### **1. Describe the experience of the applicant and potential subrecipients (if any), in effectively utilizing federal funds and performing the activities proposed in the application, given funding and time limitations.**

Depaul USA, Inc. has received and administered federal grants for housing and homeless services in St. Louis, Philadelphia, and New Orleans. In St. Louis, Depaul USA administers Project MORE and Project PLUS which provide scattered-site permanent supportive housing to 75 men and women who were chronically homeless and disabled. The current value of these two federal contracts is \$286,555 and \$414,043, respectively. In New Orleans, Depaul USA operates two federally funded programs. The RRCHI (current contract value of

\$174,652) provides rapid rehousing to homeless men and women. The Coming Home (current contract value \$107,900) program provides permanent supportive housing to men and women. In Philadelphia, Depaul USA received federal funding to renovate a former convent into 27 rooms of permanent supportive housing. Depaul USA also receives federal funding for the operation of this program known as St. Raymond's (current contract value \$336,651).

**2. Describe the experience of the applicant and potential subrecipients (if any) in leveraging other Federal, State, local, and private sector funds.**

Depaul USA leverages its federal grants and contracts so that it can provide a wide array of homeless service programs. **3. Describe the basic organization and management structure of the applicant and subrecipients (if any). Include evidence of internal and external coordination and an adequate financial accounting system.**

Depaul USA is a national homeless services organization with its headquarters in Chicago. It currently operates programs in six cities in six states: Chicago, Illinois; Little Rock, Arkansas; Macon, Georgia; New Orleans, Louisiana; Philadelphia, Pennsylvania and St. Louis, Missouri. The organization's FY 2016 budget is \$3.7 million. A small "executive team" made up of the Executive Director, Director of Finance, Director of Operations, and Director of Individual Giving & Events is based in Chicago. Each city has a program director who oversees the development, design, implementation and daily operation of the local services. Depaul USA is governed by a national board with members drawn from the cities where Depaul USA operates programs.

Depaul USA is part of Depaul International, an international homeless services organization based in London and registered as a UK charity. Depaul International oversees the US subsidiary (Depaul USA) as well as subsidiaries in the UK, Ireland, France, Slovakia and Ukraine. Depaul International is, in turn, governed by an international board on which Depaul USA has a seat. Depaul USA has a finance director with 30 years of experience in the private sector. He and the Executive Director report regularly to an active Board Finance Committee. Depaul USA is audited every year by an independent, external auditing firm.

**1. Provide a description that addresses the entire scope of the proposed project.**

Depaul USA proposes to establish and operate a permanent supportive housing (PSH) program at 2912 Arsenal Street in St. Louis. Depaul USA is currently in the process of securing funding to purchase the property. Lazare House, is a congregate-site apartment building with 15 one-bedroom units and a finished basement with a full kitchen. Lazare House will house single, chronic homeless men and women prioritizing unaccompanied youth, 18 to 26 years of age. Lazare House will allow residents to break the cycle of poverty and transition to lives of greater independence and dignity. Systemic change at the “macro-level”

requires altering larger structures and systems that perpetuate poverty. The lack of safe,affordable housing reinforces poverty.By establishing Lazare House, Depaul USA hopes to add to the St. Louis inventory of affordable and safe housing.Depaul USA staff are active members of the St. Louis City Continuum of Care (CoC). Unaccompanied youth are a priority population for the CoC as well as HUD.Our community needs additional permanent supportive programs to end homelessness. Currently, there are no permanent supportive housing programs that prioritize unaccompanied youth in our CoC. The consequences of ignoring homeless youth in our society are great. The National Network for Youth has stated:"A significant number of homeless and runaway youth found in programs exhibit characteristics which are predictors of delinquent behavior, adult homelessness, addictive behaviors and mental illness.In addition,they are subjected to cultures of violence in their families and on the streets. Homeless youth living on their own are at a higher risk for anxiety disorders, depression, PTSD, suicide attempts and other health problems."

