Dear Citizens of St. Louis:

Each year the City of St. Louis is required to prepare a report describing accomplishments made possible during the previous year through four federal programs that are funded by the U.S. Department of Housing and Urban Development (HUD).

- CDBG - Community Development Block Grant
- HOME - HOME Investment Partnership Funds
- HOPWA - Housing Opportunities for People with AIDS
- ESG - Emergency Shelter Grant

The Consolidated Annual Performance and Evaluation Report documents the many activities, initiatives and services that were made possible by these four federal programs. This report also serves as an overview of development activity and municipal services that collectively help to implement the City's Five Year Consolidated Plan.

Those citizens with questions or comments concerning this report are encouraged to contact me at 314-622-3400 extension 223. You may also forward any questions or comments by e-mail to claybourj@stlouiscity.com.

Sincerely,

Jill Claybour
Acting Executive Director
