<b>Developer:</b>	<b>St. Louis Innovation District, LLC</b>
Overall Summary:	<p>In February 2013, the Board approved redevelopment of an aging 200-acre midtown industrial neighborhood (similar boundaries to existing CORTEX 353 area) into a mixed-use technology district generating a projected 26,000 construction jobs, 13,000 permanent jobs, \$520 million in additional total tax revenue, \$205 million in additional City tax revenue, \$87 million in additional school tax revenue, and public infrastructure improvements (Ordinance 69389), known as the St. Louis Innovation District Redevelopment Area. To date, it has generated in excess of \$54,000,000 net-new tax revenues for the taxing jurisdictions in excess of payments to developers.</p> <p>This Board Bill authorizes the issuance of additional TIF Notes within the previously-approved TIF capacity related to Redevelopment Area-Wide Redevelopment Projects, which include district-wide infrastructure needs. No changes to the TIF Plan or Redevelopment Agreement are proposed or required. The previously approved TIF Plan and Redevelopment Agreement contemplate a total of \$67,000,000 of TIF assistance for Redevelopment Area-Wide Redevelopment Projects, of which only \$25,000,000 has previously been authorized (in 2014). As with all TIF notes, these will be paid solely by revenues from the projects; no other City revenues/appropriations are involved.</p>
Projects (general location, contents, cost):	Redevelopment Area-Wide Redevelopment Projects may be located within any Redevelopment Project Area
Tax increment financing (pursuant to Section 99.800 – 99.865 of the Revised Statutes of Missouri):	No increase to the previously-approved TIF allocation is requested or required, this approval merely authorizes issuance of a subordinate note to recognize additional reimbursable costs incurred by the master developer, St. Louis Innovation District, LLC, a wholly-owned subsidiary of Cortex.

<b>Bill Synopsis:</b>	To authorize and direct the issuance and delivery of subordinate tax increment revenue notes in an aggregate principal amount not to exceed \$25,000,000, plus costs of issuance, for certain Reimbursable Redevelopment Project Costs associated with Area-wide Projects of the St. Louis Innovation District Redevelopment Area. Further, to authorize and direct the Mayor and the Comptroller to execute and deliver the Seventh Supplemental Trust Indenture in connection with the issuance of the subordinate Area-wide notes referenced above, and authorizing certain additional actions in connection with all of the aforementioned.
<b>Type of Impact:</b>	\$167.7 million of TIF funding was previously approved for this TIF redevelopment area, including up to \$67.0 million for Redevelopment Area-Wide Projects. A \$25 million Area-wide TIF note was issued in 2014 and has been fully endorsed with eligible costs. This bill only authorizes issuance of a second, subordinate note for a portion of the previously-approved tax increment financing capacity allocated to the St. Louis Innovation District TIF Redevelopment Area. No new or additional TIF allocation is requested or granted.
<b>Agencies Affected:</b>	Redevelopment projects facilitated by tax increment financing will require building inspections and permits, as provided by the City Code. While tax increment financing is in effect, a portion of the tax revenues generated from the redevelopment area will be diverted to reimburse the developer (or subdeveloper) for redevelopment project costs.
