A. EXISTING CONDITIONS AND FINDINGS OF BLIGHT

1. DELINEATION OF BOUNDARIES

The 1574-82 Fairmont Ave. Area ("the Area") more fully described in Exhibit "A" attached hereto and incorporated herein by reference, consists of two vacant parcels on an area approximating 0.46 acres in the Franz Park Neighborhood. The Area is located on the west side of Fairmont Ave. between Mitchell Ave. and Dale Ave.

The legal description of the Area is attached and labeled Exhibit "A". The boundaries of the Area are delineated on Exhibit "B" ("Project Area Plan").

2. GENERAL CONDITION OF THE AREA

The Area comprises a portion of City Block 4613.01. The Area is in fair condition. The physical conditions within the Area are shown on Exhibit "B" (Project Area Plan). For the purpose of this Plan, "Fair Condition" means (1) property that is generally structurally sound but suffers from inadequate maintenance and upkeep, or (2) vacant unimproved property that is under-utilized. "Poor Condition" means (1) buildings that are structurally unsound and/or substantially deteriorated, requiring major improvements such as new roofs, windows, systems, etc., in order to be used productively, or (2) property without buildings which is poorly maintained, has crumbling pavement, and/or is used for open storage.

Unemployment figures, computed by the Missouri State Employment Service, indicate a 10.2 unemployment rate for the City as of April, 2012. It is estimated that this rate is prevalent for residents of the neighborhoods surrounding the Area.

There are currently no jobs within the Area.

3. PRESENT LAND USE OF THE AREA

Existing land uses within the Area include an unoccupied residential building.

The land use, including the location of public and private uses, streets and other rights-of-way is shown on Exhibit "B".

4. PRESENT LAND USE AND DENSITY OF SURROUNDING PROPERTIES

The properties surrounding the Area are primarily used for residential purposes.

Residential density for the surrounding neighborhoods is approximately 9.66 persons per acre.

5. CURRENT ZONING

The Area is zoned "A" Single Family Dwelling District pursuant to the Zoning Code of the City, which is incorporated in this Plan by reference.

6. FINDING OF BLIGHT

None of the property within the Area is occupied and the Area is in the conditions described in Exhibit "F". The existence of deteriorated property constitutes an economic or social liability to the City and presents a hazard to the health and well-being of its citizens. The preponderance of properties in the Area has been determined to

be blighted within the meaning of Section 99.300-99.715 *et seq.* RSMo, as amended (the "Land Clearance for Redevelopment Authority Law") as evidenced by the Blighting Report attached hereto, labeled Exhibit "F" and incorporated herein by this reference.

B. PROPOSED DEVELOPMENT AND REGULATIONS

1. DEVELOPMENT OBJECTIVES

The primary objective of this Plan is to facilitate the development of the Area into productive residential uses.

2. PROPOSED LAND USE OF THE AREA

The proposed land uses for the Area are residential uses permitted in Areas designated "A" Single Family Dwelling District by the City of St. Louis Zoning Code. Redevelopers authorized by the Land Clearance for Redevelopment Authority of the City of St. Louis ("LCRA") to develop property in the Area (hereafter referred to as "Redeveloper") shall be permitted to use said property only for the above proposed uses.

Exhibit "C" (Proposed Land Use) shows the proposed uses for the Area. The 2005 Strategic Land Use Plan designates it as a Neighborhood Preservation Area.

3. PROPOSED ZONING

The zoning for the Area can remain "A" Single Family Dwelling District. All land coverage and building intensities shall be governed thereby.

4. RELATIONSHIP TO LOCAL OBJECTIVES

The proposed land uses, zoning, public facilities and utility plans are appropriate and consistent with local objectives as defined by the General Plan of the City which includes the "Strategic Land Use Plan" (as amended 2011). Any specific proposal to the LCRA for redevelopment of the Area or any portion of the Area shall contain, among other things, adequate provisions for traffic, vehicular parking, safety from fire, adequate provisions for light and air, sound design and arrangement, and improved employment opportunities.

5. PROPOSED EMPLOYMENT FOR THIS AREA

No new jobs will be created in this Area because the proposed development is residential.

6. CIRCULATION

The Proposed Land Use Plan (Exhibit "C") indicates the proposed circulation system for the Area. The layouts, levels and grades of all public rights-of-way may remain unchanged.

Rights-of-way changes will be subject to the review and approval of the City Department of Streets, and all vacations of rights-of-way are subject to approval by ordinance.

7. BUILDING AND SITE REGULATIONS

The Area shall be subject to all applicable federal, state and local laws, ordinances, regulations and codes, including but not limited to, the City Building Code, Zoning District Regulations, and stipulations of the Planning and Urban Design Agency ("PDA") of the City. The population densities, land coverage, and building intensities of redevelopment shall be governed by the Zoning Code. No changes in the building codes or ordinances are required.

The Redeveloper(s) shall redevelop the Area in accordance with this Plan and the Redevelopment Agreement (if any) ("Agreement"), and shall maintain all structures, equipment, paved areas, and landscaped areas controlled by the Redeveloper(s) in good and safe order both inside and outside, structurally and otherwise, including necessary and proper painting. Failure to meet these requirements may result in suspension of tax abatement.

8. URBAN DESIGN

- 1.) **Rehabilitation** shall respect the original exterior of the structures in the Area in terms of design and materials. Window and door shapes and detailing shall be compatible with the original design
- 2.) **New construction** or alterations shall be positioned on the lot so that any existing recurrent building masses and spaces along the street are continued as well as the pattern of setback from the street.
- 3.) **New Exterior Materials** on facades of structures in the Area visible from the street(s) shall be compatible in type and texture with the dominant materials of adjacent buildings. Artificial masonry such as "Permastone" is not permitted. A submission of all building materials shall be required prior to building permit approval.
- 4.) **Architectural Details** on existing structures in the Area shall be maintained in a similar size, detail and material. Where they are badly deteriorated, similar details salvaged from other buildings may be substituted. Both new and replacement window and doorframes shall be limited to wood or color finished aluminum on the street facing facades, including basement windows. Raw or unfinished aluminum and glass block are not acceptable. Awnings of canvas only are acceptable.
- 5.) **Roof Shapes** that are employed in a predominance of existing buildings in a block shall set the standard of compatibility for any proposed new construction or alteration.
- 6.) **Roof Materials** shall be slate, tile, copper or asphalt shingles where the roof is visible from the street. Brightly colored asphalt shingles are not appropriate.

c. **Landscaping**

The Area shall be well-landscaped. Perimeter street trees of a minimum caliper of 2-1/2 inches and generally 30-35 feet on center, depending upon tree type, utilities, curb cuts, etc., shall be provided along all public or private streets - preferably in tree lawns along the curb. If necessary, sidewalks shall be notched to accommodate the trees.

Ornamental or shade trees should be provided in the front lawns along with evergreen accent shrubs.

Existing, healthy trees shall be retained, if feasible.

d. **Fencing**

Fencing in the front yards shall be limited to ornamental metal with a black matte finish. Fencing behind the building line and not facing a street may be chain link with a black matte finish, or a good quality, privacy fence provided it is not wood stockade style. Fencing facing a side street shall be ornamental metal or a good quality board fence up to six (6) feet in height provided landscaping is provided between the fence and the sidewalk.

9. PARKING REGULATIONS

Parking shall be provided in accordance with the applicable zoning and building code requirements of the City, including PDA standards. This will provide adequate vehicular parking for the Area.

Where feasible, parking shall be limited to the rear of the property in the Area off the alley, and at least one space shall be provided for each residential unit. In addition, surface parking shall not extend beyond the established building line. Surface parking along public streets shall be buffered by a continuous evergreen hedge at least two and one-half (2 ½) feet high on planting and maintained at three and one-half (3 ½) feet high at maturity.

