Vermeer BC1800XL (or Equal)
Bid Specifications

General

Unit shall be a trailer mounted hydraulically fed drum chipper in the 19" (48.3 cm) capacity class. Length of basic unit shall not exceed 177" (459.6 cm) when in transport configuration (feed table up, tongue retracted, add 24" (61 cm) for tongue extended) or 231" (586.7 cm) overall length (feed table down and tongue extended). Overall height shall be no more than 110" (279.4 cm). Maximum weight of the base unit shall not be more than 9320 lb (4227.5 kg).

Engine

Unit shall have an industrial, Tier 4i (Stage IIIB) emissions-rated John Deere 4045HFC92, 115 hp (85.8 kW) at 2200 rpm, 354 ft-lb (480 Nm) of torque at 1600 rpm.

Trailer

Trailer frame shall be constructed of C channel (C6 x 8.2). Suspension shall be a rubber torsion type with a minimum 10,000 lb (4535.9 kg) rating. Wheels shall be 17.5" by 6.75" (44.5 cm by 17.1 cm) with 8 bolts on a 6.5" (16.5 cm) circle. Tires shall be equal to 235/75R17.5, load range J. The tongue shall extend 24" (61 cm) and the hitch shall adjust up and down 8" (20.3 cm). Unit shall be equipped with electric brakes. Trailer lights shall be high mounted LED and equipped with guards to reduce damage. The unit shall be equipped with two towing safety chains with a minimum size of .375" (1 cm). The trailer shall be equipped with a tongue jack with a minimum capacity of 5000 lb (2268 kg).

Cutting System

The cutting system shall be drum style with a minimum drum size of 36" (91.4 cm) in diameter and 26.5" (67.3 cm) in width. The drum shall have a four position lock for knife replacement. The drum shall weigh a minimum of 1150 lb (521.6 kg) including shaft. The drum shall have four knives, bolted in place with a minimum of 5 bolts per knife. The knife size shall be 5.5" by 10" (14 cm by 25.4 cm) with a minimum thickness of .625" (1.6 cm). The knives shall be double edged. Knives shall be constructed of A8 chipper steel.

Feed System

The unit shall be equipped with a hydraulic infeed system. The feed system shall have two vertical feed rollers with a helical knife pattern. Feed rollers shall have a minimum diameter of 18" (45.7 cm) and minimum height of 23.5" (59.7 cm) each. The rollers shall be powered by two hydraulic motors with a minimum displacement of 28.4 in^3 (465.4

cm^3). The unit shall have an adjustable feed speed with a maximum of 117' per minute (0-36 m per minute). The feed table shall have a minimum length of 62.5" (158.8 cm) from the feed roller nip point to the end of the table. The infeed opening shall have an opening of 20" x 24" (50.8 cm x 61 cm). The unit shall be equipped with a SmartFeed system that senses the loss of rpm from the engine and stops the feed system until the rpm of the engine recovers.

Clutch

Unit shall be equipped with integral clutch and throttle control that prevents high idle engagement of a self-adjusting spring-loaded clutch. This clutch requires a flat-faced flywheel and an SAE 3 flywheel housing.

SmartFeed

Unit shall be equipped with an automatic engine speed monitoring system that senses speed of engine. SmartFeed system shall automatically control feeding of material into cutter system according to engine rpm's. This system shall have the ability to reverse material automatically and in turn restart the feeding process without any operator interface once the engine returns to full rpm.

Ecoldle™ Engine Control System

Unit shall be equipped with an engine control system which automatically lowers engine speed if no material has been chipped for 60 seconds or 5 minutes and is selectable by operator.

Feed Control Bars

The unit shall be equipped with a bottom feed stop bar located on the leading edge of the feed table. The bottom feed stop bar shall be strategically located to make it possible for the operator's leg to strike the bar and shut off the feed either intentionally or automatically in an emergency situation. A green hold-to-run button shall be positioned within reach of both sides of the feed table to momentarily (30 second maximum) override the bottom feed stop bar if so required by the operator. The upper feed control bar shall be a four-position bar used to control the rotational direction of the feed rollers (forward, reverse and two neutral/stop positions). This bottom bar and upper feed control bar shall be painted red and the bottom bar shall have two sensitivity settings.

