

**Summary**  
**Board Bill Number 72**  
**Introduction by: Alderwoman Tina Pihl**  
**July 1, 2021**

**Overall Purpose/Reasons for the Board Bill**

This Board Bill will approve an Amended and Restated Redevelopment Agreement and Financing Agreement in connection with the City Foundry Saint Louis Tax Increment Financing (TIF) Second Amended RPA 2 Redevelopment Plan. The City Foundry Saint Louis TIF was approved in 2017 by passage of Ordinance No. 70431. The Redevelopment Area described in the Redevelopment Plan was originally divided into four Redevelopment Project Areas (“RPA”). TIF was adopted in RPA 1 upon passage of Ordinance No. 70431. In 2019, by passage of Ordinance No. 70750, the Redevelopment Plan was amended to rearrange RPA boundaries and describe a more detailed redevelopment proposal for RPA 2.

The City Foundry Saint Louis Tax Increment Financing (TIF) Second Amended RPA 2 Redevelopment Plan further amends the Redevelopment Plan with respect to RPA 2 only. The City and FOPA Partners, LLC entered into a Redevelopment Agreement dated as of June 13, 2019 with respect to RPA 2. This redevelopment agreement must now be amended to conform to the Second Amended RPA 2 Redevelopment Plan. In connection with the Second Amended RPA 2 Redevelopment Plan and Amended and Restated Redevelopment Agreement:

- The Developer will completion of the Alamo Drafthouse Building.
- The Developer will construction of approximately (a) 37,000 square feet of retail space, (b) 59,000 square feet of office space, (c) 280 residential apartments, and (d) 492 structured parking spaces in the remainder of RPA 2.
- The total TIF assistance will increase from \$17,259,000 to \$18,000,000.
- The total private investment will increase by \$60 million+, resulting in the percentage of total costs funded by TIF decreasing from 17.7 percent to 11.25 percent of total costs.

LOUIS, MISSOURI** (the “*City*”), a city and political subdivision duly incorporated and existing under its charter and the Constitution and laws of the State of Missouri, and **FOPA PARTNERS, LLC** (the “*Developer*”), a limited liability company duly organized and existing under the laws of the State of Missouri. (All capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in **Article I** of this Agreement.)

### RECITALS

A. Pursuant to Ordinance No. 62477, adopted and approved on December 20, 1991, the Board of Aldermen duly formed the Tax Increment Financing Commission of the City of St. Louis, Missouri (the “TIF Commission”), in accordance with the Real Property Tax Increment Allocation Redevelopment Act, Sections 99.800 through 99.865 of the Revised Statutes of Missouri (the “TIF Act”), and empowered the TIF Commission to transact business and exercise its powers as authorized by the TIF Act.

B. The City published a notice on October 6, 2016 and November 12, 2016 in the St. Louis Daily Record, a newspaper of general circulation within the City, soliciting additional proposals for the redevelopment of the Redevelopment Area (as hereinafter defined), and made such requests for proposals available for potential developers of the Redevelopment Area.

C. In response thereto, the Developer reaffirmed its redevelopment proposal dated September 9, 2016 (as may be amended from time to time, the “*Redevelopment Proposal*”) to the TIF Commission for redevelopment of the Redevelopment Area.

D. On November 2, 2016, following a duly-noticed public hearing held on that date, in accordance with the TIF Act, the TIF Commission adopted a resolution recommending that the Board of Aldermen (1) approve the Redevelopment Plan titled the “City Foundry Saint Louis Tax Increment (TIF) Redevelopment Plan” dated October 17, 2016, (the “*Original Redevelopment Plan*”), (2) designate the redevelopment area described in the Redevelopment Plan (the “*Redevelopment Area*”) as a redevelopment area under the TIF Act, (3) approve the redevelopment project described in the Redevelopment Plan for the portion of the Redevelopment Area designated as “RPA 1”, and (4) adopt tax increment financing with respect to RPA 1 by passage of an ordinance complying with the terms of the TIF Act.

E. On January 20, 2017, after due consideration of the TIF Commission’s recommendations, the Board of Aldermen approved Ordinance No. 70431 approving the Original Redevelopment Plan, designating the Redevelopment Area, approving the redevelopment project for RPA 1, and adopting tax increment allocation financing within RPA 1.

F. On September 19, 2017, and as supplemented on September 24, 2017, the Developer submitted the “Amended Redevelopment Plan for Redevelopment Project Area 2 City Foundry Saint Louis Tax Increment Financing Redevelopment Plan” (the “*Original RPA 2 Redevelopment Plan*”), which supplemented and amended the Original Redevelopment Plan by describing a redevelopment project for the portion of the Redevelopment Plan referred to as “RPA 2” (the “*Original RPA 2 Redevelopment Project*”).

G. On October 24, 2017, following a duly-noticed public hearing begun on October 4, 2017 and continued on October 24, 2017, in accordance with the TIF Act, the TIF Commission adopted a resolution approving the Original RPA 2 Redevelopment Plan and the amendments to the redevelopment

project areas and RPA 2 Redevelopment Project contained therein, and recommending that the Board of Aldermen adopt the appropriate ordinances to approve the Original RPA 2 Redevelopment Plan, approve the RPA 2 Redevelopment Project, and adopt tax increment financing within RPA 2.

H. On March 9, 2018, after due consideration of the TIF Commission's recommendations, the Board of Aldermen approved Ordinance No. 70750 approving the Original RPA 2 Redevelopment Plan (thereby amending the Original Redevelopment Plan), approving the RPA 2 Redevelopment Project, and adopting tax increment allocation financing within RPA 2. Ordinance No. 70750 became effective on April 28, 2018.

I. On April 16, 2018, the Board of Aldermen adopted Ordinance No. 70759 approving a redevelopment agreement with the Developer for the implementation of the RPA 2 Redevelopment Project (the "*Original RPA 2 Redevelopment Agreement*"). Ordinance No. 70759 became effective on June 4, 2018 and the Original RPA 2 Redevelopment Agreement was executed as of June 13, 2019.

J. On January 29, 2021, the Developer requested that the TIF Commission convene to consider the "City Foundry Saint Louis Tax Increment Financing (TIF) Second Amended RPA 2 Redevelopment Plan" (the "*Amended RPA 2 Redevelopment Plan*" and together with the Original Redevelopment Plan and the Original RPA 2 Redevelopment Plan, the "*Redevelopment Plan*"), which proposes to amend and supplement the Original RPA 2 Redevelopment Plan and the Original RPA 2 Redevelopment Project (the Original RPA 2 Redevelopment Project, as amended by the Amended RPA 2 Redevelopment Plan, being referred to herein as the "*RPA 2 Redevelopment Project*").

K. On June 2, 2021, following a duly-noticed public hearing begun on April 28, 2021 and continued on May 18, 2021 and June 2, 2021, in accordance with the TIF Act, the TIF Commission adopted a resolution approving the Amended RPA 2 Redevelopment Plan and the amendments to the Original RPA 2 Redevelopment Project contained therein.

