## Materials and Preservation

NATIONAL PARK SERVICE CENTENNIAL SYMPOSIUM SERIES

APRIL 14-16, 2015  
ST. LOUIS, MISSOURI

### Join us in St. Louis!

This three-day symposium in St. Louis will feature a keynote speech on preservation of Mid-Century Structures by Gunny Harboe, plus 23 speakers, a panel discussion, poster session, and tours by leading professionals from across the country. Major topics include:

- Preserving the Gateway Arch
- Establishing an appreciation for mid-century structures from ranch houses and commercial buildings to architectural icons
- Understanding preservation and materials issues in mid-century structures including metals, glass, concrete, and fiberglass
- Learning from case studies of unique buildings such as the Farnsworth House, Fallingwater, and the Knapp Centre

A special public lecture on Monday, April 13 at Washington University in St. Louis, features Susan Saarinen and Robert Moore.
