The existence of deteriorated property and other conditions constitutes an economic or social liability to the City and presents a hazard to the health and well-being of its citizens. These conditions, therefore, qualify the Area as blighted within the meaning of Section 99.320(3) RSMo, as amended,

and are evidenced by the Blighting Report attached as Exhibit "F" ("Blighting Report") to the Blighting Study and Redevelopment Plan for the Area dated December 11, 2012 which is attached hereto, and labeled Attachment "B" and incorporated herein by reference ("Plan").

SECTION TWO. The redevelopment of the Area, as provided by the Statute, is necessary and in the public interest, and is in the interest of the public health, safety, morals and general welfare of the people of the City.

SECTION THREE. The Area qualifies as a redevelopment area in need of redevelopment under the provision of the Statute, and the Area is blighted as defined in Section 99.320 of the Statute.

SECTION FOUR. The Plan (including the Blighting Report) having been duly reviewed and considered, is hereby approved and incorporated herein by reference, and the President or Clerk of this St. Louis Board of Aldermen ("Board") is hereby directed to file a copy of the Plan with the Minutes of this meeting.

SECTION FIVE. The Plan is feasible and conforms to the general plan for the City.

SECTION SIX. The financial aid provided and to be provided for financial assistance pertaining to the Area is necessary to enable the redevelopment activities to be undertaken in accordance with the Plan, and the proposed financing plan for the Area is feasible.

SECTION SEVEN. The Plan for the Area will afford maximum opportunity, consistent with the sound needs of the City as a whole, for the redevelopment of the Area by private enterprise, and private redevelopments to be sought pursuant to the requirements of the Statute.

SECTION EIGHT. The Plan provides that the Land Clearance for Redevelopment Authority of the City of St. Louis ("LCRA") may acquire no property in the Area by the exercise of eminent domain.

SECTION NINE. None of the property within the Area is currently occupied. If it should become occupied, all eligible occupants displaced by the Redeveloper(s) (as defined in Section Twelve, below) shall be given relocation assistance by the Redeveloper(s) at its expense, in accordance with all applicable federal, state and local laws, ordinances, regulations and policies.

SECTION TEN. The Plan gives due consideration to the provision of adequate public facilities.

SECTION ELEVEN. In order to implement and facilitate the effectuation of the Plan hereby approved, it is found and determined that certain official actions must be taken by this Board and accordingly this Board hereby:

- (a) Pledges its cooperation in helping to carry out the Plan;
- (b) Requests the various officials, departments, boards and agencies of the City, which have administrative responsibilities, likewise to cooperate to such end and to execute their respective functions and powers in a manner consistent with the Plan; and
- (c) Stands ready to consider and take appropriate action upon proposals and measures designed to effectuate the Plan.

SECTION TWELVE. All parties participating as owners or purchasers of property in the Area for redevelopment ("Redeveloper(s)") shall agree for themselves and their heirs, successors and assigns that they shall not discriminate on the basis of race, color, creed, national origin, sex, marital status, age, sexual orientation or physical handicap in the sale, lease, or rental of any property or improvements erected or to be erected in the Area or any part thereof and those covenants shall run with the land, shall remain in effect without limitation of time, shall be made part of every contract for sale, lease, or rental of property to which Redeveloper(s) is a party, and shall be enforceable by the LCRA, the City and the United States of America.

SECTION THIRTEEN. In all contracts with private and public parties for redevelopment of any portion of the Area, Redeveloper(s) shall agree:

- (a) To use the property in accordance with the provisions of the Plan, and be bound by the conditions and procedures set forth therein and in this Ordinance;
- (b) That in undertaking construction under the agreement with the LCRA and the Plan, bona fide Minority Business Enterprises (as further defined below, "MBEs") and Women's Business Enterprises ("as further defined below ("WBEs") will be

solicited and fairly considered for contracts, subcontracts and purchase orders;

(c) To be bound by the conditions and procedures regarding the utilization of MBEs and WBEs established by the City;

(d) To adhere to the requirements of the Executive Order of the Mayor of the City, dated July 24, 1997, as has been extended.

(e) To comply with applicable requirements of Ordinance No. 60275 of the City (First Source Jobs Policy, as codified at St. Louis City Revised Code Chapter 3.90);

(f) To cooperate with those programs and methods supplied by the City with the purpose of accomplishing, pursuant to this paragraph, minority and women subcontractors and material supplier participation in the construction pursuant to the Plan. The Redeveloper(s) will report semi-annually during the construction period the results of its endeavors under this paragraph, to the Office of the Assistant Director-Certification and Compliance of the City and the President of this Board; and

(g) That the language of this Section Thirteen shall be included in its general construction contract and other construction contracts entered into directly by Redeveloper(s).

The term MBE shall mean a sole proprietorship, partnership, corporation, profit or non-profit organization owned, operated and controlled by Minority Group Member(s) (as defined below) who have at least fifty-one percent (51%) ownership therein. The Minority Group Member(s) must have operational and management control, interest in capital and earnings commensurate with their percentage of ownership. The term WBE shall mean a sole proprietorship, partnership, corporation, profit or non-profit organization owned, operated and controlled by a woman or women having at least fifty-one percent (51%) ownership. The woman or women must have operational and managerial control, interest in capital and earnings commensurate with their percentage of ownership.

