

Neighborhood in Focus:

# Bevo Mill

Hello Bevo Mill Neighborhood Resident:

As part of PIER (Prevention, Intervention, Enforcement, and Re-Entry), the City's Comprehensive Crime Plan, we are focusing efforts on 15 neighborhoods – Bevo Mill Neighborhood– is one of them. The following pages contain graphics focusing on health data to help move conversations away from emotion and ground them in facts. This “Neighborhood In Focus” also highlights health needs identified in the Bevo Mill Neighborhood and available resources to help meet those needs.

Crime is influenced by many factors in the community. The Center for Disease Control has identified some aspects of crime -- such as violence -- as a public health concern. This calls for a public health response.

Bevo Mill Neighborhood has a lot of positive attributes that have formed its history and will help us to provide the basis for an even better future. The City of St. Louis Department of Health (DOH) hopes will be able to use this “Neighborhood In Focus” guide for your neighborhood improvement discussions.

Let us know what you think.

Sincerely,

Melba R. Moore, MS, CPHA  
Acting Director / Commissioner of Health

Disclaimer: Information in this guide is meant to inform the public about health indicators in the community. Selection of data is limited to indicators available for abstraction by neighborhood level or zip code level. Neighborhood rankings are based on rates of respective indicator. Data sources include Centers for Disease Control (CDC), Census (2010), Missouri Department of Health and Senior Services (MDHSS), Behavioral Risk Factor Surveillance System (BRFSS), Missouri Department of Motor Vehicles (DMV), CityWorks, and Understanding Our Needs (UON) 2016.

# Neighborhood Map: Bevo Mill

## A PUBLIC HEALTH PROBLEM

Access to nutritious food is a challenge: 55% of the City of St. Louis is considered a food desert.

About 1 in 5 Americans meet national physical activity guidelines.

Adult Americans spend a significant amount of their day at work, and many struggle to be physically active.

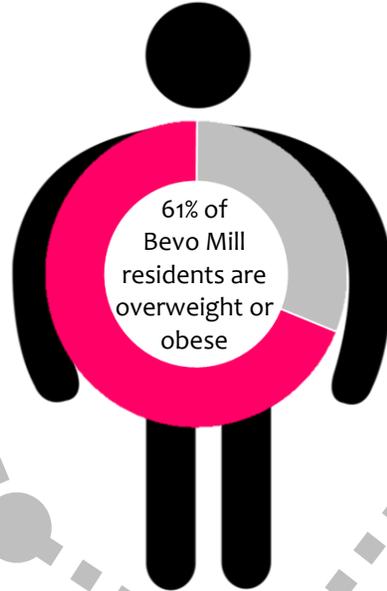

## YOUR NEIGHBORHOOD

Overweight & Obesity Prevalence

# Overweight & Obesity

## IN THE CITY OF ST. LOUIS

Compared with 79 City of St. Louis neighborhoods, Bevo Mill ranked 44<sup>th</sup> highest for overweight & obesity rates.

## A PUBLIC HEALTH SOLUTION

Public health improves food safety and food choices. For tips on making better choices: check out Choose MyPlate.

Public health creates opportunities to be physically active. Check out Let's Move!

Create or enhance physical activity environments to be safe and pedestrian friendly. Check out the Sustainable Neighborhood toolkit.

## What the City of St. Louis Department of Health Can Do

**Let's Move!** is a comprehensive initiative, launched by the First Lady, dedicated to solving the problem of obesity within a generation, so that children born today will grow up healthier and able to pursue their dreams.

**Jump N2 Shape** is a regional health movement led by the DOH to promote weight loss and increase fitness among area residents.

