Certificate of Reimbursable Redevelopment Project Costs. If the City accepts the Certificate of Reimbursable Redevelopment Project Costs more than thirty (30) days after submission by Developer (or rejects it more than thirty (30) days after submission by Developer and provides the Developer the right to identify and substitute eligible Reimbursable Redevelopment Project Costs in accordance with Section 4.2 of this Agreement), the resulting Construction Advance or Additional Notes shall be deemed to have been issued on the thirty-first (31st) day after submission of the Certificate of Reimbursable Redevelopment Project Costs by the Developer.

Notwithstanding anything contained in this Agreement to the contrary, upon the acceptance by the City of a Certificate of Reimbursable Redevelopment Project Costs and the issuance by the City of a Construction Advance or Additional Notes as provided in **Section 5.2.2** of this Agreement, the Developer shall be deemed to have advanced funds necessary to purchase such TIF Notes and the City shall be deemed to have deposited such funds in the Project Fund and shall be deemed to have reimbursed the Developer in full for such costs from the amounts deemed to be on deposit in the Project Fund from time to time.

5.2.3 Special Mandatory Redemption of TIF Notes. All TIF Notes are subject to special mandatory redemption by the City, in whole at any time or in part on each March 1 and September 1 occurring after the acceptance by the City of the Certificate of Substantial Completion at a redemption price equal to 100% of the principal amount being redeemed, together with the accrued interest thereon to the date fixed for redemption.

5.3 Optional Issuance of TIF Bonds. The City may, in its sole and absolute discretion, issue, or cause to be issued, TIF Bonds at any time in an amount sufficient to refund all or a portion of the outstanding TIF Notes.

5.4 Mandatory Issuance of TIF Bonds. Upon receipt of a written request by Developer and upon the City's underwriter's recommendation in favor of issuing TIF Bonds and recommendation of the principal amount thereof based on the criteria set forth below, the City shall immediately proceed to issue, or cause to be issued, TIF Bonds as described in this Section. The aggregate gross cash proceeds from the sale of the TIF Bonds before payment of Issuance Costs, together with any interest accrued thereon ("Bond Proceeds") of such TIF Bonds will be finally determined by the City after receiving the underwriter's recommendation based on the criteria set forth below. The City shall not be obligated to issue or cause to be issued such TIF Bonds unless the underwriter determines that all of the following criteria are satisfied as of the date of issuance of such bonds, unless such criteria are waived by the City's underwriter. Developer shall not have any liability for any costs associated with the issuance of TIF Bonds but shall bear its own costs and expenses, including any attorneys' fees and expenses, that Developer may incur in complying with this Section.

5.4.1 Criteria for Issuance. The underwriter's recommendation for issuance of TIF Bonds and the principal amount thereof shall be based on the following criteria:

- (i) Confirmation that there are sufficient executed leases and/or satisfactory sales in place to generate revenues sufficient to pay debt service on the TIF Bonds, based on the average rent and/or sales for such tenants or owners;
- (ii) Acceptance by the City of the Certificate of Substantial Completion;
- (iii) Review of projections of TIF Revenues available for debt service as proposed by an independent qualified consultant. Such projections must show that (A) if all available TIF Revenues were to be applied to the immediate repayment of the TIF Bonds, the TIF Bonds would reasonably be anticipated to be retired within twenty-three years from the date of adoption of the Approving Ordinance, and (B) based on a maturity date twenty-three years from the date of adoption of the Approving Ordinance, the TIF Bonds are reasonably likely to achieve debt service coverage ratio reasonably acceptable to the City's underwriter;
- (iv) Developer must have obtained a Certificate of Occupancy for the residential portion of the Redevelopment Project; and
- (v) Developer's documentation of the Redevelopment Project stabilization for a minimum period of two years as evidenced in a report to the City prepared by a qualified independent consultant to be paid for by the City, which report also sets forth TIF revenue projections for the Redevelopment Project in connection with the issuance of the TIF Bonds; and
- (vi) The net average annual debt service on the TIF Bonds (taking into account the principal portion of the TIF Bonds that are issued to establish a reserve fund and to pay Issuance Costs, and including any reserve fund earnings) will be lower than the average annual debt service on the outstanding TIF Notes, unless the Developer voluntarily elects to defer or forgive principal of and/or interest on the TIF Notes in an amount necessary to make the net average annual debt service on the TIF Bonds lower than the net average annual debt service on the outstanding TIF Notes.

