Summary
Board Bill Number 145
Floor Substitute
Introduced by Alderwoman Marlene Davis
December 3, 2021

This Board Bill seeks to authorize the submission to qualified electors a proposal for the issuance of up to fifty million ($50,000,000) of general obligation public improvement bonds. The Bonds will be paid by utilizing the current property tax levy without a levy increase. With an election due to be scheduled for a redistricting ballot measure in April 2022, it is anticipated that there will be only minor incidental costs associated with the ballot initiative for this bill.

If approved, funds raised from the subsequent issuance would be available to use for all or a portion of the following purposes: (1) improving, resurfacing, repaving and/or repairing streets; (2) designing and constructing public safety facilities; (3) designing and constructing pedestrian and bicycle transportation facilities, (4) maintaining and improving the safety and security of correctional facilities and public safety systems (5) providing local matching funds, where applicable and necessary, to utilize federal funds in furtherance of any of the cited projects herein and, (6) replacing, improving, renovating and maintaining buildings, bridges, and equipment of the City of St. Louis, such as neighborhood recreation centers and fire houses, and (7) paying for expenses associated with the issuance of such bonds.

The City’s backlog of unmet infrastructure needs greatly exceed the amount of federal assistance expected to be received by the City in the near future. Funds generated from the issuance of the Bonds will (1) enhance the City’s ability to provide matching grant funds to apply for competitive grants; (2) offer the opportunity to begin design work in advance of future federal assistance; (3) secure materials in an effort to mitigate project delays due to supply chain issues; and (4) provide the City with flexibility to raise needed funds in the event that available funding sources are insufficient to meet the City’s needs.
An ordinance providing for and directing the submission to the qualified electors of the City of St. Louis at a special bond election to be held in said city on the 5th day of April 2022, of a proposal for the incurring of indebtedness and the issuance of general obligation bonds of said city in evidence thereof in the aggregate amount of not to exceed Fifty Million Dollars ($50,000,000) upon the assent to the said proposal of two-thirds of the qualified electors of said city voting thereon, and containing an emergency clause.

WHEREAS, it has become necessary to provide for the making of certain public improvements in and for the City of St. Louis, as hereinafter more particularly set forth and described (the “Project”); and

WHEREAS, the aggregate of the estimated costs of said improvements is approximately Fifty Million Dollars ($50,000,000); and

WHEREAS, sufficient funds are not now available in the treasury of said City with which to pay said costs; and

WHEREAS, using funds temporarily on hand in the general account of the City, the City has paid, and expects to pay, certain costs (“Project Costs”) in connection with the Project and, accordingly, wishes to declare the “official intent” to reimburse the general fund for Project Costs from the proceeds of bonds (the “Bonds”) to be issued in the future, including an amount to cover costs of issuing the Bonds and to provide a contingency reserve for additional costs incurred hereafter, in a maximum principal amount not to exceed Fifty Million Dollars ($50,000,000), and otherwise to meet the requirements of the Internal Revenue Code of 1986, as amended, (the “Code”), and the U.S. Treasury regulations, including U.S. Treasury Regulations
§1.150-2, as amended (the “Treasury Regulations”).

WHEREAS, the said City is authorized under the Constitution and Statutes of the State of Missouri and under the Charter of the City of St. Louis to incur indebtedness for the purposes hereinafter set forth, provided that the proposals for the incurring of such indebtedness be assented to by two-thirds of the qualified electors of said City voting on said proposition at an election to be held for that purpose, and provided, further that the amount of such indebtedness, when added to the outstanding indebtedness of said City, shall not exceed the limits of indebtedness imposed by the Constitution and Statutes of the State of Missouri and by the Charter of the City of St. Louis; and

NOW THEREFORE, BE IT ORDAINED BY THE CITY OF ST. LOUIS AS FOLLOWS:

SECTION ONE. That a special bond election be held and the same is hereby called and Ordered to be held in The City of St. Louis, Missouri on the 5th day of April, 2022, at which there shall be submitted to the qualified electors of said City, the proposition as hereinafter set forth in Section Three of this ordinance.