10. SIGN REGULATIONS

All new signs shall be limited as set out in the City Code, PDA stipulations, this Plan and contracts between the LCRA and the Redeveloper. All new signs shall be restricted to standard sale/lease signs.

11. BUILDING, CONDITIONAL USE AND SIGN PERMITS

No building, conditional use, or sign permits shall be issued by the City without the prior written recommendation of the LCRA.

12. PUBLIC IMPROVEMENTS

No additional schools, parks, recreational and community facilities or other public facilities will be required. Additional water, sewage or other public utilities may be required depending on redevelopment. The cost of such utility improvements will be borne by the Redeveloper.

If funds are available to the LCRA, it may provide public improvements including, but not limited to, measures for the control of traffic, improvements to street lighting, street trees, and any other improvements which may further the objectives of this Plan.

When developed in accordance with this Plan, the Area will comprise a coordinated, adjusted and harmonious development that promotes the health, safety, morals, order, convenience, prosperity, general welfare, efficiency and economy of the City.

C. PROPOSED SCHEDULE OF DEVELOPMENT

It is estimated that the implementation of this Plan will take place in multiple phases initiated within approximately one (1) year of approval of this Plan by City ordinance and completed within approximately two (2) years of approval of this Plan by City ordinance.

The LCRA may alter the above schedule as economic conditions warrant.

D. EXECUTION OF PROJECT

1. ADMINISTRATION AND FINANCING

The LCRA is empowered by Missouri law to administer redevelopment of all types pursuant to this Plan and can do so to the extent and in the manner prescribed by the Land Clearance for Redevelopment Authority Law.

All costs associated with the redevelopment of the Area will be borne by the Redeveloper(s).

Implementation of this Plan may be financed by funds obtained from private and/or public sources, including, without limitation, revenue bonds, bank loans, and equity funds provided by the Redeveloper(s).

2. PROPERTY ACQUISITION

The Project Area Plan-Acquisition Map, Exhibit "D" attached, identifies all the property located in the Area. The LCRA may not acquire any property in the Area by the exercise of eminent domain.

3. PROPERTY DISPOSITION

If the LCRA acquires property in the Area, it may sell or lease the property to Redeveloper(s) who shall agree to redevelop such property in accordance with this Plan and the Agreement between such Redeveloper(s) and the LCRA. Any property acquired by the LCRA and sold to Redeveloper(s) will be sold at not less than its fair value, taking into account and giving consideration to those factors enumerated in Section 99.450, RSMo. as amended, for uses in accordance with this Plan.

4. RELOCATION ASSISTANCE

None of the property within the Area is currently occupied. If it should become occupied, all eligible occupants displaced as a result of the implementation of this Plan shall be given relocation assistance in accordance with all applicable federal, state and local laws, ordinances, regulations and policies.

The City and its Board of Aldermen, by enacting an ordinance approving this Plan, pledges the cooperation of the City to enable the project to be carried out in a timely manner and in accordance with this Plan.

F. TAX ABATEMENT

A Redeveloper which is an urban redevelopment corporation formed pursuant to Chapter 353 of the Missouri Statutes shall hereby be entitled to real property ad valorem tax abatement which shall not include taxes collected for any Special Business District, Neighborhood Improvement District, Commercial Improvement District, or any other single local taxing district created in accordance with Missouri law, whether now existing or later created, for a total period of up to five (5) years from the commencement of such tax abatement, in accordance with the following provisions:

In addition to such taxes, any such corporation shall for up to the same five (5) year period make a payment in lieu of taxes to the Collector of Revenue of the City of St. Louis in an amount based upon the assessment on the improvements located on the property during the calendar year preceding the calendar year during which such corporation shall have acquired title to such property. If property shall be tax exempt because it is owned by the LCRA and leased to any such corporation, then such corporation for up to the first five (5) years of such lease shall make payments in lieu of taxes to the Collector of Revenue of the City in an amount based upon the assessment on the property, including land and improvements, during the calendar year preceding the calendar year during which such corporation shall lease such property.

All payments in lieu of taxes shall be a lien upon the property and, when paid to the Collector of Revenue of the City shall be distributed as all other property taxes. The principal of and interest on the TIF Notes shall be payable in any coin or currency which, on the respective dates of payment thereof, is legal tender for the payment of debts due the United States of America. Payment shall be made by the Finance Officer as provided in this Note Ordinance and as set forth in **Exhibit B**. Principal and interest shall be payable by check or draft at the office of the Finance Officer or by wire transfer to the person in whose name such TIF Note is registered on the Register on each Payment Date.

Section 2.6 Registration, Transfer and Assignment. So long as the TIF Notes remain outstanding, the City shall cause to be kept at the office of the Finance Officer books for the registration, transfer and exchange of the TIF Notes as herein provided. The TIF Notes when issued shall be registered in the name of the Original Purchaser thereof on the Register.

The TIF Notes and beneficial interest therein may only be purchased by an Original Purchaser and transferred or assigned to the Developer, a Related Entity, a Qualified Institutional Buyer or Project Lender upon the execution by each proposed purchaser, transferee or assignee of a letter in substantially the form of **Exhibit C**, attached hereto and incorporated herein by reference, stating that such Original Purchaser, transferee or assignee (i) is an Approved Investor and (ii) has sufficient knowledge and experience in business and financial matters in general, and investments such as the TIF Notes in particular, to enable the Original Purchaser, transferee or assignee to evaluate the risks involved in an investment in the TIF Notes. The TIF Notes may be transferred and exchanged only upon the records of the City. Upon surrender of a TIF Note to the Finance Officer, the Finance Officer shall transfer or exchange the TIF Notes for a new TIF Note or TIF Notes, which shall be (i) in the form of fully registered Notes without coupons in minimum denominations of One Thousand Dollars (\$1,000), except with respect to the TIF Notes issued upon acceptance by the City of the final Certificate of Reimbursable Redevelopment Project Costs, which TIF Notes may be issued in any denomination,

subject to the limitation on the aggregate principal amount, and (ii) of the same Maturity Date and in the same aggregate principal amount outstanding as the TIF Note which was presented for transfer or exchange. The TIF Notes presented for transfer or exchange shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in a form and with guarantee of signature satisfactory to the Finance Officer, duly executed by the Owner thereof or by the Owner's duly authorized agent. Upon any transfer, exchange or assignment as provided in this Section, the transferor shall reimburse the City for all of the reasonable out-of-pocket costs incurred by the City in connection with the administration of such transfer, exchange or assignment.

Section 2.7 Execution, Authentication and Delivery of the TIF Notes. Each of the TIF Notes, including any TIF Notes issued in exchange or as substitution for the TIF Notes initially delivered, shall be signed by the manual or facsimile signature of the Mayor and the Finance Officer of the City, attested by the manual or facsimile signature of the City Register, and shall have the official seal of the City affixed thereto or imprinted thereon. If any officer whose signature appears on any TIF Note ceases to be such officer before the delivery of such TIF Note, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such person had remained in office until delivery. Any TIF Note may be signed by such persons who at the actual time of the execution of such TIF Note are the proper officers to sign such TIF Note although at the date of such TIF Note such persons may not have been such officers.

The Mayor, Finance Officer and City Register are hereby authorized and directed to prepare and execute the TIF Notes as hereinbefore specified, and when duly executed, to deliver the TIF Notes to the Finance Officer for authentication.

