- 33) The number of instances allegations of inmate-on-staff sexual assault.
- 34) The number of instances of substantiated inmate-on-staff sexual assault.

*** Please note that for statement number 19, the Division of Corrections does not have a Mental Health Unit (MHU), the number represents those individuals on Mental Health Status.**

*** Cause of death cannot be determined by Correction's Staff and must be officially determined by a medical examiner. Due to this fact, it can take several weeks before suicides are declared as such. As the causes of death are official determined, we will update previous reports with the correct data.**