Lazare House will be a "Housing First" program and will adopt the performance measures established by the CoC planning committee. Depaul USA will participate in the coordinated entry process. All referrals will come from the CoC's front door entry housing wait list. First preference will be given to persons who meet the chronic, unaccompanied homeless youth standard. If there is no one who meets this criterion, St. Lazare House will accept the next person on the housing wait list who meets the chronic homeless standard. Participants will live in their own fully furnished one bedroom apartments. This will be the primary place where services will be delivered. Participants will learn how to be good tenants and positive community participants. In addition,Lazare House will offer a variety of curricula, programs and support groups in our common space. This area has a full kitchen and dining area for cooking classes and community meals, a large living room for support and recovery groups, and a meeting room for classes and programs focused on increasing independence such as financial literacy, tenant rights, and GED classes. Additionally, there is a laundry room in the basement for program participants.

Depaul USA plans to open St. Lazare House in September 2017. Our plan is to purchase the building that will become St. Lazare House, a 15 unit apartment building, in early 2017. In the second quarter of 2017, Depaul USA will clean the building, paint the interior, and re-configure furniture in the 15 apartments and in the common areas. In the second quarter we will finalize program design and formalize the programming partnerships with other service providers whose services will complement the work done by Depaul USA on site. In the third quarter we will hire staff (we have already developed job descriptions) and prepare to open on September 1, 2017. Depaul USA's goal is to complete lease-up within 60 days after opening. The Depaul USA staff in St. Louis, under the leadership of the Director of St. Louis Programs, will take the lead in implementing this new program. They will be closely assisted by the Depaul USA's Executive Director and Depaul USA's Director of Finance in Chicago who will also act as project managers.

Development staff in Chicago and Philadelphia will take the lead in raising additional funds for the project from foundations, individuals, and events. The Executive Team will regularly update the Depaul USA Board of Directors on project progress to ensure that work is completed in sequence and on time.

## 4B. Housing Type and Location Detail

### Instructions:

ALL PROJECTS EXCEPT HMIS

A unique detail screen should be completed for each structure. In the case of clustered apartments, a single complex with multiple addresses may be entered on one detail screen. In the case of scattered-site apartments, all scattered-site units within a single FMR area may be entered on one detail screen.

**Housing Type:** This is a required field. Select the proposed Housing Type from the dropdown menu. Refer to the Project Application Detailed Instructions for a definition of each Housing Type.

Indicate the maximum number of units and beds available for project participants at the selected housing site: This is a required field. Indicate the number of units and beds that will be served by this project.

PH-PSH PROJECTS ONLY

How many of the total beds entered in "2b. Beds" are dedicated to the chronically homeless: This is a required field. Enter that total number of beds that are dedicated to the chronically homeless (CH). Dedicated CH beds are required through the project's grant agreement to only be used to house persons experiencing chronic homelessness, as defined at 24 CFR 578.3, unless there are no persons within the CoC that meet that criteria. These PSH beds are also reported as "CH Beds" on a CoC's Housing Inventory Count (HIC). If a project has dedicated beds to serve CH families, all beds serving the household should be included in this number. If none of the beds are dedicated for the chronically homeless, enter "0."

How many of the total beds entered in "2b. Beds" are not dedicated to the chronically homeless? This is a required field, but it is Auto calculated. The number that is calculated is the difference between 3a and 2b.

How many of the total beds entered in "3b. Beds" are not currently dedicated for the chronically homeless but will be used to assist the chronically homeless when turnover occurs: This is a required field, but it is auto calculated to zero. Since all new PH-PSH projects have to dedicate all units to CH, the number here will be zero.

How many of the beds listed in question "3c." above will be prioritized for use by the chronically homeless? This is a required field, but it is auto calculated to zero. Since all new PH-PSH projects have to dedicate all units to CH, the number here will be zero.