L. On \_\_\_\_\_, 2021, after due consideration of the TIF Commission's recommendations, the Board of Aldermen approved (1) Ordinance No. \_\_\_\_\_ approving the Amended RPA 2 Redevelopment Plan and the amendments to the Original RPA 2 Redevelopment Project contained therein and (2) Ordinance No. \_\_\_\_\_ approving a (i) this Agreement, amending and restating the Original RPA 2 Redevelopment Agreement, and (ii) the Financing Agreement (the "*Financing Agreement*") between the City and The Industrial Development Authority of the City of St. Louis (the "*Authority*"), pursuant to which the Authority will issue the herein-described TIF Obligations on behalf of the City.

M. Pursuant to provisions of the TIF Act and the above-referenced Ordinances, the City is authorized to enter into this Agreement and the Financing Agreement and to cause the Authority to issue TIF Obligations as evidence of the City's obligation to pay certain Redevelopment Project Costs (as defined herein) incurred in furtherance of the RPA 2 Redevelopment Project, and to pledge TIF Revenues to the payment of the TIF Obligations.

N. The City acknowledges and agrees that the Developer is not performing the Work as a direct service to the City. Rather, the City has agreed to cause the issuance of TIF Obligations and pledge TIF Revenues (as described herein) to the payment of the TIF Obligations because the City will recognize indirect benefits, including, without limitation, the remediation of blight, which will improve and benefit the general welfare of the community as a result of the Developer's completion of the RPA 2 Redevelopment Project. Consequently, the City has agreed to pay for certain Redevelopment Project Costs as set forth in this Agreement, and in consideration therefor the Developer has agreed to subject itself and the herein-described Property to the terms and conditions set forth below.

**4.2 Reimbursements Limited to Reimbursable Redevelopment Project Costs; Developer’s Right to Substitute.** Nothing in this Agreement or Financing Agreement shall obligate the Authority to issue TIF Obligations or to reimburse the Developer or any Sub-Developer for any cost that is not incurred pursuant to Section 99.820.1 of the TIF Act or that does not qualify as a Redevelopment Project Cost. The Developer or applicable Sub-Developer shall provide to the City and SLDC: (a) itemized invoices, receipts or other information evidencing such costs; and (b) a Certificate of Reimbursable Redevelopment Project Costs constituting certification by the Developer that such cost is eligible for reimbursement under the TIF Act. Within thirty (30) days of the City’s and SLDC’s receipt from the Developer of a Certificate of Reimbursable Redevelopment Project Costs for a particular Sub-Project, the City and SLDC shall review and act upon such Certificate of Reimbursable Redevelopment Project Costs. The parties agree that each of the categories of costs set forth in **Exhibit B**, attached hereto and incorporated herein by this reference, shall constitute Reimbursable Redevelopment Project Costs which are eligible for reimbursement in accordance with the TIF Act and this Agreement. The Developer and any Sub-Developers shall be entitled to reimbursement for Redevelopment Project Costs from any of the categories set forth in **Exhibit B** up to the maximum aggregate amount established in **Section 4.1** for each Sub-Project; provided, that the Developer or Sub-Developer shall be obligated to advance to the City the full amounts identified in **Section 2.2**. If the City determines that any cost identified as a Reimbursable Redevelopment Project Cost is not a Redevelopment Project Cost, the City or SLDC shall so notify the Developer or applicable Sub-Developer in writing within the thirty (30) day period referenced in this Section identifying the ineligible cost and the basis for determining the cost to be ineligible, whereupon the Developer or applicable Sub-Developer shall have the right to identify and substitute other RPA 2 Redevelopment Project Costs as Reimbursable Redevelopment Project Costs with a supplemental application for payment and the thirty (30) day period shall begin anew. If the City fails to approve or disapprove any Certificate of Reimbursable Redevelopment Project Costs for any Sub-Project within thirty (30) days after receipt thereof, the Certificate of Reimbursable Redevelopment Project Costs shall be deemed approved.

evidence of billings and payments for each expenditure, including itemized invoices, receipts, and pay applications or other evidence of payment as appropriate for the type of cost; and (b) a statement of each and every Post Completion Funding Source for Phase 1, Phase 2, Phase 3 or Phase 4, as applicable. The Developer or applicable Sub-Developer shall not include developer fees, project management fees or consultant fees for any service typically performed by the Developer or Sub-Developer in the Verified Total Project Costs. With respect to any other costs for any services provided by the Developer, Sub-Developer or any entity related to Developer or the Sub-Developer, the amount of such costs shall not exceed the amount set forth in the Redevelopment Plan for such services, or, if the cost for such service is not explicitly set forth in the Redevelopment Plan as an individual line item, an amount determined by the City, in consultation with the Finance Officer, as acceptable. Moreover, if any of the owners, officers, principals or members of the construction contractor for the RPA 2 Redevelopment Project are the same as any owner, officer, principal or member of Developer, Sub-Developer or general partner in the owner of the development, amounts allowed for aggregate contractor fees shall not exceed fourteen percent (14%) of construction costs as provided for in the Missouri Housing Development Commission's 2016 Qualified Allocation Plan for the Low Income Housing Tax Credit Program, and Developer or applicable Sub-Developer shall include documentation, including detailed invoices and receipts for payment, for each and every item of costs traceable to third parties with no relationship to Developer, in addition to summary pay applications submitted to Developer by the construction contractor. The City shall determine whether particular costs are general requirements and includable in the contractor's fee allowance or are construction costs to which the aggregate contractor's fee allowance shall be applied, using the Cost Certification Guide promulgated by the Missouri Housing Development Commission as a guide for such determinations. The City and SLDC shall complete their review of the statements and other documentation provided by the Developer pursuant to this Section and either the City or SLDC shall notify the Developer or applicable Sub-Developer if such documentation is acceptable and complete within thirty (30) days of receipt by the City and SLDC. Should the City or SLDC notify the Developer or applicable Sub-Developer that the documentation submitted by the Developer or applicable Sub-Developer is not acceptable or is not complete, the City shall specify which items of documentation are missing or unacceptable and the manner in which the Developer or applicable Sub-Developer may remedy such deficiencies, and the Developer or applicable Sub-Developer may make supplemental submissions to address such deficiencies, provided, however, that such supplemental submissions shall not include any materials with respect to costs incurred or other events that have taken place subsequent to the date the original submission was made. If requested by the City or SLDC, the Developer or applicable Sub-Developer shall also submit an affidavit as to the accuracy of the statements as to the costs, the relationship of any payee to the Developer or the Sub-Developer, the accuracy of the statements as to the amounts and types of tax credits received or other funding sources received, and the veracity of any other aspect of the statements of Verified Total Project Costs or Post-Completion Funding Sources. The City and SLDC shall review any supplemental materials provided by the Developer or applicable Sub-Developer within thirty (30) days of receipt and shall notify Developer or applicable Sub-Developer if such documentation is acceptable and complete within thirty (30) days of receipt by the City and SLDC. The Developer or applicable Sub-Developer shall respond to any notification by the City or SLDC pursuant to this section within thirty (30) days of receipt of such notification. Once the City or SLDC has issued any such notification, the City and SLDC shall not be required to make the calculations specified in the following paragraph until the City and SLDC have received all documentation deemed necessary by the City and SLDC in order to make such calculations, provided, however, that if Developer or applicable Sub-Developer fails to respond to any notification within such thirty (30) day period, the City and SLDC shall have the right to finalize the calculations specified in the following paragraph based on the information and documentation then available to the City and SLDC and the Developer or applicable Sub-Developer shall accept the results of such finalized calculations for purposes of the discharge of TIF Obligations as specified in the following paragraph. Either the City or the Developer (or an applicable Sub-Developer) may waive or extend the time periods for notification and response set forth herein.

