C I T Y O F S T . L O U I S

• **MEMORANDUM** •

File No. PDA-029-17-NBD

**To:** City of St. Louis Planning Commission  
**From:** Don Roe, Executive Director  
**Subject:** Technical Clarification for Adoption of Skinker DeBaliviere Neighborhood Plan  
**Date:** August 31, 2018

The attached resolution is a technical clarification regarding the adoption of the Skinker DeBaliviere Neighborhood Urban Design and Development Plan. Following a Presentation and Public Hearing at the August 2, 2017 Planning Commission meeting, the Planning Commission adopted the Skinker DeBaliviere Neighborhood Urban Design and Development Plan as a Neighborhood Plan at its September 6, 2017 meeting.

The adoption resolution inadvertently didn't include a key point -- that the adopted Neighborhood Plan would also be a supplement to the City's Comprehensive Plan for the geographic area covered by the Neighborhood Plan. Thus, this phrase has been added to the attached resolution. (All text changes in the resolution appear in red font.)