ALL PROJECTS EXCEPT HMIS

**Address:** This is a required field. Enter the physical address for this proposed project. For Scattered-site housing, programs should enter the address where the majority of beds are located or where most beds are located as of the application submission. For scattered-site apartments or clustered apartments with different addresses, applicants may also choose to enter an administrative address.

Select the geographic area(s) associated with the address: This is a required field. Select the geographic location(s) of the selected Housing Type.

Select a grant term: This is a required field. Select the term of the proposed project application. The selection here will determine how the "Summary Budget" will calculate the total funding request. Please refer to the FY 2016 CoC Program NOFA for details concerning grant terms and years of funding for different project types and eligible costs. If a 15 year grant term is selected, only requested costs up to 5 years will be calculated on the application.

Select the costs for which funding is being requested: This is a required field. All project applications must identify the eligible cost budgets for which funding is being requested. The choices available will depend on the project type selected on Screen "3A Project Detail." The following eligible cost budgets may be listed: acquisition/rehabilitation/new construction, leased units, leased structures, rental assistance, supportive services, operations, and HMIS. Indicate only those activities for which the applicant is requesting funding from HUD through the FY 2016 CoC Program competition.

If you do not see the eligible cost budgets that you expected, you may need to return to Screen "3B. Project Description" to review the type of project selected. See the FY 2016 CoC Program NOFA for additional guidance.

## 6J. Summary Budget

**Instructions:**

The system populates a summary budget based on the information entered into each preceding budget form. Review the data and return to the previous forms to correct any inaccurate information. All fields are read only with exception to field "8. Admin (Up to 10%)."

**Admin (Up to 10%):** Enter the amount of requested administration funds. The grant will not fund greater than 10% of the request listed in the field "Sub-Total Eligible Costs Request." If an amount above 10% is entered, the system will report an error and prevent application submission when the screen is saved.

**Total Assistance plus Admin Requested:** This field is automatically populated based on the amount of funds requested on the various budgets completed by the project applicant and Admin costs requested. This is this is the total amount of funding the project applicant will request in the FY 2016 CoC Program Competition.

**Cash Match:** This field is automatically populated. If it needs to be changed, return to Screen "6l. Match" to make changes to this field.

**In-Kind Match:** This field is automatically populated. If it needs to be changed, return to Screen "6l. Match" to make changes to this field.

**Total Match:** This field will automatically calculate the total combined value of the Cash and In-Kind Match. The total match must equal 25% of the request listed in the field "Total Eligible Costs Request" minus the amount requested for Leased Units and Leased Structures. There is no upper limit for Match. If an ineligible amount is entered, the system will report an error and prevent application submission. To correct an inadequate level of match, return to Screen "6l. Match" to make changes.

Cash and In-Kind Match entered into the budget must qualify as eligible program expenses under the CoC program regulations. Compliance with eligibility requirements will be verified at grant agreement.

**Public reporting burden** for this collection of information is estimated to average 2.0 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not conduct or sponsor, and a person is not required to respond to, a collection information unless that collection displays a valid OMB control number.

**Privacy Act Statement.** Except for Social Security Numbers (SSNs) and Employer Identification Numbers (EINs), the Department of Housing and Urban Development (HUD) is authorized to collect all the information required by this form under section 102 of the Department of Housing and Urban Development Reform Act of 1989, 42 U.S.C. 3531. Disclosure of SSNs and EINs is voluntary. HUD is authorized to collect this information under the Housing and Community Development Act of 1987 42 U.S.C.3543 (a). The SSN or EIN is used as a unique identifier. The information you provide will enable HUD to carry out its responsibilities under Sections 102(b), (c), and (d) of the Department of Housing and Urban Development Reform Act of 1989, Pub. L. 101-235, approved December 15, 1989. These provisions will help ensure greater accountability and integrity in the provision of certain types of assistance administered by HUD. They will also help ensure that HUD assistance for a specific housing project under Section 102(d) is not more than is necessary to make the project feasible after taking account of other government assistance. HUD will make available to the public all applicant disclosure reports for five years in the case of applications for competitive assistance, and for generally three years in the case of other applications. Update reports will be made available along with the disclosure reports, but in no case for a period generally less than three years. All reports, both initial reports and update reports, will be made available in accordance with the Freedom of Information Act (5 U.S.C. §552) and HUD's implementing regulations at 24 CFR Part 15. HUD will use the information in evaluating individual assistance applications and in performing internal administrative analyses to assist in the management of specific HUD programs. The information will also be used in making the determination under Section 102(d) whether HUD assistance for a specific housing project is more than is necessary to make the project feasible after taking account of other government assistance. You must provide all the required information. Failure to provide any required information may delay the processing of your application, and may result in sanctions and penalties, including imposition of the administrative and civil money penalties specified under 24 CFR §4.38.