5.4.2 Application of TIF Bond Proceeds. Proceeds of any TIF Bonds shall be applied:

- (i) To the payment of costs relating to the issuance of the TIF Bonds;
- (ii) To the payment of outstanding principal of and interest on the TIF Notes to be refunded;
- (iii) To the payment of capitalized interest on the TIF Bonds; and
- (iv) To the establishment of a debt service reserve fund for the TIF Bonds in a reasonable amount of the principal amount of TIF Bonds to be issued, as to be determined by the City's underwriter.

5.5 Cooperation in the Issuance of TIF Obligations. Developer covenants to cooperate and take all reasonable actions necessary to assist the City and its Bond Counsel, underwriters and financial advisors in the preparation of offering statements, private placement memorandum or other disclosure documents and all other documents necessary to market and sell the TIF Obligations, including disclosure of tenants of the Redevelopment Area and the non-financial terms of the leases between Developer and such tenants. Developer will not be required to disclose to the general public or any investor any proprietary or confidential information, including financial information, pertaining to Developer, but upon the execution of a confidentiality agreement acceptable to Developer, Developer will provide such information to the City's financial advisors, underwriters and their counsel to enable such parties to satisfy their due diligence obligations. Developer shall make such compliance obligation a covenant running with the land, enforceable as if any subsequent transferee thereof were originally a party to and bound by this Agreement.

5.6 City to Select Underwriter and Financial Advisor; Term and Interest Rate. The City shall have the right to select the designated underwriter (and such financial advisors and consultants as the underwriter and the City deem necessary for the issuance of the TIF Bonds) and underwriter's counsel. The final maturity of the TIF Bonds shall not exceed the maximum term permissible under the TIF Act. The TIF Bonds shall bear interest at such rates, shall be subject to redemption and shall have such

terms as the City shall determine in its sole discretion.

**ARTICLE VI.
SPECIAL ALLOCATION FUND;
COLLECTION AND USE OF TIF REVENUES**

6.1 Creation of Special Allocation Fund. The City agrees to cause its Comptroller or other financial officer to maintain the Special Allocation Fund, including a "PILOTs Account" and an "EATs Account," and such further accounts or sub-accounts as are required by this Agreement or as the Comptroller of the City may deem appropriate in connection with the administration of the Special Allocation Fund pursuant to this Agreement. Subject to the requirements of the TIF Act and, with respect to Economic Activity Taxes, subject to annual appropriation by the Board of Aldermen, the City will promptly upon receipt thereof deposit all Payments in Lieu of Taxes into the PILOTs Account and all Economic Activity Taxes into the EATs Account.

6.2 Certification of Base for PILOTS and EATS.

6.2.1 Upon the reasonable written request of the City, Developer shall use its best efforts to provide or cause to be provided to the Comptroller of the City or its authorized representative any documents necessary for the City to calculate the base for PILOTs and EATs including, but not limited to: (i) the address and locator number of all parcels of real property located within the Redevelopment Area; and (ii) the federal and state tax identification numbers of each "seller" (as that term is defined in Section 144.010(11) of the Missouri Revised Statutes, as amended) located in the Redevelopment Area in the calendar year ending December 31, 2002.

6.2.2 Within ninety (90) days after adoption of the Approving Ordinance by the Board of Aldermen, the City shall provide to the Developer: (i) a true, correct and complete copy of the City Assessor's calculation of the total initial equalized assessed valuation of the taxable real property within the Redevelopment Area based upon the most recently ascertained equalized assessed value of each taxable lot, block, tract, or parcel of real property within the Redevelopment Area; and (ii) a certification of the amount of revenue from taxes, penalties and interest which are imposed by the City and other taxing districts and which are generated by economic activities within the Redevelopment Area for the calendar year ending December 31, 2002, but excluding those taxes, licenses, fees or special assessments identified in Section 99.845.3 of the TIF Act.