Hydraulic System

The unit shall be equipped with live-type hydraulics (hydraulic pump runs directly from the engine). The system shall be open center with a return type filtration system with a minimum filtration of 3 micron return, 100 micron suction. The pump shall have a minimum capacity of 7.8 gal (29.5 L) per minute at maximum rpm, with a relief pressure of 3000 psi (206.8 bar). The unit shall have a hydraulic tank with a 12 gal (45.4 L) capacity.

Instrumentation/Storage

The unit shall have an LCD display that toggles between hour meter, tachometer, oil pressure, water temperature, exhaust filter indicators and engine fault codes as well as engine warning and shutdown lights. The engine shall be equipped with an automatic high water temperature/low oil pressure shut down system. The unit shall have a lockable tool box, lockable battery box and lockable engine compartment.

Discharge System

The discharge chute shall be no less than 110" (279.4 cm) high. Rotation shall be limited to 270 degrees and controlled with a hand crank driven worm gear offering infinite chute positions.

Manuals

A full set of operator's, maintenance and parts manuals shall be supplied with the machine. A cabled operator's manual printed on water-resistant paper placed in a weather tight storage box shall be provided near the control panel. An operations and safety video (DVD) shall be supplied with each machine.

Options

Winch: The unit shall have the option to be equipped with a hydraulically powered winch with synthetic rope line and capable of lifting material onto the feed table of the chipper. The winch shall have a maximum line speed rating of 150 ft/min (45.7 m/min) and a line pull rating of at least 2000 lb (907.2 kg) on the first layer of the rope and 1217 lb (552 kg) on the last layer, with a rope that has a manufacturer rated pull of 10,200 lb (4626.6 kg). All ratings shall be established according to SAE J706. The winch shall be capable of holding 150' (45.7 m) of 7/16" (1 cm) – diameter synthetic rope.

Hydraulic surge brakes
Lockable instrumentation cover

Extended warranties

Additional Equipment

1. One (1) 20 lb. Fire Extinguisher
   Class A B & C

2. First Aid Kits Metal Case
   DOT Approved

3. Day/Night Road Warning Kit
   Dot Approved

4. FILTERS: One complete set of filters for all systems except for the Air Filter.

ST. LOUIS DOMESTIC PRODUCTS PROCUREMENT ACT

The City of St. Louis has enacted an ordinance relating to the purchase of domestic products by City government, with penalty provisions. The ordinance amends Section 5.58.010 Revised Code of the City of St. Louis, 1986, as amended by adding thereto new subsections dealing with the requirement that the Supply Commissioner or his designee give preference to goods or commodities manufactured in the United States of America, stating exceptions to said policy. Sections one through six are reprinted below.

Section One. Section 5.58.010 Revised Code of the City of St. Louis is hereby amended by adding the following language: Each solicitation to bid and the method of describing the items to be bid upon of any goods or commodities sought to be purchased by the Office of Supply Commissioner, and any contract entered into by and on behalf of the City of St. Louis and executed by the Mayor and/or the Comptroller of the City of St. Louis wherein the construction, alteration, repair or maintenance of any public works is the subject of the contract so executed, shall contain a provision that the goods or commodities furnished or used in the furtherance of said project by any contractor or subcontractor, manufacturer or supplier as the case may be, shall be manufactured, assembled or produced in the United States, and said requirement as defined above shall be stated in said bid.

Section Two. The provision of Section One of this Ordinance shall not apply in the following instances:

(i) Where the item purchased as the contract entered into for repairs or renovation is less than One Thousand ($1,000.00) Dollars.

(ii) Where no line of a particular good or product is manufactured, assembled or produced in the United States.

(iii) Where the acquisition of United States manufactured or produced goods would increase the cost by more than (10%) percent.

