Donna Brooks  
Communications Commissioner

Francis G. Slay  
Mayor

## Please Read Before Proceeding with Work

---

The attached permit represents permission from the Board of Public Service, City of St. Louis, for occupying the Public Right-of-Way with telecommunications conduits and cables.

Before proceeding, **excavation or blocking permits** must be obtained from the Street Department (Permit Section), 1900 Hampton Ave. THE STREET DEPARTMENT WILL NOT ISSUE ITS PERMIT UNLESS THEY ARE SHOWN AN APPROVED BOARD OF PUBLIC SERVICE PERMIT FOR THE PROJECT LOCATION.

Please also note:

- CONTRACTORS MUST KEEP A COPY OF ALL PERMITS AT THE JOB SITE.**
  
- CONTRACTORS MUST ABIDE BY ALL CONDITIONS ATTACHED TO THE B.P.S. PERMITS.**
  
- CONTRACTORS MUST NOTIFY THE COMMUNICATIONS DIVISION AT LEAST 24 HOURS BEFORE BEGINNING WORK.**

***SPECIAL NOTE: MISSOURI LAW (Chapter 319 RsMO) requires excavators in public-rights-of-way to notify all underground facility owners and operators who may be affected by such excavation. The City of St. Louis recommends participation in the Missouri One-Call System, the state's official notification center.***

If there are any questions about these requirements, please contact the Communications Division at 552-2900. Thank you very much.

### COMMUNICATIONS COMMISSIONER

- If this box is checked, Water Division maps and/or conditions are attached to your permit(s). Please review.**
