Dear Mr. Oswald:

Enclosed is a report of the fiscal monitoring review of the City Building Division, a municipal agency, CDBG and LHRD Programs, for the period January 1, 2012, through December 31, 2012. The scope of a fiscal monitoring review is less than an audit, and as such, we do not express an opinion on the financial operations of the City Building Division. Fieldwork was completed on May 30, 2013.

This review was made under authorization contained in Section 2, Article XV of the Charter, City of St. Louis, as revised, and has been conducted in accordance with the *International Standards for the Professional Practice of Internal Auditing* and through an agreement with the City of St. Louis, Community Development Administration (CDA) to provide fiscal monitoring to all grant sub-recipients.

If you have any questions, please contact the Internal Audit Section at (314) 657-3490.

Respectfully,

Dr. Kenneth M. Stone, CPA, CGMA
Internal Audit Executive
