### FY17 GENERAL FUND BUDGET BY DIVISION

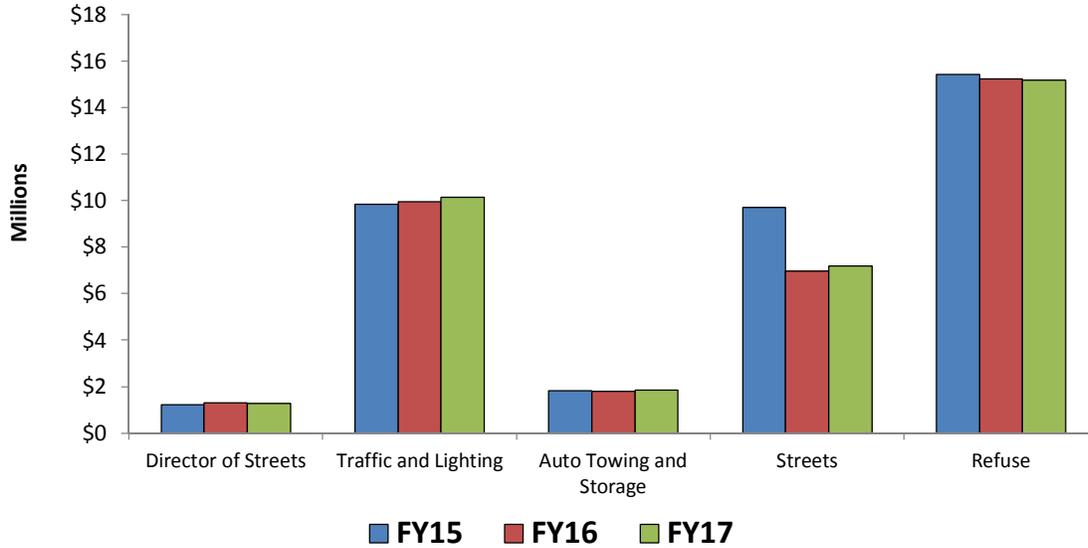

**TOTAL STREETS BUDGET \$35.6M**

## DIVISION HIGHLIGHTS

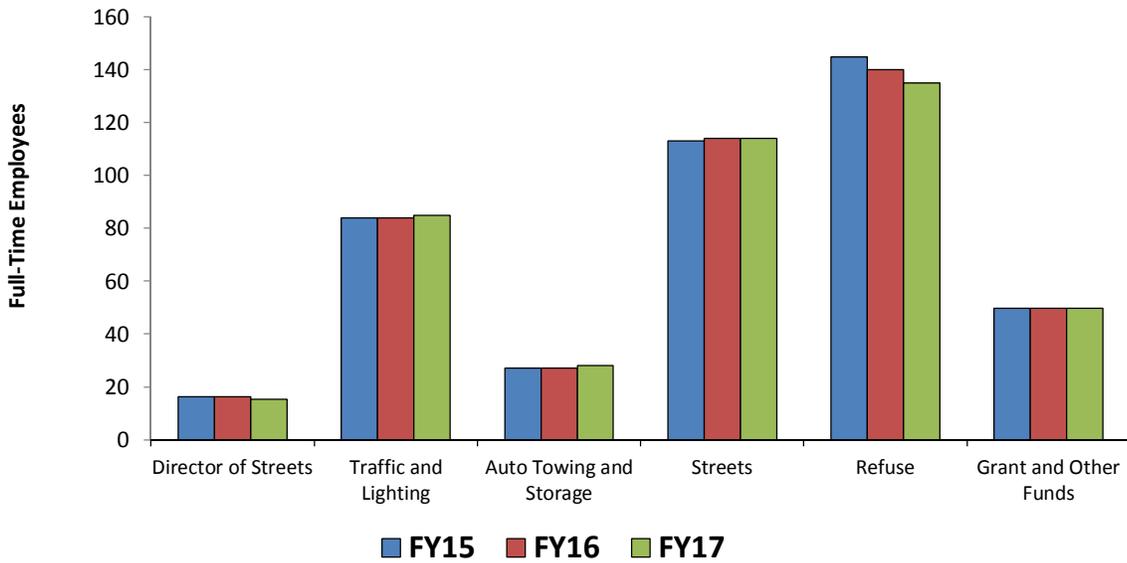

- The FY2017 budget proposes an allocation of approximately \$350,000, an increase of \$40,000, to replace amounts used in the prior year and maintain a total salt inventory of close 30,000 tons to meet next season's needs.
- The Traffic Division migrated all of its traffic equipment to the Real Time Crime Center run by the Police Department. The cameras and signal operating systems are in operation and more signals will be brought online in FY17.
- The Towing Division will see a net increase of one position, as the Division adds clerical staff to handle incoming calls and customer service issues while reassigning towing positions to the field.
- The Refuse Division will see a reconfiguration of routes due to the planned relocation of its north garage to a new centralized facility on Industrial Drive. The relocation is planned for late fall of 2016 and will result in the reduction of five vacant positions. The annualized savings of about \$240,000 from these reductions is being used to help offset the cost of financing the new facility.
- A new agreement between Metro and the Refuse Division was drafted and will be included as part of the FY17 budget. Refuse services litter containers located at bus stops throughout the City.

**Division:** 516 Refuse  
**Program:** 01 Administration  
**Department:** Streets

## Program Budget **516-01**

**MISSION & SERVICES**

The Administration program manages and supervises the collection and disposal of the City's waste. It is accountable for all Division records pertaining to tons collected, citizen complaints, personnel files, and expenditures.

**PROGRAM NOTES**

In FY17 the North Refuse Garage will be consolidated with the Fire Department's repair operation currently handled by Metro into a centrally-located facility. The relocation is expected to start in the late fall of 2016.

**Division:** 516 Refuse  
**Program:** 02 Refuse Collection  
**Department:** Streets

## Program Budget **516-02**

**MISSION & SERVICES**

The Refuse Collection program is responsible for the collection of household waste from all City residents.