- (2) You are updating a prior report as discussed below; or
- (3) You are submitting an application for assistance to an entity other than HUD, a State or local government if the application is required by statute or regulation to be submitted to HUD for approval or for any other purpose.

**B. Update reports (filed by "Recipients" of HUD Assistance):**

**General.** All recipients of covered assistance must submit update reports to the Department to reflect substantial changes to the initial applicant disclosure reports.

### Line-by-Line Instructions.

#### Applicant/Recipient Information.

All applicants for HUD competitive assistance, must complete the information required in blocks 1-5 of form HUD-2880:

1. Enter the full name, address, city, State, zip code, and telephone number (including area code) of the applicant/recipient. Where the applicant/recipient is an individual, the last name, first name, and middle initial must be entered.
2. Entry of the applicant/recipient's SSN or EIN, as appropriate, is optional.
3. Applicants enter the HUD program name under which the assistance is being requested.
4. Applicants enter the amount of HUD assistance that is being requested. Recipients enter the amount of HUD assistance that has been provided and to which the update report relates. The amounts are those stated in the application or award documentation. NOTE: In the case of assistance that is provided pursuant to contract over a period of time (such as project-based assistance under section 8 of the United States Housing Act of 1937), the amount of assistance to be reported includes all amounts that are to be provided over the term of the contract, irrespective of when they are to be received.
5. Applicants enter the name and full address of the project or activity for which the HUD assistance is sought. Recipients enter the name and full address of the HUD-assisted project or activity to which the update report relates. The most appropriate government identifying number must be used (e.g., RFP No.; IFB No.; grant announcement No.; or contract, grant, or loan No.) Include prefixes.

### Part I. Threshold Determinations - Applicants Only

Part I contains information to help the applicant determine whether the remainder of the form must be completed. **Recipients filing Update Reports should not complete this Part.**

If the answer to *either* questions 1 or 2 is No, the applicant need not complete Parts II and III of the report, but must sign the certification at the end of the form.

### Part II. Other Government Assistance and Expected Sources and Uses of Funds.

**A. Other Government Assistance.** This Part is to be completed by both applicants and recipients for assistance and recipients filing update reports. Applicants and recipients must report any other government assistance involved in the project or activity for which assistance is sought. Applicants and recipients must report any other government assistance involved in the project or activity. Other government assistance is defined in note 4 on the last page. For purposes of this definition, other government assistance is expected to be made available if, based on an assessment of all the circumstances involved, there are reasonable grounds to anticipate that the assistance will be forthcoming.

Both applicant and recipient disclosures must include all other government assistance involved with the HUD assistance, as well as any other government assistance that was made available before the request, but that has continuing vitality at the time of the request. Examples of this latter category include tax credits that provide for a number of years of tax benefits, and grant assistance that continues to benefit the project at the time of the assistance request.

The following information must be provided:

1. Enter the name and address, city, State, and zip code of the government agency making the assistance available.
2. State the type of other government assistance (e.g., loan, grant, loan insurance).
3. Enter the dollar amount of the other government assistance that is, or is expected to be, made available with respect to the project or activities for which the HUD assistance is sought (applicants) or has been provided (recipients).
4. Uses of funds. Each reportable use of funds must clearly identify the purpose to which they are to be put. Reasonable aggregations may be used, such as "total structure" to include a number of structural costs, such as roof, elevators, exterior masonry, etc.

