Section 502. Concession Fee. During each Contract Year or portion thereof, the Concessionaire agrees to pay to City the fees as set out below:

- A. The Concessionaire agrees to pay to City an annual fee of Twenty-one Thousand Dollars (\$21,000) in 12 monthly payments of One Thousand Seven Hundred Fifty Dollars (\$1,750).
- B. An ATM Transaction Fee consisting of a percentage of the surcharge for all Foreign ATM Transactions. All computations of this portion of the Concession Fee shall be based upon 60% per Contract Year.

These audit reports must be prepared by an independent Certified Public Accountant. The audit reports shall, at a minimum, certify the accuracy of reported total accumulated Gross Receipts; and the aggregate amount of Gross Receipts and/or goods and services attributable to ACDBE participants. The audit reports shall also include a schedule showing the total of actual payments to the City during the Contract Year and shall state an opinion as to the correctness of the computation of Gross Receipts without exception.
- C. Delivery of an audit report containing a qualified opinion, an adverse opinion or a disclaimer of opinion as defined in the Statement on Auditing Standards, or as same may from time to time be amended or superseded, issued by the Auditing Standards Board of the American Institute of Certified Public Accountants, shall be deemed to be a default pursuant to Article XI herein. In the event of an overpayment, Concessionaire must notify the Airport Accounts Receivable Section of Finance and Accounting. Airport Accounts Receivable will then verify the overpayment and authorize the Concessionaire to deduct the amount of the overpayment from the next scheduled Concession Fee Payment. If an overpayment occurs during the last Contract Year, the City will pay the amount of the overpayment to Concessionaire within 30 days of receipt of the final audit report.
- D. Concessionaire shall keep, and make available to the City, such records (copies of subcontracts, paid invoices, documentation or correspondence) as are necessary for the City to determine compliance with the ACDBE participation requirement. The City reserves the right to investigate, monitor and/or review records for compliance. Concessionaire shall submit quarterly ACDBE activity reports to the City in a form approved by the Director.

Section 505. Unpaid Fees. All unpaid fee payments due the City hereunder shall bear a service charge of 1½% per month if same is not paid and received by the City on or before the 20th day of the month in which said payments are due, and Concessionaire agrees that it shall pay and discharge all costs and expenses including attorney fees and litigation cost incurred or expended by the City in collection of said delinquent amounts due, including service charges.

Section 506. Performance and Payment Bond. Concessionaire agrees to furnish a Performance and Payment Bond in a form acceptable to City in the principal amount equal to Ten Thousand Dollars (\$10,000) prior to execution of this Agreement. Such bond or other form of security agreed to by the City, shall remain in full force and effect throughout the term of this Agreement and shall extend at least 180 days following the expiration or early termination of this Agreement. In the event that said bond should expire prior to expiration or early termination of this Agreement, Concessionaire warrants, covenants and agrees to provide City a renewal bond 60 days prior to the expiring bond's expiration date. Such bond shall guarantee the payment of all fees and performance of all other terms, covenants and conditions of this Agreement. The Performance and Payment Bond shall be in the form of standard commercial guaranty bond running to City, written by a surety company authorized to do business in Missouri: having a "Best" key rating of not less than A and with a "Best" Financial Size Category of not less than Class VIII; and shown on the most recent U.S. Treasury Circular No. 570 as having an "underwriting limitation" of at least the amount of the penal sum of the bond. The bond shall be kept in full force and effect during the term hereof. City may agree to another form of deposit which shall provide equal protection of City's interest. If City cashes the bond or other form of deposit agreed to by the City, Concessionaire agrees to furnish a replacement Performance and Payment Bond or other form of deposit in the same principal amount within 15 days.

Section 507. Prompt Payment of Taxes and Fees. Concessionaire warrants, covenants and agrees to pay promptly all lawful general taxes or payments in lieu of taxes; special assessments; excises; license fees; permit fees; and utility service charges of whatever nature, applicable to its operation at the Airport, and to take out and keep current all licenses, municipal, state or federal, required for the conduct of its business at and upon the Airport or under this Agreement, and further covenants and agrees not to permit any of said taxes, payments, assessments, fees and charges to become delinquent.

These records shall be accessible during usual business hours to the City or its duly appointed agents or auditors. Section 509. Audit. City, or its duly appointed agents or auditors, reserves the right to audit Concessionaire's, subcontractor's (or others doing business under this Agreement) books, records and receipts at any time for the purpose of verifying the Gross Receipts

hereunder. If the results of the audit(s) reveal a discrepancy of more than 5% between Gross Receipts reported by Concessionaire and Gross Receipts determined by the audit, the cost of the audit shall be borne by Concessionaire.

Section 510. Additional Fees, Charges and Rentals. Concessionaire shall pay additional fees, charges and rentals under the following conditions:

- A. If the City has paid any sum or sums or has incurred any obligations or expenses for which Concessionaire has agreed to pay or reimburse the City for; or
- B. If the City is required or elects to pay any sum or sums or incurs any obligations or expenses because of the failure, neglect or refusal of Concessionaire to perform or fulfill any of the terms, covenants or conditions of this Agreement.

Such payments shall include all interest, costs, damages and penalties in conjunction with such sums so paid or expenses so incurred and may be added to any installment of fees, charges and rentals thereafter due hereunder. Each and every part of such payment shall be recoverable by the City in the same manner and with like remedies as if it were originally a part of the basic fees, charges and rentals, as set forth herein.

For all purposes under this paragraph, and in any suit, action or proceeding of any kind between the parties hereto, any receipt showing the payment of any sum or sums by the City for any work done or material furnished shall be prima facie evidence against Concessionaire that the amount of such payment was necessary and reasonable.

Section 511. Notice, Place and Manner of Payment. Payments to the City shall be made to the Director of Airports Office, at the Airport, or at such other place as the City may hereafter notify Concessionaire and shall be made in legal tender of the United States.

ARTICLE VII IMPROVEMENTS AND ALTERATIONS

Section 701. Construction by Concessionaire. The design should be sophisticated yet providing a comfortable and inviting atmosphere. Storefronts, if applicable, must be upscale and dynamic while complementing the design of the surrounding terminal space. The materials must provide the highest level of fit and finish yet must be durable enough to survive in the high volume airport environment. Finishes should be easy to maintain and keep clean. Passenger flow must be addressed to eliminate queuing into the concourses. The design must meet the criteria of the ADA along with all similar state and local requirements. Design of the Concession will be subject to the review and approval of the Airport Properties and Planning and Engineering Departments of the Airport. Drawings must be submitted to the Airport Properties Department along with a completed Tenant Construction or Alteration Application (“TCA”). Building permits will be required from St. Louis County. Fire protection drawings must be sealed by a licensed fire protection contractor and are subject to review and approval by the Airport’s insurance carrier. No work can begin until drawings have been approved by the City, building permits have been submitted to the City and a pre-construction conference has been held.

