**WHEREAS**, it is desirable and in the public interest that a public body, the LCRA, undertake and administer the Plan; and

**WHEREAS**, the LCRA and the Planning Commission have made and presented to this Board the studies and statements required to be made and submitted by Section 99.430 RSMo, as amended, and this Board has been fully apprised by the LCRA and the Planning Commission of the facts and is fully aware of the conditions in the Area; and

**WHEREAS**, under the provisions of the Statute, it is required that this Board take such actions as may be required to approve the Plan; and

**WHEREAS**, this Board has duly considered the reports, recommendations and certifications of the LCRA and the Planning Commission; and

**WHEREAS**, this Board is cognizant of the conditions which are imposed on the undertaking and carrying out of a redevelopment project, including those relating to prohibitions against discrimination because of race, color, creed, national origin, sex, marital status, age, sexual orientation or physical handicap; and

**WHEREAS**, in accordance with the requirements of Section 99.430 RSMo, as amended, this Board placed public notices in a newspaper of general circulation in the City that a public hearing would be held by this Board on the Plan, and a hearing was held at the time and place designated in those notices and all those who were interested in being heard were given a reasonable opportunity to express their views; and

**WHEREAS**, it is necessary that this Board take appropriate official action respecting the approval of the Plan.

**NOW, THEREFORE, BE IT ORDAINED BY THE CITY OF ST. LOUIS AS FOLLOWS:**

**SECTION ONE.** There exists within the City of St. Louis ("City") a blighted area, as defined by Section 99.320 of the Revised Statutes of Missouri, as amended (the "Statute" being Sections 99.300 to 99.715 inclusive, as amended) described in Attachment "A", attached hereto and incorporated herein, known as the 2924-26 Cherokee St. Area ("Area"). The existence of deteriorated property and other conditions constitutes an economic or social liability to the City and presents a hazard to the health and well-being of its citizens. These conditions, therefore, qualify the Area as blighted within the meaning of Section 99.320(3) RSMo, as amended, and are evidenced by the Blighting Report attached as Exhibit "F" ("Blighting Report") to the Blighting Study and Redevelopment Plan for the Area dated April 26, 2011 which is attached hereto, and labeled Attachment "B" and incorporated herein by reference ("Plan").

**SECTION TWO.** The redevelopment of the Area, as provided by the Statute, is necessary and in the public interest, and is in the interest of the public health, safety, morals and general welfare of the people of the City.

The term "Redeveloper(s)" as used in this Section shall include heirs, successors in interest, and assigns.

**SECTION FOURTEEN.** The Redeveloper(s) may seek ten (10) year real estate tax abatement pursuant to Sections 99.700 - 99.715, RSMo, as amended, upon application as provided therein. Such real estate tax abatement shall not include any Special

If property in the Area is sold by the LCRA to an urban redevelopment corporation formed pursuant to Chapter 353 of the Missouri Statutes, or if any such urban redevelopment corporation shall own property within the Area, then for a period of up to the first ten (10) years after the date such urban redevelopment corporation shall acquire title to property in the Area, taxes on that property shall be based upon the assessment of land, exclusive of any improvements thereon, during the calendar year prior to the calendar year during which such urban redevelopment corporation shall have acquired title to that property. In addition to such taxes, any such urban redevelopment corporation shall for a period of up to ten (10) years make a payment in lieu of taxes to the Collector of Revenue of the City in an amount based upon the assessment on the improvements located on the property during the calendar year prior to the calendar year during which such urban redevelopment corporation shall have acquired title to such property. All payments in lieu of taxes shall be a lien upon the real property and, when paid to the Collector of Revenue of the City shall be distributed as all other property taxes. These partial tax relief and payment in lieu of taxes provisions, during up to said ten (10) year period, shall inure to the benefit of all successors in interest in the property of the urban redevelopment corporation, so long as such successors shall continue to use such property as provided in the Plan and in any agreement with the LCRA. In no event shall such benefits extend beyond ten (10) years after any urban redevelopment corporation shall have acquired title to the property.

**SECTION FIFTEEN.** Any proposed modification which will substantially change the Plan must be approved by this Board in the same manner as the Plan was first approved. Modifications which will substantially change the Plan include, but are not necessarily limited to, modifications on the use of eminent domain, to the length of tax abatement, to the boundaries of the Area, to the proposed land uses, to the proposed zoning, to the urban design regulations, to the use of Missouri Historic Tax Credits, or to other items which alter the nature or intent of the Plan.