**B. Non-Government Assistance.** Note that the applicant and recipient disclosure report must specify all expected sources and uses of funds - both from HUD *and any other source* - that have been or are to be, made available for the project or activity. Non-government sources of

funds typically include (but are not limited to) foundations and private contributors.

### Part III. Interested Parties.

This Part is to be completed by both applicants and recipients filing update reports. Applicants must provide information on:

1. All developers, contractors, or consultants involved in the application for the assistance or in the planning, development, or implementation of the project or activity and
2. any other person who has a financial interest in the project or activity for which the assistance is sought that exceeds \$50,000 or 10 percent of the assistance (whichever is lower).

**Note:** A financial interest means any financial involvement in the project or activity, including (but not limited to) situations in which an individual or entity has an equity interest in the project or activity, shares in any profit on resale or any distribution of surplus cash or other assets of the project or activity, or receives compensation for any goods or services provided in connection with the project or activity. Residency of an individual in housing for which assistance is being sought is not, by itself, considered a covered financial interest.

The information required below must be provided.

1. Enter the full names and addresses. If the person is an entity, the listing must include the full name and address of the entity as well as the CEO. Please list all names alphabetically.
2. Entry of the Social Security Number (SSN) or Employee Identification Number (EIN), as appropriate, for each person listed is optional.
3. Enter the type of participation in the project or activity for each person listed: i.e., the person's specific role in the project (e.g., contractor, consultant, planner, investor).
4. Enter the financial interest in the project or activity for each person listed. The interest must be expressed both as a dollar amount and as a percentage of the amount of the HUD assistance involved.

**Note** that if any of the source/use information required by this report has been provided elsewhere in this application package, the applicant need

not repeat the information, but need only refer to the form and location to incorporate it into this report. (It is likely that some of the information required by this report has been provided on SF 424A, and on various budget forms accompanying the application.) If this report requires information beyond that provided elsewhere in the application package, the applicant must include in this report all the additional information required.

Recipients must submit an update report for any change in previously disclosed sources and uses of funds as provided in Section I.D.5., above.

# EMPLOYEE CODE OF CONDUCT

**City of St. Louis**  
**Francis G. Slay, Mayor**

We recognize that City employees have responsibilities to various groups:

- The public
- Elected officials who represent the public
- Their appointing authorities and supervisors
- Fellow employees
- Representatives of other agencies/organizations

These unique responsibilities require each of us to act with honor, faithfulness, loyalty, fairness and due diligence in conducting our job duties; and require us to report improper, unethical or unlawful behavior.

City employees must, at all times, comply with all applicable laws and regulations. Failure to comply with all applicable laws and regulations or unethical behavior in connection with the performance of an employee's duties will not be condoned or permitted. The City does not permit any activity that fails to stand the closest possible public scrutiny.

Any employee who is arrested, charged, indicted and/or convicted of any criminal charge that occurs on or off duty, whether engaged in City business or not, is required to report the arrest, charge, indictment or conviction to his/her appointing authority within five (5) calendar days of the arrest, charge, indictment or conviction. Any employee who fails to comply with this requirement will be subject to disciplinary action up to and including dismissal.

## **RESPONSIBILITIES**

**The City and its Appointing Authorities are responsible for:**

- Setting an example of competence and appropriate ethical behavior
- Implementing and abiding by this Code of Conduct
- Ensuring that all employees receive a copy of the Code of Conduct and returning the signed copies to the official Department of Personnel files upon initial hire, and thereafter on an annual basis as part of the employee's annual service rating
- Providing job training for all employees
- Emphasizing acceptable standards of performance for each job
- Clarifying City policies and procedures for all employees who might be unclear as to what is appropriate behavior
- Providing working conditions which enable City employees to accomplish their assigned duties fairly and safely