- A. Concessionaire takes the Premises “AS IS” as provided for in Article II hereof, and agrees, at Concessionaire’s sole cost and expense, to design, erect, construct, equip and furnish all necessary Improvements, Removable Fixtures and equipment and make related facility changes as needed to operate an ATM Concession, pursuant to this Agreement, in accordance with plans prepared by Concessionaire and approved by the Director subject to the requirements of this Article VII.
- B. Concessionaire agrees that all such work shall be completed according to the Tenant Design Standards, which are filed of record in the Office of the Director.
 - 1) Concessionaire shall submit a signed TCA including complete sealed construction drawings and specifications, as required by Section 702 hereof, to the Airport Properties Department for its initial as well as future construction.  - 3) Concessionaire shall submit the contractor’s liability insurance certificates and performance and payment bonds, required by Sections 704 and 705 hereof, to the Airport Properties Department not more than 45 days following the TCA approval and prior to commencement of work.
 - 4) Concessionaire shall complete all construction and open all Premises fully fixtured and operational no later than 180 days after full execution of the Agreement by the City, subject to the provisions of Article XIII.
 - 5) Failure to open and operate in accordance with this Section 701 will result in Concessionaire being assessed liquidated damages in the amount of **Five Hundred Dollars (\$500) per day** for each day beyond the 180 days after full execution by the City.
 - 6) Concessionaire shall submit a certificate of completion and a certified copy of a St. Louis County occupancy permit, to the Airport Properties Department, as required by Section 706 hereof.

In the event Concessionaire encounters material believed to be asbestos or polychlorinated biphenyl (**PCB**) which has not been rendered harmless, or specifically identified with method of removal, handling or protection, Concessionaire shall immediately stop

work in the affected area and report the condition to the Director in writing. The work in the affected area shall not thereafter be resumed except by written agreement of the Director and Concessionaire if in fact the material is asbestos or PCB and has not been rendered harmless. The work in the affected area shall be resumed in the absence of asbestos or PCB, or when it has been rendered harmless, by written agreement of the Director and Concessionaire. Concessionaire shall not be required to perform, without their consent, any work related to asbestos or PCB.

Section 702. Preparation of Plans and Specifications. Concessionaire shall submit detailed drawings, plans and specifications sealed by an appropriate Missouri registered professional for improving and equipping the Premises. Concessionaire shall begin work on proposed construction only after it has received the written approval of its plans and specifications from the Director.

Section 703. Contractor's Liability Insurance. In any contract appertaining to improving and equipping the Premises, Concessionaire shall require the contractor to cause the City, its Board of Aldermen, Airport Commission and their respective officers, agents and employees, to be insured against the risk of claims and demands, just or unjust, by third persons against the City, its Board of Aldermen, Airport Commission and their respective officers, agents and employees, against and from all such claims and demands, with bodily injury limits of not less than Two Million Dollars (\$2,000,000) as to any one person, and Two Million Dollars (\$2,000,000) as to any one occurrence, and with property damage limits of not less than Two Million Dollars (\$2,000,000) as to any one occurrence. Said insurance shall be in a form acceptable to the City.

Section 704. Performance and Payment Bonds. Concessionaire shall require each of its contractors and suppliers of construction materials to furnish a Performance Bond and Payment Bond each in the full amount of any contract in a form acceptable to the City. The Payment Bond shall comply with the coverage requirements and conditions of Section 107.170 RSMo (Revised Statutes State of Missouri). Copies of the bonds shall be given to the City for approval before work begins. Any sum or sums derived from said Performance and Payment Bonds shall be used for the completion of said construction and the payment of laborers and material suppliers, as the case may be.

Section 705. Mechanics' and Materialmen's Liens. Concessionaire agrees not to permit any mechanics' or materialmen's or any other lien to be foreclosed upon the Premises or any part or parcel thereof, or the improvements thereon, by reason of any work or labor performed or materials furnished by any mechanic or materialman or for any other reason.

Section 706. Certificates of Completion. Upon the completion of the improvements hereunder, Concessionaire shall submit to the Director a copy of its acceptance letter certifying completion and a certified copy of any certificate or permit which may be required by any federal, state or local government or agency in connection with the completion or occupancy thereof by Concessionaire. Concessionaire will provide the City with sealed as-built drawings within 90 days of opening.

Section 707. Signs.

- A. Concessionaire shall not erect, maintain or display any signs on the Premises without the prior written approval of the Director. The term "sign" as used herein, shall mean advertising signs, billboards, identification signs or symbols, posters, displays, logos, or any similar devices. Subject to the foregoing, Concessionaire shall have the right to install such advertising and identification signs as may be necessary for the proper conduct of an ATM Concession as contemplated hereunder. Concessionaire shall comply with all rules promulgated by the Director regarding the placement of signs and advertising in the Premises. A blade sign, installed in accordance with the Airport's blade sign specification must be installed as part of Concessionaires initial construction, if applicable to the Premises.
- B. Concessionaire shall be responsible for the cost of any new signs or modifications to Airport directories and other existing signs, including sign systems required by the Director. All modifications to these signs must be approved by the Director and are subject to all applicable requirements of this Section 707 hereof and the Tenant Design Standards.
- C. Prior to the erection, construction or placement of any sign, Concessionaire shall submit to the Director for approval, all drawings, electrical details, sketches, designs, elevations, mounting details and dimensions of such signs. Any conditions, restrictions or limitations with respect to the use thereof as stated by the Director in writing shall become conditions of the Agreement.
- D. Concessionaire shall not place any advertising matter, displays or other literature not directly pertaining to an

ATM Concession or place any signs outside of the Premises.

Section 708. Title to Improvements and Fixtures. All Improvements constructed or placed in the Premises by Concessionaire that are not Removable Fixtures, as well as all alterations, modifications and enlargements thereof shall become part of the Premises with title vesting to the City upon expiration or earlier termination of this Agreement. This vesting of title is subject to Concessionaire's obligation to operate, repair, maintain and replace, and its right of possession, use and occupancy during the term and in accordance with this Agreement.

All Removable Fixtures shall remain the property of Concessionaire, and shall be removed by Concessionaire at date of expiration or early termination of this Agreement. Within 60 days of the commencement of the operation in the Premises, a list of such Removable Fixtures shall be submitted in writing to the Director by Concessionaire for the Director's approval, and such list shall be periodically updated by Concessionaire.

The City reserves the right and Concessionaire agrees that the Director may require Concessionaire to promptly and timely remove any or all Improvements and structures and restore the Premises to their original condition at the time Concessionaire took possession of the Premises. Concessionaire agrees to bear all costs of such removals and restorations.

ARTICLE VIII USE OF PREMISES

Section 801. Compliance with Laws and Regulations. Concessionaire shall comply with all rules and regulations which the Director may establish from time to time. In addition, Concessionaire shall comply with all statutes, laws, ordinances, orders, judgments, decrees, regulations, directions and requirements of all federal, state, City, local and other governmental authorities, now or hereafter applicable to the Premises or to any adjoining public ways, as to the manner of use or the condition of the Premises or of adjoining public ways.

- Provide for complete, sanitary handling and disposal of all trash, garbage and refuse (liquid or solid) in accordance with standards established by the Director applicable to all Airport tenants. Such standards may require the use of special devices including, but not limited to, special containers, compactors and disposal systems. Concessionaire agrees to promptly provide and install same and to abide by such standards.
- Confine all handling and holding of Concessionaire's property to the Premises.

- Keep all papers and debris picked up daily from the Premises.
- Keep the Premises free of all pests, providing such pest control services as required.
- No storage will be permitted on the exterior areas of the Premises.