**A. EXISTING CONDITIONS AND FINDINGS OF BLIGHT**

1. DELINEATION OF BOUNDARIES

The 2924-26 Cherokee St. Redevelopment Area ("Area") encompasses approximately 0.10 acres in the Gravois Park neighborhood of the City of St. Louis ("City") and is located on the southeast corner of the intersection of Cherokee St. and Pennsylvania Ave.

The legal description of the Area is attached and labeled Exhibit "A". The boundaries of the Area are delineated on Exhibits "B", "C" and "D" ("Project Area Plan").

2. GENERAL CONDITION OF THE AREA

The Area comprises a portion of City Block 1576. The Area is in poor condition. The parcel by parcel physical conditions within the Area are shown on Exhibit "B" ("Project Area Plan-Existing Uses and Conditions") and enumerated in Exhibit "F" "Blighting Report".

Unemployment figures, computed by the Missouri Economic Research and Information Center, Missouri Department of Economic Development, indicate a 11.4% unemployment rate for the City for the month of February, 2011. It is estimated that this rate is applicable to residents of the neighborhoods surrounding the Area.

There are currently no jobs within the Area.

3. PRESENT LAND USE OF THE AREA

Existing land uses within the Area include an unoccupied mixed-use building.

The land uses within the Area, including the location of public and private uses, streets and other rights-of-way, is shown on Exhibit "B".

4. PRESENT LAND USE AND DENSITY OF SURROUNDING PROPERTIES

The properties surrounding the Area are used primarily for residential and commercial purposes.

Residential density for the surrounding neighborhoods is approximately 20.69 persons per acre.

5. CURRENT ZONING

The Area is currently zoned "G" Local Commercial and Office District pursuant to the Zoning Code of the City, which is incorporated in this Blighting Study and Redevelopment Plan ("Plan") by reference.

6. FINDING OF BLIGHT

The property within the Area is unoccupied and the Area is in the conditions described in Exhibit "F". The existence of deteriorated property constitutes an economic or social liability to the City and presents a hazard to the health and well-being of its citizens. The preponderance of properties in the Area has been determined to be blighted within the meaning of Section 99.300-99.715 et seq. RSMo, as amended (the "Land Clearance for Redevelopment Authority Law") as evidenced by the Blighting Report attached hereto, labeled Exhibit "F" and incorporated herein by this reference.

**B. PROPOSED DEVELOPMENT AND REGULATIONS**

1. DEVELOPMENT OBJECTIVES

The primary objective of this Plan is to facilitate the redevelopment of the Area into productive residential and commercial uses.

2. PROPOSED LAND USE OF THE AREA

The proposed land uses for the Area are residential and commercial uses permitted in Areas designated "G" Local Commercial and Office District by the City of St. Louis Zoning Code. Redeveloper(s) authorized by the Land Clearance for Redevelopment Authority of the City of St. Louis ("LCRA") to redevelop property in the Area (hereafter referred to as "Redeveloper(s)") shall not be permitted to use said property for the following:

pawn shops; adult bookstores; X-rated movie houses; massage parlors (unless licensed by the State of Missouri); health spas; auto and truck dealers (new or used); storefront churches; pinball and video arcades; pool halls; secondhand or junk shops; tattoo or piercing parlors; barber shops or beauty salons; truck or other equipment rentals requiring outside storage; blood donor facilities; package liquor stores; establishments selling or providing liquor and not having gross sales of at least 50% from food items at that location; restaurants which do not have indoor table service with at least 12 chairs and 3 tables or the equivalent; outdoor sales, distribution, displays, or food preparation in the public right of way; convenience stores (including grocery stores that do not have refrigeration, fresh fruits and vegetables, dairy products, and bread); laundromat or cleaners dropoff without a paid attendant employee; exterior telephones; lottery ticket sales; cigarette, cigar, or smoke shop; check cashing centers; title loans; rent-to-own stores; any use that utilizes a sales or service window or facility for customers who are walking or in vehicles, or restaurants that sell products to customers who are in cars or who consume the sold products in cars parked on the restaurant premises or sell products through a sales window to customers who are in cars or to pedestrians outside the building for immediate consumption by the customer either on or off the premises; open storage; automobile, truck, or motorized vehicle service facilities; motor fuel pumping stations; detailing or car washes; dyeing and cleaning works; private clubs and lodges; rooming and boarding houses; utility stations; utility towers; nail shops; beeper or pager shops; and billboards and signs in excess of City ordinance allowance for the business.

