Requisition No. 41515R1096
December 11, 2014

METAL FABRICATION SPECIFICATIONS

PART 1 - GENERAL

1.01 SUMMARY

A. The following items shall fully comply with all metal fabrication specifications:

1. Handrailings
2. Stairs

1.02 SUBMITTALS

A. Shop drawings detailing fabrication and erection of each metal fabrication indicated. This shall include plans (2 sets for City), sectional assembly, and details of metal fabrications and their connections. All accessory items and fasteners shall be clearly shown. Submittals shall be approved before any fabrication takes place.

B. Welder certificates signed by the successful bidder certifying that welders comply with requirements specified under the "Quality Assurance" Article.

C. Qualification data for firms and persons specified in the "Quality Assurance" Article to demonstrate their capabilities and experience. Include a list of recent completed projects, addresses, and names of owners and architects.

1.03 QUALITY ASSURANCE

A. Fabricator Qualifications: Firm experienced in producing metal fabrications similar to those indicated for this Project with a record of successful in-service performance.

B. Welding Standards: Comply with applicable provisions of the latest edition of the AWS D1.2 "Structural Welding Code - Aluminum".

1. Certify that each welder has satisfactorily passed AWS qualification tests for welding processes involved and, if pertinent, has undergone re-certification.

PART 2 - PRODUCTS

2.01 ALUMINUM

A. General: All aluminum items shown below shall be clear-anodized.

1. Handrail

B. Pipe: ASTM B210, alloy 6061, Schedule 80 & 40.

C. Bars: ASTM B221, alloy 6063-T6.

D. Shapes: ASTM B308, alloy 6061-T6.

2.02 FASTENERS

A. Bolts, Nuts and Washers: all fasteners shall be stainless steel in accordance with ASTM A276.

2.03 FABRICATION, GENERAL

A. Form metal fabrications from materials of size, thickness, and shapes indicated but not less than that needed to comply with performance requirements indicated. Work to dimensions indicated or accepted on shop drawings, using proven details of fabrication and support. Use type of materials indicated or specified for various components of each metal fabrication. Design shall conform to all BOCA and OSHA standards and regulations.

B. Form exposed work true to line and level with accurate angles and surfaces and straight sharp edges.

C. Shear and punch metals cleanly and accurately. Remove burrs.

D. Ease exposed edges to a radius of approximately 1/32 inch, unless otherwise indicated. Form bent-metal corners to smallest radius possible without causing grain separation or otherwise impairing work.

E. Remove sharp or rough areas on exposed traffic surfaces.

F. Weld corners and seams continuously to comply with the following:

1. Use materials and methods that minimize distortion and develop strength and corrosion resistance of base metals.

2. All pipe hand railing joints are to be completely shop assembled by welding. Mechanical connections are unacceptable.

3. Obtain fusion without undercut or overlap.

4. Remove welding flux immediately.

5. At exposed connections, finish exposed welds and surfaces smooth and blended so that no roughness shows after finishing, and contour of welded surface matches those adjacent.

G. Form exposed connections with hairline joints, flush and smooth, using concealed fasteners wherever possible. Use exposed fasteners of type indicated.

H. Fabricate joints that will be exposed to weather in a manner to exclude water, or provide weep holes where water may accumulate.

2.04 ALUMINUM HANDRAIL

A. General Structural Performance: Design, engineer and fabricate the metal fabrications to withstand the following structural loads without exceeding the allowable design working stress of the materials involved, including connections. Apply each load to produce the maximum stress in each respective component of each metal fabrication.

1. Handrail of Guardrail Systems: Capable of withstanding the following loads applied as indicated:

a. Concentrated load of 200 lbf applied at any point non-concurrently, vertically downward, or horizontally.
b. Uniform load of 50 lbf per linear ft. applied horizontally and a simultaneous uniform load of 100 lbf per linear ft. vertically downward at the top of the guardrail.
c. Concentrated and uniform loads above need not be assumed to act concurrently.
d. Horizontal pipe to be schedule 40, vertical pipe to be schedule 80 seamless tubing.