Section Three. The certificate required by this section shall specify the nature of the contract, the product being purchased or leased, the names and addresses of the United States manufacturers and producers contracted by the Commissioner or the project architect or engineer, and an indication that such manufacturers or producers could not supply sufficient quantities or that the price of the products would increase the cost of the contract by more than ten percent.

Section Four. No public agency may authorize, provide for, or make any payment to any vendor or contractor upon any contract in violation of section 2 of this act. Prior to the awarding of the bid and before any public agency authorizes, provides, or makes payment to any vendor or contractor upon any contract to which section 2 or 6 of this act applies, the vendor or contractor shall provide proof of compliance with section 2, and, if applicable, section 6 of this act. Any vendor or contractor who knowingly misrepresents any material fact to the public agency concerning the origin of any manufactured goods or commodities shall be guilty of a Class A misdemeanor.

Section Five. Sections 1 to 6 of this act shall apply only to contracts and subcontracts entered into after the effective date of this act, and shall not limit the use or supply of manufactured goods or commodities purchased or leased prior to the effective date of this act.

Section Six. Nothing in sections 1 or 6 of this act is intended to contravene any existing treaty, law, agreement, or regulation of the United States. All contracts under section 1 or 6 of this act shall be entered into in accordance with existing treaty, law, agreement, or regulation of the United States including all treaties entered into between foreign countries and the United States regarding export-import restrictions and international trade and shall not be in violation of sections 1 to 6 of this act to the extent of such accordance.

Interpretations and Guidelines

Section One: "Shall be manufactured" is interpreted to mean to make or process a raw material into a finished product or to turn-out in a mechanical manner. "Assembled" is interpreted to mean to fit or to join together the parts, gather, or to congregate in a manufacturing environment. "Produced" is interpreted to mean to create by manual or physical effort, to make or yield to customary product or products.

Section Two (I) This is interpreted to mean less than one thousand dollars in aggregate (total purchases).

(Iii) When applying this subsection, multiply the cost of the foreign product by ten percent and compare the cost to the American product. If the American product cost is less than the sum of the cost of the foreign product plus ten percent, the award will be made to the vendor bidding the American product. The price paid by the City of St. Louis will be the actual price bid by the winning bidder.

Section Three: "Could not supply sufficient quantities" is interpreted to mean in order to meet the using agency's delivery schedule and in quantity specified.

Section Four: The vendor's authorized representative must complete a self-certification form, as required by the existing procedures previously indicated. These certification forms will be used to determine whether the manufacturer or producers could, or could not supply sufficient quantities, or the cost of the products would increase the contract by more than ten percent.

Prior to the City awarding the bid, the vendor shall provide certification that the product being bid is manufactured, assembled or produced in the United States or there is an existing treaty, law or regulation whereby the product bid shall be treated the same as product manufactured, assembled or produced in the United States. The procuring agency shall accept the self certification in order to apply the percentage differential that is applicable under this law. Failure to provide certification shall cause the city to presume that such product is not American made and preference shall not be considered for that product.

CERTIFICATION FORM
ST. LOUIS DOMESTIC PRODUCTS PROCUREMENT ACT
(BUY AMERICAN)

Bidders are advised of legislation enacted by the City of St. Louis which requires all manufactured goods or commodities used or supplied in the performance of this contract or any subcontract to be manufactured, assembled or produced in the United States, unless obtaining American made products would increase the cost of this contract by more than ten percent.

Section Four requires the vendor or contractor to certify his compliance with this legislation and if applicable, Section Six, if preference is claimed.

This legislation does not apply if the total bid is less than one thousand dollars ($1,000.00).

Bids received will be evaluated on the basis of this legislation. Certificates of compliance must be completed and returned to be considered for preference. Failure to provide certification shall cause the City to presume that such product is not American made.

☐ **CERTIFICATION**
If **all** the specified goods or products are manufactured, assembled or produced in the United States, check box at left and complete certification at the bottom of this form.

