 - a. Was it the one you had with application in the first round RFP for 2019 (release date of June 19/due date of July 17), if so, yes, you can use that same letter.

- 2. I came across the advertisement for this project and was looking to see if there is an anticipated start date for when the work will begin. I also wanted to see if there is/will be a plan holder list available.**
 - a. The anticipated start date for activities supported within this RFP is Jan.1, 2020. I am not sure what a "plan holder list" is. Can you please clarify your question?