2. Handrail: Capable of withstanding the following loads applied as follows:

   a. Concentrated load of 200 lbf applied at any point non-concurrently, vertically downward, or horizontally.
   b. Uniform load of 50 lbf per linear ft. applied horizontally at the top of the guardrail.
   c. Concentrated and uniform loads above need not be assumed to act concurrently.
   d. Horizontal pipe to be schedule 40, vertical pipe to be schedule 80 seamless tubing.

2.05 FINISHES, GENERAL

A. Comply with NAAMM "Metal Finishes Manual" for recommendations relative to applying and designing finishes.

B. Anodized finish for metal fabrications to be performed after complete assembly. Welding pre-anodized pipe and spray painting welds will not be allowed unless repairing damage to finish due to shipment or handling by supplier.

2.06 ALUMINUM FINISHES

A. Finish designations prefixed by AA conform to the system established by the Aluminum Association for designating aluminum finishes.

B. Class I, Clear Anodic Finish: Anodic Coating: Architectural Class I clear coating 0.7 mil or thicker complying with AAMA 607.1

PART 3 - EXECUTION

3.01 GENERAL

A. After the bid has been awarded, the successful bidder shall field measure and verify dimensions and details. Upon doing so, the fabricator shall submit detailed shop drawings for approval prior to fabrication.

B. All components shall be easily identifiable and all materials shall be match-mark for installation and field assembly.

C. Field assembly and installation will be done by the City of St. Louis Water Division personnel.

D. All holes for supports, etc. shall be drilled or punched by fabricator prior to shipment.

E. Kick plates are to be shop cut to fit and installed in shop by fabricator.

F. Base shoes are to be shop attached by mechanical connection or by welding in fabricator's shop

G. Successful bidder shall supply all stainless steel anchor bolts, fasteners, chain and hardware for installation.

City of St. Louis
Department of Public Utilities
Water Division
Supply and Purifying Section

Requisition No. 41515R1096
December 11, 2014

SCOPE OF WORK

The successful bidder shall furnish all shop drawings, engineering, material, fabrication and delivery for the following per specifications. **NOTE - ANY BIDDER WHO FAILS TO MEET THE FOLLOWING SPECIFICATIONS WILL BE DISREGARDED AS AN ACCEPTABLE, RESPONSIBLE AND RESPONSIVE BID.**

ITEM NO. 1 2-LINE ALUMINUM HANDRAIL WITH KICK PLATE (BASIN 9)

Item no. 1 is for approximately 424 lineal feet (approximate 40' segments) of 2-line aluminum handrail with kick plate along the north side of Basin 9 at the Howard Bend Water Treatment Plant. This shall include eleven (11) 2-foot openings with two lengths of stainless steel chain (instead of gates) per opening.

1. 2-line aluminum guardrail/handrail shall consist of 1-1/2" (nom. dia.) schedule 40 horizontal pipe and schedule 80 vertical posts located at 5-foot maximum intervals on centers with a 4" x 1/4" aluminum kick plate.

2. All furnished in accordance within BOCA and OSHA standards.

3. Successful bidder shall supply all stainless steel accessories (anchors bolts, fasteners, related hardware, etc) to assemble the above items.

4. Fabricator to engineer and detail all structural connections.

ITEM NO. 2 MILL-FINISH ALUMINUM GRATING-TYPE CROSSOVER STAIRS

Item no. 2 is for a crossover stairway/bridge constructed of milled aluminum with grating and one 2-line clear-anodized hand railing with overall nominal dimensions (less the handrail) of 4 feet tall, 13-1/2 feet long and 30 inches wide. The decking, stairways and hand railing must be field-assembled with mechanical bolts as the completed assembly will be too large to access its final installation location. Dimensional drawings shall be provided by City.

1. 2-line aluminum guardrail/handrail shall consist of 1-1/2" (nom. dia.) schedule 40 horizontal pipe and schedule 80 vertical posts located at 5-foot maximum intervals on centers.

2. All furnished in accordance within BOCA and OSHA standards.

3. Successful bidder shall supply all stainless steel accessories (anchors bolts, fasteners, related hardware, etc) to assemble the above items.