To the extent that, in the City's determination, the sum of Post Completion Funding Sources as identified by the City exceeds the sum of: (x) Verified Total Project Costs, plus (y) four percent (4%) of the Acquisition Costs, plus (z) fifteen percent (15%) of all Verified Total Project Costs other than Acquisition Costs, then Developer hereby agrees that the maximum amount of Reimbursable Redevelopment Project Costs for which the Developer or applicable Sub-Developer shall be reimbursed by the City as provided for in **Section 4.1** and the maximum amount of any TIF Obligations which shall be issued by the City in accordance with **Section 5.2** shall be reduced by an amount in the aggregate equal to seventy-five percent (75%) of the total amount of such excess, as calculated by the City in accordance herewith. Developer agrees that the Authority may discharge any TIF Obligations already issued at the time of such calculation in an amount in the aggregate equal to seventy-five percent (75%) of the total excess.

**4.4 City's Obligations Limited to Special Allocation Fund and TIF Obligation Proceeds. Notwithstanding any other term or provision of this Agreement, the TIF Obligations issued by the Authority for Reimbursable Redevelopment Project Costs, as described in the Financing Agreement, are payable only from the Special Allocation Fund, from TIF Obligation Proceeds and from no other source.**

For purposes of this Section, the “Standard TIF Note Rate” shall be determined on the date that is not less than ten (10) business days and not more than sixty (60) business days prior to the scheduled closing date for issuance of the TIF Obligations (the “Pricing Date”) based on the municipal yield curve for general obligation bonds (the “MMD”) compiled by Municipal Market Data Line ® (or its successors) and published by Thomson Financial, an operating unit of The Thomson Corporation (or its successors) using the MMD yield published as of the Pricing Date for general obligation bonds rated “AAA” that mature in the same year as the TIF Obligations, (i) plus four percent (4%) if the interest on such TIF Obligation, in the opinion of Bond Counsel, is not exempt from Federal income taxation, or (ii) plus two percent (2%) if the interest on such TIF Obligation, in the opinion of Bond Counsel, is exempt from Federal income taxation; and

(b) In no event shall the interest rate on any TIF Obligation exceed ten percent (10%) per annum.

Notwithstanding the foregoing, the provisions of (a) above shall not apply to any TIF Obligations that are issued or reissued to refinance or refund prior TIF Obligations so long as an interest cost savings is achieved through the refinancing or refunding.

**5.3 Cooperation in the Issuance of TIF Obligations.** Developer covenants to cooperate and use Best Efforts to assist the City and its Bond Counsel, its Disclosure Counsel, the Authority, underwriters and municipal advisors in the preparation of offering statements, private placement memorandum or other disclosure documents and all other documents necessary to market and sell the TIF Obligations, including, but not limited to, disclosure of tenants within RPA 2 and the non-financial terms of the leases between Developer and such tenants. Developer will not be required to disclose to the general public or any investor any proprietary or confidential information, including financial information, pertaining to the Developer, but upon the execution of a confidentiality agreement acceptable to the Developer, the Developer will provide such information to the City’s municipal advisors, underwriters and their counsel to enable such parties to satisfy their due diligence obligations. The Developer shall make such compliance obligation a covenant running with the land, enforceable as if any subsequent transferee thereof were originally a party to and bound by this Agreement, provided, that Developer shall satisfy this and any other obligation under this Agreement to make any provision a covenant running with the land by recording this Agreement or a memorandum thereof in the Office of the Recorder of Deeds of the City of St. Louis.

## **ARTICLE VI. SPECIAL ALLOCATION FUND; COLLECTION AND USE OF TIF REVENUES**

### **6.1 Creation of Special Allocation Fund.**

The City agrees to cause its Finance Officer to maintain the Special Allocation Fund, including a "PILOTs Account," and an "EATs Account," and such further accounts or sub-accounts as are required by this Agreement or as the Finance Officer may deem appropriate in connection with the administration of the Special Allocation Fund pursuant to this Agreement. Subject to the requirements of the TIF Act and, with respect to Economic Activity Taxes, subject to annual appropriation by the Board of Aldermen, the City will promptly upon receipt thereof deposit all Payments in Lieu of Taxes into the PILOTs Account and all Economic Activity Taxes into the EATs Account.

## **6.2 Certification of Base for PILOTs and EATs.**

(a) Upon the reasonable written request of the City, the Developer shall use its Best Efforts to provide or cause to be provided to the Finance Officer or its authorized representative any documents necessary for the City to calculate the base for PILOTs and EATs including, but not limited to: (i) the address and locator number of all parcels of real property located within RPA 2; and (ii) information related to payment of utility taxes by any businesses, owners or other occupants of RPA 2 in the calendar year ending December 31, 2017.

(b) Within ninety (90) days after execution of this Agreement, the City shall provide to the Developer (i) a certificate of the City Assessor's calculation of the total initial equalized assessed valuation of the taxable real property within RPA 2 based upon the most recently ascertained equalized assessed valuation of each taxable lot, block, tract, or parcel of real property within RPA 2 at the effective date of the Approving Ordinance; and (ii) a certification of the amount of revenue from taxes, penalties and interest which are imposed by the City and other taxing districts and which are generated by economic activities within RPA 2 for the calendar year ending December 31, 2017, but excluding those personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to Section 70.500 of the Revised Statutes of Missouri, taxes levied for the purpose of public transportation, or licenses, fees or special assessments identified as excluded in Section 99.845.3 of the TIF Act, and any other taxes excluded from tax increment financing by Missouri law.

## **6.3 Application of Available Revenues.**

(a) The City hereby agrees for the term of this Agreement to apply the Available Revenues and any taxes, fees or assessments subsequently enacted and imposed in substitution therefor and allocable to the Special Allocation Fund under the TIF Act or this Agreement to the repayment of TIF Obligations as provided in the Financing Agreement and any trust indenture associated with the TIF Obligations.

(b) Upon the payment in full of the principal of and interest on all TIF Obligations (or provision has been made for the payment thereof as specified in the applicable trust indenture), payment in full of the fees and expenses of the Finance Officer and the SLDC, and payment in full of any other amounts required to be paid under this Agreement, the Financing Agreement or applicable trust indenture, all amounts remaining on deposit in the Special Allocation Fund shall be declared as surplus and distributed in the manner provided in the TIF Act.

