**SECTION FOUR: Shift differential compensation—Maximum salary—Increases.**

A. A shift differential compensation for certain work assignments may be paid. The appointing authority shall determine the work assignments or activities performed for which shift differential compensation shall be paid.

Before shift differential compensation may be made an employee must have completed (5) hours of regular employment before 7:00 a.m. or five hours after 3:00 p.m. in the twenty-four-hour period which begins at the employees' normal reporting time.

An employee shall be paid 1.00 percent of the employee's regular base bi-weekly rate for each eligible shift worked in a bi-weekly pay period. An employee shall work a complete eligible shift to receive shift differential compensation.

Shift differential shall not be paid to employees who work part-time, or full-time regular employees docked for any portion of a shift. An employee shall receive shift differential for working a portion of an eligible shift. Shift differential shall only be paid for whole hours worked, providing the portion of the shift not worked is charged to paid leave. A fraction of an

1 hour shall not be counted toward the payment of the differential. An employee shall not receive  
2 shift differential compensation for any overtime worked that is not part of their regular schedule.  
3 Employees who work on a Saturday and/or Sunday shall be paid a weekend differential.  
4 This differential shall be 1.00 percent of an employee's base bi-weekly rate and shall not be paid  
5 for any overtime worked that is not part of an employee's regular schedule. An employee shall  
6 receive weekend differential for working a portion of an eligible day. This differential shall only  
7 paid for whole hours worked, providing the portion of the day not worked is charged to paid  
8 leave. A fraction of an hour shall not be counted toward the payment of the differential.  
9 Weekend differential shall not be paid to employees compensated on an hourly or per-  
10 performance basis or to bi-weekly paid employees who work part-time or full-time regular  
11 employees docked for any portion of a day. The appointing authority may approve the payment  
12 of hiring incentives to recruit qualified personnel for positions that are difficult to fill. Hiring  
13 incentives shall be in any amount up to twenty-five percent (25 percent) of the annual salary of  
14 the position for which the incentive is to be paid.  
15 An employee who is appointed to a position requiring advanced technical skills or professional  
16 qualifications may be paid at a rate up to ten percent (10 percent) higher than prescribed for the  
17 class. Such advancement shall be made solely on the basis that the employee possesses  
18 exceptional academic qualifications related to the duties of the position. The appointing authority  
19 may also establish other bonus, incentive, or reimbursement programs to encourage current  
20 employees to attain registration, licensure, certification, or proof of professional mastery when it  
21 is deemed to be in the best interest of the service, or when such credentials are clearly recognized  
22 as adding to the capability of individuals in that area. Incentives, bonuses, or reimbursements

1 conveyed under such programs would not result in an employee being ruled ineligible for  
2 bonuses or salary increases permitted under other sections of this chapter.  
3 The appointing authority may establish a location allowance for positions which are difficult to  
4 fill at specific duty stations. This allowance shall be in an amount up to ten percent of the median  
5 of the pay range of the position for which the allowance is to be paid. The location allowance  
6 shall be considered an addition to pay and shall not change the employee's base rate.

7 B. No employee shall be paid at the rate lower than the minimum or higher than the  
8 maximum of the salary range established for the class to which his/her position has been  
9 allocated, except as otherwise provided in this chapter.

10 C. When a new employee is approved under Section 57.530 Missouri Revised Statutes,  
11 1978, the annual rate of compensation shall be twenty-six (26) times the first or lowest step  
12 within each rank or position.

13 D. Deputies and assistants in the Sheriff's Office may receive such hourly, daily or other  
14 rate for special services (**as may be allowed by the Circuit Court,**) for special services  
15 (**authorized by the Circuit Court, and**) assigned by the Sheriff, when such special services are  
16 for additional work over and above the regularly assigned working hours and payment of such  
17 special service is being taxed as costs in the particular case or circumstance and deposit of such  
18 cost is made in advance of such special services.

19 **SECTION FIVE: Starting Salary.**

20 The minimum rate of pay for a position shall be paid upon original appointment to the class,  
21 unless the appointing authority finds that it is impossible to recruit employees with adequate  
22 qualifications at the minimum rate.

1 If an advanced starting salary is necessary, the appointing authority may establish a recruitment  
2 rate for a single position or all positions in a class and authorize employment at a figure above  
3 the minimum but within the regular range of salary established for the class.