4. Fabricator to engineer and detail all structural connections.

City of St. Louis
Department of Public Utilities
Water Division
Supply and Purifying Section

Requisition No. 41515R1096
December 11, 2014

ITEM NO. 3 2-LINE ALUMINUM PIPE HANDRAIL TO REPLACE DAMAGED SECTION

Item no. 3 is for a replacement section of 2-line clear-anodized hand railing to be fitted upon an existing aluminum stairway at Howard Bend WTP. The nominal length of the hand railing is 4 feet (measured on a slope parallel to the stairs.) Another matching handrail section exists at the WTP to assist with field measurement to fabricate the replacement section.

1. 2-line aluminum guardrail/handrail shall consist of 1-1/2" (nom. dia.) schedule 40 horizontal pipe and schedule 80 vertical posts located at 5-foot maximum intervals on centers.

2. All furnished in accordance within BOCA and OSHA standards.

3. Successful bidder shall supply all stainless steel accessories (anchors bolts, fasteners, related hardware, etc) to assemble the above items.

4. Fabricator to engineer and detail all structural connections.

ITEM NO. 4 2-LINE ALUMINUM PIPE HANDRAIL FOR BASINS 1-4

Item no. 4 is for 8 sections of 2-line aluminum pipe handrail to provide safe access to existing basin ladders. Each of the 8 sections comprise of a 48-inch section of 2-line railing, connected by 90 degrees to a 32-inch section of 2-line railing. Dimensional drawings shall be provided by City.

1. 2-line aluminum guardrail/handrail shall consist of 1-1/2" (nom. dia.) schedule 40 horizontal pipe and schedule 80 vertical posts located at 5-foot maximum intervals on centers.

2. All furnished in accordance within BOCA and OSHA standards.

3. Successful bidder shall supply all stainless steel accessories (anchors bolts, fasteners, related hardware, etc) to assemble the above items.

4. Fabricator to engineer and detail all structural connections.

ST. LOUIS DOMESTIC PRODUCTS PROCUREMENT ACT

The City of St. Louis has enacted an ordinance relating to the purchase of domestic products by City government, with penalty provisions. The ordinance amends Section 5.58.010 Revised Code of the City of St. Louis, 1986, as amended by adding thereto new subsections dealing with the requirement that the Supply Commissioner or his designee give preference to goods or commodities manufactured in the United States of America, stating exceptions to said policy. Sections one through six are reprinted below.

Section One. Section 5.58.010 Revised Code of the City of St. Louis is hereby amended by adding the following language: Each solicitation to bid and the method of describing the items to be bid upon of any goods or commodities sought to be purchased by the Office of Supply Commissioner, and any contract entered into by and on behalf of the City of St. Louis and executed by the Mayor and/or the Comptroller of the City of St. Louis wherein the construction, alteration, repair or maintenance of any public works is the subject of the contract so executed, shall contain a provision that the goods or commodities furnished or used in the furtherance of said project by any contractor or subcontractor, manufacturer or supplier as the case may be, shall be manufactured, assembled or produced in the United States, and said requirement as defined above shall be stated in said bid.

Section Two. The provision of Section One of this Ordinance shall not apply in the following instances:

(i) Where the item purchased as the contract entered into for repairs or renovation is less than One Thousand ($1,000.00) Dollars.

(ii) Where no line of a particular good or product is manufactured, assembled or produced in the United States.

(iii) Where the acquisition of United States manufactured or produced goods would increase the cost by more than (10%) percent.

Section Three. The certificate required by this section shall specify the nature of the contract, the product being purchased or leased, the names and addresses of the United States manufacturers and producers contracted by the Commissioner or the project architect or engineer, and an indication that such manufacturers or producers could not supply sufficient quantities or that the price of the products would increase the cost of the contract by more than ten percent.

Section Four. No public agency may authorize, provide for, or make any payment to any vendor or contractor upon any contract in violation of section 2 of this act. Prior to the awarding of the bid and before any public agency authorizes, provides, or makes payment to any vendor or contractor upon any contract to which section 2 or 6 of this act applies, the vendor or contractor shall provide proof of compliance with section 2, and, if applicable, section 6 of this act. Any vendor or contractor who knowingly misrepresents any material fact to the public agency concerning the origin of any manufactured goods or commodities shall be guilty of a Class A misdemeanor.

Section Five. Sections 1 to 6 of this act shall apply only to contracts and subcontracts entered into after the effective date of this act, and shall not limit the use or supply of manufactured goods or commodities purchased or leased prior to the effective date of this act.