The TIF Notes shall have endorsed thereon a certificate of authentication substantially in the form set forth in **Schedule A of Exhibit B** hereto, which shall be manually executed by an authorized signatory of the Finance Officer, but it shall not be necessary that the same signatory sign the certificate of authentication on all of the TIF Notes that may be issued hereunder at any one time. No TIF Note shall be entitled to any security or benefit under this Ordinance or be valid or obligatory for any purpose until the certificate of authentication has been duly executed by the Finance Officer. Such executed certificate of authentication upon any TIF Note shall be conclusive evidence that such TIF Note has been duly authenticated and delivered under this Ordinance.

The TIF Notes shall be initially executed and authenticated by the City upon the last to occur of the following: (i) acceptance or deemed acceptance of the Certificate of Substantial Completion; (ii) approval of a Certificate of Reimbursable Redevelopment Project Costs; (iii) receipt of an opinion of Bond Counsel regarding the taxable nature of the TIF Notes; (iv) the full payment of all advances required to be paid under Section 2.2 of the Redevelopment Agreement; and (v) receipt of such other documentation as the City shall reasonably require of Developer and any Original Purchaser, in order for the City to obtain an opinion of Bond Counsel as required by this Section 5.1 of the Redevelopment Agreement.

Upon the Developer's satisfaction of the foregoing conditions and upon approval of each Certificate of Reimbursable Redevelopment Project Costs, the Finance Officer shall either: (i) at the request of the City upon instructions of the Developer, endorse an outstanding TIF Note on Schedule A thereto to evidence an increase in the aggregate principal amount equal to such Reimbursable Redevelopment Project Costs, or (ii) at the request of the City upon instructions of the Developer issue a new TIF Note in a principal amount equal to such Reimbursable Redevelopment Project Costs, or any combination thereof. Each date of endorsement of each such TIF Note shall be the date of acceptance by the City of each Certificate of Reimbursable Redevelopment Project Costs except that the initial endorsement of each TIF Note shall be dated the Issuance Date of such TIF Note. Thereupon, pursuant to Section 2.2(h), the TIF Notes shall either be held or delivered to or upon the order of the party submitting the Certificate of Reimbursable Redevelopment Project Costs relating to such Notes. Upon acceptance by the City of such a Certificate of Reimbursable Redevelopment Project Costs in accordance with the Redevelopment Agreement and upon execution and authentication of the TIF Notes as required by this Ordinance, the Developer shall be deemed to have advanced funds to the City in an amount equal to the purchase price of the TIF Notes, which shall be one hundred percent (100%) of the face amount of the TIF Notes, and, upon the issuance of an endorsement of the TIF Notes as provided in the preceding paragraph, the City shall be deemed to have reimbursed the Developer in full for such Reimbursable Redevelopment Project Costs.

Section 2.8 Mutilated, Lost and Stolen TIF Notes. If any mutilated TIF Note is surrendered to the Finance Officer or the Finance Officer receives evidence to his/her satisfaction of the destruction, loss or theft of any TIF Note and there is delivered to the Finance Officer such security or indemnity as may be required by it to save the City and the Finance Officer harmless, then, in the absence of notice to the Finance Officer that such TIF Note has been acquired by a bona fide purchaser, the City shall execute and the Finance Officer shall register and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen TIF Note, a new TIF Note with the same Maturity Date and of like tenor and principal amount. Upon the issuance of any new TIF Note under this Section, the City and the Finance Officer may require the payment by the Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses connected therewith. If any such mutilated, destroyed, lost or stolen TIF Note has become or is about to become due and payable, the Finance Officer may, in its discretion, pay such TIF Note instead of issuing a new TIF Note.

Section 2.9 Cancellation, Discharge and Abatement of TIF Notes. All TIF Notes that have been paid or redeemed or that otherwise have been surrendered to the Finance Officer, either at or before the Maturity Date, shall be canceled and destroyed by the Finance Officer in accordance with existing security regulations upon the payment or redemption of such TIF Note and the surrender thereof to the Finance Officer. The Finance Officer shall execute a certificate in duplicate describing the TIF Notes so cancelled and destroyed, and shall file an executed counterpart of such certificate with the City.

NOTWITHSTANDING ANY PROVISION HEREIN TO THE CONTRARY, THE TIF NOTES ARE SUBJECT TO CANCELLATION AND DISCHARGE BY THE CITY IN WHOLE OR IN PART WITHOUT PENALTY UNDER THE CONDITIONS SET FORTH IN THE REDEVELOPMENT AGREEMENT.

ARTICLE III REDEMPTION AND PAYMENT OF PRINCIPAL AND INTEREST

Section 3.1 Optional Redemption. The TIF Notes are subject to optional redemption by the City in whole at any time or in part on any Payment Date at a redemption price of 100% of the principal amount of the TIF Note to be redeemed, plus accrued interest thereon to the date fixed for redemption. The TIF Notes shall be called by the City for optional redemption pursuant to this Section without the necessity of any action by the City other than as provided in **Section 4.3** of this Ordinance. If only a partial redemption is to occur, then each TIF Note from within a Series shall be redeemed in the order of maturity designated by the City, and within any maturity the TIF Notes shall be redeemed in Authorized Denominations by the City in such manner as it may determine. In the event of an optional redemption of the Notes, unless waived by any Registered Owner of Notes to be redeemed, official notice of any redemption shall be given by the Finance Officer on behalf of the City by mailing a copy of an official redemption notice by first class mail, postage prepaid, at least thirty (30) days (five days if all of the Notes are owned by the Developer) and not more than sixty (60) days prior to the date fixed for redemption, to each Registered Owner of the Notes to be redeemed at the address shown on the Note Register.

All official notices of optional redemption shall be dated and shall contain the following information: (a) the redemption date; (b) the redemption price; (c) if less than all outstanding Notes are to be redeemed, the identification number and maturity date(s) (and, in the case of partial redemption of any Notes, the respective principal amounts) of the Notes to be redeemed; (d) a statement that on the redemption date the redemption price will become due and payable upon each Note or portion thereof called for redemption and that interest thereon shall cease to accrue from and after the redemption date; and (e) the place where such Notes are to be surrendered for payment of the redemption price, which shall be the office of the Finance Officer. The failure of any Registered Owner to receive notice given as heretofore provided or an immaterial defect therein shall not invalidate any redemption.

Section 3.2 Special Mandatory Redemption. All TIF Notes are subject to special mandatory redemption by the City on each Payment Date, at a redemption price equal to 100% of the principal amount being redeemed, together with accrued interest thereon to the date fixed for redemption, which amount of principal being redeemed shall be an amount equal to Available Revenues then on deposit in the applicable account of the Special Allocation Fund and which will not be required for the payment of interest on such Payment Date.

In the event of a special mandatory redemption of any Notes with a Registered Owner other than Developer or a Related Entity, unless waived by such Registered Owner of Notes to be redeemed, official notice of any redemption shall be given by the Finance Officer on behalf of the City by mailing a copy of an official redemption notice by first class mail, postage prepaid, at least thirty (30) days and not more than sixty (60) days prior to the date fixed for redemption, to each Registered Owner other than Developer or a Related Entity of the Notes to be redeemed at the address shown on the Note Register.

Section 3.3 Selection of Notes to be Redeemed. TIF Notes shall be redeemed only in Authorized Denominations. When less than all of the outstanding TIF Notes are to be redeemed and paid prior to maturity, such TIF Notes or portions of TIF Notes from within the same Series to be redeemed shall be selected in Authorized Denominations by the Finance Officer in such equitable manner as it may determine. In the case of a partial redemption of TIF Notes from within the same Series when TIF Notes of denominations greater than the minimum Authorized Denomination are then outstanding, then for all purposes in connection with such redemption each Authorized Denomination unit of face value shall be treated as though it was a separate TIF Note of the denomination of the minimum Authorized Denomination.