6.3 Application of Available Revenues. The City hereby agrees for the term of this Agreement to apply the Available Revenues and any taxes, fees or assessments subsequently enacted and imposed in substitution therefor and allocable to the Special Allocation Fund under the TIF Act or this Agreement to the repayment of TIF Obligations issued under **Article V** of this Agreement as provided in the Note Ordinance and this Agreement. As long as any TIF Notes are outstanding, Available Revenues shall be applied to such payment each March 1 and September 1 (each, a "Payment Date") occurring after acceptance by the City of the Certificate of Substantial Completion (either by the City Comptroller or other financial officer or, at the option of the City, by the Trustee on behalf of the City), first from the EATS Account and then from the PILOTS Account as follows:

(i) to the Comptroller of the City and the St. Louis Development Corporation, an amount sufficient to pay all or any portion of the fees and expenses incurred by the Comptroller of the City and the St. Louis Development Corporation but not to exceed the lesser of One Thousand Six Hundred Dollars (\$1,600) or 0.4% of the Notes outstanding on January 1 of each calendar year, plus any accumulated deficiency from previous years, unless the City has incurred costs pursuant to **Section 7.15** of this Agreement that have not otherwise been reimbursed to the City through the issuance of TIF Notes purchased by the Developer;

(ii) an amount sufficient to pay all or any portion of the past due interest owing as a result of prior deficiencies of moneys to pay interest due on any TIF Notes on each Payment Date;

(iii) an amount sufficient to pay all or any portion of the accrued interest becoming due and payable on any TIF Notes on each Payment Date;

(iv) an amount sufficient to pay the principal of any TIF Notes that are subject to redemption pursuant to the Note Ordinance on each Payment Date;

(v) all other remaining money in the Special Allocation Fund shall annually be declared as surplus and distributed in the manner provided in the TIF Act.

Upon the payment in full of the principal of and interest on all TIF Notes (or provision has been made for the payment thereof as specified in the Note Ordinance), payment in full of the fees and expenses of the Comptroller and the St. Louis Development Corporation, and payment in full of any other amounts required to be paid under the TIF Note Ordinance, all amounts remaining on deposit in the Revenue Fund shall be declared as surplus and distributed in the manner provided in the Act.

If monies available in Special Allocation Fund are insufficient to reimburse the City or the Developer as provided above on any Payment Date, then the unpaid portion shall be carried forward to the next Payment Date, with interest thereon.

The City agrees that the officer of the City at any time charged with the responsibility of formulating budget proposals will be directed to include in the budget proposal submitted to the Board of Aldermen, for each fiscal year that TIF Obligations are outstanding, a request for an appropriation of all Available Revenues on deposit in the Special Allocation Fund for application to the payment of the principal of (including, but not limited to, payment of a premium, if any) and interest on the TIF Obligations.

6.4 Cooperation in Determining TIF Revenues. The City and the Developer agree to cooperate and take all reasonable actions necessary to cause the TIF Revenues to be paid into the Special Allocation Fund, including, but not limited to, the City's enforcement and collection of all such payments through all reasonable and ordinary legal means of enforcement. The Developer (or its successor(s) in interest as an owner or owner(s) of the affected portion(s) of the Property) shall require each "seller" (as that term is defined in Section 144.010(11) of the Missouri Revised Statutes, as amended) located on the Property to provide to the Comptroller of the City the following information:

- (i) Each "seller's" federal and state tax identification numbers.
- (ii) Within thirty (30) days of the end of each calendar quarter, copies of a completed Tax Increment Financing District Quarterly Information Form for each "seller's" business located within the Redevelopment Area along with:
 - (a) copies of all sales tax returns filed with the Missouri Department of Revenue (on Form 53-S.F. Missouri Department of Revenue or such successor form) with respect to the sales taxes originating from businesses located within the Redevelopment Area for such quarter. In the event that a "seller" has multiple business operations within the City, such "seller" shall file separate sales tax returns for the sales taxes originating from the business located within the Redevelopment Area.
 - (b) copies of all earnings tax returns filed with the City (on Business Return Form 234 or such successor form) with respect to earnings taxes originating from the business located within the Redevelopment Area for such quarter. In the event that a business has multiple operations within the City, such business shall file separate earnings tax returns for the earnings taxes originating from the business located within the Redevelopment Area.
 - (c) copies of all earnings tax withholding reports filed with the City (on Form W-10 or such successor form) with respect to earnings tax withholdings originating from the business located within the Redevelopment Area for such quarter. In the event that a business has multiple operations within the City, such business shall file separate earnings tax withholding reports for the earnings tax withholdings originating from the business located within the Redevelopment Area.
 - (d) Within thirty (30) days of receipt, copies of monthly invoices received for utility services provided to the property on which the business within Redevelopment Area is located, including without limitation electric, water, natural gas, and telephone services, for such quarter.