(c) The City agrees that it will comply with the Charter of The City of St. Louis, Article XVI, Section 3 for each fiscal year that TIF Obligations are outstanding and the City will request an appropriation of all Available Revenues on deposit in the Special Allocation Fund for application as provided in the Financing Agreement.

**6.4 Cooperation in Determining TIF Revenues.** The City and the Developer agree to cooperate and take all reasonable actions necessary to cause the TIF Revenues to be paid into the Special Allocation Fund, including, but not limited to, (a) the City's enforcement and collection of all such

payments through all reasonable and ordinary legal means of enforcement and (b) the Developer's Best Efforts to cause businesses within RPA 2 to report TIF revenues using forms and processes requested by the Finance Officer from time to time. Notwithstanding the foregoing, the Developer acknowledges that there is currently no mechanism that allows the City to accurately calculate the amount of utility tax revenues to be included in the TIF Revenues and deposited in the Special Allocation Fund. Accordingly, the Developer hereby waives any claim to utility tax revenues and hereby agrees to bring no suit, claim or other action against the City seeking the deposit of utility tax revenues into the Special Allocation Fund; provided, however, nothing in this Agreement shall prohibit the City from, in its sole discretion, depositing utility tax revenues into the Special Allocation Fund if a mechanism to accurately calculate the appropriate amount of such a deposit is developed.

**6.5 Obligation to Report TIF Revenues.** Any purchaser or transferee of real property located within the Property, and any lessee or other user of real property located within the Property required to pay TIF Revenues, shall use Best Efforts to timely fulfill such obligations as are required by **Section 6.4**. So long as any of the TIF Obligations are outstanding, the Developer shall cause such obligations to be covenants running with the land, which covenants shall be enforceable as if such purchaser, transferee, lessee or other user of such real property were originally a party to and bound by this Agreement.

**6.6 Notice to City of Transfer.** The Developer agrees to notify the City in writing of any sale, transfer or other disposition of the Property, any portion thereof, or any interest therein as permitted by **Section 7.3.2** of this Agreement at least fifteen (15) days following such sale, transfer or other disposition. Said notice shall specify the name and address of the person so acquiring any or all of the Property, any portion thereof, or any interest therein and shall identify the Property to be sold, transferred or otherwise disposed, whether by voluntary transfer or otherwise. Notwithstanding the foregoing, (a) Developer shall not be required to notify the City of the lease or transfer of a residential unit, commercial unit or parking space in the ordinary course of business and (b) if the transfer is subject to a Parcel Development Agreement, provision of the applicable Parcel Development Agreement to the City shall constitute valid notice under this Section.

## **ARTICLE VII. GENERAL PROVISIONS**

**7.1 Developer's Right of Termination.** At any time prior to the issuance of any TIF Obligations for an applicable Sub-Project, the Developer may, by giving written notice to the City, abandon the applicable Sub-Project and terminate this Agreement in full or in part with respect to the applicable Sub-Project. Upon such termination, the Developer's obligations hereunder as to the applicable Sub-Project shall cease, except for such obligations that expressly survive termination of this Agreement. Upon such termination, the City shall have no obligation to reimburse the Developer for any amounts advanced under this Agreement or costs otherwise incurred or paid by Developer for the applicable Sub-Project or Sub-Projects so terminated. For the avoidance of doubt, in the event Developer terminates this Agreement with respect to any Sub-Project in accordance with this Section, (i) this Agreement shall remain in full force and effect with respect to all other Sub-Projects, and (ii) such termination shall not affect any TIF Obligations with respect other Sub-Projects.

**7.2 City's Right of Termination.** The City may terminate this Agreement with respect to a particular Sub-Project if (a) the Developer or applicable Sub-Developer fails to submit to the MBE/WBE Compliance Officer a copy of Developer's or Sub-Developer's MBE/WBE Subcontractor's List and its MBE/WBE Utilization Statement at least thirty (30) days prior to commencement of construction of any Sub-Project; provided, however, that termination under this Section may be waived in the sole discretion of the MBE/WBE Compliance Officer; or (b) the Developer or applicable Sub-Developer fails to submit its Certificate of Substantial Completion, acceptable to the City, in accordance with **Section 3.8** and the

schedule set forth in **Section 3.4**. Upon such termination, the City shall have no obligation to issue a TIF Note or to reimburse the Developer or Sub-Developer for any amounts advanced under this Agreement or costs otherwise incurred or paid by Developer or the Sub-Developer with respect to the applicable Sub-Project or Sub-Projects. For the avoidance of doubt, in the event the City terminates this Agreement with respect to any Sub-Project in accordance with this Section, (i) this Agreement shall remain in full force and effect with respect to all other Sub-Projects, and (ii) such termination shall not affect any TIF Obligations with respect to other Sub-Projects.

### **7.3 Successors and Assigns.**

**7.3.1. Binding Effect.** This Agreement shall be binding on and shall inure to the benefit of the parties named herein and their respective heirs, administrators, executors, personal representatives, successors and assigns.

**7.3.2. Assignment or Sale.** Without limiting the generality of the foregoing, all or any part of the Property or any interest therein may be sold, transferred, encumbered, leased, or otherwise disposed of at any time, and the rights of the Developer named herein or any successors in interest under this Agreement or any part hereof may be assigned at any time before, during or after redevelopment of the RPA 2 Redevelopment Project, whereupon the party disposing of its interest in the Property or assigning its interest under this Agreement shall be thereafter released from further obligation under this Agreement (although any such Property so disposed of or to which such interest pertains shall remain subject to the terms and conditions of this Agreement), provided, however, that until substantial completion of the RPA 2 Redevelopment Project, the fee title to the Property shall not be sold, transferred or otherwise disposed of and the rights, duties and obligations of the Developer under this Agreement shall not be assigned in whole or in part without the prior written approval of the City, which approval shall not be unreasonably withheld or delayed upon a reasonable demonstration by the Developer of the proposed transferee's or assignee's experience and financial capability to undertake and complete such portions of the Work and perform the Developer's obligations under this Agreement, all in accordance with this Agreement. Notwithstanding anything herein to the contrary, the City hereby approves, and no prior consent shall be required in connection with: (a) the right of the Developer to encumber or collaterally assign its interest in the Property or any portion thereof or its rights, duties and obligations under this Agreement to obtain the benefits of a tax credit investment or to secure loans, advances or extensions of credit to finance or from time to time refinance all or any part of the RPA 2 Redevelopment Project Costs, or the right of the holder of any such encumbrance or transferee of any such collateral assignment (or trustee or agent on its behalf) to transfer such interest by foreclosure or transfer in lieu of foreclosure under such encumbrance or collateral assignment; (b) the right of Developer to transfer the Property or to assign all or any portion of Developer's rights, duties and obligations under this Agreement to any Related Entity; and (c) the right of the Developer to sell, lease or transfer a residential unit, commercial unit or parking space in the ordinary course of business; provided that in each such event (i) the Developer named herein shall remain liable hereunder for the substantial completion of the RPA 2 Redevelopment Project (except with respect to any Sub-Project assigned to a Sub-Developer), subject, however, to Developer's right of termination pursuant to **Section 7.1**, and shall be released from such liability hereunder only upon substantial completion of the RPA 2 Redevelopment Project and (ii) the Developer provides to the City fifteen (15) days' advance written notice of the proposed assignment or transfer other than of the sale or lease of a residential unit, commercial unit or parking space in the ordinary course of business or the transfer of any rights hereunder or in the Property to a Related Entity, which shall require no notice (but may be subject to a Parcel Development Agreement, as described below).