- Providing a workplace environment that encourages open communication, free of fear of reprisal, in the belief that respectful honesty is the surest way to identify problem areas, address them and resolve them
- Providing an avenue for employees to report alleged violations of this Code to their supervisor, appointing authority or the Department of Personnel

**City Supervisors are responsible for:**

- Setting an example of competence and appropriate ethical behavior
- Teaching all employees under their supervision how to do their jobs within the guidelines of this Code
- Emphasizing acceptable standards of performance to all employees
- Emphasizing and clarifying City policies and procedures for all employees
- Managing their area of responsibility, and the actions of their staff in accordance with this Code
- Maintaining a workplace environment that encourages open communication, free of the fear of reprisal, in the belief that respectful honesty is the surest way to identify problem areas, address them fairly, and resolve them

**City Employees are responsible for:**

- Competence and ethical behavior
- Reading, signing, and agreeing to abide by the provisions of this Code of Conduct upon initial employment and on an annual basis thereafter
- Regularly reviewing this Code and comparing their own behavior to the responsibilities and standards described in this Code
- Performing their job within the guidelines of this Code
- Meeting acceptable standards of performance
- Following City policies and procedures
- Contributing to a workplace attitude that respects the standards and behaviors promoted by this Code
- Seeking assistance when they are uncertain about the right thing to do
- Ensuring that their own actions are not illegal, unethical, or in violation of the rules and regulations of the City of St. Louis
- Reporting alleged violations of this Code of Conduct to their supervisor, appointing authority, or the Department of Personnel

**STANDARDS OF BEHAVIOR**

The City of St. Louis is committed to protecting its revenue, property, information and other assets from any attempt, either by members of the public, contractors, vendors, agents or its own employees to gain, by deceit, financial or other benefits at the expense of the City taxpayers.

**Work Rules**

This Code of Conduct is intended to supplement the Civil Service Rules of the City of St. Louis, the Administrative Regulations of the Department of Personnel and other City and departmental work rules, regulations, policies and procedures. Employees shall be held accountable for following all such established work rules, in addition to the standards of behavior outlined in this Code of Conduct.

**Discrimination/Harassment**

The City of St. Louis prohibits discrimination and/or harassment on the basis of race, color, national origin, ancestry, age (40 years and older), disability, religion, sex, sexual orientation, gender identity or expression, marital status and genetic information and prohibits retaliation for filing a complaint or cooperating or participating in an investigation of a complaint of discrimination or harassment. The City supports merit system principles that assure equality and equal opportunity. If an employee believes he/she has been the victim of discrimination, harassment and/or retaliation, the employee should bring his/her concerns to his/her supervisor, appointing authority or the Department of Personnel Employee Relations Section. Additionally, if an employee has questions or concerns with an issue involving the Americans with Disabilities Act, he/she may also bring his/her concerns to the attention of the City's Commissioner on the Disabled.

**Violence**

The City of St. Louis has zero tolerance for work related violence or threats of violence regardless of when or where they occur, both on and off duty. Please refer to the current Department of Personnel Administrative Regulation "Policy on Workplace Violence."

**Confidential Information and Records**

As a part of an employee's job, he/she may have access to confidential information and records. This information should not be disclosed to fellow employees who do not have a business need to know or to non-employees for any reason, except in accordance with established procedures. Questions regarding the confidentiality of information should be directed to an employee's supervisor, the custodian of records for his/her department/division or the City Counselor's Office.

**Political Activities**

Civil Service employees may be a member of a political organization, such as a ward organization, but may not be an officer of such an organization. An employee may contribute money in support of individual candidates for elected office, but may not be coerced or forced in any way to make a contribution. The Civil Service Rules allow yard signs at an employee's residence, a bumper sticker on any vehicle not used on City business and wearing political buttons when not on duty. The Civil Service Rules prohibit an employee in a competitive position in the classified service from taking an active part in a partisan political campaign, including but not limited to distributing literature, acting as a worker at the polls, calling voters on the telephone or circulating petitions. Please consult the Civil Service Rules for additional information regarding this subject or contact the Department of Personnel.