The Developer (or its successor(s) in interest as an owner or owner(s) of any portion(s) of the Property) shall also request any purchaser or transferee of real property and any lessee or other user of real property located within the Redevelopment Area to designate sales subject to sales taxes pursuant to Chapter 144 of the Revised Statutes of Missouri, as amended, to be reported as originating from the Redevelopment Area to the fullest extent permitted by law (including reasonable efforts to negotiate for the inclusion of a clause so providing in the leases of the Property). The Developer shall satisfy this requirement by including the obligations set forth in this Section within any deed conveying a portion of the property to or any lease entered into with any "seller."

6.5 Obligation to Report TIF Revenues. The Developer shall cause any purchaser or transferee of real property located within the Property, and any lessee or other user of real property located within the Property required to pay TIF Revenues, shall use

all reasonable efforts to timely fulfill such obligations as are required by **Section 6.4** of this Agreement. So long as any of the TIF Obligations are outstanding, the Developer shall cause such obligations to be covenants running with the land, which covenants shall be enforceable as if such purchaser, transferee, lessee or other user of such real property were originally a party to and bound by this Agreement.

6.6 Notice to City of Transfer. The Developer agrees to notify the City in writing of any sale, transfer or other disposition of the Property or any interest therein as permitted by **Section 7.3.2** of this Agreement within ninety (90) days after the date of said sale, transfer or other disposition. Said notice shall specify the name and address of the person so acquiring any or all of the Property or any interest therein and shall identify the Property to be sold, transferred or otherwise disposed, whether by voluntary transfer or otherwise.

ARTICLE VII. GENERAL PROVISIONS

7.1 Developer's Right of Termination. At any time prior to the delivery of the Certificate of Substantial Completion, the Developer may, by giving written notice to the City, abandon the Redevelopment Project and terminate this Agreement and the Developer's obligations hereunder if the Developer determines, in its sole discretion, that the Redevelopment Project is no longer economically feasible. Upon such termination, the City shall have no obligation to reimburse the Developer for any amounts advanced under this Agreement or costs otherwise incurred or paid by Developer and any TIF Note issued in connection with the Redevelopment Project pursuant to this Agreement shall be deemed null, void and canceled

7.2 City's Right of Termination. The City may terminate this Agreement if the Developer fails to submit its Certificate of Substantial Completion, acceptable to the City, in accordance with **Section 3.7** of this Agreement and the schedule set forth in **Section 3.4** of this Agreement. Upon termination of this Agreement for any reason, the City shall have no further obligation to reimburse the Developer for any amounts advanced under this Agreement or costs otherwise incurred or paid by Developer and any TIF Note issued in connection with the Redevelopment Project pursuant to this Agreement shall be deemed null, void and canceled.

7.3 Successors and Assigns.

7.3.1 Binding Affect. This Agreement shall be binding on and shall inure to the benefit of the parties named herein and their respective heirs, administrators, executors, personal representatives, successors and assigns.

7.3.2 Assignment or Sale. Without limiting the generality of the foregoing, all or any part of the Property or any interest therein may be sold, transferred, encumbered, leased, or otherwise disposed of at any time, and the rights of the Developer named herein or any successors in interest under this Agreement or any part hereof may be assigned at any time before, during or after redevelopment of the Redevelopment Project, whereupon the party disposing of its interest in the Property or assigning its interest under this Agreement shall be thereafter released from further obligation under this Agreement (although any such Property so disposed of or to which such interest pertains shall remain subject to the terms and conditions of this Agreement), provided, however, that until substantial completion of the Redevelopment Project, the fee title to the Property shall not be sold, transferred or otherwise disposed of and the rights, duties and obligations of the Developer under this Agreement shall not be assigned in whole or in part without the prior written approval of the City, which approval shall not be unreasonably withheld or delayed upon a reasonable demonstration by the Developer of the proposed transferee's or assignee's experience and financial capability to undertake and complete such portions of the Work and perform the Developer's obligations under this Agreement, all in accordance with this Agreement. Notwithstanding anything herein to the contrary, the City hereby approves, and no prior consent shall be required in connection with: (a) the right of the Developer to encumber or collaterally assign its interest in the Property or any portion thereof or its rights, duties and obligations under this Agreement to secure loans, advances or extensions of credit to finance or from time to time refinance all or any part of the Redevelopment Project Costs, or the right of the holder of any such encumbrance or transferee of any such collateral assignment (or trustee or agent on its behalf) to transfer such interest by foreclosure or transfer in lieu of foreclosure under such encumbrance or collateral assignment; (b) the right of Developer to assign the Developer's rights, duties and obligations under this Agreement to any party related to the Developer by one of the relationships described in Section 267(b) of the United States Internal Revenue Code of 1986, as amended; provided that in each such event (i) the Developer named herein (1312 WASHINGTON AVENUE, L.L.C.) shall remain liable hereunder for the substantial completion of the Redevelopment Project and shall be released from such liability hereunder only upon substantial completion of the Redevelopment Project and (ii) the Developer provides to the City fifteen (15) days' advance written notice of the proposed assignment or transfer.

