### A. EXISTING CONDITIONS AND FINDINGS OF BLIGHT

#### 1. DELINEATION OF BOUNDARIES

The Wells-Goodfellow Scattered Sites Area (the "Area") consists of twelve residential sites within the Wells- Goodfellow neighborhood of the City of St. Louis, and is situated between the boundaries of Hodiament Ave. on the west, Natural Bridge Ave. on the north, Belt Ave. on the east and Wabada Ave. on the south.

The legal description of the Area is attached and labeled Exhibit "A". The boundaries of the Area are delineated on Exhibit "B" (Project Area Plan).

#### 2. GENERAL CONDITION OF THE AREA

The Area includes twelve buildings on twelve separate parcels in City Blocks 5930, 5931, 5242, 6098 and 4995. The addresses included and are: 5500-10, 5512, 5516, 5520, and 5524 Natural Bridge Ave., 5515 Palm St., 5515 Hebert St., 5553 St. Louis Ave., 5835, 5839, 5843 Terry Ave., and 5903 Highland Ave. The Area is in poor condition. The physical conditions within the Area are shown on Exhibit "B" (Project Area Plan). For the purpose of this Plan, fair condition means property that is generally structurally sound but suffers from inadequate maintenance and upkeep. Poor condition means (1) buildings that are structurally unsound and/or substantially deteriorated, requiring major improvements such as new roofs, windows, systems, etc., in order to be used productively, or (2) property without buildings which is poorly maintained, has crumbling pavement, and/or is used for open storage.

Unemployment figures, computed by the Missouri State Employment Service, indicate an 8.1% unemployment rate for the City of St. Louis as of October, 1993. It is estimated that this rate is prevalent for residents of the neighborhoods surrounding the Area.

There are currently no jobs within the Area.

### 3. PRESENT LAND USE OF THE AREA

Existing land use within the Area includes the following: All the properties located within the Area are unoccupied, multi-unit, brick residential buildings.

The land use is shown on Exhibit "B".

### 6. FINDING OF BLIGHT

The property within the Area is in unoccupied and in poor condition (as defined in Section A(2) above). The existence of underutilized and deteriorated

property constitutes both an economic liability to the City of St. Louis and presents a hazard to the health and well being of its citizens. FORM: 4/9/92

## EQUAL OPPORTUNITY AND NONDISCRIMINATION GUIDELINES

In any contract for work in connection with the redevelopment of any property in the Area, the Redeveloper (which term shall include Redeveloper, any designees, successors and assigns thereof, and any entity formed to implement the project of which the Redeveloper is a general partner), its contractors and subcontractors will include a clause requiring compliance with all federal, state and local laws, ordinances, or regulations governing equal opportunity and nondiscrimination, the Executive Orders of the Mayor of the City of St. Louis dated December 6, 1984, January 10, 1990, and March 31, 1992 and all guidelines herein.

The Redeveloper and its contractor will not contract or subcontract with any party known to have been found in violation of any such laws, ordinances, regulations or these guidelines.

In the redevelopment of the Area, there shall be maximum utilization of bona fide minority business enterprises ("MBE's") and women business enterprises ("WBE's" and, together with "MBE's", disadvantaged business enterprises or "DBE's"). The Redeveloper will set a minimum goal of twenty-five percent (25%) MBE participation and five percent (5%) WBE participation under these guidelines. In the event the Redeveloper fails to attain that goal, the Redeveloper may be required to show good cause therefor; however, this requirement will be deemed to have been met when documentation evidences that all available resources (i.e. DBE suppliers, contractors, and subcontractors) willing to perform the work or provide the supplies--at a price which (i) is within the range requested by non-DBE's; or (ii) if higher than that requested by non-DBE's, is attributable to the effects of past discrimination--have been exhausted.

For purposes of this section, the term "minority business enterprise" (or "MBE") means a business at least fifty-one percent (51%) of which is owned and controlled by minority group members. The term "women business enterprise" (or "WBE") means a business at least fifty-one percent (51%) of which is owned and controlled by females.

The Redeveloper agrees for itself and its successors and assigns, that there shall be covenants to ensure that there shall be no discrimination on the part of the Redeveloper, its successors or assigns upon the basis of race, color, religion, national origin, sex, marital status, age, sexual orientation or physical handicap in the sale, lease, rental, use or occupancy of any property, or improvements erected or to be erected in the Area or any part thereof, and those covenants shall run with the land and shall be enforceable by the LCRA, the City of St. Louis, and the United States of America, as their interests may appear in the project.

The Redeveloper agrees that if the redevelopment of the Area creates permanent jobs, it shall enter into an Employment Plan with the Saint Louis Agency on Training and Employment (SLATE) and the LCRA for referral of Jobs Training Partnership Act (JTPA) eligible individuals. Said plan shall specify the number of jobs to be covered by the Employment Plan, the target date for referrals to begin, and the procedure for referral.
