**ADDENDUM NO. 6  
BID OPENING: March 29, 2016**

**TO:** ALL BIDDERS  
**FROM:** JOHN CASSIDY, BUYER  
**DATE:** March 22, 2016  
**RE:** Auto Parts (Aftermarket)

This addendum is issued prior to bid opening to provide information based on questions received.

Q1: Addendum#4 states that price sheets do not have to be submitted because manufacturers no longer supply price sheets and our website will be used to check pricing.

Addendum#5 sheet B still lists a column for a price sheet number and price sheet price. What should we put in these columns? I was planning on putting the word computer in the price sheet number column and repeat your cost in the price sheet price column. Would that be OK?

A1: If it's computer based then that is what you would put there. But you still need to put a price there.

All bidders must attach this form to the original Bid/Quote Form. This completed, signed form will serve as acknowledgement that this information has been received.