**PROGRAM NOTES**

In FY17 Refuse staff and the engineers at BPS will make changes to the South Garage and Transfer Station to reduce the impact of flooding in the future. A new sluice gate will be designed and installed along with new valves to control flood waters. The Refuse Division will see a reconfiguration of routes due to the planned relocation of its north garage to a new centralized facility on Industrial Drive. The relocation is planned for late fall of 2016 and will result in the reduction of five vacant positions. The annualized savings of about \$240,000 from these reductions is being used to help offset the cost of financing the new facility.

**Division:** 516 Refuse  
**Program:** 03 Bulky Item Collection  
**Department:** Streets

## Program Budget **516-03**

**MISSION & SERVICES**

The Bulky Item Collection Program provides monthly bulk/large item collection. The Program also assists in the retrieval and repair of damaged refuse containers.

**PROGRAM NOTES**

In FY17, the Bulky Item Collection Program will begin tracking tonnage of waste dumped by route number as opposed to truck number. This system will allow Refuse to pinpoint problem areas and better coordinate truck routing.

**Program Budget**      **516-04**

**MISSION & SERVICES**

Blue Recycling dumpsters have been distributed widely across the city. The dumpster is equipped with a proprietary lid that limits the size of recyclables to those that are readily accepted by the recycling transfer station.

**PROGRAM NOTES**

In FY16 Refuse and Streets crew started changing the lids on 5,000 recycling containers from metal to blue plastic. The new lids are cheaper, more waterproof and easier to load. This effort was funded by a grant. The change out will be completed in FY17 and funded by a second grant.

## Program Budget **516-05**

**MISSION & SERVICES**

The City of St. Louis Refuse Division's Recycling Program is working to reduce the amount of waste that citizens generate, reuse materials as many times as possible, recycle our resources and buy products with reused/recycled-content.

**PROGRAM NOTES**

The transition of the recycling program to Operation Brightside (dept 215) was completed during FY16. New goals have been established:

- Make recycling as easy and convenient as possible for all residents
- Educate all citizens on what can and cannot be recycled and how to recycle properly
- Have clear, consistent messaging and branding across all platforms
- Reinvest a portion of the savings realized from increased recycling into outreach and education
- Engage the community in a way to make that 1:1 connection with individuals