☐ **SECTION SIX CERTIFICATION**
If any or all of the specified goods or products are manufactured, assembled or produced in a country other than the "United States", and exemption is requested because such product is Fair Trade Product: (a) list the country, other than the United States, where each good or product you propose to furnish is manufactured, assembled or produced; (b) check box at left of this paragraph and list corresponding commodities and (c) complete Section Six Documentation portion below.

Item Number(s)	**Location Where Item Manufactured, Assembled or Produced**
_____	_____
_____	_____
_____	_____
_____	_____
_____	_____

☐ **SECTION SIX DOCUMENTATION**
The specified goods or products are treated as manufactured, assembled or produced in the United States under an existing treaty, law, agreement or regulation of the United States regarding export-import restrictions and international trade. List item Number(s) and Treaties covering item below.

_____

_____

_____

DEFINITIONS

MANUFACTURED - to make or process a raw material into a finished product; create, or to produce or to turn-out in a mechanical manner.
ASSEMBLED - to fit or join together the parts in a manufacturing environment.
PRODUCED - create by manual or physical effort, to make or yield the customary product or products.

MUST BE COMPLETED AND SIGNED

I hereby certify that the above information is true and correct and further certify that this statement complies with all provisions of Section 5.58.010 Revised Code of the City of St. Louis, 1985, as amended.

CITY OF ST. LOUIS/SUPPLY DIVISION
MINORITY/WOMEN BUSINESS ENTERPRISES FORM
(M/WBE FORM)

A. Mayor's Executive Order #28, Section Six - Supply Contracts

1. The goal of the City of St. Louis is that 25% of the value of all contracts let and purchases made by the Supply Commissioner shall be let or made with Minority Business Enterprises (MBEs) and that 5% of the value of all contracts let and purchases made by the Supply Commissioner shall be let or made with Women's Business Enterprises (WBEs).
2. All contracts let by the Supply Division for the purchase or lease of materials, equipment, supplies, commodities or services, the estimated cost of which exceeds $500, shall be subject to this goal.
3. The methods by which the Supply Commissioner shall pursue this goal shall include but not be limited to the following:
   a. The Supply Commissioner shall solicit bids from minority business enterprises and women's business enterprises certified to supply the required materials, equipment, supplies or services;
   b. St. Louis Airport Authority (SLAA) shall provide the Supply Commissioner with a list of minority business enterprises and women's business enterprises qualified to provide each of those commodities that the Supply Commissioner indicates are required by the City;
   c. The Supply Commissioner shall notify SLAA prior to solicitation of bids whenever no such qualified businesses are available;
   d. SLAA shall attempt to identify such qualified businesses, and if successful, shall notify the Supply Commissioner of their availability; and
   e. The Supply Commissioner shall provide such minority business enterprises and women's business enterprises every practical opportunity to submit bids.
4. Joint ventures or mentor-protégé relationships between prime contractors and subcontractors with local MBE and WBE firms are encouraged.
5. Participation of MBE and WBE firms located outside the St. Louis Metropolitan Statistical Area (SMSA) shall not count toward the goals established in this order.

B. SUPPLY DIVISION POLICY

It is the policy of the Supply Division that all bids/contracts awarded adhere to the Mayor's Executive Order #28. All vendors are encouraged to comply with this policy and all other provisions of Executive Order #28. A copy of Executive Order #28 is available upon request. Each Vendor/ Contractor (bidder) must complete, sign and return this M/WBE Form. Failure to complete, sign and return the M/WBE Form will result in the bid being declared non responsive and your bid may be eliminated.

C. OBLIGATION

The bidder agrees to make a good faith effort to ensure that M/WBE businesses have an opportunity to participate in the performance of contracts or subcontracts financed in whole or in part with City funds. The bidder will take all necessary and reasonable steps to ensure that said businesses have an opportunity to compete for and perform under this bid/contract. The bidder shall not discriminate on the basis of race, color, national origin or sex in the award and performance of bids/contracts. The Directory of Disadvantaged, Minority and Women Owned Business Enterprises certified by the City of St. Louis, can be viewed at www.mwdbe.org.