Section 3.4 Notice and Effect of Call for Redemption. In the event of any optional or special mandatory redemption of the Notes, unless waived by any Registered Owner of Notes to be redeemed, official notice of any redemption shall be given by the Finance Officer on behalf of the City by mailing a copy of an official redemption notice by first class mail to each Registered Owner of the Notes to be redeemed at the address shown on the Note Register.

All official notices of redemption shall be dated and shall contain the following information:

- (a) the redemption date;
- (b) the redemption price;
- (c) if less than all outstanding Notes are to be redeemed, the identification (and, in the case of partial redemption of any Notes, the respective principal amounts) of the Notes to be redeemed;
- (d) a statement that on the redemption date the redemption price will become due and payable upon each Note or portion thereof called for redemption and that interest thereon shall cease to accrue from and after the redemption date; and
- (e) the place where such Notes are to be surrendered for payment of the redemption price, which shall be the office of the Finance Officer.

The failure of any Registered Owner to receive notice given as heretofore provided or an immaterial defect therein shall not invalidate any redemption. All Notes that have been redeemed shall be cancelled and destroyed by the Finance Officer as provided herein and shall not be reissued.

ARTICLE IV FUNDS AND REVENUES

Section 4.1 Creation of Funds and Accounts. There are hereby created or ratified and ordered to be established in the treasury of the City the Special Allocation Fund into which all TIF Revenues shall be deposited, and within it the following separate funds and accounts:

- (a) PILOTS Account;
- (b) an EATS Account;
- (c) a Revenue Fund and, within it, (i) a PILOTS Account; and (ii) an EATS Account, into which all Available Revenues shall be deposited;
- (d) a Debt Service Fund, and, within it, (i) a Series A Account; and (ii) a Series B Account; and
- (e) a Debt Service Reserve Fund, if established on the Issuance Date; and
- (f) a Project Fund.

Section 4.2 Administration of Funds and Accounts. The Special Allocation Fund and the funds and accounts established therein shall be maintained in the treasury of the City and administered by the City solely for the purposes and in the manner as provided in the Act, this Ordinance, the Approving Ordinance, and the Authorizing Ordinance so long as any TIF Notes remain outstanding hereunder.

Section 4.3 Revenue Fund.

- (a) On or before the date that is five (5) days prior to each Payment Date while the TIF Notes remain outstanding, the City shall transfer and deposit:
 - (i) Those Available Revenues attributable to PILOTS into the PILOTS Account of the Revenue Fund; and
 - (ii) Those Available Revenues attributable to EATS into the EATS Account of the Revenue Fund.
- (b) Available Revenues in the Revenue Fund shall be applied, first from the EATS Account and second from the PILOTS Account for the purposes and in the amounts as follows:

First, to payment of arbitrage rebate, if any, owed with respect to the TIF Notes under Section 148 of the Internal Revenue Code of 1986, as amended, including any costs of calculating arbitrage rebate;

Second, to the Finance Officer of the City and the St. Louis Development Corporation (which monies shall be paid one half to the Finance Officer and one half to the St. Louis Development Corporation), 0.2% of the Notes outstanding on each Payment

Date, plus any accumulated deficiency from previous years, plus an amount sufficient to pay all or any portion of the fees and expenses incurred by the City pursuant to Section 7.15 of the Agreement that have not otherwise been reimbursed to the City through the issuance of TIF Notes;

Third, to Series A Account of the Debt Service Fund, an amount sufficient to pay all or any portion of the past due interest owing as a result of prior deficiencies of moneys to pay interest due on any Series A TIF Notes on each Payment Date;

Fourth, to the Series A Account of the Debt Service Fund, an amount sufficient to pay all or any portion of the accrued interest becoming due and payable on any Series A TIF Notes on each Payment Date;

Fifth, to the Series A Account of the Debt Service Fund, an amount sufficient to pay the interest on the Series A TIF Notes on the next succeeding Payment Date;

Sixth, for transfer to the Debt Service Reserve Fund, if established, such amount as may be required to restore any deficiency in the Debt Service Reserve Fund if the amount on deposit in the Debt Service Reserve Fund is less than the Debt Service Reserve Requirement;

Seventh, to the Series A Account of the Debt Service Fund, an amount sufficient to pay the principal of any Series A TIF Notes that are subject to redemption pursuant to the Note Ordinance on each Payment Date;

Eighth, if no Series A Notes are outstanding, to the Series B Account of the Debt Service Fund, an amount sufficient to pay all or any portion of the past due interest owing as a result of prior deficiencies of moneys to pay interest due on the Series B Note on each Payment Date;

Ninth, if no Series A Notes are outstanding, to the Series B Account of the Debt Service Fund, an amount sufficient to pay all or any portion of the accrued interest becoming due and payable on any Series B Note on each Payment Date;

Tenth, if no Series A Notes are outstanding, to the Series B Account of the Debt Service Fund, an amount sufficient to pay the interest on the Series B Notes on the next succeeding Payment Date;

Eleventh, if no Series A Notes are outstanding, to the Series B Account of the Debt Service Fund, an amount sufficient to pay the principal of any Series B Note that is subject to redemption pursuant to this Note Ordinance on each Payment Date; and

Twelfth, all other remaining money in the PILOTS Account and the EATS Account of the Special Allocation Fund shall annually be declared as surplus and distributed in the manner provided in the TIF Act, as applicable.

If monies available in the Special Allocation Fund are insufficient to reimburse the City as provided above on any Payment Date, then the unpaid portion shall be carried forward to the next Payment Date, with interest thereon at the same rate as the Series A Notes.

(c) Upon the payment in full of the principal of and interest on all TIF Notes (or provision has been made for the payment thereof as specified in the Note Ordinance), payment in full of the fees and expenses of the Finance Officer and the St. Louis Development Corporation, and payment in full of any other amounts required to be paid under this Ordinance, all amounts remaining on deposit in the Revenue Fund shall be declared as surplus and distributed in the manner provided in the Act.

Section 4.4 Debt Service Fund.

(a) All amounts paid and credited to the Debt Service Fund shall be expended solely for (i) the payment of the principal of and interest on the TIF Notes as the same mature and become due or upon the redemption thereof, said TIF Notes all being subject to special mandatory redemption thereof, or (ii) to purchase Notes for cancellation prior to maturity.

(b) The City hereby authorizes and directs the Finance Officer to withdraw sufficient moneys from the Debt Service Fund to pay the principal of and interest on the TIF Notes as the same become due and payable, and to make said moneys so withdrawn available for the purpose of paying said principal of and interest on the TIF Notes.

(c) After payment in full of the principal of and interest on the TIF Notes (or provision has been made for the payment thereof as specified in this Ordinance), payment of the fees and expenses of the Finance Officer, and payment of any other amounts required to be paid under this Ordinance, all amounts remaining in the Debt Service Fund shall be declared as surplus and distributed in the manner provided in the Act.

Section 4.5 Project Fund. Upon acceptance by the City of a Certificate of Reimbursable Redevelopment Project Costs and the issuance or endorsement of a TIF Note pursuant to **Section 2.7** of this Ordinance, the Developer shall be deemed to have advanced funds necessary to purchase such TIF Note and the City shall be deemed to have deposited such funds in the Project Fund and shall be deemed to have reimbursed the Developer or paid for in full for such costs from the amounts deemed to be on deposit in the Project Fund.