The Director may temporarily or permanently close any roadway or other right-of-way for access to the Premises, so long as another means of access is provided. Concessionaire understands and agrees that there may be inconveniences caused by construction or renovations of the Airport, and Concessionaire hereby releases and discharges the City from any and all inconvenience claims, liability or causes of action arising out of or incidental to the closing of any right-of-way, including without limitation loss of profit or business, incidental, consequential or special damages.

Section 803. Right to Enter, Inspect and Make Repairs. The City and its authorized officers, agents, employees, contractors, subcontractors and other representatives shall have the right (at such times as may be reasonable under the circumstances and with as little interruption of Concessionaire's operations as is practicable) to enter upon and in the Premises for the following purposes:

- A. To inspect such Premises to determine whether Concessionaire has complied and is complying, with the terms, covenants and conditions of this Agreement.
- B. To perform maintenance and make repairs Concessionaire is obligated, but has failed to do so after the City has given Concessionaire notice to do so, in which event, Concessionaire shall reimburse the City for the cost thereof, plus a charge of 15% for overhead, promptly upon demand.
- C. To gain access to the mechanical, electrical, utility and structural systems of the Airport for the purpose of maintaining and repairing such systems.
- D. To perform inspections, testing, reporting, surveys, environmental inspections, studies and assessments during normal business hours.

Section 804. Utilities. City shall provide electricity for the ATM(s). Concessionaire shall provide and pay for other utilities it requires, including telephone and/or data line connections. If dedicated circuits are required, the installation will be the Concessionaire's responsibility.

If service outlets are not available where needed, Concessionaire shall be responsible for bringing electrical service to the Premises. Concessionaire shall be responsible for any needed modification or upgrade in electrical supply caused by increased lighting or other changes to the Premises made by Concessionaire.

Concessionaire shall pay for all costs of other utilities, including but not limited to deposits, installation costs, connection charges, meter deposits and all service charges for telephone and other utility services metered directly to the Premises, regardless of whether or not such utility services are furnished by the City or a utility service company.

If required by building codes or other regulations, Concessionaire shall pay for the cost of installation of fire detection and suppression distribution equipment in the Premises. Concessionaire shall pay for the connection of fire detection equipment up to City provided z-tie boxes. Concessionaire shall pay for the connection of fire suppression equipment up to City provided sprinkler mains and tamper switches.

The City shall not be liable to Concessionaire for damages or any losses for the interruption of any utility service, or for any delay in the supplying or furnishing of any utility service. Concessionaire does hereby release and discharge the City from any and all inconvenience, claims or cause of actions arising out of or incidental to such interruption, including, without limitation, loss of profit or business, actual or incidental, consequential or special damages.

Concessionaire warrants, represents and agrees that no obstruction to air navigation, as such are defined from time to time by application of the criteria of Part 77 of the Federal Aviation Regulations or subsequent and additional regulations of the FAA, will be constructed or permitted to remain in or on the Premises. Any obstructions will be immediately removed by Concessionaire at its expense. Concessionaire warrants, represents and agrees not to increase the height of any structure or objects or permit the growth of plantings of any kind or nature whatsoever that would interfere with the line of

sight of the control tower and its operations. Concessionaire further warrants, represents and agrees not to install any structures, objects, machinery or equipment that would interfere with the operation of navigation aides or that would interfere with the safe and efficient operations of the Airport, or interfere with the operations of other tenants and users of the Airport.

**ARTICLE IX
INSURANCE, DAMAGE, AND INDEMNIFICATION**

Section 901. Insurance.

- A. General. Concessionaire at all times during the term hereof, shall cause St. Charles County, Missouri; St. Clair County, Illinois; St. Louis County, Missouri; the City; their officers, agents and employees to be insured on an occurrence basis against the risk of all claims and demands by third persons for bodily injury (including wrongful death) and property damage arising or alleged to arise out of the activities or omissions of Concessionaire, its officers, agents, and employees pursuant to this Agreement both on the Premises and the Airport.
- B. Risks and Minimum Limits of Coverage. Concessionaire shall procure and maintain the following policies of insurance:
- 1) Commercial General Liability in an amount not less than Two Million Dollars (\$2,000,000). Such coverage shall be single limit liability with no annual aggregate.
 - 2) Automobile Liability Insurance. Concessionaire shall provide in an amount not less than Two Million Dollars (\$2,000,000) combined single limit per occurrence (for automobiles used by Concessionaire in the course of its performance hereunder, including Concessionaire's non-owned and hired autos). In addition, Concessionaire shall carry excess coverage in the amount of Two Million Dollars (\$2,000,000) to Concessionaire automobile liability insurance.
 - 3) Workers' Compensation and Employer's Liability Insurance, in accordance with Missouri laws and regulations. With respect to Workers' Compensation Insurance, if Concessionaire elects to be self-insured, Concessionaire shall comply with the applicable requirements of law. Concessionaire shall require that all its subcontractors or licensees similarly provide such coverage (or qualify as a self-insured) for their respective employees. City, its officers, employees, or agents shall not be liable or responsible for any claims or actions occasioned by Concessionaire's failure to comply with the provisions of this subparagraph and that the indemnification provisions hereof shall apply to this section. It is expressly agreed that the employees of Concessionaire are not employees of the City for any purpose, and that employees of the City are not employees of Concessionaire.
 - 4) Contents Insurance. Concessionaire shall be solely responsible for obtaining insurance policies that provide coverage for losses of Concessionaire owned property. The City shall not be required to provide such insurance coverage or be responsible for payment of Concessionaire's cost for such insurance.
 - 5) Builders Risk Insurance. During any period of construction or reconstruction for which Concessionaire contracts, Concessionaire shall carry, or shall require its contractor or contractors to carry, a policy of Builders Risk Insurance in an amount sufficient to insure the value of the work. The City shall be named Loss Payee on Builders Risk coverage to the extent of the City's interest therein (except to the extent coverage relates to Concessionaire's equipment and personal property). Concessionaire may elect to self-insure for individual projects with a total cost of Fifty Thousand Dollars (\$50,000) or less.
 - 6) Other Property Coverage. Concessionaire shall provide an "All Risk" insurance policy providing protection from direct loss arising out of any fortuitous cause other than those perils or causes specifically excluded by norm and which covers Concessionaire's improvements to the Premises, trade fixtures, and equipment. The City shall be named Loss Payee on such coverage to the extent of the City's interest therein (except to the extent coverage relates to Concessionaire's equipment and personal property).