**7.3.3. Assignment or Sale to Exempt Organization.** Prior to any sale, transfer or other disposition of all or any portion of the Property or any interest therein to an organization exempt from payment of ad valorem property taxes, such organization shall be required to agree not to apply for an exemption from payment of such property taxes for a period ending on the earlier of the date that all TIF Obligations are paid in full or twenty-three (23) years from the effective date of the Approving Ordinance. The Developer shall make this requirement a covenant running with the land, enforceable for such period as if such purchaser or other transferee or possessor thereof were originally a party to and bound by this Agreement.

**7.3.4. Parcel Development Agreements.** Notwithstanding anything to the contrary contained herein, prior the completion of Phase 1, Phase 2, Phase 3 or Phase 4, as applicable, the Developer's interest in this Agreement with respect to such Sub-Projects may be assigned pursuant to a Parcel Development Agreement.

**7.4 Remedies.** Except as otherwise provided in this Agreement and subject to the Developer's and the City's respective rights of termination, in the event of any default in or breach of any term or conditions of this Agreement by either party, or any successor, the defaulting or breaching party (or successor) shall, upon written notice from the other party specifying such default or breach, proceed immediately to cure or remedy such default or breach, and shall, in any event, within thirty (30) days after receipt of notice, cure or remedy such default or breach. In the event that the defaulting or breaching party (or successor) diligently and in good faith commences to cure or remedy such default or breach but is unable to cure or remedy such default or breach within thirty (30) days after receipt of notice, the defaulting or breaching party (or successor) shall, prior to the end of such thirty (30) days, provide notice to the other party that it has in good faith commenced to cure or remedy such default or breach, whereupon the defaulting or breaching party (or successor) shall have an additional thirty (30) days to cure or remedy such default or breach. In case such cure or remedy is not taken or not diligently pursued, or the default or breach shall not be cured or remedied prior to the end of the additional thirty (30) day period, the aggrieved party may institute such proceedings as may be necessary or desirable in its opinion to cure and remedy such default or breach, including without limitation proceedings to compel specific performance by the defaulting or breaching party.

**7.5 Force Majeure.** Neither the City nor the Developer nor any successor in interest shall be considered in breach or default of their respective obligations under this Agreement, and times for performance of obligations hereunder shall be extended for the duration of any event of any delay caused by force majeure (except as expressly limited in **Section 3.4**), including without limitation damage or destruction by fire or casualty; strike; lockout; civil disorder; war; restrictive government regulations; after timely and complete submission of an application by the Developer, lack of issuance of any permits and/or legal authorization by the governmental entity necessary for the Developer to proceed with construction of the Work or any portion thereof; shortage or delay in shipment of material or fuel; acts of God; unusually adverse weather or wet soil conditions; or other like causes beyond the parties' reasonable control, including without limitation any litigation, court order or judgment resulting from any litigation affecting the validity of the Redevelopment Plan, the RPA 2 Redevelopment Project or the TIF Obligations or this Agreement; provided that (a) such event of force majeure shall not be deemed to exist as to any matter initiated or sustained by the Developer in bad faith, and (b) the Developer notifies the City in writing within thirty (30) days of the commencement of such claimed event of force majeure.

**7.6 Notices.** All notices, demands, consents, approvals, certificates and other communications required by this Agreement to be given by either party hereunder shall be in writing and shall be hand delivered or sent by telecopy, fax or United States first class mail, postage prepaid, addressed to the appropriate party at its address set forth below, or at such other address as such party shall have last designated by notice to the other. Notices, demands, consents, approvals, certificates and other

communications shall be deemed given when delivered or three days after mailing; provided, however, that if any such notice or other communication shall also be sent by telecopy or fax machine, such notice shall be deemed given at the time and on the date of machine transmittal if the sending party receives a written send verification on its machines and forwards a copy thereof with its mailed or courier delivered notice or communication.

**7.7 Conflict of Interest.** No member of the Board of Aldermen, the TIF Commission, or any branch of the City's government who has any power of review or approval of any of the Developer's undertakings, or of the City's contracting for goods or services for **RPA 2**, shall participate in any decisions relating thereto which affect that member's personal interests or the interests of any corporation or partnership in which that member is directly or indirectly interested. Any person having such interest shall immediately, upon knowledge of such possible conflict, disclose, in writing, to the Board of Aldermen the nature of such interest and seek a determination by the Board of Aldermen with respect to such interest and, in the meantime, shall not participate in any actions or discussions relating to the activities herein proscribed.

**7.8 Damage or Destruction of RPA 2 Redevelopment Project.** In the event of total destruction or damage to any Sub-Project by fire or other casualty, during construction or thereafter during the term of this Agreement so long as any TIF Obligations are outstanding and the Developer or a Related Entity owns the applicable Sub-Project, the Developer shall determine and advise the City in writing (which writing may consist of an application for a building permit) within one year of such destruction or damage whether to restore, reconstruct and repair any such destruction or damage so that the applicable Sub-Project will be completed or rebuilt in accordance with the Redevelopment Plan and this Agreement. Should the Developer determine not to restore, reconstruct and repair, all unaccrued liability of the City for any payments of principal or interest on any TIF Obligations owned by the Developer or a Related Entity in connection with the applicable Sub-Project shall immediately terminate and the Developer shall promptly surrender such TIF Obligations to the Authority for cancellation. In the event of such total destruction or damage during the term of this Agreement and after any TIF Obligations are issued or sold to a purchaser

other than the Developer or a Related Entity, the Developer shall, at the City's option after consultation with the Developer, tender to the City that portion of the insurance proceeds, if any, to which Developer is entitled, after satisfaction of any terms or obligations of any deed of trust, promissory note or financing agreement entered into by the Developer for the financing of all or any part of the RPA 2 Redevelopment Project and payment of all costs to clear and secure RPA 2 and satisfy any obligations related to the recapture of historic tax credits, from any fire or casualty insurance policy in an amount up to the outstanding principal amount of the TIF Obligations, plus accrued interest thereon to be deposited into the Special Allocation Fund.