Section 4.6 Debt Service Reserve Fund. Except as herein otherwise provided, funds on deposit in the Debt Service Reserve Fund shall be used and applied by the Finance Officer solely to prevent a default in the event moneys on deposit in the Debt Service Fund shall be insufficient to pay the principal of and interest on the Series A Notes as the same become due. The Finance Officer may disburse and expend moneys from the Debt Service Reserve Fund whether or not the amount therein equals the Debt Service Reserve Fund Requirement. Moneys on deposit in the Debt Service Reserve Fund may be used to pay Series A Notes called for redemption or to purchase Series A Notes in the open market, prior to the Maturity Date, provided all Notes at the time outstanding are called for redemption or purchased and sufficient funds are available therefore. Moneys on deposit in the Debt Service Reserve Fund shall be used to pay and retire the Series A Notes last becoming due, unless such Notes and all interest thereon are otherwise paid.

So long as the sum on deposit in the Debt Service Reserve Fund shall aggregate an amount equal to the Debt Service Reserve Fund Requirement, investment earnings on funds on deposit in the Debt Service Reserve Fund shall be deposited into the Series A Account of the Debt Service Fund; provided, however, that if no Series A Notes are then outstanding, such investment earnings shall be deposited into the Series B Account of the Debt Service Fund. If the sum on deposit in the Debt Service Reserve Fund shall be less than the Debt Service Reserve Fund Requirement, investment earnings on funds in the Debt Service Reserve Fund shall remain therein and be applied to reducing such deficiency.

So long as the sum on deposit in the Debt Service Reserve Fund shall aggregate an amount equal to the Debt Service Reserve Fund Requirement on each Payment Date, no further deposits to said Debt Service Reserve Fund shall be required. Investments and moneys in the Debt Service Reserve Fund shall be valued at the market value thereof, exclusive of accrued interest, by the Finance Officer on and the amount on deposit therein determined accordingly.

After payment in full of the principal of, premium, if any, and interest on the Notes (or provision has been made for the payment thereof as specified in the Ordinance), the fees, charges and expenses of the Finance Officer and any Paying Agent and any other amounts required to be paid under the Ordinance or any other instrument entered into with respect to the Notes, all amounts remaining in the Debt Service Reserve Fund shall be paid to the City.

Section 4.7 Nonpresentment of Notes. If any TIF Note is not presented for payment when the principal thereof becomes due at stated maturity or prior redemption date, if funds sufficient to pay such TIF Note have been made available to the Finance Officer, all liability of the City to the Registered Owner thereof for the payment of such TIF Note shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Finance Officer to hold such funds, without liability for interest thereon, for the benefit of the Registered Owner of such TIF Note, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Ordinance or on, or with respect to, said TIF Note. If any TIF Note is not presented for payment within five (5) years following the date when such TIF Note becomes due at maturity, the Finance Officer shall repay to the City the funds theretofore held by it for payment of such TIF Note, and such TIF Note shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured obligation of the City, and the Registered Owner thereof shall be entitled to look only to the City for payment, and then only to the extent of the amount so repaid to it by the Finance Officer, and the City shall not be liable for any interest thereon and shall not be regarded as a Finance Officer of such money.

ARTICLE V REMEDIES

Section 5.1 Remedies. The provisions of this Ordinance, including the covenants and agreements herein contained, shall constitute a contract between the City and the Owner. The Owner shall have the right:

(a) by mandamus or other suit, action or proceedings at law or in equity to enforce the rights of the Owner against the City and its officers, agents and employees, and to require and compel duties and obligations required by the provisions of this Ordinance or by the constitution and laws of the State of Missouri;

(b) by suit, action or other proceedings in equity or at law to require the City, its officers, agents and employees to account as if they were the trustees of an express trust; and

(c) by suit, action or other proceedings in equity or at law to enjoin any acts or things which may be unlawful or in

violation of the rights of the Owner.

Section 5.2 Limitation on Rights of Owner. The Owner secured hereby shall not have any right in any manner whatever by its action to affect, disturb or prejudice the security granted and provided for herein, or to enforce any right hereunder, except in the manner herein provided.

Section 5.2 Remedies Cumulative. No remedy conferred herein upon the Owner is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and in addition to every other remedy and may be exercised without exhausting and without regard to any other remedy conferred herein. No waiver of any default or breach of duty or contract by the Owner shall extend to or affect any subsequent default or breach of duty or contract or shall impair any rights or remedies thereon. No delay or omission of the Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein. Every substantive right and every remedy conferred upon the Owner by this Ordinance may be enforced and exercised from time to time and as often as may be deemed expedient. If any suit, action or proceedings taken by the Owner on account of any default or to enforce any right or exercise any remedy has been discontinued or abandoned for any reason, or has been determined adversely to the Owner, then, and in every such case, the City and the Owner shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Owner shall continue as if no such suit, action or other proceedings had been brought or taken.

ARTICLE VI DEPOSIT AND INVESTMENT OF MONEYS

Section 6.1 Deposits of Moneys. All moneys deposited with or paid to the Finance Officer for the account of the various funds established under this Ordinance shall be held by the Finance Officer in trust and shall be applied only in accordance with this Ordinance. The Finance Officer shall not be under any liability for interest on any moneys received hereunder except as otherwise provided herein.

Section 6.2 Investment of Moneys. Moneys held in any fund or account referred to in this Ordinance shall be invested by the City as set forth in Section 95.530 Revised Statutes of Missouri of Missouri, as amended. All earnings on any investments held in any fund shall accrue to and become a part of such fund or account, except the Debt Service Reserve Fund as provided in Section 4.6 herein.

ARTICLE VII MISCELLANEOUS PROVISIONS

Section 7.1 Covenant to Request Appropriations. The City agrees that it shall comply with its Charter, Article XVI, Section 3 for each fiscal year that the TIF Notes are outstanding and the City official(s) shall request an appropriation of all moneys on deposit in the Special Allocation Fund for transfer to the Finance Officer for deposit at the times and in the manner provided in **Section 4.3** of this Ordinance.

Section 7.2 Tax Matters. Neither the City nor the Developer shall use or permit the use of any proceeds of the Tax Exempt TIF Note to acquire any securities or obligations, and shall not take or permit to be taken any other action or actions, which would cause the Tax Exempt TIF Note to be an "arbitrage bond" within the meaning of Section 148(a) of the Code, or "federally guaranteed" within the meaning of Section 149(b) of the Code. The City (to the extent within its power or discretion) and the Developer shall not use or permit the use of any proceeds of the Tax Exempt TIF Note, and shall not take or permit to be taken any other action or actions, which would result in the Tax Exempt TIF Note being treated as other than an obligation described in Section 103(a) of the Code. The City (to the extent within its power or discretion) and the Developer shall not use any portion of the proceeds of the Tax Exempt TIF Note, including any investment income earned on such proceeds, in any manner that would cause the Tax Exempt TIF Note to be a "private activity bond" within the meaning of Section 141(a) of the Code. The officers of the City, including the Mayor, the Finance Officer and the City Register, shall be, and they hereby are, authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Section.

Section 7.3 Payments Due on Saturdays, Sundays and Holidays. In any case where the Payment Date is a Saturday, a Sunday or a legal holiday or other day that is not a business day, then payment of principal or interest need not be made on such date but may be made on the next succeeding business day with the same force and effect as if made on the Payment Date, and no interest shall accrue for the period after such date.

Section 7.4 Notices, Consents and Other Instruments. Any notice, consent, request, direction, approval, objection or other instrument required by this Ordinance to be signed and executed by the Owner of the TIF Notes may be in any number of concurrent writings of similar tenor and may be signed or executed by such Owner in person or by agent appointed in writing. Proof

of the execution of any such instrument or of the writing appointing any such agent and of the ownership of the TIF Note, if made in the following manner, shall be sufficient for any of the purposes of the Ordinance, and shall be conclusive in favor of the City with regard to any action taken, suffered or omitted under any such instrument, namely:

(a) The fact and date of the execution by any person of any such instrument may be proved by a certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such instrument acknowledged before such officer the execution thereof, or by affidavit of any witness to such execution.