- C. Issuers of Policies. The issuer of each policy required herein shall be a financially sound insurance company authorized to issue insurance policies in the State of Missouri. Acceptable insurers include insurance companies with an "A.M. Best Company" rating of at least an "A," or other insurers or insurance syndicates of similar recognized responsibility.
- 1) Form of Policies. The insurance may be in one or more policies of insurance.
 - 2) Non-waiver. Nothing the City does or fails to do shall relieve Concessionaire from its duties to provide the required coverage hereunder, and the City's actions or inactions shall not be construed as waiving the City's rights hereunder.
 - 3) Insured Parties. Each policy by endorsement, except those for Workers' Compensation and Employer's Liability, shall name the City, its officers, agents, and employees as "additional insured" on the certificate of insurance, including all renewal certificates, to the extent of Concessionaire's indemnification obligations hereunder. Inclusion as an "additional insured" is not intended to, and shall not, make the City a partner or joint venturer with Concessionaire in its operations.
 - 4) Deductibles. Concessionaire shall assume and bear any claims or losses to the extent of any deductible amounts and waives any claim it may ever have for the same against the City, its officers, agents, or employees; provided, however, that nothing herein stated shall diminish Concessionaire's rights or increase Concessionaire's obligations in respect to its undertakings or hold harmless defense and indemnification set forth in Section 904 hereof.
 - 5) Cancellation. Each policy shall expressly state that it may not be cancelled, materially modified or non-renewed unless a 30-day advance notice is given in writing to the City by the insurance company, or authorized representative of Concessionaire.
 - 6) Subrogation. Each policy shall contain an endorsement by which the issuer waives any claim or right in the nature of subrogation to recover against the City, its officers, agents, or employees.
 - 7) Endorsement of Primary Insurance. Each policy hereunder except Workers' Compensation shall be primary insurance to any other insurance available to the Additional Insured and Loss Payee with respect to claims arising hereunder.
 - 8) Liability for Premium. Concessionaire shall be solely responsible for payment of all insurance premiums required pursuant to this Agreement, and the City shall not be obligated to pay any premiums; provided, however, that if Concessionaire fails to obtain the insurance as required herein or make premium payments, the City may, without further notification, effect such insurance or make such payments on Concessionaire's behalf and, after notice to Concessionaire, the City may recover the cost of those payments with the installment of Fees and Charges next due, plus 15% administrative charge, from Concessionaire.
 - 9) Proof of Insurance. Within 30 days of the effective date of this Agreement and at any time during the term hereof, Concessionaire shall furnish the City with certificates of insurance. At least five days prior to the expiration of any such policy, Concessionaire shall submit to the City a certificate showing that such insurance coverage has been renewed. If such coverage is canceled or reduced, Concessionaire shall, within 15 days after the date of such notice from the insurer of such cancellation or reduction in coverage, file with the City a certificate showing that the required insurance has been reinstated or provided through another insurance company or companies. Upon reasonable notification by the City to Concessionaire, the City shall have the right to examine Concessionaire's insurance policies.
- D. Maintenance of Coverage. Notwithstanding the proof of insurance requirements set forth above, it is the intention of the parties hereto that Concessionaire, continuously and without interruption, maintain in force the required insurance coverages set forth above.

- E. **City Right to Review and Adjust Coverage Limits.** The City reserves the right at reasonable intervals during the term of this Agreement to cause the insurance requirements of this Article to be reviewed, at its sole cost, by an independent insurance consultant experienced in insurance for public airports, taking into consideration changes in statutory law, court decisions, or the claims history of the airline industry as well as that of Concessionaire, and, based on the written recommendations of such consultant, and in consultation with Concessionaire, to reasonably adjust the insurance coverages and limits required herein but not more often than every 24 months.

Section 902. Concessionaire Actions Affecting Insurance. Concessionaire shall not knowingly do or permit to be done anything, either by act or failure to act, that may cause the cancellation or violation of the provisions, or any part thereof, of any policy of insurance for the Airport, or that may cause a hazardous condition so as to increase the risks normally attendant upon operations permitted by this Agreement. If such Concessionaire's act, or failure to act, causes cancellation of any policy, then Concessionaire shall immediately, upon notification by the City, do whatever is necessary to cause reinstatement of said insurance. Furthermore, if Concessionaire does or permits to be done any act or fails to do any act which causes an increase in the City's insurance premiums, Concessionaire shall immediately remedy such actions and/or pay the increase in premiums, upon notice from the City to do so; but in any event, Concessionaire will hold the City harmless for any expenses and/or damage resulting from any such action.

Section 903. Damage to Premises.

- A. **Minor Damage.** If any part of the Premises, or adjacent facilities directly and substantially affecting the use of the Premises, is partially damaged by fire or other casualty, but said circumstances do not render the Premises untenable as determined by the City, the same shall be repaired to usable condition with due diligence by the City as provided in this Section.
- B. **Substantial Damage.** If any part of the Premises, or adjacent facilities directly and substantially affecting the use of the Premises, is so extensively damaged by fire, or other casualty, as to render any portion of said Premises untenable but capable of being repaired, as determined by the City, the same shall be repaired to usable condition with due diligence by the City as provided in this section. In such case, the fees payable hereunder with respect to affected Premises shall be paid up to the time of such damage and shall thereafter be abated ratably in the proportion that the untenable area bears to the total Premises of the same category or type of space. Such abatement in fees will continue until the affected Premises are restored adequately for Concessionaire's use. The City shall use its best efforts to provide alternate facilities to continue Concessionaire's operation while repair, reconstruction, or replacement is being completed, at a rental rate not to exceed that provided herein for comparable space, provided that Concessionaire's rental costs shall not increase as a result of any such alternate facilities unless Concessionaire requests additional space and/or space replacement of a classification at higher rental rates concurrent with such reassignment to alternate facilities.
- C. **Total Damage.**
- 1) If any part of the Premises, or adjacent facilities directly and substantially affecting the use of the Premises, is damaged by fire or other casualty, and is so extensively damaged as to render any portion of said Premises incapable of being repaired, as determined by the City, the City shall notify Concessionaire as soon as practicable under the circumstances after the date of such damage of its decision whether to reconstruct or replace said space. However, the City shall be under no obligation to replace or reconstruct such premises. The fees payable hereunder with respect to affected Premises shall be paid up to the time of such damage and thereafter shall cease until such time as replacement or reconstructed space shall be available for use by Concessionaire.
 - 2) If the City elects to reconstruct or replace affected Premises, the City shall use its best efforts to provide alternate facilities to continue Concessionaire's operation while repair, reconstruction, or replacement is being completed, at a rental rate not to exceed that provided herein for comparable space. However, if such damaged space shall not have been replaced or reconstructed, or the City is not diligently pursuing such replacement or reconstruction, within six months after the date of such damage or destruction, Concessionaire shall have the right, upon giving the City a 30-day advance notice, to delete the affected Premises from this Agreement, but this Agreement shall remain in effect with respect to the remainder of said Premises, unless such damaged or destroyed premises prevent Concessionaire from operating its ATM Concession at the Airport.

- 3) If the City elects not to reconstruct or replace affected Premises, the City shall meet and consult with Concessionaire on ways to permanently provide Concessionaire with adequate replacement space for affected Premises. Concessionaire shall have the right, upon giving the City a 30-day advance notice, to delete the affected Premises from this Agreement, but this Agreement shall remain in full force and effect with respect to the remainder of said Premises, unless the loss of such premises prevents Concessionaire from operating its ATM Concession at the Airport.
- D. Scope of Restoration of Premises.
- 1) The City's obligations to repair, reconstruct, or replace affected Premises under the provisions of this Section shall in any event be limited to using due diligence and best efforts to restore affected Premises to substantially the same condition that existed prior to any such damage and shall further be limited by the provisions of Sections 903 A-C herein. If the City elects to repair, reconstruct, or replace affected premises as provided in this section, then Concessionaire shall proceed with due diligence and at its sole cost and expense to repair, reconstruct, or replace its signs, fixtures, furnishings, equipment, and other items provided or installed by Concessionaire in or about the Premises in a manner and in a condition at least equal to that which existed prior to said damage or destruction.
 - 2) In lieu of the City's repair, reconstruction, or replacement of the affected premises, as provided in this Section, if Concessionaire requests to perform said function with respect to damage under Sections 903 A and B, the City may, in its sole discretion, allow Concessionaire to do so. Any such work by Concessionaire must be done in accordance with the requirements of Article VII. The City shall reimburse Concessionaire for the cost of such work performed by Concessionaire. Concessionaire shall be considered to be doing such work on its own behalf and not as an agent or contractor of the City.
- E. Damage From Concessionaire Negligence. Notwithstanding the provisions of this Section, if damage to or destruction of the Premises is due to the negligent or willful acts of Concessionaire, its agents, servants, or employees, or those under its control, there shall be no abatement of fees during the restoration or replacement of said Premises. In addition, Concessionaire shall have no option to delete the affected Premises from this Agreement. To the extent that the costs of repairs pursuant to this section shall exceed the amount of any insurance proceeds payable to the City by reason of such damage or destruction, Concessionaire shall pay the amount of such additional costs to the City.