Section Six. Nothing in sections 1 or 6 of this act is intended to contravene any existing treaty, law, agreement, or regulation of the United States. All contracts under section 1 or 6 of this act shall be entered into in accordance with existing treaty, law, agreement, or regulation of the United States including all treaties entered into between foreign countries and the United States regarding export-import restrictions and international trade and shall not be in violation of sections 1 to 6 of this act to the extent of such accordance.

Interpretations and Guidelines

Section One: "Shall be manufactured" is interpreted to mean to make or process a raw material into a finished product or to turn-out in a mechanical manner. "Assembled" is interpreted to mean to fit or to join together the parts, gather, or to congregate in a manufacturing environment. "Produced" is interpreted to mean to create by manual or physical effort, to make or yield to customary product or products.

Section Two (i) This is interpreted to mean less than one thousand dollars in aggregate (total purchases).

(iii) When applying this subsection, multiply the cost of the foreign product by ten percent and compare the cost to the American product. If the American product cost is less than the sum of the cost of the foreign product plus ten percent, the award will be made to the vendor bidding the American product. The price paid by the City of St. Louis will be the actual price bid by the winning bidder.

Section Three: "Could not supply sufficient quantities" is interpreted to mean in order to meet the using agency's delivery schedule and in quantity specified.

Section Four: The vendor's authorized representative must complete a self-certification form, as required by the existing procedures previously indicated. These certification forms will be used to determine whether the manufacturer or producers could, or could not supply sufficient quantities, or the cost of the products would increase the contract by more than ten percent.

Prior to the City awarding the bid, the vendor shall provide certification that the product being bid is manufactured, assembled or produced in the United States or there is an existing treaty, law or regulation whereby the product bid shall be treated the same as product manufactured, assembled or produced in the United States. The procuring agency shall accept the self certification in order to apply the percentage differential that is applicable under this law. Failure to provide certification shall cause the city to presume that such product is not American made and preference shall not be considered for that product.

CERTIFICATION FORM
ST. LOUIS DOMESTIC PRODUCTS PROCUREMENT ACT
(BUY AMERICAN)

Bidders are advised of legislation enacted by the City of St. Louis which requires all manufactured goods or commodities used or supplied in the performance of this contract or any subcontract to be manufactured, assembled or produced in the United States, unless obtaining American made products would increase the cost of this contract by more than ten percent.

Section Four requires the vendor or contractor to certify his compliance with this legislation and if applicable, Section Six, if preference is claimed.

This legislation does not apply if the total bid is less than one thousand dollars ($1,000.00).

Bids received will be evaluated on the basis of this legislation. Certificates of compliance must be completed and returned to be considered for preference. Failure to provide certification shall cause the City to presume that such product is not American made.

☐ **CERTIFICATION**
If **all** the specified goods or products are manufactured, assembled or produced in the United States, check box at left and complete certification at the bottom of this form.

☐ **SECTION SIX CERTIFICATION**
If any or all of the specified goods or products are manufactured, assembled or produced in a country other than the "United States", and exemption is requested because such product is Fair Trade Product: (a) list the country, other than the United States, where each good or product you propose to furnish is manufactured, assembled or produced; (b) check box at left of this paragraph and list corresponding commodities and (c) complete Section Six Documentation portion below.

(SIGNATURE and TITLE)

CITY OF ST. LOUIS/SUPPLY DIVISION
MINORITY/WOMEN BUSINESS ENTERPRISES FORM
(M/WBE FORM)