7.3.3 Assignment or Sale to Exempt Organization. Prior to any sale, transfer or other disposition of all or any portion of the Property or any interest therein to an organization exempt from payment of ad valorem property taxes, such organization shall be required to agree not to apply for an exemption from payment of such property taxes for a period ending on the earlier of the date that all TIF Obligations are paid in full or twenty-three (23) years from the date that the Approving Ordinance was adopted by the City. The Developer shall make this requirement a covenant running with the land, enforceable for such period as if such purchaser or other transferee or possessor thereof were originally a party to and bound by this Agreement.

7.4 Remedies. Except as otherwise provided in this Agreement and subject to the Developer's and the City's respective rights of termination, in the event of any default in or breach of any term or conditions of this Agreement by either party, or any successor, the defaulting or breaching party (or successor) shall, upon written notice from the other party specifying such default or breach, proceed immediately to cure or remedy such default or breach, and shall, in any event, within thirty (30) days after receipt of notice, cure or remedy such default or breach. In the event that the defaulting or breaching party (or successor) diligently and in good faith commences to cure or remedy such default or breach but is unable to cure or remedy such default or breach within thirty (30) days after receipt of notice, the defaulting or breaching party (or successor) shall, prior to the end of such thirty (30) days, provide notice to the other party that it has in good faith commenced to cure or remedy such default or breach, whereupon the defaulting or breaching party (or successor) shall have an additional thirty (30) days to cure or remedy such default or breach. In case such cure or remedy is not taken or not diligently pursued, or the default or breach shall not be cured or remedied prior to the end of the additional thirty (30) day period, the aggrieved party may institute such proceedings as may be necessary or desirable in its opinion to cure and remedy such default or breach, including without limitation proceedings to compel specific performance by the defaulting or breaching party.

7.5 Force Majeure. Neither the City nor the Developer nor any successor in interest shall be considered in breach or default of their respective obligations under this Agreement, and times for performance of obligations hereunder shall be extended (but with respect to the times for performance set out in **Section 3.4** of this Agreement, only to the extent provided therein and established thereunder) in the event of any delay caused by force majeure, including without limitation damage or destruction by fire or casualty; strike; lockout; civil disorder; war; restrictive government regulations; lack of issuance of any permits and/or legal authorization by the governmental entity necessary for the Developer to proceed with construction of the Work or any portion thereof; shortage or delay in shipment of material or fuel; acts of God; unusually adverse weather or wet soil conditions; or other like causes beyond the parties' reasonable control, including without limitation any litigation, court order or judgment resulting from any litigation affecting the validity of the Redevelopment Plan, the Redevelopment Project or the TIF Obligations or this Agreement; provided that such event of force majeure shall not be deemed to exist as to any matter initiated or sustained by the Developer in bad faith, and further provided that the Developer notifies the City in writing within thirty (30) days of the commencement of such claimed event of force majeure.

7.6 Notices. All notices, demands, consents, approvals and other communications required by this Agreement to be given by either party hereunder shall be in writing and shall be hand delivered or sent by United States first class mail, postage prepaid, addressed to the appropriate party at its address set forth below, or at such other address as such party shall have last designated by notice to the other. Notices, demands, consents, approvals, and other communications shall be deemed given when delivered or three days after mailing; provided, however, that if any such notice or other communication shall also be sent by telecopy or fax machine, such notice shall be deemed given at the time and on the date of machine transmittal if the sending party receives a written send verification on its machines and forwards a copy thereof with its mailed or courier delivered notice or communication.

7.7 Conflict of Interest. No member of the Board of Aldermen, the TIF Commission, or any branch of the City's government who has any power of review or approval of any of the Developer's undertakings, or of the City's contracting for goods or services for the Redevelopment Area, shall participate in any decisions relating thereto which affect that member's personal interests or the interests of any corporation or partnership in which that member is directly or indirectly interested. Any person having such interest shall immediately, upon knowledge of such possible conflict, disclose, in writing, to the Board of Aldermen the nature of such interest and seek a determination by the Board of Aldermen with respect to such interest and, in the meantime, shall not participate in any actions or discussions relating to the activities herein proscribed.