Section 904. Indemnification. Concessionaire shall defend, indemnify, and hold harmless St. Charles County, Missouri; St. Clair County, Illinois; St. Louis County, Missouri; the City; their respective officers, agents and employees (the “**Indemnified Parties**”) from and against any and all loss, liability, penalties, damages of whatever nature, causes of action, suits, claims, demands, judgments, injunctive relief, awards, settlements, costs, and expenses, including payments of claims of liability resulting from any injury or death of any person or damage to or destruction of any property including all reasonable costs for investigation and defense thereof (including but not limited to attorneys’ fees, court costs and expert fees) of any nature, arising out of and in connection with this Agreement, the conduct of the Concessionaire, or Concessionaire's use of its Premises or other areas or facilities at the Airport by Concessionaire, its agents, employees, contractors, or subcontractors, including, but not limited to:

- A. The acts or omissions of Concessionaire, its agents, employees, contractors, or suppliers;
- B. Concessionaire's use or occupancy of the Airport and the Premises; and
- C. Any violation by Concessionaire in the conduct of Concessionaire's ATM Concession or use of its Premises or other areas or facilities at the Airport of any provision, warranty, covenant, or condition of this Agreement.

Concessionaire shall, at its own cost and expense, defend all such claims, demands and suits, whether frivolous or not. Concessionaire shall defend, indemnify, pay, and hold harmless the Indemnified Parties from and against all applicable taxes and assessments for which the City may become liable and which by law may be levied or assessed on the Premises, or which arise out of the operations of Concessionaire or by reason of Concessionaire's occupancy of its Premises except for any taxes or assessments based on the gross or net income or gross or net receipts of the City that are not allocable to Concession-related receipts. Concessionaire may, at its own risk, cost, and expense, and at no cost to the City, contest, by appropriate judicial or administrative proceedings, the applicability or the legal or constitutional validity of any such tax or assessment, and the City will, to the extent

permitted by law, execute such documents as are necessary to permit Concessionaire to contest or appeal the same. Concessionaire shall be responsible for obtaining bills for all of said taxes and assessments directly from the taxing authority and shall promptly deliver to the City, upon request by the City, copies of receipts of payment. If the City receives any tax billings falling within the scope of this paragraph, it will forward said billings to Concessionaire. Concessionaire shall, at its own cost and expense, defend all such claims, demands and suits, whether frivolous or not.

Concessionaire shall defend, indemnify, and hold harmless the Indemnified Parties from and against any claim, suit, demand, action, liability, loss, damage, judgment, or fine, and all costs and expenses of whatever kind or nature associated therewith in any way arising from or based in whole or substantial part upon claim or allegation of a violation of any federal, state, or local laws, statutes, resolutions, regulations, ordinance, or court order affecting the Airport, by Concessionaire, its agents, employees, contractors, or suppliers, in conjunction with Concessionaire's use and/or occupancy of the Premises or its operations at the Airport. Concessionaire will, at its own cost and expense, defend all such claims, demands and suits, whether frivolous or not. Concessionaire shall include the substance of this Subsection (C) in every sublease, contract or other agreement which Concessionaire may enter into related to its activities at the Airport, and any such sublease, contract or other agreement shall specifically provide that the City is a third-party beneficiary of this and related provisions. This provision does not constitute a waiver of any other condition of this Agreement prohibiting or limiting assignments, subletting or subcontracting.

If a prohibited incursion into the air operations area occurs, or if the AOA or sterile area security is breached, by or due to the negligence or willful act or omission of any of Concessionaire's employees, agents, contractors, or suppliers, and such incursion or breach results in a civil penalty action against the City, Concessionaire shall assume the defense of any such action and be responsible for any civil penalty or settlement amount required to be paid by the City as a result of such incursion or breach. The City shall notify Concessionaire of any allegation, investigation, or proposed or actual civil penalty sought for such incursion or breach. Civil penalties and settlement and associated expenses reimbursable under this paragraph include but are not limited to those paid or incurred as a result of violation of FAA or TSA regulations or security directives.

Concessionaire's obligation to defend and indemnify past officers, employees, and agents of the City shall apply to such persons only for claims, suits, demands, actions, liability, loss, damages, judgments, or fines arising from events, occurrences, and circumstances during which said officers, employees, and agents held their office or position with the City.

The City shall promptly notify Concessionaire of each claim, action, proceeding, or suit in respect of which indemnity may be sought by the City against Concessionaire hereunder, setting forth the particulars of such claim, action, proceeding or suit; shall furnish Concessionaire with a copy of all judicial filings and legal process and any correspondence received by the City related thereto; and shall tender the defense of same to Concessionaire.

The duty to defend, indemnify, hold harmless, and reimburse shall apply to any claim, demands, or suits made against the City for which Concessionaire is responsible pursuant to this Section. Provided, however, that upon the filing by anyone of a claim with the City for damages arising out of incidents for which Concessionaire herein agrees to indemnify and hold the City harmless, the City shall promptly notify Concessionaire of such claim and, if Concessionaire does not settle or compromise such claim, then Concessionaire shall undertake the legal defense of such claim both on behalf of Concessionaire and on behalf of the City, at Concessionaire's expense; provided, however, that Concessionaire shall immediately notify City if a conflict between the interests of Concessionaire and City arises during the course of such representation. Concessionaire shall use counsel reasonably acceptable to the City Counselor of the City or his or her designee, after consultation with the Director, in carrying out its obligations hereunder. The provisions of this section shall survive the expiration or early termination of this Agreement. It is specifically agreed, however, that the City, at its option and at its own expense, may participate in the legal defense of any claim defended by Concessionaire in accordance with this Section. Any final judgment rendered against the City for any cause for which Concessionaire is liable hereunder shall be conclusive against Concessionaire as to amount upon the expiration of the time for appeal there from. Nothing in this Article IX shall be deemed a change or modification in any manner whatsoever of the method or conditions of preserving, asserting, or enforcing any claim of legal liability against the City. This Section shall not be construed as a waiver of the City's sovereign or other immunity.

The City, at its own expense except as otherwise provided herein, shall be invited to attend and participate in all meetings (including those related to settlement) and to appear and participate in all judicial proceedings and to the extent of its interests, approve, in writing, the terms of any settlement related to any claim, action, proceeding or suit set forth in this Section.

