Additional information about St. Louis Composting Inc. can be found at www.stlcompost.com or by contacting the 560 Terminal Row site at 314-868-1612. Regular hours of operation for the site are Monday – Friday 7am – 4pm and the above dates which are Saturdays. The site is not open on Holidays. Only logs, limbs, brush, leaves and grass clippings will be accepted at the site.

Proof of city residency in the form of a valid driver's license, state identification card or personal property tax receipt is required to dump at no charge on the above dates. A landscape project or seasonal demand can generate more residential yard than can sometimes fit into yard waste dumpsters or roll-out carts. The goal of designating no charge days is to allow City residents the flexibility and option of taking their yard waste to the site free of charge.

For a fee, City residents may also dump residential yard waste at the site during regular hours of operation. The fee is based on the size of the load being dumped. Mulch and compost may also be purchased from the site.
