5 programs and improvements in the Additional Property Subdistrict pursuant to the Management
6 Plan Supplement through the calendar year 2018.

7 (iii) The Management Plan Supplement provides that the scope, obligations and costs
8 of services, programs and improvements to be provided to the Additional Property Subdistrict

19 (v) Notwithstanding any provision to the contrary in the Management Plan, the
20 Management Plan Supplement or otherwise, in the event of the Assessment Levy Expiration, no
21 assessments provided in the Management Plan or the Management Plan Supplement shall be

1 payable with respect to any properties located in the Additional Property Subdistrict after the

4 Supplement through the calendar year 2018. Upon the Assessment Levy Expiration, no

13 (vii) Such special assessments levied and collected by the District within the
14 Additional Property Subdistrict represent the costs of the services and improvements described in
15 the Additional Property Petition to each owner of real property in the Additional Property
16 Subdistrict (each an “Additional Property Owner” and collectively, the “Additional Property
17 Owners”) within the Additional Property Subdistrict. The special assessment of each Additional
18 Property Owner shall represent that Additional Property Owner’s share of the benefit and the
19 cost of such services and improvements.

20 (e) Notwithstanding anything to the contrary, the District shall have no power to levy
21 any tax but shall only have the power to levy special assessments in accordance with the Act.

1 **SECTION THREE.** The District is authorized by the Act, at any time, to issue
2 obligations for the purpose of carrying out any of its powers, duties or purposes. Such
3 obligations shall be payable out of all, part of any combination of the revenues of the District and

5 mortgage or any other security interest granted. Such obligations shall be authorized by
6 resolution of the District, and if issued by the District, shall bear such date or dates, and shall
7 mature at such time or times, but not more than 20 years from the date of issuance, as the
8 resolution shall specify. Such obligations shall be in such denomination, bear interest at such
9 rate or rates, be in such form, be payable in such place or places, be subject to redemption as
10 such resolution may provide and be sold at either public or private sale at such prices as the
11 District shall determine subject to the provisions of Mo. Rev. Stat. § 108.170. The District is
12 also authorized to issue such obligations to refund, in whole or in part, obligations previously
13 issued by the District.

14 **SECTION FOUR.**

15 (a) Pursuant to the Petition of the Existing District and the Additional Property
16 Petition, the District shall continue to be organized as a not-for-profit corporation known as The
17 Downtown St. Louis Community Improvement District, Inc.

1 assessments, if any, for such fiscal year. The Board of Aldermen may review and comment on
2 this proposed budget, but if such comments are given, the Board of Aldermen shall provide such
3 written comments no later than 60 days prior to the first day of the relevant fiscal year; such
4 comments shall not constitute requirements but shall only be recommendations.

5 (d) Pursuant to the Act, the District shall hold an annual meeting for the District and
6 adopt an annual budget no later than 30 days prior to the first day of each fiscal year.

7 (e) Within 120 days after the end of each fiscal year, the District shall submit a report
8 to the Register of the City and the Missouri Department of Economic Development stating the
9 services provided, revenues collected and expenditures made by the District during such fiscal
10 year, and copies of written resolutions approved by the board of the District during the fiscal
11 year. The Register shall retain this report as part of the official records of the City and shall also
12 cause this report to be spread upon the records of the Board of Aldermen.

13 **SECTION FIVE.**

14 (a) The District is authorized by the Act to use the funds of the District for any of the
15 improvements and activities authorized by the Act.

16 (b) Pursuant to the Act, the District shall have all the powers necessary to carry out
17 and effectuate the purposes as set forth in the Act.

18 (c) The term for the existence of the Additional Property Subdistrict will begin on the
19 effective date of this ordinance and will end on December 31, 2021 to be coterminous with the
20 term of the District.

1 **SECTION SIX.** The Board of Aldermen found and determined in Ordinances 67350
2 and 67494 that property within the District was a blighted area by reason of pervasive poverty,
3 unemployment and general distress, and unlikely to be able to support reasonable tax assessment
4 or to experience economic growth without the tax incentive provided by the Federal
5 Empowerment Zone and Enterprise Community Act designed to spur economic growth (see
6 Omnibus Budget Reconciliation Act of 1993; the Taxpayer Relief Act of 1997; and the Tax
7 Relief, Unemployment Insurance Reauthorization, and Job Creation Act of 2010) and the
8 Missouri Enhanced Enterprise Zone (see Mo. Rev. Stat. §§135.950 *et seq.* (Supp. 2009)).

9 **SECTION SEVEN.** The Board of Aldermen hereby finds that the use of the proceeds of
10 the special assessments as provided in the Additional Property Petition will serve a public
11 purpose by remediating blight and encouraging the redevelopment of real property within the
12 District.

13 **SECTION EIGHT.** Pursuant to the Act, the Board of Aldermen shall not decrease the
14 level of publicly funded services in the Additional Property Subdistrict existing prior to the
15 addition of the Additional Property Subdistrict to the Existing District or transfer the financial
16 burden of providing the services to the Additional Property Subdistrict unless the services at the
17 same time are decreased throughout the City, nor shall the Board of Aldermen discriminate in the
18 provision of the publicly funded services between areas included in the District and areas not so
19 included.

20 **SECTION NINE.** The Register shall report in writing the addition of the Additional
21 Property Subdistrict to Existing District to the Missouri Department of Economic Development.

1 **SECTION TEN.** If any section, subsection, sentence, clause, phrase or portion of this
2 ordinance is held to be invalid or unconstitutional, or unlawful for any reason, by any court of
3 competent jurisdiction, such portion shall be deemed and is hereby declared to be a separate,
4 distinct and independent provision of this ordinance, and such holding or holdings shall not
5 affect the validity of the remaining portions of this ordinance.

6 **SECTION ELEVEN.** Being necessary for the immediate preservation of the public
7 health, welfare and safety, it is declared to be an emergency measure within the Charter of the
8 City of St. Louis and shall become effective immediately upon its passage and approval by the
9 Mayor.