(b) The fact of ownership of the TIF Note, the amount or amounts and other identification of the TIF Note, and the date of holding the same shall be proved by the registration books of the City.

Section 7.5 Execution of Documents; Further Authority. The City is hereby authorized to enter into and the Mayor and the Finance Officer of the City are hereby authorized and directed to execute and deliver, for and on behalf of and as the act and deed of the City, the TIF Notes and such other documents, certificates and instruments as may be necessary or desirable to carry out and comply with the intent of this Ordinance. The officers of the City, including without limitation the Mayor, the Finance Officer and the Register, are hereby authorized and directed to execute, and the City Register is hereby authorized and directed where appropriate to attest, all certificates, documents or other instruments, and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Ordinance and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instrument and other documents herein approved, authorized and confirmed which they determine to be in the City's best interest, and the execution or taking of such action shall be conclusive evidence of such determination.

Section 7.6 Severability. If any section or other part of this Ordinance, whether large or small, is for any reason held invalid, the invalidity thereof shall not affect the validity of the other provisions of this Ordinance.

Section 7.7 Governing Law. This Ordinance shall be governed exclusively by and constructed in accordance with the applicable internal laws of the State of Missouri.

Section 7.8 Private Sale. The Board of Aldermen of the City hereby declares that it is in the City's best interest to sell the TIF Notes at private sale because a public sale of the TIF Notes would cause additional expense to the City and because the condition of the current financial markets makes such a public sale not feasible or the best course of action for the City.

Section 7.9 Termination. After adoption of this Ordinance by the Board of Aldermen, this Ordinance shall become effective on the 30th day after its approval by the Mayor or adoption over his veto; provided that if, within ninety (90) days after the effective date of the Authorizing Ordinance, the Developer has not (i) executed the Redevelopment Agreement pertaining to the Redevelopment Project and (ii) paid all fees due to the City in accordance with the terms of the Redevelopment Agreement, the provisions of this Ordinance shall be deemed null and void and of no effect and all rights conferred by this Ordinance on Developer, shall terminate, provided further, however, that prior to any such termination the Developer may seek an extension of time in which to execute the Redevelopment Agreement, which extension may be granted in the sole discretion of the Board of Estimate and Apportionment of the City of St. Louis.

These conditions, therefore, qualify the Area as blighted within the meaning of Section 99.320(3)

RSMo, as amended, and are evidenced by the Blighting Report attached as Exhibit "F" ("Blighting Report") to the Blighting Study and Redevelopment Plan for the Area dated May 22, 2012 which is attached hereto, and labeled Attachment "B" and incorporated herein by reference ("Plan").

SECTION SIX. The financial aid provided and to be provided for financial assistance pertaining to the Area is necessary to enable the redevelopment activities to be undertaken in accordance with the Plan, and the proposed financing plan for the Area is feasible.

SECTION SEVEN. The Plan for the Area will afford maximum opportunity, consistent with the sound needs of the City as a whole, for the redevelopment of the Area by private enterprise, and private redevelopments to be sought pursuant to the requirements of the Statute.

SECTION EIGHT. The Plan provides that the Land Clearance for Redevelopment Authority of the City of St. Louis ("LCRA") may acquire no property in the Area by the exercise of eminent domain or otherwise.

The term "Redeveloper(s)" as used in this Section shall include heirs, successors in interest, and assigns.

SECTION FOURTEEN. The Redeveloper(s) may seek ten (10) year real estate tax abatement pursuant to Sections 99.700 - 99.715, RSMo, as amended, upon application as provided therein. Such real estate tax abatement shall not include any Special Business District, Neighborhood Improvement District, Commercial Improvement District, or any other similar local taxing district created in accordance with Missouri law, whether now existing or later created.

In lieu of the ten (10) year abatement outlined above, any Redeveloper(s) which is an urban redevelopment corporation formed pursuant to Chapter 353 of the Missouri Statutes shall hereby be entitled to real property ad valorem tax abatement which shall not include any Special Business District, Neighborhood Improvement District, Commercial Improvement District or any other similar local taxing district created in accordance with Missouri law, whether now existing or later created, for a total period of up to ten (10) years from the commencement of such tax abatement, in accordance with the following provisions of the Plan:

If property in the Area is sold by the LCRA to an urban redevelopment corporation formed pursuant to Chapter 353 of the Missouri Statutes, or if any such urban redevelopment corporation shall own property within the Area, then for a period of up to the first ten (10) years after the date such urban redevelopment corporation shall acquire title to property in the Area, taxes on that property shall be based upon the assessment of land, exclusive of any improvements thereon, during the calendar year prior to the calendar year during which such urban redevelopment corporation shall have acquired title to that property. In addition to such taxes, any such urban redevelopment corporation shall for a period of up to ten (10) years make a payment in lieu of taxes to the Collector of Revenue of the City in an amount based upon the assessment on the improvements located on the property during the calendar year prior to the calendar year during which such urban redevelopment corporation shall have acquired title to such property. If such property shall be tax exempt because it is owned by the LCRA and leased to any such corporation, then such urban redevelopment corporation for such period of up to the first ten (10) years of the lease shall make payments in lieu of taxes to the Collector of Revenue of the City in an amount based upon the assessment on the property, including land and improvements, during the calendar year prior to the calendar year during which such urban redevelopment corporation shall lease such property.

All payments in lieu of taxes shall be a lien upon the real property and, when paid to the Collector of Revenue of the City shall be distributed as all other property taxes. These partial tax relief and payment in lieu of taxes provisions, during up to said ten (10) year period, shall inure to the benefit of all successors in interest in the property of the urban redevelopment corporation, so long as such successors shall continue to use such property as provided in the Plan and in any agreement with the LCRA. In no event shall such benefits extend beyond ten (10) years after any urban redevelopment corporation shall have acquired title to the property.

SECTION FIFTEEN. Any proposed modification which will substantially change the Plan must be approved by this Board in the same manner as the Plan was first approved. Modifications which will substantially change the Plan include, but are not necessarily limited to, modifications on the use of eminent domain, to the length of tax abatement, to the boundaries of the Area, or to other items which alter the nature or intent of the Plan.

The Plan may be otherwise modified (e.g. urban design regulations, development schedule) by the LCRA, provided that such revisions shall be effective only upon the consent of the Planning Commission of the City.

SECTION SIXTEEN. The sections of this Ordinance shall be severable. In the event that any section of this Ordinance is found by a court of competent jurisdiction to be invalid, the remaining sections of this Ordinance are valid, unless the court finds the valid sections of the Ordinance are so essential and inseparably connected with and dependent upon the void section that it cannot be presumed that this Board would have enacted the valid sections without the void ones, or unless the court finds that the valid sections standing alone are incomplete and are incapable of being executed in accordance with the legislative intent.

A. EXISTING CONDITIONS AND FINDINGS OF BLIGHT

1. DELINEATION OF BOUNDARIES

The 2830-2838 Magnolia Ave. Redevelopment Area ("Area") encompasses approximately .36 acres in the Fox Park neighborhood of the City of St. Louis ("City") and is located on the southwest corner of Magnolia Ave. and Oregon Ave.

The legal description of the Area is attached and labeled Attachment "A". The boundaries of the Area are delineated on Exhibits "B", "C" and "D" ("Project Area Plan").

2. GENERAL CONDITION OF THE AREA

The Area comprises a portion of City Block 1426. The Area is in poor condition. The parcel by parcel physical conditions within the Area are shown on Exhibit "B" ("Project Area Plan-Existing Uses and Conditions") and enumerated in Exhibit "F" "Blighting Report".