CITY OF ST LOUIS, MISSOURI
INSTRUCTION TO BIDDERS (for request for quotations - RFQs)

VENDORS SHOULD CAREFULLY READ THE FOLLOWING INSTRUCTIONS AND TERMS AND CONDITIONS, BEFORE SUBMITTING QUOTATION. **CAUTION: THIS IS NOT AN ORDER**

- Quotations will only be accepted on this form which must be returned in a **sealed envelope**. *The upper left corner of the envelope must include the following information: Vendor Name, Quotation Number and the Due By Date.* This information is also required on any mail delivered next day or overnight.
- Quotations should be typewritten or in ink. Altered or erased unit price(s) must be initialed. One copy of Quotation Sheet must be submitted, please retain a copy for your files.
- The Supply Commissioner reserves the right to reject any or all bids.
- The Supply Commissioner reserves the right to make awards on an item basis or on a total basis.
- Bidders must quote Unit Price(s) and Extension on each item. When an error appears on an extension, the Unit Price(s) will govern.
- When Quotation Sheet requests item(s) by brand name and your quote is for an alternate brand – show brand name(s) with model number(s) and attach full specifications.
- When Quotation Sheet has only a general description(s) of item(s) required – show brand name with model number(s) and attach full specifications.
- Suppliers shall not offer more than one bid on each item. Two or more quotations on the same item may cause a rejection of the bid. Suppliers must determine which one of their many styles or types fully meet the specification.
- Freight or delivery charges must be included in quote, or shown separately on quote, so bid can be evaluated.
- **Bids must arrive no later than NOON** on the date stated or will be rejected. Faxed or E-mailed bids are not accepted unless specifically requested.
- Bids will be publicly opened on the date specified beginning at NOON.
- Prices quoted will be considered firm.
- Bids having an acceptance limit of less than 30 days after opening date may be rejected.
- Time of proposed delivery must be stated in definite terms.
- Failure of Bidder to understand the item(s) requested or any part of the specifications will not be a valid reason for bidding on the wrong item(s). Any questions regarding description of item(s) requested should be cleared with the Buyer listed in the bid document.
- **Samples** when requested must be delivered before actual time of bid opening with each sample plainly tagged showing the name of Bidder, Quotation Number, Brand Name and lot number or quality. Submission of samples does not relieve bidder from meeting the specifications as outlined in the Bid Documents unless the bidder specifically states they are bidding on an alternate.
- All samples are to be submitted to the address listed below unless otherwise stated in Bid Documents.
- Deliveries must be accompanied by a packing slip or invoice, listing the Department, Quotation Number, and the exact quantities of each item included in the shipment.
- ONLY U.S.P., N.F., OR N.N.D. DRUGS ARE ACCEPTABLE. ALL DRUGS MUST COME IN MANUFACTURER'S ORIGINAL PACKAGES, PROPERLY SEALED.
- In the event the successful bidder fails to make delivery of any item or items that meet the conditions and requirements as outlined in this proposal within 7 days of time stated by bidder on face of this quotation sheet, the City reserves the right to purchase said item or items on the "OPEN MARKET" and charge any costs above the BID PRICE to the bidder.
- The laws of the State of Missouri provide that the City of St. Louis pay no State Sales or Use Tax or Federal Excise Taxes and these taxes should be excluded from your bid price. Federal Excise Tax Exemption Certificates will be furnished to successful bidder.
- Suppliers shall save harmless the City of St. Louis from the payment of any and all claims or demands arising out of any infringement, alleged infringement, or use of any patent or patented device, article, system, arrangement, material or process used by him in the execution of this contract.

- Supply Division hours are Monday through Friday – 8:00 A.M. to 5:00 P.M. Main Number: 314-622-4580.

All bids must be submitted in a SEALED ENVELOPE and mailed to:
