SPRINKLER SYSTEM PRE-TEST VERIFICATION AND INSPECTION REQUEST FORM

Dear Contractor:

In order to obtain an Inspection 1 Acceptance Test, **THIS FORM** along with your **CONTRACTORS' MATERIALS TEST CERTIFICATE** must be completed and returned to this **office**.

Your signature below indicates that the following are true:

1. Underground and/ or Aboveground Contractors' Materials Test Certificates have been properly completed.
2. The Sprinkler System has been installed in compliance with NFPA 13/9 and BOCA National Building Code/ 1999 Section 906.0.
3. All related mechanical and/ or electrical devices such as water- gongs, bells, **flow-** switches, associated alarm circuits, and audio-visual units have been pre-tested and found to be **functioning** in compliance with NFPA 13/96 and BOCA National Building Code/ 1999 Section 906.0.
4. You are requesting an acceptance test.
