RE: Payroll Distribution Review (Project # 2015-PD11)

Dear Ms. Pennington:

We conducted a payroll distribution of the Neighborhood Stabilization Team for the pay period ending May 16, 2015. The objectives of the review were to determine the following:

- Only eligible employees received wages.
- Wages and wage receipts were adequately safeguarded.
- Employees were paid for actual hours worked or approved paid leave.
- Accruals and use of paid leave were accurate.

This review was made under authorization contained in Article XV , Section 2, of the Charter, City of St. Louis, as revised, and has been conducted in accordance with the *International Standards for the Professional Practice of Internal Auditing*.

During our review, we did not identify any opportunities to improve compliance with payroll distribution procedures.

If you have any questions, please contact the Internal Audit Section at (314) 657-3490.

Respectfully,

Mohammad H. Adil, CPA, CGMA
Internal Audit Supervisor