**Conflicts of Interest**

The City expects that employees will perform their duties conscientiously, honestly, and in accordance with the best interest of the public. Employees must not use their position or knowledge gained as a result of their position for private or personal advantage.

Employees should continually be mindful that they are hired and paid to perform certain duties. Situations may arise, however, when there seems to be a conflict between their official responsibilities and their personal interests. These may be situations involving financial dealings, spending City funds, regulating businesses or individuals, purchasing supplies or materials or contracting for services. In order to avoid an impropriety – or giving the appearance of an impropriety – employees should alert their supervisors immediately of such conflicting situations. If the employee and the supervisor are unclear about the appropriate path to follow, the matter should be promptly referred to the City Counselor's Office.

Civil Service Rules allow employees, with the approval of their appointing authority, to hold a second job with some non-governmental employers. However, the employee must report all such employment to his/her appointing authority and receive approval of said secondary employment from his/her appointing authority prior to starting same. If an employee changes his/her secondary job, or the nature of his/her secondary job changes the employee must first obtain the written permission of the appointing authority. Please refer to the current Department of Personnel Administrative Regulation regarding Secondary Employment for further information.

### **Nepotism**

Both the Missouri Constitution and the Civil Service Rules prohibit nepotism such that “Any public officer or employee in this state who by virtue of his office or employment names or appoints to public office or employment any relative within the fourth degree, by consanguinity or affinity, shall thereby forfeit his office or employment.” Further, Civil Service Rule VII, Section 12 states that no person in the classified service shall be transferred, promoted or by any other means placed in a position whereby they would be directly supervised by any relative within the second degree of consanguinity or affinity. The Director shall not knowingly certify any applicant, or approve any personnel action, which may result in a violation of the foregoing provisions. Appointing authorities shall not knowingly take such actions.

Relatives related by consanguinity (i.e. blood relative) and affinity (i.e. related to spouse/domestic partner) are described hereafter:

#### Relations to the Fourth degree of Self or Spouse/Domestic Partner

Spouse, Domestic Partner

First Degree: Child, Parents

Second Degree: Grandchild, Brother/Sister, Grandparents

Third Degree: Great Grandchild, Niece/Nephew, Aunt/Uncle, Great Grandparents

Fourth Degree: Great Great Grandchild, Grand Niece/Nephew, First Cousin, Great Aunt/Uncle, Great Great Grandparents

Finally, in all instances, employees are prohibited from giving preferential treatment or favoritism to relatives or relatives of a spouse/domestic partner. Employees are encouraged to direct any questions to the Department of Personnel Employees Relations Section.

### **Relationships with Third Parties**

Employees are prohibited from having a personal interest, directly or indirectly, in a contract with the City. City employees must not allow their personal interests or relationships with third parties to influence, or create the impression of influencing, their decisions in the performance of their duties on behalf of the City.

### **Gifts, Favors, Entertainments**

Employees are expected to perform their duties in a fair and even-handed manner and are prohibited from taking payment, money, gifts, loans, meals, beverages and/or lodging, or other items of value from anyone in exchange for performing their duties. Delivery of services should be able to stand up to full public disclosure and should in no way be granted or withheld because of gifts, favors or other considerations offered to an employee. While acceptance of a minimal gift of less than \$250 in value is permitted when not given in exchange for the performance of duties, even this is discouraged if the gift is from a firm that

does business with the City, since this may be viewed by some members of the public as an attempt to influence on-the-job actions or future decisions. By City ordinance an employee is required to report to the City Register any gift to them or a family member that exceeds \$250 in value from an interested person. An interested person is defined here as any person or member of a business organization who conducts a business specifically regulated by the City; currently has or is seeking a contractual relationship with the City to provide goods or services to the City or any agency or department thereof; is seeking employment with the City or any agency thereof; or who is interested in establishing such a business relationship with the City. In all such matters involving gifts, the primary consideration is that the donor does not receive – or appear to receive – treatment not given to any other citizen. An employee's acceptance of payment or gifts in exchange for performing his/her duties will result in disciplinary action up to and including dismissal. If an employee has any concern about the wisdom, legality or honorability of accepting a gift, this concern should be brought to the attention of his/her supervisor, appointing authority, or the City Counselor's Office.