7.8 Damage or Destruction of Redevelopment Project. In the event of total destruction or damage to the Redevelopment Project by fire or other casualty, during construction or thereafter during the term of this Agreement so long as any TIF Notes are outstanding, the Developer shall determine and advise the City in writing within one year of such destruction or damage whether to restore, reconstruct and repair any such destruction or damage so that the Redevelopment Project will be completed or rebuilt in accordance with the Redevelopment Plan and this Agreement. Should the Developer determine not to restore, reconstruct and repair, all unaccrued liability of the City for any payments of principal or interest on the TIF Notes shall immediately terminate and the Developer shall promptly surrender the TIF Notes to the City for cancellation. In the event of such total destruction or damage during the term of this Agreement and after any TIF Bonds are issued, the Developer shall, at the City's option after consultation with the Developer, tender to the City that portion of the insurance proceeds from any fire or casualty insurance policy in an amount equal to the outstanding principal amount of the TIF Bonds, plus accrued interest thereon.

7.9 Inspection. The City may conduct such periodic inspections of the Work as may be generally provided in the building code of the City. In addition, the Developer shall allow other authorized representatives of the City reasonable access to the Work site from time to time upon advance notice prior to the completion of the Work for inspection thereof. The Developer shall not unreasonably deny the City and its officers, employees, agents and independent contractors the right to inspect, upon request, all architectural, engineering, demolition, construction and other contracts and documents pertaining to the construction of the Work as the City determines is reasonable and necessary to verify the Developer's compliance with the terms of this Agreement.

7.10 Choice of Law. This Agreement shall be taken and deemed to have been fully executed, made by the parties in, and governed by the laws of State of Missouri for all purposes and intents.

7.11 Entire Agreement; Amendment. If there are separately-owned or ground leased parcels of real estate on the Property during the term of this Agreement, each owner or lessee as a successor in interest to the Developer shall maintain or cause to be maintained the buildings and improvements on its parcel in a good state of repair and attractiveness and in conformity with applicable state and local laws, ordinances and regulations, and shall maintain or cause to be maintained reasonable casualty and liability insurance with respect to the same in accordance with **Section 7.8** of this Agreement.

7.19 Non-Discrimination. The Developer agrees that, during the term of this Agreement and as an independent covenant running with the land, there shall be no discrimination upon the basis of race, creed, color, national origin, sex, age, marital status or physical handicap in the sale, lease, rental, occupancy or use of any of the facilities under its control within the Redevelopment Area or any portion thereof and said covenant may be enforced by the City or the United States of America or any of their respective

agencies. The Developer further agrees that a provision containing the covenants of this paragraph shall be included in all agreements pertaining to the lease or conveyance or transfer (by any means) of all or a portion of the Redevelopment Project and any of the facilities under its control in the Redevelopment Area. This TIF Note is one of an authorized series of fully registered Notes of the City designated "City of St. Louis, Missouri, [Taxable][Tax-Exempt] Tax Increment Revenue Notes (1312 Washington Avenue TIF Redevelopment Project), Series 2003," issued in an aggregate principal amount of not to exceed \$400,000 plus Issuance Costs (the "Notes"). The TIF Notes are being issued for the purpose of paying a portion of the Redevelopment Project Costs in connection with the Redevelopment Plan, under the authority of and in full compliance with the Constitution and laws of the State of Missouri, including particularly the Real Property Tax Increment Allocation Redevelopment Act, Sections 99.800 to 99.865, of the Revised Statutes of Missouri (2000) (the "Act"), and pursuant to the Note Ordinance.

The TIF Notes and the interest thereon shall be special, limited obligations of the City payable solely from and secured as to the payment of principal and interest, by the Available Revenues and other moneys pledged thereto and held by the Finance Officer as provided herein. "Available Revenues" means all TIF Revenues on deposit from time to time in the Special Allocation Fund, excluding (i) any amount paid under protest until the protest is withdrawn or resolved against the taxpayer or (ii) any sum received by the City which is the subject of a suit or other claim communicated to the City which suit or claim challenges the collection of such sum.

