

An amendment to Item 14, #20.121:

**The Board of E&A Response to Ways and Means Committee and
Other Proposed Changes to Board Bill No. 1 and FY21 Personnel Schedules**

Page 13, Item 28.

The Board of Estimate and Apportionment hereby directs the Budget Director to restore the unspent balance carried forward for Workforce Development (\$1.1 million) and Neighborhood Revitalization (\$1.5 million), and instead to allocate \$2.6 million from Police Overtime (for debt service costs related to City-owned Convention Facilities), ultimately to fund the Capital Fund.