Notwithstanding the provisions of this Section, Concessionaire shall have no obligation to defend, indemnify, or hold harmless the City for any consequential damages or for any amounts to be paid in connection with losses, liabilities, penalties, damages of

whatever nature, causes of action, suits, claims, demands, injunctive relief, judgments, awards and settlements if the City is conclusively determined to be more than 50% liable due to contributory negligence.

This Section shall survive the expiration or early termination of this Agreement. Concessionaire understands and agrees that any insurance protection furnished by Concessionaire pursuant to Section 901 shall in no way limit Concessionaire's responsibility to indemnify and hold harmless the City under the provisions of this Agreement.

Section 905. City Not Liable. Unless otherwise expressly provided for in this Agreement, the City shall not in any event be liable to Concessionaire for:

- A. Any acts or omissions of Concessionaire, its officers, directors, employees, agents, contractors, or suppliers, or for any conditions resulting from the operations or activities of Concessionaire's directors, officers, employees, agents, contractors, or suppliers;
- B. Concessionaire's failure to perform any of the obligations hereunder or for any delay in the performance thereof;
- C. Any environmental condition in existence at the Airport, or any part thereof, which condition may interfere with Concessionaire's business or other operations or activities, or which might otherwise cause damages to Concessionaire through loss of business, destruction of property, or injury to Concessionaire, its officers, directors, employees, agents, contractors, suppliers, passengers, invitees, or licensees except to the extent such conditions are caused by the City, its employees or agents; or
- D. Bodily injury or any loss or damage to real or personal property or business income occasioned by flood, fire, smoke, earthquake, lightning, windstorm, hail, explosion, riot, strike, civil commotion, vandalism, malicious mischief, or acts of war or terrorism, or for any injury, loss or damage not caused by the negligence, willful misconduct, or bad faith of the City.

ARTICLE X ASSIGNMENT AND SUBCONTRACTING

Section 1001. Assignment and Subcontracting.

- A. Concessionaire shall not assign or transfer this Agreement. In the event there is an assignment of this Agreement by operation of law, the City shall be entitled within 90 days after written notice thereof to exercise the City's option hereby given to terminate this Agreement no sooner than 30 days after the date of such determination by the City. An assignment by operation of law, as the term is used herein, shall include but not be limited to the vesting of Concessionaire's right, title and interest in the Concessionaire's furnishings, Removable Fixtures, or Concessionaire's interest in this Agreement, as a trustee in bankruptcy or as an assignee for the benefit of creditors or in a purchase thereof at a judicial sale or other involuntary or forced sale. It is the purpose of the foregoing provision to prevent the vesting in any such purchaser, referee, trustee, or assignee, any rights, title or interest in the City premises or any of the Removable Fixtures, except subject to the City's right to terminate this Agreement.
- B. Concessionaire shall not sublet the Premises and/or subcontract or transfer any part of the services to be performed hereunder, except as may be necessary to comply with the ACDBE participation goal in Article XII of this Agreement. At least 60 days prior to any contemplated subletting of the Premises or subcontracting of this Agreement, Concessionaire must submit a written request to the Director. This request must include a copy of the proposed subcontract or sublease. Any sublease for space or subcontract or granting of rights acquired hereunder shall be subject to the review and written approval of the Director. Such sublease or subcontract, however, must require at a minimum: strict compliance with all provisions of this Agreement; a provision that the sublessee or subcontractor will use the facilities solely for the purposes identified in this Agreement; and a provision ensuring that all Concession services are available during the hours of operation required by Article VI.

The parties understand and agree that Concessionaire is responsible for the performance of its assignees, sublessees, and subcontractors under this Agreement. Concessionaire agrees to initiate and take all corrective

action should a subcontractor or sublessee fail to comply with its contract with the Concessionaire or any provision of this Agreement. There will be no reduction of the Concession Fees payable to the City during any such period of change-out or vacancy of a subcontractor or sublessee.

- C. No subcontract, sublease, or other agreement shall be effective as it pertains to the City until such time as the City receives a fully executed copy of the approval, subcontract, sublease or agreement as provided for above. Any such assignment or transfer or subcontract of services or the subletting of the Premises without the consent of the City, as provided for above, shall constitute a default on the part of Concessionaire under this Agreement, and the City may terminate this Agreement as provided for in Article XI. No action or failure to act on the part of any officer, agent or employee of the City shall constitute a waiver by the City of this provision.

**ARTICLE XI
TERMINATION OF AGREEMENT IN ENTIRETY**

Section 1101. City's Right to Terminate. The City, acting by and through its Director, may declare this Agreement terminated in its entirety, in the manner provided in Section 1103 hereof, upon the happening of any one or more of the following events. By example, but not by way of limitation, the following acts or omissions shall constitute a material breach thereby justifying the termination of this Agreement in its entirety.

- A. If the fees, charges, or other money payments which Concessionaire herein agrees to pay, or any part thereof, shall be unpaid after the date the same shall become due.
- B. If during the term of this Agreement, Concessionaire shall:
- 1) Apply for, or consent to the appointment of a receiver, trustee or liquidator of all or a substantial part of its assets;
 - 2) File a voluntary petition in bankruptcy, or admit in writing its inability to pay its debts as they come due;
 - 3) Make a general assignment for the benefit of creditors;
 - 4) File a petition or an answer seeking reorganization or arrangement with creditors or to take advantage of an insolvency law;
 - 5) File an answer admitting the material allegations of a petition filed against any said assignee or sublessee in any bankruptcy, reorganization or insolvency proceedings; or if during the term of this Agreement, an order, judgment or decree shall be entered by any court of competent jurisdiction; or the application of a creditor, adjudicating Concessionaire as bankrupt or insolvent; or approving a petition seeking a reorganization of Concessionaire, and such order, judgment or decree, shall continue unstayed and in effect for any period of 90 consecutive days;
 - 6) Fail to maintain the quality of services and prices to the satisfaction of the Director as required hereunder;
 - 7) Fail to prevent cessation or deterioration of service for a period which, in the opinion of the Director, materially and adversely affects the overall performance of Concessionaire under this Agreement;
 - 8) Allow a lien to be filed against Concessionaire or any of the equipment or furnishings therein because of or resulting from any act or omission of Concessionaire that is not removed or enjoined within 30 days;
 - 9) Desert, vacate or discontinue all or a portion of its operation of the Premises that in the opinion of the Director results in a failure to provide the public and others the service contemplated hereunder;
 - 10) Fail in the performance of any term, covenant or condition herein required to be performed by

Concessionaire.

On the date set forth in the notice of termination, the term of this Agreement and all right, title and interest of Concessionaire shall expire, except as otherwise provided in Section 1103 hereof.

Failure of the City to take any authorized action upon default of any term, covenant or condition required to be performed, kept and observed by Concessionaire shall not be construed to be or act as a waiver of default or in any subsequent default of any term, covenant or condition herein contained to be performed, kept and observed by Concessionaire. The acceptance of monies by the City from Concessionaire for any period or periods after a default by Concessionaire of any term, covenant or condition herein required to be performed, kept and observed by Concessionaire shall not be deemed a waiver or estopping of any right on the part of the City to terminate this Agreement for failure by Concessionaire to so perform, keep or observe any said term, covenant or condition.

