

Direct Payment registration

When you pay your Water-Refuse bill you have the convenience of choosing the option that works best for you. Direct payment allows you to pay your Water-Refuse bill directly from your checking or savings account. No checks, envelopes, or stamps needed. We will continue to send you a billing statement for your records or you can sign up for e-billing at stlwater.com. The amount due will be automatically deducted from your account on the due date shown. It's free to enroll and there are no convenience fees attached.

To enroll, simply complete and return the form below along with a voided check. **No temporary checks will be accepted.**

New direct payment enrollments will become effective on your next cycle bill and will not cover any current balance due. If you currently maintain a balance on your Water-Refuse account, please remit payment in addition to sending your enrollment application and voided check.