A. Mayor's Executive Order #28, Section Six - Supply Contracts

1. The goal of the City of St. Louis is that 25% of the value of all contracts let and purchases made by the Supply Commissioner shall be let or made with Minority Business Enterprises (MBEs) and that 5% of the value of all contracts let and purchases made by the Supply Commissioner shall be let or made with Women's Business Enterprises (WBEs).
2. All contracts let by the Supply Division for the purchase or lease of materials, equipment, supplies, commodities or services, the estimated cost of which exceeds $500, shall be subject to this goal.
3. The methods by which the Supply Commissioner shall pursue this goal shall include but not be limited to the following:
   a. The Supply Commissioner shall solicit bids from minority business enterprises and women's business enterprises certified to supply the required materials, equipment, supplies or services;
   b. St. Louis Airport Authority (SLAA) shall provide the Supply Commissioner with a list of minority business enterprises and women's business enterprises qualified to provide each of those commodities that the Supply Commissioner indicates are required by the City;
   c. The Supply Commissioner shall notify SLAA prior to solicitation of bids whenever no such qualified businesses are available;
   d. SLAA shall attempt to identify such qualified businesses, and if successful, shall notify the Supply Commissioner of their availability; and
   e. The Supply Commissioner shall provide such minority business enterprises and women's business enterprises every practical opportunity to submit bids.
4. Joint ventures or mentor-protégé relationships between prime contractors and subcontractors with local MBE and WBE firms are encouraged.
5. Participation of MBE and WBE firms located outside the St. Louis Metropolitan Statistical Area (SMSA) shall not count toward the goals established in this order.

B. SUPPLY DIVISION POLICY

It is the policy of the Supply Division that all bids/contracts awarded adhere to the Mayor's Executive Order #28. All vendors are encouraged to comply with this policy and all other provisions of Executive Order #28. A copy of Executive Order #28 is available upon request. Each Vendor/ Contractor (bidder) must complete, sign and return this M/WBE Form. Failure to complete, sign and return the M/WBE Form will result in the bid being declared non responsive and your bid may be eliminated.

C. OBLIGATION

The bidder agrees to make a good faith effort to ensure that M/WBE businesses have an opportunity to participate in the performance of contracts or subcontracts financed in whole or in part with City funds. The bidder will take all necessary and reasonable steps to ensure that said businesses have an opportunity to compete for and perform under this bid/contract. The bidder shall not discriminate on the basis of race, color, national origin or sex in the award and performance of bids/contracts. The Directory of Disadvantaged, Minority and Women Owned Business Enterprises certified by the City of St. Louis, can be viewed at www.mwdbe.org.

ORDINANCE #69431
Board Bill No. 295
Committee Substitute
As Amended

An Ordinance repealing Section One, part 86.040 of Ordinance 56716, pertaining to the opening of bids, codified as Section 5.58.040 of the Revised Code of the City of St. Louis, and enacting a new provision on the same subject matter which allows a local bidder to match the lowest bid when the lowest bid is from a non-local bidder; enacting a new provision on the same subject matter; containing severability clause.

WHEREAS, local businesses which seek to enter into contracts with the City of St. Louis are at a competitive disadvantage with businesses from other areas because of the higher administrative costs of doing business in the City;

WHEREAS, the City of St. Louis desires to encourage businesses to remain in the City and to relocate to the City;

WHEREAS, by enacting a local preference law that allows a local firm to match the lowest bid when its bid is within 2% percent of the lowest bid, the City hopes to encourage and stimulate local business.

BE IT ORDAINED BY THE CITY OF ST. LOUIS AS FOLLOWS:

SECTION ONE. Section One, part 86.040, Ordinance 56716 is hereby repealed.

SECTION TWO. Enacted in lieu thereof is the following new section.

5.58.040 - Opening of bids.

A. Proposals shall be opened at the time and place fixed by the advertisement, in the presence of such bidders as desire to be present, and shall be open to the inspection of bidders.

B. The bids shall not be materially modified or amended as to price, specification or otherwise, nor substitutions placed thereon, after opening except when the lowest bid is from a non-local bidder. When the lowest bid is from a non-local bidder, any local bidder within two percent of the lowest bid may match the lowest bid. If a local bidder matches the lowest bid, then the Supply Commissioner may select the bid from the local bidder. If more than one local bidder is within two percent of the lowest bid, then only the lowest local bidder may match the bid. In all other circumstances, modification, supplementation or amendment shall cause rejection of the bid. For purposes of this chapter, local bidder means a bidder whose principal place of business is within the City of St. Louis, has had a valid business license for at least one year, and is current in payment of local taxes. Principal place of business shall be defined as the business's physical office, plant, or site where a majority (51%) of the full-time employees, chief officer, and managers of the business regularly work and conduct business, or where the plant or office and equipment required for the furnishing of the goods or performance of the services provided to the City, as required by the contract, are physically located in the City of St. Louis for at least one taxable year immediately prior to the date of the bid.

C. Bids may be for one or more or all the articles advertised for, but there shall be a specific bid on each article. The award may be made to the lowest bidder for any article, or to the lowest bidder for the entire requisition or any part thereof, but the Board of Standardization may reject any or all bids or any part of any bid.

SECTION THREE. Severability.

The provisions of this section are severable. If any provision of this ordinance is declared invalid, that invalidity shall not affect other provisions of the ordinance which can be given effect without the invalid provision.

Approved: April 29, 2013

CITY OF ST LOUIS, MISSOURI
INSTRUCTION TO BIDDERS (for request for quotations - RFQs)

VENDORS SHOULD CAREFULLY READ THE FOLLOWING INSTRUCTIONS AND TERMS AND CONDITIONS, BEFORE SUBMITTING QUOTATION. **CAUTION: THIS IS NOT AN ORDER**

- Quotations will only be accepted on this form which must be returned in a **sealed envelope**. *The upper left corner of the envelope must include the following information: Vendor Name, Quotation Number and the Due By Date.* This information is also required on any mail delivered next day or overnight.
- Quotations should be typewritten or in ink. Altered or erased unit price(s) must be initialed. One copy of Quotation Sheet must be submitted, please retain a copy for your files.
- The Supply Commissioner reserves the right to reject any or all bids.
- The Supply Commissioner reserves the right to make awards on an item basis or on a total basis.
- Bidders must quote Unit Price(s) and Extension on each item. When an error appears on an extension, the Unit Price(s) will govern.
- When Quotation Sheet requests item(s) by brand name and your quote is for an alternate brand – show brand name(s) with model number(s) and attach full specifications.
- When Quotation Sheet has only a general description(s) of item(s) required – show brand name with model number(s) and attach full specifications.
- Suppliers shall not offer more than one bid on each item. Two or more quotations on the same item may cause a rejection of the bid. Suppliers must determine which one of their many styles or types fully meet the specification.
- Freight or delivery charges must be included in quote, or shown separately on quote, so bid can be evaluated.
- **Bids must arrive no later than NOON** on the date stated or will be rejected. Faxed or E-mailed bids are not accepted unless specifically requested.
- Bids will be publicly opened on the date specified beginning at NOON.
- Prices quoted will be considered firm.
- Bids having an acceptance limit of less than 30 days after opening date may be rejected.
- Time of proposed delivery must be stated in definite terms.
- Failure of Bidder to understand the item(s) requested or any part of the specifications will not be a valid reason for bidding on the wrong item(s). Any questions regarding description of item(s) requested should be cleared with the Buyer listed in the bid document.
- **Samples** when requested must be delivered before actual time of bid opening with each sample plainly tagged showing the name of Bidder, Quotation Number, Brand Name and lot number or quality. Submission of samples does not relieve bidder from meeting the specifications as outlined in the Bid Documents unless the bidder specifically states they are bidding on an alternate.
- All samples are to be submitted to the address listed below unless otherwise stated in Bid Documents.
- Deliveries must be accompanied by a packing slip or invoice, listing the Department, Quotation Number, and the exact quantities of each item included in the shipment.
- ONLY U.S.P., N.F., OR N.N.D. DRUGS ARE ACCEPTABLE. ALL DRUGS MUST COME IN MANUFACTURER'S ORIGINAL PACKAGES, PROPERLY SEALED.
- In the event the successful bidder fails to make delivery of any item or items that meet the conditions and requirements as outlined in this proposal within 7 days of time stated by bidder on face of this quotation sheet, the City reserves the right to purchase said item or items on the "OPEN MARKET" and charge any costs above the BID PRICE to the bidder.
- The laws of the State of Missouri provide that the City of St. Louis pay no State Sales or Use Tax or Federal Excise Taxes and these taxes should be excluded from your bid price. Federal Excise Tax Exemption Certificates will be furnished to successful bidder.
- Suppliers shall save harmless the City of St. Louis from the payment of any and all claims or demands arising out of any infringement, alleged infringement, or use of any patent or patented device, article, system, arrangement, material or process used by him in the execution of this contract.

- Supply Division hours are Monday through Friday – 8:00 A.M. to 5:00 P.M. Main Number: 314-622-4580.

All bids must be submitted in a SEALED ENVELOPE and mailed to:
