3 upon application as provided therein. Such real estate tax abatement shall not include any Special
4 Business District, Neighborhood Improvement District, Commercial Improvement District, or any
5 other similar local taxing district created in accordance with Missouri law, whether now existing or
6 later created. For the last five (5) years of the Tax Abatement Period the Redeveloper shall make
7 annual Payments in Lieu of Taxes which shall be calculated by subtracting the amount of *ad*
8 *valorem* real estate taxes due and payable to each taxing district for each tax year (i.e., the amount
9 of taxes based on the assessment prior to Project completion) from the amount of *ad valorem* real
10 estate taxes which would have been paid to each such taxing district for such year if no Certificate
11 of Qualification for Tax Abatement had been issued for the Project (i.e. the amount of taxes
12 without abatement).

13 In lieu of the abatement outlined above, a Redeveloper which is an urban redevelopment
14 corporation formed pursuant to Chapter 353 of the Missouri Statutes shall hereby be entitled to real
15 property *ad valorem* tax abatement which shall not include any Special Business District,
16 Neighborhood Improvement District, Commercial Improvement District or any other single local
17 taxing district created in accordance with Missouri law, whether now existing or later created, for a
18 total period of up to five (5) years (“Abbreviated Tax Abatement Period”) from the commencement
19 of such tax abatement, in accordance with the following provisions:

20 If property in the Area is sold by the LCRA to an urban redevelopment corporation
21 formed pursuant to Chapter 353 of the Missouri Statutes, or if any such corporation shall
22 own property within the Area, then for the first five (5) years after the date the
23 redevelopment corporation shall acquire title to such property, taxes on such property shall

1 be based upon the assessment of land, exclusive of any improvements thereon, during the
2 calendar year preceding the calendar year during which such corporation shall have
3 acquired title to such property. In addition to such taxes, any such corporation shall during
4 the Abbreviated Tax Abatement Period make a payment in lieu of taxes to the Collector of
5 Revenue of the City of St. Louis in an amount based upon the assessment on the
6 improvements located on the property during the calendar year preceding the calendar year
7 during which such corporation shall have acquired title to such property. If property shall
8 be tax-exempt because it is owned by the LCRA and leased to any such corporation, then
9 such corporation during the Abbreviated Tax Abatement Period shall make payments in
10 lieu of taxes to the Collector of Revenue of the City in an amount based upon the
11 assessment on the property, including land and improvements, during the calendar year
12 preceding the calendar year during which such corporation shall lease such property.

13 All payments in lieu of taxes shall be a lien upon the property and, when paid to the
14 Collector of Revenue of the City shall be distributed as all other property taxes. These
15 partial tax relief and payment in lieu of taxes provisions, during the Abbreviated Tax
16 Abatement Period, shall inure to the benefit of all successors in interest in the property of
17 the redevelopment corporation, so long as such successors shall continue to use such
18 property as provided in this Plan and in any contract with the LCRA. In no event shall such
19 benefits extend beyond five (5) years after the redevelopment corporation shall have
20 acquired title to the property.

21 **SECTION FIFTEEN.** Any proposed modification which will substantially change the
22 Plan must be approved by the St. Louis Board of Aldermen in the same manner as the Plan was
23 first approved. Modifications which will substantially change the Plan include, but are not

1 necessarily limited to, modifications on the use of eminent domain, to the length of tax abatement,
2 to the boundaries of the Area, or to other items which alter the nature or intent of the Plan. The
3 Plan may be otherwise modified (e.g. urban design regulations, development schedule) by the
4 LCRA. Changes which are not substantial are those that do not go to the crux of the Plan.
5

6 **SECTION SIXTEEN.** The sections of this Ordinance shall be severable. In the event that
7 any section of this Ordinance is found by a court of competent jurisdiction to be invalid, the
8 remaining sections of this Ordinance are valid, unless the court finds the valid sections of the
9 Ordinance are so essential and inseparably connected with and dependent upon the void section
10 that it cannot be presumed that this Board would have enacted the valid sections without the void
11 ones, or unless the court finds that the valid sections standing alone are incomplete and are
12 incapable of being executed in accordance with the legislative intent.
