

REQUEST FOR QUALIFICATIONS (RFQ) TAX SALE APPRAISAL

PURPOSE

The St. Louis Development Corporation (SLDC) is seeking proposals from firms that are qualified to appraise the properties that are deeded to the Land Reutilization Authority (LRA) as a result of 2017, 2018, and 2019 tax foreclosure Sheriff's sales. The contract will be for 3 years.

The LRA confirms in Civil Court between 400 and 600 properties each year in Civil Court as a result of tax foreclosure sales. The selected firm will:

- Appraise each property, prepare appraisal reports, and present the agency's testimony at the court confirmation hearing.
- Notify LRA immediately of any occupied properties.
- Post notice of confirmation hearing on each property, take photo, and file an affidavit at court.

Proposals will be accepted from firms that both appraise and manage properties. Joint proposals from appraisal and management companies will also be considered.

LIVING WAGE

Firms submitting responses are advised that the City's Living Wage Ordinance 65597 and associated regulations apply to contracts with a total value of over \$50,000 in any twelve month period. This contract is included in the scope of the Living Wage Ordinance, but SLDC does not anticipate that the services rendered under this RFQ will reach that amount. However, **all contracts from any source received by a firm in a twelve-month period must be aggregated to determine whether the \$50,000 threshold has been met and the Living Wage Ordinance applies to that firm.**

MINORITY AND WOMEN BUSINESS ENTERPRISE (MBE/WBE) PARTICIPATION

The City of St. Louis is committed to the growth and development of women and minority business enterprise (M/WBE). To further this commitment, the City encourages minority participation in all contracts financed in whole or part by the City and its affiliated agencies and authorities, including the SLDC. A goal of 25% MBE and 5% WBE utilization will be established in connection with the contract resulting from this RFQ, as directed by the Mayor's Executive Order #28, as amended and extended. This goal will be based on the negotiated contract amount and will remain in effect throughout the term of the contract. If award of a contract is made and the MBE/WBE participation is less than the contract goal, the Contractor shall continue good faith efforts throughout the term of the contract to increase MBE/WBE participation and to meet the contract goal. Further information about the M/WBE program is available at:
