**ADDENDUM NO. 1
BID OPENING: February 24, 2016**

TO: ALL BIDDERS
FROM: JOHN CASSIDY, BUYER
DATE: January 29, 2016
RE: Automotive Body or Transmission Parts

This addendum is issued prior to bid opening to provide information based on questions received.

- Q1: This bid states "All or Nothing" which I interpret as we must bid on both the body parts and the transmission parts to be considered for the bid. Is this correct?
A1: No. You may bid just the Body Parts or Transmission Parts.
- Q2: If this is correct are we allowed to partner with another supplier to present a complete bid?
A2: See A1
- Q3: On page 26 of the package, page 3 of "City of St. Louis Instructions and Conditions For Invitation for Bid And Request For Quotations" section #14 Evaluation of Bids for Multiple Awards, states you could make multiple awards. Does this mean even though the bid states only one bidder will be awarded that it could be awarded to multiple bidders?
A3: This was a boiler added to the bid, please disregard. Bid will be awarded to only one (1) bidder for Body Parts & one (1) bidder for Transmission Parts.
- Q4: If we submit a bid only for the transmission parts then we will be disqualified from this bid opportunity?
A4: No. You may bid on either the Transmission Parts or Body Parts. Also, you may bid on both if you would like.

All bidders must attach this form to the original Bid/Quote Form. This completed, signed form will serve as acknowledgement that this information has been received.