**7.9 Inspection.** The City may conduct such periodic inspections of the Work as may be generally provided in the building code of the City. In addition, the Developer shall allow other authorized representatives of the City reasonable access to the Work site from time to time upon advance notice prior to the completion of the Work for inspection thereof. The Developer shall not unreasonably deny the City and its officers, employees, agents and independent contractors the right to inspect, upon request, all architectural, engineering, demolition, construction and other contracts and documents pertaining to the construction of the Work as the City determines is reasonable and necessary to verify the Developer's compliance with the terms of this Agreement.

**7.10 Choice of Law.** This Agreement shall be taken and deemed to have been fully executed, made by the parties in, and governed by the internal laws of State of Missouri without reference to its conflict of laws principles for all purposes and intents.

**7.11 Entire Agreement; Amendment.** The parties agree that this Agreement constitutes the entire agreement between the parties and that no other agreements or representations other than those contained in this Agreement have been made by the parties. This Agreement shall be amended only in writing and effective when signed by the authorized agents of the parties.

**7.12 Counterparts.** This Agreement may be executed in multiple counterparts, each of which shall constitute one and the same instrument.

**7.13 Severability.** In the event any term or provision of this Agreement is held to be unenforceable by a court of competent jurisdiction, the remainder shall continue in full force and effect, to the extent the remainder can be given effect without the invalid provision.

**7.14 Representatives Not Personally Liable.** No elected or appointed official, agent, employee or representative of the City shall be personally liable to the Developer in the event of any default or breach by any party under this Agreement, or for any amount which may become due to any party or on any obligations under the terms of this Agreement.

**7.15 Actions Contesting the Validity and Enforceability of the Redevelopment Plan.**

(a) If a third party brings an action against the City or the City's officials, agents, attorneys, employees or representatives contesting the validity or legality of RPA 2, the Redevelopment Plan, the TIF Obligations, or the ordinance approving this Agreement, Developer may, at its option, join the City in defense of such claim or action. The parties expressly agree that, so long as no conflicts of interest exist between them with regard to the handling of such litigation, the same attorney or attorneys may simultaneously represent the City and the Developer in any such proceeding. The Developer shall be responsible for all reasonable and necessary costs and expenses incurred by the City and by the Developer in connection with the defense of such claim or action, provided that if the City does not approve a settlement or compromise to which the Developer would agree, the Developer shall not be responsible for any costs or expenses incurred thereafter in the defense of such claim or action. All cost of any such defense,

whether incurred by the City or the Developer, shall be deemed to be Reimbursable Redevelopment Project Costs and reimbursable from any amounts in the Special Allocation Fund, subject to **Article IV**.

**7.16 Release and Indemnification.** The indemnifications and covenants contained in this Section shall survive termination or expiration of this Agreement.

**7.16.1.** The City and its governing body members, officers, agents, attorneys, employees and independent contractors shall not be liable to the Developer for damages or otherwise in the event that all or any part of the TIF Act, or any ordinance adopted in connection with either the TIF Act, this Agreement or the Redevelopment Plan, is declared invalid or unconstitutional in whole or in part by the final (as to which all rights of appeal have expired or have been exhausted) judgment of any court of competent jurisdiction, and by reason thereof either the City is prevented from performing any of the covenants and agreements herein or the Developer is prevented from enjoying the rights and privileges hereof.

**7.16.2.** The Developer releases from and covenants and agrees that the City and its governing body members, officers, agents, attorneys, employees and independent contractors shall not be liable for, and agrees to indemnify and hold harmless the City, its governing body members, officers, agents, attorneys, employees and independent contractors against any and all claims, demands, liabilities and costs, including reasonable attorneys' fees, costs and expenses, arising from damage or injury, actual or claimed (excluding consequential and punitive damages), to persons or property occurring or allegedly occurring as a result of any negligent or malicious acts or omissions of the Developer, its governing body members, officers, agents, attorneys, employees and independent contractors, in connection with its or their activities conducted pursuant to this Agreement.

**7.16.3.** The City and its governing body members, officers, agents, attorneys, employees and independent contractors shall not be liable for any damage or injury to the persons or property of the Developer or its officers, agents, employees, independent contractors or any other persons who may be about the Property or the Work except for matters arising out of the gross negligence or willful misconduct of the City and its governing body members, officers, agents, attorneys, employees and independent contractors.

**7.16.4.** All covenants, stipulations, promises, agreements and obligations of the City contained herein shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the City and not of any of its governing body members, officers, agents, attorneys, employees or independent contractors in their individual capacities.

**7.16.5.** No governing body members, officers, agents, attorneys, employees or independent contractors of the City shall be personally liable to the Developer (i) in the event of a default or breach by any party under this Agreement or (ii) for any amount or any TIF Obligations which may become due to any party under the terms of this Agreement.

**7.16.6.** The Developer releases from and covenants and agrees that the City, its governing body members, officers, agents, attorneys, employees and independent contractors shall not be liable for, and agrees to indemnify and hold the City, its governing body members, officers, agents, attorneys, employees and independent contractors, harmless from and against any and all third party suits, interest, claims and cost of reasonable attorneys' fees incurred by any of them, resulting from, arising out of, or in any way connected with: (i) the enforcement of this Agreement, the validity of the TIF Obligations or the enforcement or validity of any other agreement or obligation made in connection therewith and their approvals (excluding opinions of counsel and of

the City's municipal advisors whenever such claim is based on such party's own negligence); (ii) the negligence or willful misconduct of the Developer or its officers, agents, employees or independent contractors in connection with the design, management, development, redevelopment and construction of the Work, or (iii) the compliance by the Developer with all applicable state, federal and local environmental laws, regulations and ordinances as applicable to the Property, to the extent such condition existed prior to the acquisition thereof by the Developer. The foregoing release and indemnification shall not apply in the case of such liability arising directly out of the negligence or malicious acts or omissions of the City or its governing body members, officers, agents, attorneys, employees and independent contractors in connection with its or their activities conducted pursuant to this Agreement or which arises out of matters undertaken by the City following termination of this Agreement as to the RPA 2 Redevelopment Project or any particular portion thereof.

**7.17 Survival.** Notwithstanding the expiration or termination or breach of this Agreement by either party, the agreements contained in **Section 2.2, Article VI, Sections 7.10, 7.11, 7.12, 7.13, 7.14, 7.15, 7.16, 7.17, 7.19 7.20 and Article VIII** of this Agreement shall, except as otherwise expressly set forth herein, survive such early expiration or early termination of this Agreement by either party.

**7.18 Maintenance of the Property.** The Developer shall remain in compliance with all provisions of the City's ordinances relating to maintenance and appearance of the Property during the construction of the RPA 2 Redevelopment Project or any portion thereof. Upon substantial completion of the RPA 2 Redevelopment Project and so long as any TIF Obligations are outstanding, the Developer or its successor(s) in interest, as owner or owners of the affected portion(s) of the Property, shall, during the remainder of the term of this Agreement (but subject to any delay caused by an event of force majeure as provided in **Section 7.5**), maintain or cause to be maintained the buildings and improvements within RPA 2 which it owns in a good state of repair and attractiveness and in conformity with applicable state and local laws, ordinances and regulations. If there are separately-owned or ground leased parcels of real estate on the Property during the term of this Agreement, each owner or lessee as a successor in interest to the Developer shall maintain or cause to be maintained the buildings and improvements on its parcel in a good state of repair and attractiveness and in conformity with applicable state and local laws, ordinances and regulations.