### **Kickbacks, Secret Commissions, Bribes, and Payoffs**

The City strictly prohibits the acceptance of kickbacks, secret commissions, bribes and payoffs from suppliers or others. Any breach of this rule will result in immediate dismissal and prosecution to the fullest extent of the law.

### **City Funds**

Whenever a City employee is responsible for handling cash or other financial matters, the job of the employee is to document every aspect of the transaction fully and completely. All City cash and bank accounts must be handled so as to avoid any question of bribery, kickbacks, other illegal/improper payments or suspicion of any impropriety whatsoever.

### **Expense Reports**

When an employee incurs an approved expense or spends his/her own funds on City needs, that expense must be documented promptly and properly on the forms provided by his/her appointing authority.

### **Use of City Assets and Equipment**

City assets and equipment are for City purposes only and not for personal benefit. The personal use of City assets including, but not limited to vehicles, computers and other supplies is prohibited.

### **Records and Communications**

Accurate and reliable records of many kinds are necessary to meet the City's legal and financial obligations and to manage the affairs of the City. The City's books and records must reflect in an accurate and timely manner all transactions. The employees responsible for accounting and record keeping must exercise diligence in fulfilling their job duties.

Employees must not make any misleading representations or falsify any record or engage in false communication of any kind, whether internal or external, including but not limited to making or filing any false expense, attendance, production, financial, or similar reports and statements.

### **Dealing with the Public and Organizations**

Employees are prohibited from speaking on behalf of the City, or from representing to the public that their comments or statements are those of the City, unless expressly authorized to do so.

**Prompt Communications**

Employees should respond to all communications in a complete, accurate and timely manner. City employees are expected to respond promptly and courteously to all proper requests for information and to all complaints.

**Safety and Health**

Maintaining a healthy workforce and ensuring the safety of every employee should be the job of each employee, regardless of his/her assignment. Accordingly, each employee is responsible for attending any required safety meetings and reading safety instructions regarding their workplace. All employees must comply with all safety rules and regulations. An employee should promptly report any unsafe condition or any accident to their supervisor, even in cases where there was no injury or property damaged.

**Honesty**

City employees should be completely honest in their dealings with the public, elected officials, appointing authorities, supervisors and fellow employees. Lying in any form, omitting some facts or exaggeration undermines the fundamental trust that must exist between employer and employee, and has no place in public service.

**Discussion, Dissent, Support**

When deciding on a course of action, City supervisors frequently rely on the views and opinions of their employees. In such cases, an employee is obliged to give as much information as possible, and his/her own best opinion, to the supervisor before the matter is decided. However, once the supervisor has reached a decision it is the duty of all members of the City Service to do all in their power to make it succeed.

**Reporting Fraud and Other Irregular Activities**

As they perform their duties, City employees should be alert to situations in which other employees commit or are about to commit acts which violate the law or this Code of Conduct. Illegal, unethical or dishonest actions harm us all. Each City employee, therefore, has a responsibility and duty to report a co-worker's illegal or unethical conduct to his/her supervisor, appointing authority or the Department of Personnel.

**Penalties**

Any violation of this Code of Conduct will subject the violator to disciplinary action up to and including dismissal.

**Documentation**

Appointing authorities are required to issue a copy of the Code of Conduct to every employee under their authority. Issuance of the Code must be documented by having the employee and issuing supervisor or payroll clerk sign the "Acknowledgement" form issued by the Department of Personnel. The original of the form must be filed with the Department of Personnel within 5 (five) working days of issuance. One copy should be retained by the operating department or agency, and another copy given to the employee.
