Dear Citizens of St. Louis:

Each year, the City of St. Louis is required to prepare a report highlighting the projects to be undertaken in the coming year through four federal programs that are funded by the U.S. Department of Housing and Urban Development (HUD):

- CDBG - Community Development Block Grant
- HOME - HOME Investment Partnership Funds
- HOPWA - Housing Opportunities for People with AIDS
- ESG - Emergency Shelter Grant

The Annual Action Plan documents the many activities, initiatives and services that will be made possible by these four federal programs. This report also serves as a detailed description indicating which specific components of the City's Five Year Consolidated Plan will be undertaken in 2013.

Those citizens with questions or comments concerning this report are encouraged to contact me at 657-3835. You may also forward any questions or comments by e-mail to claybourj@stlouis-mo.gov.

Sincerely,

Jill Claybour

Jill Claybour
Acting Executive Director