The monies on deposit in the PILOTs Account of the Revenue Fund of the Special Allocation Fund are those payments in lieu of taxes (as defined in Sections 99.805(10) and 99.845 of the Act) attributable to the increase in the current equalized assessed valuation of each taxable lot, block, tract or parcel of real property in the Redevelopment Area (as described in Exhibit A to the Note Ordinance) and any applicable penalty and interest over and above the initial equalized assessed value (as provided for by Section 99.855 of the Act) of such unit of property in the Redevelopment Area, as allocated and paid to the City's Treasurer by the City's Collector of Revenue who shall deposit such PILOTs into the Special Allocation Fund while tax increment financing remains in effect.

The monies on deposit in the EATs Account of the Revenue Fund of the Special Allocation Fund are those amounts equal to fifty percent (50%) of the total additional revenues from taxes, penalties and interest which are imposed by the City or other taxing district (as that term is defined in Section 99.805(16) of the Act) and which are generated by economic activities within the Redevelopment Area over the amount of such taxes generated by economic activities within the Redevelopment Area in the calendar year ending December 31, 2002 (subject to annual appropriation by the City as provided in the Act), while tax increment financing remains in effect, but excluding personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, licenses, fees or special assessments other than payments in lieu of taxes and penalties and interest thereon, taxes levied pursuant to Section 70.500 of the Revised Statutes of Missouri (2000), and taxes levied for the purpose of public transportation pursuant to Section 94.660 of the Revised Statutes of Missouri (2000) all in accordance with Section 99.845.3 of the Act, as may be amended from time to time.

All TIF Notes shall be equally and ratably secured by Available Revenues. The TIF Notes shall be special, limited obligations of the City payable solely from and secured as to the payment of principal and interest by a pledge of the Available Revenues. The taxing power of the City is not pledged to the payment of the TIF Notes either as to principal or interest. The TIF Notes shall not be or constitute a general obligation of the City, nor shall they constitute an indebtedness of the City within the meaning of any constitutional, statutory or charter provision, limitation or restriction. THE OBLIGATIONS OF THE CITY WITH

RESPECT TO THE TIF NOTES SHALL TERMINATE ON THE FIRST TO OCCUR OF THE FULL PAYMENT AND DISCHARGE OF THE TIF NOTES OR THE MATURITY DATE (WHETHER OR NOT THE PRINCIPAL AMOUNT OR INTEREST HAS BEEN PAID IN FULL).

Available Revenues shall be applied, first from the EATs Account and then from the PILOTS Account, to payments on this TIF Note as follows:

First, to the Finance Officer of the City and the St. Louis Development Corporation, an amount sufficient to pay the fees and expenses incurred by the Finance Officer of the City and the St. Louis Development Corporation as provided for in the Redevelopment Agreement but not to exceed, in the aggregate, the lesser of One Thousand Six Hundred Dollars and no/100 and (\$1,600.00) or 0.4% of the Notes outstanding on January 1 of each calendar year, plus any accumulated deficiency from previous years, unless the City has incurred costs pursuant to Section 7.15 of the Redevelopment Agreement that have not otherwise been reimbursed to the City through the issuance of TIF Notes purchased by the Developer;

Second, to the Debt Service Fund, an amount sufficient to pay all or any portion of past due interest owing as a result of prior deficiencies of moneys to pay interest due any TIF Notes on each Payment Date;

Third, to the Debt Service Fund, an amount sufficient to pay all or any portion of the accrued interest becoming due and payable on any TIF Notes on such Payment Date;

Fourth, to the Debt Service Fund, an amount sufficient to pay the principal of any TIF Notes that are subject to redemption pursuant to Section 302 of the Note Ordinance;

Fifth, to the City all other remaining money to be declared as surplus and distributed in the manner provided in the Act, subject to Section 403(c) of the Note Ordinance.

Upon the payment in full of the principal of and interest on the TIF Notes (or provision has been made for the payment thereof as specified in the Note Ordinance), payment in full of the fees and expenses of the Finance Officer and the St. Louis Development Corporation, and payment in full of any other amounts required to be paid under the Note Ordinance, all amounts remaining on deposit in the Revenue Fund and the Debt Service Fund shall be declared as surplus and distributed in the manner provided in the Act.

The City covenants that the officer of the City at any time charged with the responsibility of formulating budget proposals will be directed to include in the budget proposal submitted to the Board of Aldermen of the City for each fiscal year that the TIF Notes are outstanding a request for an appropriation of all moneys on deposit in the Special Allocation Fund for transfer to the Finance Officer for deposit at the times and in the manner provided in Section 403 of the Note Ordinance.