**Nutrition Services** is a group of dietitians that provide current and reliable nutrition information.

# THE PROBLEM

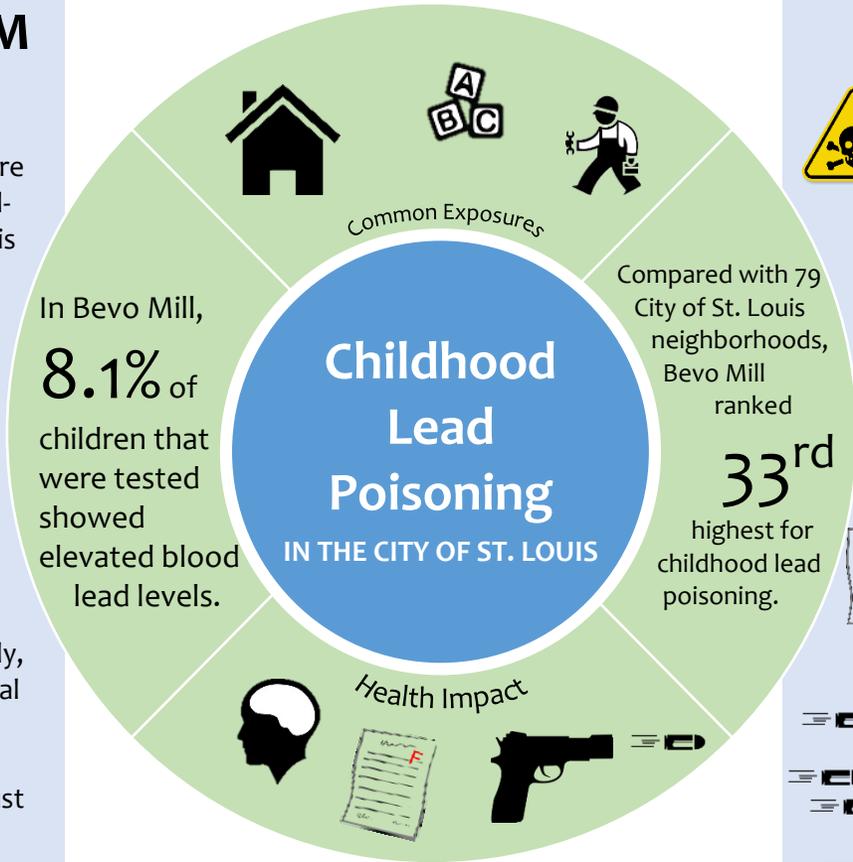

Many St. Louis homes built before 1978 contain lead-based paint that is deteriorating.

Small amounts of lead dust or chipped paint can be enough to cause lead poisoning.

If done incorrectly, lead paint removal can expose the lead and cause contaminated dust to be airborne.

# THE IMPACT

Lead can be ingested, inhaled, or absorbed through the skin, causing lead poisoning.

Lead poisoning causes damage to the brain, causing learning disorders, and hearing problems.

Lead-exposed children may perform poorly in schools and tend to drop out.

A growing body of evidence in the social and medical sciences traces high crime rates to high rates of lead exposure.

## What the City of St. Louis Department of Health Can Do

We offer free blood lead level testing for your child.

We provide education on nutrition and cleaning techniques that can reduce lead exposure.

We offer free water testing for your home's plumbing.

## What You Can Do

- ✓ **Get tested.**  
Talk with your child's doctor about a simple blood lead test.
- ✓ **Check your home.**  
Talk with us about testing paint and dust in your home for lead.
- ✓ **Remove the threat.**  
Discard any items in the house that may contain lead.
- ✓ **Renovate safely.**  
Use contractors certified by the EPA to prevent hazardous lead dust.

## THE PROBLEM

The St. Louis metropolitan area consistently has rates of violence far higher than most other places in the United States – ranking 9th in the nation for number of youth murdered with guns in 2012.

# The health impact of CRIME IN THE CITY OF ST. LOUIS

Compared with 79 City of St. Louis neighborhoods, Bevo Mill ranked:

- 69<sup>th</sup> highest for property crime rates
- 56<sup>th</sup> highest for violent crime rates
- 55<sup>th</sup> highest for drug-related crime rates

## HEALTH IMPACT

Violence is a serious public health problem. It affects people in all stages of life. Those who survive violence suffer physical, mental, and or emotional health problems throughout the rest of their lives.

## BEVO MILL

**38 in 1000** residents experienced burglary, larceny, or vehicle theft.

**10 in 1000** residents were victims of a violent crime.

**3 in 1000** crimes reported involved drugs.

## VIOLENCE

- Violence is the leading cause of injury, disability, and premature death.
- Youth violence is the 3<sup>rd</sup> leading cause of death for young people (15-24 years).
- It also affects the health of communities.

Decreases property values

Disrupts social services

Increases healthcare costs

## What the City of St. Louis Can Do For You

The St. Louis Metropolitan Police Department provides:

- Free home security surveys
- Classes for businesses to teach employees how to prevent robbery and how to respond should a break-in occur
- Free Fraud Prevention seminars

Citizen Service Bureau handles many nuisance issues:

- accumulation of trash, weeds
- street maintenance
- traffic control signals and signs
- street lights
- requests for building and health inspections
- stray or vicious dogs

We can provide you and your neighborhood with tools to create a Neighborhood Ownership Plan.

## What You Can Do

- ✓ Check the security of your home and vehicle regularly.
- ✓ **TRUST YOUR INTUITION.** Be aware of your personal surroundings.
- ✓ Join a Neighborhood Watch Program in your area.
- ✓ Create or join a Neighborhood Ownership Plan to reduce crime (more info at 314-622-4941)
- ✓ Check out [http://www.slmpd.org/crime\\_prevention.shtml](http://www.slmpd.org/crime_prevention.shtml) for more tips.