Unemployment figures, computed by the Missouri Economic Research and Information Center, Missouri Department of Economic Development, indicate a 9.8% unemployment rate for the City for the month of March, 2012. It is estimated that this rate is applicable to residents of the neighborhoods surrounding the Area.

There are currently no jobs within the Area.

3. PRESENT LAND USE OF THE AREA

Existing land uses within the Area include an unoccupied single-family building.

The land uses within the Area, including the location of public and private uses, streets and other rights-of-way, is shown on Exhibit "B".

4. PRESENT LAND USE AND DENSITY OF SURROUNDING PROPERTIES

The properties surrounding the Area are used primarily for residential purposes.

Residential density for the surrounding neighborhoods is approximately 14.60 persons per acre.

5. CURRENT ZONING

The Area is currently zoned "C" Multiple Family Residential District pursuant to the Zoning Code of the City, which is incorporated in this Blighting Study and Redevelopment Plan ("Plan") by reference.

6. FINDING OF BLIGHT

The property within the Area is unoccupied and the Area is in the conditions described in Exhibit "F". The existence of deteriorated property constitutes an economic or social liability to the City and presents a hazard to the health and well-being of its citizens. The preponderance of properties in the Area has been determined to be blighted within the meaning of Section 99.300-99.715 *et seq.* RSMo, as amended (the "Land Clearance for Redevelopment Authority Law") as evidenced by the Blighting Report attached hereto, labeled Exhibit "F" and incorporated herein by this reference.

B. PROPOSED DEVELOPMENT AND REGULATIONS1. DEVELOPMENT OBJECTIVES

The primary objectives of this Plan are to eliminate blight within the Area and to facilitate the redevelopment of the Area into productive residential uses.

2. PROPOSED LAND USE OF THE AREA

The proposed land uses for the Area are residential uses permitted in zones designated "C" Multiple Family Residential District by the City of St. Louis Zoning Code. Redeveloper(s) authorized by the Land Clearance for Redevelopment Authority of the City of St. Louis ("LCRA") to redevelop property in the Area (hereafter referred to as "Redeveloper(s)") shall be permitted to use the property within the Area for only the above proposed uses.

Exhibit "C" (Proposed Land Use) shows the proposed uses for the Area. The General Plan of the City which includes the "Strategic Land Use Plan" (as amended 2011) designates it as a Neighborhood Preservation Area (NPA).

3. PROPOSED ZONING

The proposed zoning for the Area is "C" Multiple Family Residential District. All land coverage and building intensities shall be governed thereby.

4. RELATIONSHIP TO LOCAL OBJECTIVES

The proposed land uses, zoning, public facilities and utility plans are appropriate and consistent with local objectives as defined by the General Plan of the City which includes the "Strategic Land Use Plan" (as amended 2011). Any specific proposal to the LCRA for redevelopment of the Area or any portion of the Area shall contain, among other things, adequate provisions for traffic, vehicular parking, safety from fire, adequate provisions for light and air, sound design and arrangement, and improved employment opportunities.

5. PROPOSED EMPLOYMENT FOR THE AREA

There are no new jobs expected to be created in this Area because of the proposed redevelopment.

6. CIRCULATION

The Project Area Plan-Proposed Land Uses Plan (Exhibit "C") indicates the proposed circulation system for the Area. The layouts, levels and grades of all public rights-of-way may remain unchanged.

Rights-of-way changes will be subject to the review and approval of the City Department of Streets, and all vacations of rights-of-way are subject to approval by City ordinance.

7. BUILDING AND SITE REGULATIONS

The Area shall be subject to all applicable federal, state and local laws, ordinances, regulations and codes, including but not limited to, the City Building Code, Zoning District Regulations, and stipulations of the Planning and Urban Design Agency ("PDA") of the City. The population densities, land coverage, and building intensities of redevelopment shall be governed by the Zoning Code. No changes in the building codes or ordinances are required.

The Redeveloper(s) shall redevelop the Area in accordance with this Plan and the Redevelopment Agreement (if any) ("Agreement"), and shall maintain all structures, equipment, paved areas, and landscaped areas controlled by the Redeveloper(s) in good and safe order both inside and outside, structurally and otherwise, including necessary and proper painting. Failure to meet these requirements may result in suspension of tax abatement.

8. URBAN DESIGNa. **Urban Design Objectives**

The property in the Area shall be redeveloped such that it is an attractive residential asset to the surrounding neighborhood.

b. **Urban Design Regulations**

- 1.) **Rehabilitation** shall respect the original exterior of the structures in the Area in terms of design and materials. Window and door shapes and detailing shall be compatible with the original design

c. **Landscaping**

The Area shall be well-landscaped. Perimeter street trees of a minimum caliper of 2-1/2 inches and generally 30-35 feet on center, depending upon tree type, utilities, curb cuts, etc., shall be provided along all public or private streets - preferably in tree lawns along the curb. If necessary, sidewalks shall be notched to accommodate the trees.

Ornamental or shade trees should be provided in the front lawns along with evergreen accent shrubs.

Existing, healthy trees shall be retained, if feasible.

d. **Fencing**

Fencing in the front yards shall be limited to ornamental metal with a black matte finish. Fencing behind the building line and not facing a street may be chain link with a black matte finish, or a good quality, privacy fence provided it is not wood stockade style. 9. PARKING REGULATIONS

Parking shall be provided in accordance with the applicable zoning and building code requirements of the City, including PDA standards. This will provide adequate vehicular parking for the Area.

Where feasible, parking shall be limited to the rear of the property in the Area off the alley, and at least one space

shall be provided for each residential unit. In addition, surface parking shall not extend beyond the established building line. Surface parking along public streets shall be buffered by a continuous evergreen hedge at least two and one-half (2 ½) feet high on planting and maintained at three and one-half (3 ½) feet high at maturity.

10. SIGN REGULATIONS

All new signs shall be limited as set out in the City Code, PDA stipulations, this Plan and contracts between the LCRA and the Redeveloper. All new signs shall be restricted to standard sale/lease signs.

11. BUILDING, CONDITIONAL USE AND SIGN PERMITS

No building, conditional use, or sign permits shall be issued by the City without the prior written recommendation of the LCRA.

12. PUBLIC IMPROVEMENTS

No additional schools, parks, recreational and community facilities or other public facilities will be required. Additional water, sewage or other public utilities may be required depending on redevelopment. The cost of such utility improvements will be borne by the Redeveloper.

If funds are available to the LCRA, it may provide public improvements including, but not limited to, measures for the control of traffic, improvements to street lighting, street trees, and any other improvements which may further the objectives of this Plan.

When developed in accordance with this Plan, the Area will comprise a coordinated, adjusted and harmonious development that promotes the health, safety, morals, order, convenience, prosperity, general welfare, efficiency and economy of the City.

C. PROPOSED SCHEDULE OF DEVELOPMENT

It is estimated that the implementation of this Plan will take place in a single phase initiated within approximately one (1) year of approval of this Plan by City ordinance and completed within approximately two (2) years of approval of this Plan by City ordinance.

The LCRA may alter the above schedule as economic conditions warrant.

D. EXECUTION OF PROJECT

1. ADMINISTRATION AND FINANCING

The LCRA is empowered by Missouri law to administer redevelopment of all types pursuant to this Plan and can do so to the extent and in the manner prescribed by the Land Clearance for Redevelopment Authority Law.

All costs associated with the redevelopment of the Area will be borne by the Redeveloper(s).

2. PROPERTY ACQUISITION

The Project Area Plan-Acquisition Map, Exhibit "D" attached, identifies all the property located in the Area. The LCRA may not acquire any property in the Area by the exercise of eminent domain.

