Just as a caterpillar transforms into a beautiful butterfly...

Monarch gardens can enhance where we live, work, learn and play in the City

To Make Your Monarch Butterfly
See Instructions on Back

stlouis-mo.gov/sustainability
To Make Your Monarch Butterfly

1. Crease diagonally along Crease #1

2. Crease diagonally along Crease #2

3. Crease in half along Crease #3

4. Fold sides inward along creases to form a triangle

5. Fold flap A down along Fold #4

6. Fold flap B down along Fold #5

7. Turn butterfly over, wings facing down. Fold flap C down along Fold #6

8. With orange facing down, crease up in half, pinch the STL City Seal while pushing wings down.