Exhibit "C" (Proposed Land Use) shows the proposed uses for the Area. The General Plan of the City which includes the "Strategic Land Use Plan" (as amended 2010) designates it as a Neighborhood Preservation Area (NPA).

3. PROPOSED ZONING

The zoning for the Area may remain "G" Local Commercial and Office District. All land coverage and building intensities shall be governed thereby.

4. RELATIONSHIP TO LOCAL OBJECTIVES

The proposed land uses, zoning, public facilities and utility plans are appropriate and consistent with local objectives as defined by the General Plan of the City which includes the "Strategic Land Use Plan" (as amended 2009). Any specific proposal to the LCRA for redevelopment of the Area or any portion of the Area shall contain, among other things, adequate provisions for traffic, vehicular parking, safety from fire, adequate provisions for light and air, sound design and arrangement, and improved employment opportunities.

5. PROPOSED EMPLOYMENT FOR THE AREA

6. CIRCULATION

The Project Area Plan-Proposed Land Uses Plan (Exhibit "C") indicates the proposed circulation system for the Area. The layouts, levels and grades of all public rights-of-way may remain unchanged.

Rights-of-way changes will be subject to the review and approval of the City Department of Streets, and all vacations of rights-of-way are subject to approval by City ordinance.

7. BUILDING AND SITE REGULATIONS

The Area shall be subject to all applicable federal, state and local laws, ordinances, regulations and codes, including but not limited to, the City Building Code, Zoning District Regulations, and stipulations of the Planning and Urban Design Agency ("PDA") of the City. The population densities, land coverage, and building intensities of redevelopment shall be governed by the Zoning Code. No changes in the building codes or ordinances are required.

The Redeveloper(s) shall redevelop the Area in accordance with this Plan and the Redevelopment Agreement (if any) ("Agreement"), and shall maintain all structures, equipment, paved areas, and landscaped areas controlled by the Redeveloper(s) in good and safe order both inside and outside, structurally and otherwise, including necessary and proper painting. Failure to meet these requirements may result in suspension of tax abatement.

Artificial masonry such as "Permastone" is not permitted. A submission of all building materials shall be required prior to building permit approval.
- 4.) **Architectural Details** on existing structures in the Area shall be maintained in a similar size, detail and material. Where they are badly deteriorated, similar details salvaged from other buildings may be substituted. Both new and replacement window and doorframes shall be limited to wood or color finished aluminum on the street facing facades, including basement windows. If funds are available to the LCRA, it may provide public improvements including, but not limited to, measures for the control of traffic, improvements to street lighting, street trees, and any other improvements which may further the objectives of this Plan.

When developed in accordance with this Plan, the Area will comprise a coordinated, adjusted and harmonious development that promotes the health, safety, morals, order, convenience, prosperity, general welfare, efficiency and economy of the City.

**C. PROPOSED SCHEDULE OF DEVELOPMENT**

It is estimated that the implementation of this Plan will take place in a single phase initiated within approximately one (1) year of approval of this Plan by City ordinance and completed within approximately two (2) years of approval of this Plan by City ordinance.

The LCRA may alter the above schedule as economic conditions warrant.

**D. EXECUTION OF PROJECT**1. ADMINISTRATION AND FINANCING

The LCRA is empowered by Missouri law to administer redevelopment of all types pursuant to this Plan and can do so to the extent and in the manner prescribed by the Land Clearance for Redevelopment Authority Law.

All costs associated with the redevelopment of the Area will be borne by the Redeveloper(s).

Implementation of this Plan may be financed by funds obtained from private and/or public sources, including, without limitation, revenue bonds, bank loans, and equity funds provided by the Redeveloper(s). The Redeveloper must obtain State of Missouri Historic Tax Credits. The Redeveloper must invest at least \$150,000 in the project, not including acquisition.