3. PROPERTY DISPOSITION

If the LCRA acquires property in the Area, it may sell or lease the property to Redeveloper(s) who shall agree to redevelop such property in accordance with this Plan and the Agreement between such Redeveloper(s) and the LCRA. Any property acquired by the LCRA and sold to Redeveloper(s) will be sold at not less than its fair value, taking into account and giving consideration to those factors enumerated in Section 99.450, RSMo. as

A. EXISTING CONDITIONS AND FINDINGS OF BLIGHT

1. DELINEATION OF BOUNDARIES

The 2355 Hickory St. Redevelopment Area ("Area") encompasses approximately .04 acres in the Lafayette

Square neighborhood of the City of St. Louis ("City") and is located on the north side of Hickory St. between South Jefferson Ave. and Missouri Ave.

The legal description of the Area is attached and labeled Attachment "A". The boundaries of the Area are delineated on Exhibits "B", "C" and "D" ("Project Area Plan").

2. GENERAL CONDITION OF THE AREA

The Area comprises a portion of City Block 2263. The Area is in poor condition. The parcel by parcel physical conditions within the Area are shown on Exhibit "B" ("Project Area Plan-Existing Uses and Conditions") and enumerated in Exhibit "F" "Blighting Report".

Unemployment figures, computed by the Missouri Economic Research and Information Center, Missouri Department of Economic Development, indicate a 9.8% unemployment rate for the City for the month of March, 2012. It is estimated that this rate is applicable to residents of the neighborhoods surrounding the Area.

There are currently no jobs within the Area.

3. PRESENT LAND USE OF THE AREA

Existing land uses within the Area include an unoccupied two-family building.

The land uses within the Area, including the location of public and private uses, streets and other rights-of-way, is shown on Exhibit "B".

4. PRESENT LAND USE AND DENSITY OF SURROUNDING PROPERTIES

The properties surrounding the Area are used primarily for residential purposes.

Residential density for the surrounding neighborhoods is approximately 9.59 persons per acre.

5. CURRENT ZONING

The Area is currently zoned "C" Multiple Family Residential District pursuant to the Zoning Code of the City, which is incorporated in this Blighting Study and Redevelopment Plan ("Plan") by reference.

6. FINDING OF BLIGHT

The property within the Area is unoccupied and the Area is in the conditions described in Exhibit "F". The existence of deteriorated property constitutes an economic or social liability to the City and presents a hazard to the health and well-being of its citizens. The preponderance of properties in the Area has been determined to be blighted within the meaning of Section 99.300-99.715 et seq. RSMo, as amended (the "Land Clearance for Redevelopment Authority Law") as evidenced by the Blighting Report attached hereto, labeled Exhibit "F" and incorporated herein by this reference.

B. PROPOSED DEVELOPMENT AND REGULATIONS

1. DEVELOPMENT OBJECTIVES

The primary objectives of this Plan are to eliminate blight within the Area and to facilitate the redevelopment of the Area into productive residential uses.

2. PROPOSED LAND USE OF THE AREA

The proposed land uses for the Area are residential uses permitted in zones designated "C" Multiple Family Residential District by the City of St. Louis Zoning Code. Redeveloper(s) authorized by the Land Clearance for Redevelopment Authority of the City of St. Louis ("LCRA") to redevelop property in the Area (hereafter referred to as "Redeveloper(s)") shall be permitted to use the property within the Area for only the above proposed uses.

Exhibit "C" (Proposed Land Use) shows the proposed uses for the Area. The General Plan of the City which includes the "Strategic Land Use Plan" (as amended 2011) designates it as a Neighborhood Preservation Area (NPA).

3. PROPOSED ZONING

The proposed zoning for the Area is "C" Multiple Family Residential District. All land coverage and building intensities shall be governed thereby.

4. RELATIONSHIP TO LOCAL OBJECTIVES

The proposed land uses, zoning, public facilities and utility plans are appropriate and consistent with local objectives as defined by the General Plan of the City which includes the "Strategic Land Use Plan" (as amended 2011). Any specific proposal to the LCRA for redevelopment of the Area or any portion of the Area shall contain, among other things, adequate provisions for traffic, vehicular parking, safety from fire, adequate provisions for light and air, sound design and arrangement, and improved employment opportunities.

5. PROPOSED EMPLOYMENT FOR THE AREA

There are no new jobs expected to be created in this Area because of the proposed redevelopment.

6. CIRCULATION

The Project Area Plan-Proposed Land Uses Plan (Exhibit "C") indicates the proposed circulation system for the Area. The layouts, levels and grades of all public rights-of-way may remain unchanged.

Rights-of-way changes will be subject to the review and approval of the City Department of Streets, and all vacations of rights-of-way are subject to approval by City ordinance.

7. BUILDING AND SITE REGULATIONS

The Area shall be subject to all applicable federal, state and local laws, ordinances, regulations and codes, including but not limited to, the City Building Code, Zoning District Regulations, and stipulations of the Planning and Urban Design Agency ("PDA") of the City. The population densities, land coverage, and building intensities of redevelopment shall be governed by the Zoning Code. No changes in the building codes or ordinances are required.

The Redeveloper(s) shall redevelop the Area in accordance with this Plan and the Redevelopment Agreement (if any) ("Agreement"), and shall maintain all structures, equipment, paved areas, and landscaped areas controlled by the Redeveloper(s) in good and safe order both inside and outside, structurally and otherwise, including necessary and proper painting. B. PROPOSED DEVELOPMENT AND REGULATIONS**1. DEVELOPMENT OBJECTIVES**

The primary objectives of this Plan are to eliminate blight within the Area and to facilitate the redevelopment of the Area into productive residential uses.

2. PROPOSED LAND USE OF THE AREA

The proposed land uses for the Area are residential uses permitted in zones designated "C" Multiple Family Residential District by the City of St. Louis Zoning Code. Redeveloper(s) authorized by the Land Clearance for Redevelopment Authority of the City of St. Louis ("LCRA") to redevelop property in the Area (hereafter referred to as "Redeveloper(s)") shall be permitted to use the property within the Area for only the above proposed uses.

Exhibit "C" (Proposed Land Use) shows the proposed uses for the Area. The General Plan of the City which includes the "Strategic Land Use Plan" (as amended 2011) designates it as a Neighborhood Preservation Area (NPA).

3. PROPOSED ZONING

The proposed zoning for the Area is "C" Multiple Family Residential District. All land coverage and building intensities shall be governed thereby.

4. RELATIONSHIP TO LOCAL OBJECTIVES

The proposed land uses, zoning, public facilities and utility plans are appropriate and consistent with local objectives as defined by the General Plan of the City which includes the "Strategic Land Use Plan" (as amended 2011). Any specific proposal to the LCRA for redevelopment of the Area or any portion of the Area shall contain, among other things, adequate provisions for traffic, vehicular parking, safety from fire, adequate provisions for light and air, sound design and arrangement, and improved employment opportunities.

5. PROPOSED EMPLOYMENT FOR THE AREA

6. CIRCULATION

The Project Area Plan-Proposed Land Uses Plan (Exhibit "C") indicates the proposed circulation system for the Area. The layouts, levels and grades of all public rights-of-way may remain unchanged.

Rights-of-way changes will be subject to the review and approval of the City Department of Streets, and all vacations of rights-of-way are subject to approval by City ordinance.

7. BUILDING AND SITE REGULATIONS

The Area shall be subject to all applicable federal, state and local laws, ordinances, regulations and codes, including but not limited to, the City Building Code, Zoning District Regulations, and stipulations of the Planning and Urban Design Agency ("PDA") of the City.