4 **SECTION SIX: Promotion, demotion, reallocation and transfer.**

5 An employee who is transferred, promoted, demoted, or whose position is reallocated after the  
6 effective date of this chapter, shall have his or her rate of pay for the new position determined as  
7 follows:

8 A. Promotion. This shall be defined as a change of an employee from a position of one  
9 class to a position of another class with higher pay grade.

10 1. When an employee is promoted to a position in the General Schedule, the  
11 employee's salary shall be set at a rate which is five percent (5 percent) higher than the  
12 rate received immediately prior to promotion. The Appointing Authority may approve up  
13 to a twenty percent (20 percent) salary adjustment when such action is needed to attract  
14 experienced, qualified candidates for a position. Such salary determination shall take into  
15 consideration the nature and magnitude of the accretion of duties and responsibilities  
16 resulting from the promotion. However, no employee shall be paid less than the  
17 minimum rate nor more than the maximum rate for the new class of position, except as  
18 otherwise provided in this chapter.

19 2. Temporary Promotions. Promotions of employees regardless of status, made  
20 for a limited duration, shall result in a salary adjustment as in paragraph A.1 of this  
21 section. Upon expiration of the temporary promotion, the employee shall be returned to

1 his/her former rate of pay, adjusted by any increases the employee may have received in  
2 the absence of the temporary promotion.

3 In no case shall the employee's salary be above the maximum of the salary range.

4 B. Demotion. This shall be defined as a change of an employee to a position of one class  
5 to a position of another class which has a lower pay grade.

6 1. If an employee accepts a voluntary demotion, his or her rate of pay shall be  
7 reduce d to a rate within the range for the new position. The appointing authority may  
8 approve up to a ten percent (10 percent) salary decrease upon demotion. However, no  
9 employee shall be paid less than the minimum nor more than the maximum rate for the  
10 new class of position.

11 C. Reallocation.

12 1. The salary of an employee which is in excess of the maximum of the range  
13 prescribed by this chapter for the class and grade to which his or her position has been  
14 allocated or may be reallocated shall not be reduced by reason of the new salary range  
15 and grade. The salary of such employee shall not be increased so long as he or she  
16 remains in the class of position, except as otherwise provided by this chapter.

17 2. If the employee's position is reallocated to class in a lower pay grade and the  
18 rate of pay for the previous position is within the salary range of the new position, his or  
19 her salary shall remain unchanged.

20 3. The salary of an employee whose position is allocated to a class in a higher pay  
21 grade shall be determined in accordance with the provisions of this subsection A.1 of this  
22 section relating to salary advancement on promotion.

1 D. Transfer. The salary rate of an employee who transfers to a different position in the  
2 same class, or from a position in one class to a position in another class in the same pay grade,  
3 regardless of pay schedule, shall remain unchanged, provided that no employee shall be paid less  
4 than the minimum rate nor more than the maximum rate for the new class of position.

5 **SECTION SEVEN: Salary adjustment.**

6 A. A decrease in the salary range for poor performance of the duties of the position or for  
7 job performance which does not warrant continued pay at an advanced rate in the salary range  
8 shall be made in accordance with standards established by the appointing authority.

9 1. Exceptional Performance of Duties. The appointing authority of an employee  
10 who demonstrates exceptional performance of duties or outstanding qualifications may  
11 advance the employee, by not more than ten percent (10 percent) after twenty-six (26)  
12 weeks of employment at a rate in the salary range which may be in addition to any merit  
13 increase received.

14 2. Substandard Performance of Duties. The appointing authority of an employee  
15 whose level of performance is significantly diminished and no longer warrants payment  
16 at the current rate within the range may be decreased to a lower rate in the salary range.

17 B. The pay of any employee may be decreased as a disciplinary action by an appointing  
18 authority to a lower rate or step within a salary range. The decrease shall not be greater than  
19 fifteen percent (15 percent) of the employee's current salary rate. In no case shall the decrease be  
20 below the minimum of the pay range for the class. The appointing authority may determine that  
21 the pay decrease shall be effective for a specific number of bi-weekly pay periods, providing,  
22 however, that such decrease shall not be effective for more than twenty six (26) weeks.

1 C. The appointing authority may establish procedures for the review and approval of  
2 within-range salary adjustments to correct or mitigate serious and demonstrable internal pay  
3 inequities. Salary adjustment under this provision shall preclude adjustments to compensate or  
4 reward employees for long-term or meritorious service.