Section 1102. Concessionaire's Right to Terminate. Concessionaire, at its option, may declare this Agreement terminated in its entirety, in the manner provided in Section 1103 hereof for the following causes:

- A. If a court of competent jurisdiction issues an injunction or restraining order against the City preventing or restraining the use of the Airport for Airport purposes in its entirety or in substantial entirety.
- B. If the City shall have abandoned the Airport for a period of at least 60 days and shall have failed to operate and maintain the Airport in such manner as to permit landings and takeoffs of planes by scheduled air carriers.
- C. If the City shall have failed in the performance of any specific covenant constituting a material breach within the control of the City and required by this Agreement to be performed by the City.

Section 1103. Procedures for Termination. No termination declared by either party shall be effective unless and until not less than 45 days have elapsed after written notice by either party to the other specifying the date and cause of termination. No such termination shall be effective if the party at default: cannot by the nature of the default cure it within such 45-day period; commences to diligently correct such default within such 45-day period; and corrects such default as is reasonably practicable. Notwithstanding the foregoing, the effective date for termination shall be 30 days after written notice by City to Concessionaire for failure to make any payment when due, or for failure to provide the security for performance as specified in Article V or for failure to provide any insurance coverage as specified in Article IX unless cured in such 30 days after written notice by City to Concessionaire.

Section 1104. Rights Cumulative. It is understood and agreed that the rights and remedies of the City and Concessionaire specified in this Article XI are not intended to be and shall not be exclusive of one another or exclusive of any common law right of either of the parties hereto or any other remedies otherwise available to the parties at law or in equity.

ARTICLE XII AIRPORT CONCESSION DISADVANTAGED BUSINESS ENTERPRISE (ACDBE) PARTICIPATION

Section 1201. Compliance.

- A. Concessionaire agrees as a condition hereunder to meet a minimum ACDBE participation goal of not less than 15% participation in the ownership, management and control of the business by the methods of participation allowed by DOT 49 CFR Part 23. The goal shall be measured as a percentage of total Gross Receipts. The goal remains in effect throughout the term of this Agreement and credit toward the ACDBE goal will only be given for the use of Missouri Regional Certification Committee (MRCC) certified ACDBEs.

Concessionaire submitted at the time of Bid, evidence that it completed the applicable Good Faith Efforts procedure specified in the SFB for this ATM Concession.

- B. If these Good Faith Efforts resulted in the fulfillment of the ACDBE goal, Concessionaire will not be required to perform additional Good Faith Efforts, except in the event that Concessionaire's ACDBE participation fails to continue to meet the goal or comply with the applicable federal regulations. In the event Concessionaire's ACDBE participation fails to continue to meet the goal or comply with applicable federal regulations, Concessionaire will be required to perform the Good Faith Efforts procedure specified in the applicable federal

regulations for the type of participation sought within three months following the loss of ACDBE participation and continue at intervals of not less than 12 months, or until the ACDBE goal is reached by Concessionaire.

- C. If these Good Faith Efforts did not result in fulfillment of the ACDBE goal, Concessionaire must again complete the Good Faith Efforts procedure specified in the applicable federal regulations for the type of participation sought within three months following commencement of the term of this Agreement and continue at intervals of not less than 12 months, or until the ACDBE goal is reached by Concessionaire.
- D. This Agreement is subject to the requirements of the U.S. Department of Transportation's regulations 49 CFR Part 23. Concessionaire or contractor agrees that it will not discriminate against any business owner because of the owner's race, creed, color, religion, sex, national origin or ancestry in connection with the award or performance of any concession agreement, management contract or subcontract, purchase or lease agreement, or other agreement covered by 49 CFR Part 23. Concessionaire or contractor agrees to include the above statements in any subsequent concession agreement or contract that it enters and cause those businesses to similarly include the statements in further agreements.
- E. Concessionaire shall operate its ATM Concession in compliance with all other requirements imposed by or pursuant to 49 CFR Part 23, as applicable, and as said regulations may be amended or new regulations promulgated. Concessionaire shall also comply with any City of St. Louis executive orders, resolutions or ordinances enacted, now or in the future, to implement the foregoing federal regulations, as applicable. In the event of breach of any of the above covenants, the City shall have the right to terminate this Agreement.

ARTICLE XIII LIQUIDATED DAMAGES

Section 1301. Liquidated Damages. Concessionaire recognizes and hereby agrees and stipulates that the City will lose revenue and/or incur certain cost or expense, the amounts of which are difficult to ascertain, if Concessionaire defaults or breaches any of the terms, covenants or conditions enumerated below. Therefore, the Concessionaire agrees and stipulates that the Director, on behalf of the City, may elect after written notice to the Concessionaire of said default or breach to impose the charges set forth below as liquidated damages on the basis of each default or breach. The first default or breach in any category will result in a warning letter. The second default or breach will require Concessionaire to pay liquidated damages in the amount listed below. For the third default or breach in the same category, Concessionaire will pay City liquidated damages in the amount listed below. For the fourth and each subsequent cumulative default or breach, Concessionaire shall pay to City the third default or breach amount plus an additional 100%. Such liquidated damages shall be due and payable by the Concessionaire within 30 days of the City's request or notice. The stated defaults or breaches in this Section 1301 are cumulative over the term of this Agreement and are in addition to any other remedies City may have under this Agreement or at law or inequity. For any defaults or breaches specified in this section with associated liquidated damages, the City agrees to provide immediate written notice via facsimile and overnight courier of any such default or breach and the amount of liquidated damages due and payable to the City.

**ARTICLE XIV
ENVIRONMENTAL REQUIREMENTS**

Section 1401. Environmental Laws. Concessionaire warrants and covenants that in conducting any activities or business at the Airport, including any activities directly related or incidental to this Agreement, Concessionaire shall comply with any and all applicable Environmental Laws.

Section 1402. Environmental Permits. Concessionaire shall obtain and maintain any and all Environmental Permits required by applicable Environmental Laws to conduct the activities in which Concessionaire engages at the Airport.

Concessionaire shall comply with any requirement imposed by an Environmental Permit obtained by the City that is applicable to Concessionaire or Concessionaire's activities at the Airport; provided, however that the City shall adequately notify Concessionaire of such Environmental Permit and associated requirements, including all applicable deadlines for compliance.

The City and Concessionaire shall cooperate to ensure compliance with the terms and conditions of any Environmental Permit to insure safety and to minimize cost of compliance.

Section 1403. Duty to Notify City. In the event of any release or threatened release of Hazardous Materials caused by Concessionaire, its employees, agents, contractors, suppliers, guests, or invitees, and which is required by applicable Environmental Laws or Rules and Regulations to be reported by Concessionaire, whether as a result of negligent conduct or otherwise, at, on, under or about the Airport, or any portion thereof, or in the event any written claim, demand, complaint or action is made or taken against Concessionaire that pertains to Concessionaire's failure or alleged failure to comply with any Environmental Laws or Environmental Permits at the Airport, Concessionaire shall notify the City as soon as reasonably practical of all known facts pertinent to such release, threatened release, claim, demand, complaint, action, or notice, and shall provide the City with copies of any and all such claims, demands, complaints, notices, or actions so made. If Concessionaire is required, by any Environmental Laws, Environmental Permits, or governmental agency, to file any written notice or report of a release or threatened release of Hazardous Materials at, on, under or about the Airport, or any part thereof, Concessionaire shall simultaneously provide a copy of such notice or report to the City.