**7.19 Non-Discrimination.** The Developer agrees that, during the term of this Agreement and as an independent covenant running with the land, there shall be no discrimination upon the basis of race, creed, color, national origin, sex, age, marital status or physical handicap in the sale, lease, rental, occupancy or use of any of the facilities under its control within RPA 2 or any portion thereof and said covenant may be enforced by the City or the United States of America or any of their respective agencies. The Developer further agrees that a provision containing the covenants of this paragraph shall be included in all agreements pertaining to the lease or conveyance or transfer (by any means) of all or a portion of the RPA 2 Redevelopment Project and any of the facilities under its control in RPA 2. Except as provided in this Section, the Developer shall have no obligation to enforce the covenants made by any transferee or lessee, tenant, occupant or user of any of the facilities within RPA 2.

**7.20 Fair Employment.** Without limiting any of the foregoing, the Developer voluntarily agrees to observe the Equal Opportunity and Nondiscrimination Guidelines set forth as **Exhibit F**, attached hereto and incorporated herein by reference. By execution of this Agreement, the Developer certifies and agrees that it is under no contractual or other disability that would materially impair its ability to observe the Guidelines set forth as **Exhibit F**, attached hereto and incorporated herein by reference.

**7.21 MBE/WBE Compliance.**

(a) The Developer shall comply with Ordinance Nos. 69427, 70767 and 71094 during the design and construction of the Sub- Projects and with respect to ongoing services provided by third parties to the Developer in connection with the RPA 2 Redevelopment Project.

(b) Unless other directions are given by SLDC, the Developer shall ensure MBE/WBE compliance while constructing the Sub-Projects through the following actions:

(i) The Developer shall provide or upload to SLDC all construction sub-contracts entered into by their prime contractors for construction work to be performed. The Developer shall require that prime contractors summarize with each “application for payment” their compliance with their MBE and WBE utilization commitments and shall include all adjusted contract amounts, payment data and copies of final lien waivers. This information shall be entered electronically utilizing the SLDC Minority Business Development and Compliance Office Global Project Tracking System (GPTS) or any other web-based compliance tool used by the Compliance Office at the time of submission.

(ii) The Developer shall require that prime contractors ensure their MBE and WBE sub-contractors verify receipt of payments and provide certified payroll data and/or payroll register related data and other documentation as may be required by the SLDC Minority Business Development and Compliance Office by entering that information electronically utilizing the GPTS system.

(iii) The Developer shall ensure that these requirements are incorporated into their contracts with prime contractors and that the prime contractors and sub-contractors comply with these requirements.

(c) The Developer or their selected general contractor shall provide the SLDC Minority Business Development and Compliance Office at least five business days’ notice of any bid opening specifying the date and time of opening, and allow a representative of that Office to witness the opening of bids. The Developer also shall notify the Office of the selection of the general contractor within forty-eight hours of the execution of an agreement and provide a copy of that agreement to the Office.

(d) In the event the Developer, its general contractor, or both fail to achieve the participation goals specified by SLDC or St. Louis Agency for Training and Employment, liquidated damages may be imposed. The liquidated damages may not exceed the difference between the monetary amount of the participation goals and the amount actually paid to minorities, women, and City Residents. SLDC may allow credit if it determines, in its sole discretion, that the Developer and its general contractors acted in good faith.

**ARTICLE VIII  
REPRESENTATIONS OF THE PARTIES**

**8.1 Representations of the City.** The City hereby represents and warrants that it has full constitutional and lawful right, power and authority, under current applicable law, to execute and deliver and perform the terms and obligations of this Agreement and the Financing Agreement, and all of the foregoing have been duly and validly authorized and approved by all necessary City proceedings, findings and actions. Accordingly, this Agreement constitutes the legal, valid and binding obligation of the City, enforceable in accordance with its terms.

1. This estimate of TIF, CID and TDD-funded Redevelopment Project Area Costs is based upon certain assumptions that may not materialize and, as an estimate or projection, is subject to uncertainty and risks that could cause actual results to differ, possibly materially, from those contemplated in this estimation. Accordingly, the actual Redevelopment Project Area Costs may vary from the contemplated costs.

2. Because of the uncertainty of the above estimated TIF, CID, and TDD-funded Project Area Costs, and because the amount of costs for certain categories may vary as a result of unforeseen events and circumstances, the above costs may be shifted among the categories of costs. A maximum of \$18.0 million will be available to fund the eligible project costs.

Distribution of costs among the various cost categories for the Redevelopment Project is approximate. As the Redevelopment Project is implemented, specific categorical items and actual associated costs may vary from those provided above. The above estimated costs are exclusive of costs of issuance of TIF Obligations (as hereinafter defined), required reserve accounts, interest on TIF Obligations and capitalized interest, if any.

Subject to appropriation, the City shall thereafter transfer all amounts on deposit in the EATS Account of the applicable Special Allocation Fund to the Trustee pursuant to **Section 4.2**.

(d) Notwithstanding any provision of the Redevelopment Agreement or this Financing Agreement to the contrary, the Authority and the City hereby acknowledge and agree that the terms of the Indenture relating to the transfer and application of Net Revenues shall control.

(e) The Authority and the City each covenants and agrees that it will not authorize or issue bonds, notes or other obligations payable from Net Revenues, except for the TIF Obligations.

**Section 5.3. Collection of Revenues.** The City shall comply with the provisions of the Redevelopment Agreement relating to collection of Payments in Lieu of Taxes and Economic Activity Tax Revenues in such manner as the City deems prudent and advisable in its good faith discretion.

**Section 5.4. Covenant to Request Appropriations.**

(a) The City covenants and agrees that the officer of the City at any time charged with the responsibility of formulating budget proposals is hereby directed to include in the budget proposal submitted to the Board of Aldermen for each fiscal year that the TIF Obligations are Outstanding a request for an appropriation of the Net Revenues on deposit in the EATS Account of the Special Allocation Fund for transfer to the Trustee for deposit in the Revenue Fund at the times and in the manner provided in **Section 402** of the Indenture. Any funds appropriated as the result of such a request shall be transferred by the City to the Trustee at the times and in the manner provided in **Section 4.2** hereof and **Section 402** of the Indenture.

(b) The parties acknowledge that tax increment financing expires within RPA 2 twenty-three (23) years after the effective date of the ordinance adopting tax increment financing within RPA 2 (i.e., April 27, 2041). No Payments in Lieu of Taxes or Economic Activity Tax Revenues received by the City after April 27, 2041 will be paid to the Trustee.