NOTWITHSTANDING ANY PROVISION HEREIN OR IN THE NOTE ORDINANCE TO THE CONTRARY, THE TIF NOTES ARE SUBJECT TO CANCELLATION AND DISCHARGE BY THE CITY IN WHOLE OR IN PART WITHOUT PENALTY UNDER THE CONDITIONS SET FORTH IN SECTIONS 7.1 AND 7.2 OF THE REDEVELOPMENT AGREEMENT.

The TIF Notes are subject to optional redemption by the City in whole at any time or in part on any Payment Date at a redemption price of 100% of the principal amount of the TIF Note to be redeemed, plus accrued interest thereon to the date fixed for redemption.

The TIF Notes are subject to special mandatory redemption by the City on each Payment Date, at a redemption price equal to 100% of the principal amount being redeemed, together with accrued interest thereon to the date fixed for redemption, in an amount equal to Available Revenues on deposit in the applicable accounts of the Special Allocation Fund and which are not required for the payment of accrued interest on such Payment Date.

The TIF Notes or portions of Notes to be redeemed shall become due and payable on the redemption date, at the redemption price therein specified, and from and after the redemption date (unless the City defaults in the payment of the redemption price) such TIF Notes or portion of TIF Notes shall cease to bear interest. Upon surrender of such TIF Notes for redemption in accordance with such notice, the redemption price of such TIF Notes shall be paid by the Finance Officer. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any TIF Note, there shall be prepared for the Registered Owner a new TIF Note or Notes of the same maturity in the amount of the unpaid principal as provided herein. All TIF Notes that have been redeemed shall be cancelled and destroyed by the Finance Officer as

provided herein and shall not be reissued.

TIF Notes shall be redeemed only in the principal amount of One Thousand Dollars (\$1,000) or any integral multiple thereof. When less than all of the outstanding TIF Notes are to be redeemed and paid prior to maturity, such TIF Notes shall be selected by the Finance Officer in One Thousand Dollar (\$1,000) units of face value in such equitable manner as the Finance Officer may determine.

The TIF Notes are issuable in the form of fully registered Notes without coupons in minimum denominations of One Hundred Thousand Dollars (\$100,000) or any integral multiple \$1,000 in excess thereof, except with respect to the Notes issued upon acceptance by the City of the final Certificate of Reimbursable Redevelopment Project Costs, which Notes may be issued in any denomination, subject to the limitation on the aggregate Principal Amount.

This TIF Note may be transferred or exchanged as provided in the Note Ordinance only upon the Register, upon surrender of this TIF Note together with a written instrument of transfer satisfactory to the Finance Officer duly executed by the Registered Owner or the Registered Owner’s duly authorized agent.

EXHIBIT G

Equal Opportunity and Nondiscrimination Guidelines

In any contract for Work in connection with the Redevelopment Project related to any of the Property in the Redevelopment Area, the Developer (which term shall include the Developer, any transferees, lessees, designees, successors and assigns thereof, including without limitation any entity related to the Developer by one of the relationships described in Section 267(b) of the United States Internal Revenue Code of 1986, as amended), its contractors and subcontractors shall comply with all federal, state and local laws, ordinances or regulations governing equal opportunity and nondiscrimination (the "Laws"). Moreover, the Developer shall contractually require its contractors and subcontractors to comply with the Laws.

The Developer and its contractors or subcontractors shall not contract with any party known to have been found in violation of the Laws.

The Developer agrees for itself and its contractors and subcontractors that there shall be covenants to ensure that there shall be no discrimination on the part of the Developer or its contractors and subcontractors upon the basis of race, color, creed, national origin, sex, marital status, age, sexual orientation or physical handicap in the sale, lease, rental, use or occupancy of any of the Property or any improvements constructed or to be constructed on the Property or any part thereof. Such covenants shall run with the land and shall be enforceable by the St. Louis Development Corporation, the City and the United States of America, as their interest may appear in the Redevelopment Project.

The Developer shall make good faith efforts to observe Executive Order #28 dated July 24, 1997, relating to minority and women-owned business participation in City contracts.

The parties agree that the provisions of City Ordinance #60275, codified at Chapter 3.90 of the Revised Ordinances of the City of St. Louis, Missouri (the "First Source Jobs Policy"), do not specifically apply to the Developer as a potential recipient of TIF Notes, TIF Bonds and/or TIF Revenues. Nonetheless, the Developer voluntarily agrees to make good faith efforts to observe the provisions of the First Source Jobs Policy related to the negotiation of an employment agreement with the St. Louis Agency on Training and Employment.