5 D. The appointing authority may approve a within range salary adjustment or other  
6 incentives to retain employees in positions that are difficult to fill, or because of their unique  
7 requirements. Said adjustment may only be granted once during a twenty-six (26) week period.

8 E. For the purpose of computing earnings and length of service for salary advancement,  
9 the time shall start with the Sunday preceding all appointments effective on Monday. Absence  
10 from service as a result of vacation, sick leave, jury/witness leave, suspension, non-paid absence,  
11 leave of absence for service in the armed forces, and leaves of absence for study to improve  
12 performance of a City job will not interrupt continuous service. Absence from service for any  
13 other cause except as set forth above will result in breaking continuity of service.

14 **SECTION EIGHT: Income sources.**

15 Any salary paid to an employee in the City service shall represent the total remuneration for the  
16 employee, excepting reimbursements for official travel and other payments specifically  
17 authorized by ordinance. No employee shall receive remuneration from the City in addition to  
18 the salary authorized in this chapter for services rendered by the employee in the discharge of the  
19 employee's ordinary duties, of additional duties which may be imposed upon the employee, or of  
20 duties which the employee may undertake or volunteer to perform.

21 Whenever an employee not on an approved paid leave works for a period less than the regularly  
22 established number of hours a day, days a week, or days bi-weekly, the amount paid shall be

1 proportionate to the hours in the employee's normal work week and the bi-weekly rate for the  
2 employee's position. The payment of a separate salary for actual hours worked from two or more  
3 departments, divisions, or other units of the City for duties performed for each of such agencies  
4 is permissible if the total salary received from these agencies is not in excess of the maximum  
5 rate of pay for the class.

6 **SECTION NINE: Conversion.**

7 All pay schedules in [Section 4.36.020](#) shall continue in effect until the beginning of the bi-  
8 weekly pay period starting concurrently with or after the effective date of this chapter, and then  
9 the rates will be adjusted as follows:

- 10 A. The rates shall be adjusted in accordance with the minimum and maximum bi-weekly  
11 rates of pay and within the Matrix.
- 12 B. No employee shall be reduced in salary by reason of the adoption of the new pay  
13 schedules in this chapter.
- 14 C. All pay schedules established in Ordinance 69190 and 69929 shall continue in effect  
15 until the beginning of the bi-weekly pay period effective upon passage of this chapter.
  - 16 1. Based upon the service rating of an employee together with the standards of  
17 performance established by the Sheriff shall determine eligibility for an  
18 annual one step within pay range (merit) increase; or at the discretion of the  
19 Sheriff of an increase of more than one step by not more than ten percent (10  
20 percent) or to the closest step in the pay range which provides not more than a  
21 ten percent (10 percent) increase for exceptional performance of duties. Any  
22 such pay increases shall be adjusted by the employee's anniversary date.

1 The compensation of the Sheriff in a city not within a county may be annually increased by an  
2 amount equal to the annual salary adjustment for employees of such a city as approved by the  
3 board of alderman of such city and in accordance with R.S.Mo. 57.550.

4 **SECTION TEN: Changes to pay plan.**

5 Whenever the appointing authority finds it necessary to add a new class to the pay plan, the  
6 appointing authority shall allocate the class to an appropriate grade and schedule in this chapter,  
7 and notify the Board of Aldermen of this action.

8 Whenever the appointing authority finds it necessary to change the pay schedule of an existing  
9 class within the pay plan, the appointing authority shall allocate the class to the appropriate  
10 schedule in this chapter, and notify the Board of Aldermen of this action.

11 **SECTION ELEVEN: Military leave.**

12 A. The City of St. Louis will follow all applicable state and federal laws on the granting of  
13 military leave and reemployment rights. Before military leave without pay is authorized,  
14 the employee shall present to the employee's appointing authority evidence of such  
15 military service. Upon the expiration of military leave of absence, the employee shall be  
16 reinstated to the class of position he/she occupied at the time the leave was granted  
17 without breaking continuity of service. Failure of an employee to report for duty within  
18 the time pursuant to state or federal law shall be just cause for dismissal. The employee's  
19 accumulated leave balance(s) shall be restored to the employee upon his/her return.

20 **SECTION TWELVE: Leave of absence and family/medical leave.**

1 Employees may request a leave of absence for any reason under the leave policy, or may be  
2 eligible for a "family/medical leave of absence" for certain qualifying reasons under provisions  
3 of the federal "Family and Medical Leave Act of 1993" as provided in this chapter.