**Section 5.5. Enforcement of Redevelopment Agreement.**

(a) The City shall enforce the provisions of the Redevelopment Agreement in such manner as the City deems prudent and advisable in its good faith discretion. The City may enforce all appropriate available remedies thereunder, including particularly any actual, agreed or liquidated damages for failure to perform under the Redevelopment Agreement. Any such damages received in connection with the Redevelopment Agreement, after deduction of the costs of enforcement, shall be transferred to the Trustee for deposit to the Revenue Fund.

(b) The City shall notify the Trustee in writing as to any material failure of performance under the Redevelopment Agreement, and at the time of such notification the City shall also advise the Trustee what action the City proposes to take in enforcing available remedies. If, in the sole judgment of the Trustee, such action is less likely to be effective than some other or additional action, the Trustee may so advise the City promptly in writing. If, within 30 days following advice by the Trustee that some additional or other action would be more effective, the applicable party has not taken such other or additional action, and the Trustee has not, after consultation with the applicable party, withdrawn such advice, upon receipt of indemnification satisfactory to it, the Trustee is hereby authorized to take such action, whether the action was suggested by the Trustee or otherwise, as the Trustee may deem most expedient and in the interest of the Owners of the TIF Obligations. In furtherance of the rights granted to the Trustee by this Section, the City hereby assigns to the Trustee all of the rights they may have in the enforcement of the Redevelopment Agreement, further authorizing the Trustee in its own name or in the name of the City to bring such actions, employ such counsel, execute such documents and do such other things as may in the judgment of the Trustee be necessary or appropriate under the circumstance at the expense of the Trust Estate.

(c) The City shall not modify, amend or waive any provision of the Redevelopment Agreement without the prior written consent of the Trustee, whose consent shall not be unreasonably withheld or delayed. The Trustee may withhold its consent to any such proposed modification, amendment or waiver of the Redevelopment Agreement if the proposed modification, amendment or waiver may adversely affect the security for the TIF Obligations or the interests of the Owners thereof or may adversely affect the exclusion of interest on the Tax-Exempt Bonds from gross income of the

Owners thereof for federal income tax purposes or as may impose additional duties on the Trustee that were not contemplated upon the original execution of the Indenture. The Trustee may rely upon an Opinion of Counsel as to whether any such proposed modification, amendment or waiver may adversely affect the security for the TIF Obligations or the interests of the Owners thereof or may adversely affect the exclusion of interest on the Tax-Exempt Bonds from gross income of the Owners thereof for federal income tax purposes or as may impose additional duties on the Trustee that were not contemplated upon the original execution of the Indenture.

## ARTICLE VI

**Section 7.3. Restriction on Transfer of City Interests.** The City will not sell, assign, transfer or convey its interests in the Net Revenues or this Financing Agreement.

## ARTICLE VIII

### EVENTS OF DEFAULT AND REMEDIES

**Section 8.1. Events of Default Defined.** The term “Event of Default” shall mean any one or more of the following events:

- (a) Failure by the City to timely transfer revenues to the Trustee pursuant to **Section 4.2** hereof.
- (b) Failure by the City to observe and perform any covenant, condition or agreement on the part of the applicable party under this Financing Agreement, other than as referred to in the preceding subparagraph (a) of this Section, for a period of 30 days after written notice of such default has been given to the applicable party by the Trustee or the Authority, during which time such default is neither cured by the applicable party nor waived in writing by the Trustee, provided that, if the failure stated in the notice cannot be corrected within said 30-day period, the City shall be granted additional time to cure the default so long as corrective action is instituted by the City within the 30-day period and diligently pursued to completion.
- (c) The filing by the City of a voluntary petition in bankruptcy, or failure by the City to promptly lift any execution, garnishment or attachment of such consequence as would impair the ability of the City to carry on its operation, or adjudication of the City as a bankrupt, or assignment by the City for the benefit of creditors, or the entry by the City into an agreement of composition with creditors, or the approval by a court of competent jurisdiction of a petition applicable to the City in any proceedings instituted under the provisions of federal bankruptcy law, or under any similar acts which may hereafter be enacted.
- (d) Any representation or warranty by the City herein or in any certificate or other instrument delivered under or pursuant to this Financing Agreement or the Indenture or in connection with the financing contemplated herein shall prove to have been false, incorrect, misleading or breached in any material respect on the date when made, unless waived in writing by the Trustee or cured by the City within 30 days after notice thereof has been given to the applicable party.
- (e) The occurrence of an Event of Default as specified in **Section 701** of the Indenture.

**Section 8.2. Remedies on an Event of Default.**

(a) Whenever any Event of Default has occurred and is continuing, the Trustee, as the assignee of the Authority, may take any one or more of the remedial steps set forth in the Indenture; provided that if the principal of all Bonds then Outstanding and the interest accrued thereon has been declared immediately due and payable pursuant to **Section 702** of the Indenture, the Trustee may immediately proceed to take whatever other action at law or in equity is necessary and appropriate to exercise or to cause the exercise of the rights and powers set forth herein or in the Indenture, as may appear necessary or desirable to collect the amounts payable pursuant to this Financing Agreement then due and thereafter to become due or to enforce the performance and observance of any obligation, agreement or covenant of the City under this Financing Agreement or the Indenture.

(b) Any amount collected pursuant to action taken under this Section shall be paid to the Trustee and applied in accordance with **Section 708** of the Indenture.

(c) Notwithstanding the foregoing, the Trustee shall not be obligated to take any step that in its opinion will or might cause it to expend time or money or otherwise incur liability, unless and until indemnity satisfactory to it has been furnished to the Trustee at no cost or expense to the Trustee, except as otherwise provided in **Section 801(I)** of the Indenture.

**Section 8.3. No Remedy Exclusive.** No remedy herein conferred or reserved is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Financing Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon an Event of Default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Trustee to exercise any remedy reserved to it in this Article, it shall not be necessary to give any notice, other than such notice as may be herein expressly required.

**Section 8.5. Performance of the City .** If the City fails to keep or perform any of its obligations as provided in this Financing Agreement, then the Trustee may (but shall not be obligated so to do), upon the continuance of such failure on the City's part for 30 days after notice of such failure is given to the City by the Trustee, and without waiving or releasing the applicable party from any obligation hereunder, as an additional but not exclusive remedy, make any such payment or perform any such obligation, and all sums so paid by the Trustee and all necessary incidental costs and expenses incurred by the Trustee in performing such obligations shall be paid to the Trustee in accordance with **Section 402** and **Section 802** of the Indenture.

**Section 8.6. Remedial Rights Assigned to the Trustee.** Upon the execution and delivery of the Indenture, the Authority will thereby have assigned to the Trustee all rights and remedies conferred upon or reserved to the Authority by this Financing Agreement other than the Unassigned Authority's Rights. The Trustee shall have the exclusive right to exercise such rights and remedies conferred upon or reserved to the Authority by this Financing Agreement in the same manner and to the same extent, but under the limitations and conditions imposed thereby and hereby.