The term "Redeveloper(s)" as used in this Section shall include heirs, successors in interest, and assigns.

SECTION FOURTEEN. The Redeveloper(s) may seek ten (10) year real estate tax abatement pursuant to Sections 99.700 - 99.715, RSMo, as amended, upon application as provided therein. Such real estate tax abatement shall not include any Special Business District, Neighborhood Improvement District, Commercial Improvement District, or any other similar local taxing district created in accordance with Missouri law, whether now existing or later created.

In lieu of the ten (10) year abatement outlined above, any Redeveloper(s) which is an urban redevelopment corporation formed pursuant to Chapter 353 of the Missouri Statutes shall hereby be entitled to real property ad valorem tax abatement which shall not include any Special Business District, Neighborhood Improvement District, Commercial Improvement District or any other similar local taxing district created in accordance with Missouri law, whether now existing or later created, for a total period of up to ten (10) years from the commencement of such tax abatement, in accordance with the following provisions of the Plan:

If property in the Area is sold by the LCRA to an urban redevelopment corporation formed pursuant to Chapter 353 of the Missouri Statutes, or if any such urban redevelopment corporation shall own property within the Area, then for a period of up to the first ten (10) years after the date such urban redevelopment corporation shall acquire title to property in the Area, taxes on that property shall be based upon the assessment of land, exclusive of any improvements thereon, during the calendar year prior to the calendar year during which such urban redevelopment corporation shall have acquired title to that property. In addition to such taxes, any such urban redevelopment corporation shall for a period of up to ten (10) years make a payment in lieu of taxes to the Collector of Revenue of the City in an amount based upon the assessment on the improvements located on the property during the calendar year prior to the calendar year during which such urban redevelopment corporation shall have acquired title to such property. If such property shall be tax exempt because it is owned by the LCRA and leased to any such corporation, then such urban redevelopment corporation for such period of up to the first ten (10) years of the lease shall make payments in lieu of taxes to the Collector of Revenue of the City in an amount based upon the assessment on the property, including land and improvements, during the calendar year prior to the calendar year during which such urban redevelopment corporation shall lease such property.

All payments in lieu of taxes shall be a lien upon the real property and, when paid to the Collector of Revenue of the City shall be distributed as all other property taxes. These partial tax relief and payment in lieu of taxes provisions, during up to said ten (10) year period, shall inure to the benefit of all successors in interest in the property of the urban redevelopment corporation, so long as such successors shall continue to use such property as provided in the Plan and in any agreement with the LCRA. In no event shall such benefits extend beyond ten (10) years after any urban redevelopment corporation shall have acquired title to the property.

SECTION FIFTEEN. Any proposed modification which will substantially change the Plan must be approved by this Board in the same manner as the Plan was first approved. Modifications which will substantially change the Plan include, but are not necessarily limited to, modifications on the use of eminent domain, to the length of tax abatement, to the boundaries of the Area, or to other items which alter the nature or intent of the Plan.

The Plan may be otherwise modified (e.g. urban design regulations, development schedule) by the LCRA, provided that such revisions shall be effective only upon the consent of the Planning Commission of the City.

SECTION SIXTEEN. The sections of this Ordinance shall be severable. In the event that any section of this Ordinance is found by a court of competent jurisdiction to be invalid, the remaining sections of this Ordinance are valid, unless the court finds the valid sections of the Ordinance are so essential and inseparably connected with and dependent upon the void section that it cannot be presumed that this Board would have enacted the valid sections without the void ones, or unless the court finds that the valid sections standing alone are incomplete and are incapable of being executed in accordance with the legislative intent.

A. EXISTING CONDITIONS AND FINDINGS OF BLIGHT1. DELINEATION OF BOUNDARIES

The 4274 Flad Ave. Redevelopment Area ("Area") encompasses approximately .07 acres in the Shaw neighborhood of the City of St. Louis ("City") and is located on the south side of Flad Ave. between Tower Grove Ave. and Klemm St.

The legal description of the Area is attached and labeled Attachment "A". The boundaries of the Area are delineated on Exhibits "B", "C" and "D" ("Project Area Plan").

2. GENERAL CONDITION OF THE AREA

The Area comprises a portion of City Block 4933. The Area is in fair condition. The parcel by parcel physical conditions within the Area are shown on Exhibit "B" ("Project Area Plan-Existing Uses and Conditions") and enumerated in Exhibit "F" "Blighting Report".

Unemployment figures, computed by the Missouri Economic Research and Information Center, Missouri Department of Economic Development, indicate a 9.3% unemployment rate for the City for the month of October, 2012. It is estimated that this rate is applicable to residents of the neighborhoods surrounding the Area.

There are currently no jobs within the Area.

3. PRESENT LAND USE OF THE AREA

Existing land uses within the Area include an empty lot.

The land uses within the Area, including the location of public and private uses, streets and other rights-of-way, is shown on Exhibit "B".