4 A. An appointing authority, may grant an employee in a competitive position a general leave  
5 **of absence with pay for a period not to exceed six (6) months, and an additional**  
6 **general leave** of absence without pay for a period not to exceed six (6) **additional**  
7 months **thereafter**, whenever such leave is considered to be in the best interest of the  
8 City service. Such non-paid leaves are granted at the discretion of the appointing  
9 authority and may be for any reason including an employee's personal illness when the  
10 circumstances do not qualify for family/medical leave, or when eligibility for  
11 family/medical leave has been exhausted.

12 Upon the expiration of such leave of absence, the employee shall be reinstated to the  
13 competitive position he or she occupied at the time the leave was granted provided he or she  
14 is able to perform the duties of the position. The employee shall be reinstated to the position  
15 at the same relative rate in the salary range the employee occupied at the time the leave was  
16 initiated. Failure of an employee to report for duty promptly at the expiration of the leave  
17 shall be just cause for dismissal. If necessary to the efficient conduct of the business of the  
18 City, an employee on leave other than military leave or qualifying family/medical leave may  
19 be notified by the appointing authority to return prior to the expiration of such leave. Failure  
20 of the employee to return within ten (10) days after receipt of such notice would terminate  
21 his/her leave of absence and be just cause for dismissal, subject to any applicable federal,  
22 state or local regulations.

1 B. The federal "Family and Medical Leave Act of 1993" entitles eligible employees to up to  
2 12 weeks of unpaid leave in any 12-month period for the birth, adoption or placement of  
3 a child, to care for a spouse or an immediate family member with a serious health  
4 condition, or when the employee is unable to work because of a serious health condition.  
5 While an employee is on a qualifying family/medical leave of absence, the City of St.  
6 Louis will continue to pay the employee's health care premiums, if any, during the leave  
7 period. Once the leave is concluded, the employee shall be reinstated to the same or an  
8 equivalent job.

9 The appointing authority shall establish additional rules, guidelines and procedures for  
10 the effective administration of the "Family/Medical Leave Policy." The policy shall  
11 comply with all provisions of the "Family/Medical Leave Act of 1993" and any  
12 amendments thereafter.

13 C. Employees who are granted general leaves of absence and other non-paid leaves of  
14 absence, except family/medical leaves of absence, must take all accrued vacation and  
15 authorized sick leave at the start of the leave of absence. Employees who are granted a  
16 non-paid leave of absence will not accrue vacation or sick leave during the period of non-  
17 paid leave. Upon the expiration of such leaves of absence, the employee shall follow the  
18 procedures as established in this section and any other applicable regulations and  
19 procedures as established by the appointing authority.

20 D. An appointing authority, may place an employee on investigative leave of absence  
21 without pay pending the outcome of criminal charges pending against the employee.

- 2 lieu of pay to employees working full-time who are paid a bi-weekly rate on the following days:

2 shall receive leave with pay, pay or compensatory time off in lieu of pay as holiday

4 regularly scheduled to work in a day or shift. For example, employees working an average of  
5 forty (40) hours a week, five (5) days a week, eight (8) hours a day shall receive eight (8) hours

8 holiday.

9 When the day of observance of a holiday is changed by State or Federal law, it will be so  
10 observed by the City of St. Louis. When the day of observance of a holiday is changed by State  
11 or Federal executive action, the Mayor shall determine the day of observance by the City of St.  
12 Louis. When one of the above enumerated holidays occurs on Sunday, the following Monday  
13 shall be observed as the holiday. When one of the above holidays occurs on Saturday, the  
14 preceding Friday shall be observed as the holiday.

15 The Sheriff shall determine the manner of granting holidays. When full-time employees are  
16 required to work on a holiday they shall be entitled to compensation for the holiday and the  
17 hours actually worked. Compensation for the holiday shall be in an amount proportionate to the  
18 number of hours an employee is regularly scheduled to work in a day or shift.

1 Except as otherwise provided in this section, when a City holiday falls on an employee's  
2 regularly scheduled day off, the employee shall be entitled to have compensatory time added to  
3 his/her balance in an amount proportionate to the number of hours regularly scheduled in a day  
4 or shift.

5 The holiday compensation procedures established by this section shall apply to full-time  
6 employees paid a bi-weekly rate. Part-time bi-weekly paid employees shall be compensated for  
7 holidays in proportion to the percentage of time they are regularly scheduled to work.

8 Employees paid on an hourly or per performance basis shall not be entitled to holiday
