

1 **BOARD BILL NO. 193 INTRODUCED BY ALDERWOMAN CHRISTINE INGRASSIA**
2

3 An ordinance establishing the Traffic Communication Network Improvement Fund (“Fund”);
4 establishing procedures, and priorities for expenditures of monies from the Fund; requiring the Director of
5 Streets to prepare a list of unimproved Traffic Communication Network deficiencies which will include
6 improvements needed to the communication lines (the fiber optic cable system), conduits, terminals,
7 network servers and system software; publishing an Annual Master Plan (“Plan”) detailing the
8 implementation steps to be taken in the next fiscal year for such improvements; establishing procedures
9 for selecting and designating improvement projects; providing for the submission of said Plan to the
10 Board of Public Service for recommendation; and appropriation of said monies from the Fund.

11 **BE IT ORDAINED BY THE CITY OF ST. LOUIS AS FOLLOWS:**

12 **SECTION ONE.** There is hereby established a Traffic Communication Network Improvement
13 Fund (“Fund”), which shall be used for improvements to the Traffic Communication Network—a network
14 dedicated primarily to crime prevention and surveillance of the streets within the boundaries of the City of
15 St. Louis

16 **SECTION TWO.** The procedures and standards set out below are to be followed and applied as a
17 prerequisite for expenditures from Fund.

18 A. The Director of Streets shall at the beginning of each calendar year, prepare a list of
19 unimproved Traffic Communication Network deficiencies which will include improvements
20 needed to the communication lines (the fiber optic cable system), conduits, terminals, network
21 servers and system software. The Director shall also submit an Annual Master Plan (“Plan”)
22 detailing the implementation steps to be taken in the next fiscal year for such improvements.

Board Bill No. 193

Introduced by: Alderwoman Christine Ingrassia

1 B. The projects designated for proposed improvements shall be recommended by the Board of
2 Public Service and shall be required to comply with the policies and procedures adopted by the
3 Board of Public Service.

4 **SECTION THREE.** The Director of Streets shall prepare an ordinance with a proposed list of
5 Traffic Network Communications improvements, including an estimate of the cost thereon, and providing
6 an appropriation of the monies from the Fund. Said funds may be used for any general operating purpose,
7 expense or salaries.

8 **SECTION FOUR.** The Comptroller is hereby directed to deposit all money received from the
9 wards, city entities, private/public entities, involved in the use of the Traffic Communication Network into
10 the Fund and used for the improvement of the Traffic Communication Network as authorized by
11 ordinance recommended by the Board of Public Service and the Board of Estimate and Apportionment.