Section 1404. Environmental Remediation. Concessionaire shall undertake all necessary steps required under applicable Environmental Laws and Environmental Permits to remedy and remove at its cost any Hazardous Material, or environmental condition or damage to the extent caused by, or resulting solely from, the activities, conduct of Concessionaire or its agents, employees, contractors, or suppliers at the Airport, whether resulting from negligent conduct or otherwise ("**Remediation Work**"). Such Remediation Work shall be performed at Concessionaire's expense. Except in the event of an emergency, such Remediation Work shall be performed after Concessionaire submits to the City a written plan for completing such Remediation Work and receives the prior approval of the City through Notice; provided, however, that the City's approval shall not be unreasonably withheld or delayed. The City expressly reserves the right to review and approve any proposed: remedial investigations; remedial work plans; interim and final remedies; institutional controls; or other associated documents prior to submittal to the relevant governmental agencies responsible for enforcing Environmental Laws or Environmental Permits. Specific cleanup levels for any Remediation Work by Concessionaire shall be designed to meet and satisfy the requirements of all applicable Environmental Laws and Environmental Permits, as determined by the governmental agency responsible for enforcing Environmental Laws or Environmental Permits. Neither an ongoing remediation, including any testing or monitoring, nor the use of institutional controls, shall either unreasonably or materially impair or interfere with the City's use and enjoyment of its property or the Airport, or that of current and future tenants. The City shall have the right to conduct a reasonable review and inspect all such Remediation Work at any time using consultants and representatives of its choice.

Section 1405. Access for Environmental Inspection. Upon reasonable notification to Concessionaire, the City shall have reasonable access to the Premises to inspect the same in order to confirm that Concessionaire is using the Premises in accordance with all applicable Environmental Laws and Environmental Permits. Concessionaire shall cooperate fully with any such inspections provided that such inspections shall not unreasonably interfere with Concessionaire's operations. If the City's inspection results in any type of written report, the City shall provide Concessionaire a reasonable opportunity to timely review and comment on a draft of the report. Concessionaire shall provide to City, for its review and comment, copies of: any and all notices of alleged non-compliance issued by governmental agencies responsible for enforcing Environmental Laws or Environmental Permits; draft official submittals (proposed final drafts) prepared by, or on behalf of, Concessionaire responding to such alleged non-compliance; and any and all consent orders or administrative determinations, whether preliminary or final, issued by such governmental agencies. The City agrees to maintain the confidentiality of the documents produced in accordance with this subsection to the extent consistent with the City's legal obligations.

Section 1406. Corrective Action by City. If Concessionaire fails to comply with any applicable Environmental Laws or Environmental Permits governing its activities at the Airport, or if Concessionaire fails to conduct necessary Remediation Work in a timely manner as required under this Section, the City, as required by applicable Environmental Laws and Environmental Permits, in addition to the rights and remedies described elsewhere herein and any other rights and remedies otherwise available to the City, may enter the Premises and take all reasonable and necessary actions to conduct Remediation Work to remove Hazardous Materials or other contaminants and insure such compliance with such Environmental Laws and Environmental Permits. All Remediation Costs incurred by the City shall be paid or reimbursed by Concessionaire. Remediation Work, if necessary, shall be performed in accordance with the provisions of Section 1404, but only after first having provided Notice to Concessionaire of such failure to comply, and 30 days within which Concessionaire may demonstrate why no such alleged failure is present, or to timely remedy such alleged failure that may be present. If Concessionaire's compliance reasonably requires more than 30 days to complete the City may enter the Premises and take such reasonable and necessary measures to achieve compliance only upon Concessionaire's failing to timely begin curing such noncompliance within such 30-day period and to continue diligently working to achieve compliance thereafter.

Section 1407. Review of Environmental Documents. At the reasonable request of the City, Concessionaire shall make available for inspection and copying, at reasonable times, any and all non-privileged documents and materials Concessionaire has prepared pursuant to any applicable Environmental Laws or Environmental Permits, or submitted to any governmental agency, which documents and materials relate to environmental issues, Environmental Laws or Environmental Permits and which pertain to the Airport or the Premises, and which would be discoverable in litigation.

Section 1408. Cumulative Remedies. All remedies of the City as provided herein with regard to environmental pollution, contamination, damage, or any actual or threatened violations of any Environmental Laws or Environmental Permits are deemed to be cumulative in nature. The City's right to indemnification as provided under this Section shall survive the expiration or early termination of this Agreement.

ARTICLE XV

Concessionaire assures that it will undertake an affirmative action program as required by 14 CFR, Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, religion, sex, national origin or ancestry be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. Concessionaire assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. Concessionaire assures that it will require that its covered sub organizations provide assurances to the City that they similarly will undertake affirmative action programs and that they will require assurances from their sub organizations, as required by 14 CFR Part 152, Subpart E, to the same effect.
- I. This Agreement is subject to the requirements of the U.S. Department of Transportation's regulation, 49 CFR Part 23. The Concessionaire or contractor agrees that it will not discriminate against any business owner because of owner's race, color, national origin or sex in connection with the performance of any concession agreement, management contract, or subcontract, purchase or lease agreement or other agreement covered by 49 CFR 23.
- J. The Concessionaire or contractor agrees to include the above statement in any subsequent concession agreement or contract covered by 49 CFR 23 that it enters into, and cause those businesses to similarly include the statement in further agreements.

Section 1503. No Personal Liability. No Alderman, Commissioner, Director, officer, agent or employee of either party shall be personally liable under or in connection with this Agreement.

Section 1504. Force Majeure. Neither the City nor Concessionaire shall be deemed in violation of this Agreement if it is prevented from performing any of the obligations hereunder by reason of strikes, boycotts, labor disputes, embargoes, shortage of material, acts of God, acts of the public enemy, act of superior governmental authority, weather conditions, riots, rebellion, or sabotage, or any other circumstances for which it is not responsible and which is not within its control.

Section 1509. Agreements with the United States. This Agreement is subject and subordinate to the provisions of any agreements heretofore made between the City and the United States, relative to the operation or maintenance of the Airport, the execution of which has been required as a condition precedent to the transfer of Federal rights or property to the City for Airport purposes, or to the expenditure of Federal funds for the extension, expansion, or development of the Airport, including the expenditure of Federal funds for the development of the Airport in accordance with the provisions of the Airport and Airway Development Act as it has been amended from time to time.

Section 1510. Modifications for Granting FAA Funds. In the event that the FAA requires, as a condition precedent to granting of funds for the improvement of the Airport, modifications or changes to this document, Concessionaire agrees to consent to such reasonable amendments, modifications, revisions, supplements, deletions of any of the terms, conditions, or requirements of this Agreement, as may be reasonably required to enable the City to obtain said FAA funds, provided that in no event shall such changes substantially impair the rights of Concessionaire hereunder.

Whenever the Approval of the City, or the Director, or Concessionaire is required herein, no such Approval shall be unreasonably requested or withheld.

Section 1516. Waivers. No waiver of default by either party of any of the terms, covenants and conditions hereto to be performed, kept and observed by the other party shall be construed as, or operate as, a waiver of any subsequent default of any of the terms, covenants or conditions herein contained to be performed, kept and observed by the other party.
