RE: Payroll Distribution - Affordable Housing Commission (Project 2017-PD03)

Dear Ms. Ford-Griffin:

We conducted a payroll distribution of Affordable Housing Commission for the pay period ending September 17, 2016. The objectives of the review were to verify:

- Only eligible employees received wages.
- Wages and wage receipts were adequately safeguarded.
- Employees were paid for actual hours worked or approved paid leave.
- Accruals and use of paid leave were accurate.

This review was made under authorization contained in Article XV, Section 2, of the Charter, City of St. Louis, as revised, and has been conducted in accordance with the *International Standards for the Professional Practice of Internal Auditing*.

During our review, we noted no exceptions or opportunities to improve compliance with payroll distribution procedures. Our review was made on a test basis, as such reliance must be placed on adequate methods of internal checks and controls, the principal safeguards against errors or fraud, if any, which a test examination may not necessarily disclose.

If you have any questions, please contact the Internal Audit Section at (314) 657-3490.

Respectfully,

Mohammad H. Adil, CPA, CGMA  
Internal Audit Supervisor
