6 review and approval; and

7           WHEREAS, a general plan has been prepared and is recognized and used as a guide for the  
8 general development of the City and the Planning Commission has advised this Board that the Plan  
9 conforms to said general plan; and

10          WHEREAS, this Board has duly considered the reports, recommendations and  
11 certifications of the LCRA and the Planning Commission; and

12          WHEREAS, the Plan does prescribe land use and street and traffic patterns which may  
13 require, among other things, the vacation of public rights-of-way, the establishment of new street

15          WHEREAS, this Board is cognizant of the conditions which are imposed on the

19 Ordinance are so essential and inseparably connected with and dependent upon the void section  
20 that it cannot be presumed that this Board would have enacted the valid sections without the void  
21 ones, or unless the court finds that the valid sections standing alone are incomplete and are  
22 incapable of being executed in accordance with the legislative intent.
