City Hall, Room 102-105
St. Louis, MO 63103

Dear Neighbor,

As part of our ongoing program to promote businesses that offer discounts to senior citizens, our office has compiled a list of companies and organizations that provide assistance to the elderly. This booklet contains a variety of discounts that I hope you find helpful. This list will be updated annually when additional companies make their discounts known to our office.

My goal is to provide a resource to the community that would be valuable to our City's seniors while encouraging businesses to grow and expand. By shopping at City businesses, citizens help further enhance revenue for our emergency service personnel, parks, streets and schools.

In the pages that follow, businesses that are not located in the City, but are licensed to do business, are listed with an asterisk. Thank you for your interest in this booklet and for supporting the City of St. Louis.

Sincerely,

Michael McMillan