4. PRESENT LAND USE AND DENSITY OF SURROUNDING PROPERTIES

The properties surrounding the Area are used primarily for residential purposes.

Residential density for the surrounding neighborhoods is approximately 17.85 persons per acre.

5. CURRENT ZONING

The Area is currently zoned "D" Multiple Family Residential District pursuant to the Zoning Code of the City, which is incorporated in this Blighting Study and Redevelopment Plan ("Plan") by reference.

6. FINDING OF BLIGHT

None of the property within the Area is occupied and the Area is in the conditions described in Exhibit "F". The existence of deteriorated property constitutes an economic or social liability to the City and presents a hazard to the health and well-being of its citizens. The preponderance of properties in the Area has been determined to be blighted within the meaning of Section 99.300-99.715 *et seq.* RSMo, as amended (the "Land Clearance for Redevelopment Authority Law") as evidenced by the Blighting Report attached hereto, labeled Exhibit "F" and incorporated herein by this reference.

B. PROPOSED DEVELOPMENT AND REGULATIONS1. DEVELOPMENT OBJECTIVES

The primary objectives of this Plan are to eliminate blight within the Area and to facilitate the redevelopment of the Area into productive residential uses.

2. PROPOSED LAND USE OF THE AREA

The proposed land uses for the Area are residential uses permitted in zones designated "D" Multiple Family Residential District by the City of St. Louis Zoning Code. Redeveloper(s) authorized by the Land Clearance for Redevelopment Authority of the City of St. Louis ("LCRA") to redevelop property in the Area (hereafter referred to as "Redeveloper(s)") shall be permitted to use the property within the Area for only the above proposed uses.

Exhibit "C" (Proposed Land Use) shows the proposed uses for the Area. The General Plan of the City which includes the "Strategic Land Use Plan" (as amended 2011) designates it as a Neighborhood Preservation Area (NPA).

3. PROPOSED ZONING

The proposed zoning for the Area is "D" Multiple Family Residential District. All land coverage and building intensities shall be governed thereby.

4. RELATIONSHIP TO LOCAL OBJECTIVES

The proposed land uses, zoning, public facilities and utility plans are appropriate and consistent with local objectives as defined by the General Plan of the City which includes the "Strategic Land Use Plan" (as amended 2011). Any specific proposal to the LCRA for redevelopment of the Area or any portion of the Area shall contain, among other things, adequate provisions for traffic, vehicular parking, safety from fire, adequate provisions for light and air, sound design and arrangement, and improved employment opportunities.

5. PROPOSED EMPLOYMENT FOR THE AREA

There are no new jobs expected to be created in this Area because of the proposed redevelopment.

6. CIRCULATION

The Project Area Plan-Proposed Land Uses Plan (Exhibit "C") indicates the proposed circulation system for the Area. The layouts, levels and grades of all public rights-of-way may remain unchanged.

Rights-of-way changes will be subject to the review and approval of the City Department of Streets, and all vacations of rights-of-way are subject to approval by City ordinance.

7. BUILDING AND SITE REGULATIONS

The Area shall be subject to all applicable federal, state and local laws, ordinances, regulations and codes, including but not limited to, the City Building Code, Zoning District Regulations, and stipulations of the Planning and Urban Design Agency ("PDA") of the City. The population densities, land coverage, and building intensities of redevelopment shall be governed by the Zoning Code. No changes in the building codes or ordinances are required.

The Redeveloper(s) shall redevelop the Area in accordance with this Plan and the Redevelopment Agreement (if any) ("Agreement"), and shall maintain all structures, equipment, paved areas, and landscaped areas controlled by the Redeveloper(s) in good and safe order both inside and outside, structurally and otherwise, including necessary and proper painting. Failure to meet these requirements may result in suspension of tax abatement.

8. URBAN DESIGN

a. Urban Design Objectives

The property in the Area shall be redeveloped such that it is an attractive residential asset to the surrounding neighborhood.

b. Urban Design Regulations

- 1.) **Rehabilitation** shall respect the original exterior of the structures in the Area in terms of design and materials. Window and door shapes and detailing shall be compatible with the original design

c. Landscaping

The Area shall be well-landscaped. Perimeter street trees of a minimum caliper of 2-1/2 inches and generally 30-35 feet on center, depending upon tree type, utilities, curb cuts, etc., shall be provided along all public or private streets - preferably in tree lawns along the curb. If necessary, sidewalks shall be notched to accommodate the trees.

Ornamental or shade trees should be provided in the front lawns along with evergreen accent shrubs.

Existing, healthy trees shall be retained, if feasible.

d. Fencing

Fencing in the front yards shall be limited to ornamental metal with a black matte finish. Fencing behind the building line and not facing a street may be chain link with a black matte finish, or a good quality, privacy fence provided it is not wood stockade style. 9. PARKING REGULATIONS

Parking shall be provided in accordance with the applicable zoning and building code requirements of the City, including PDA standards. This will provide adequate vehicular parking for the Area.

Where feasible, parking shall be limited to the rear of the property in the Area off the alley, and at least one space shall be provided for each residential unit. In addition, surface parking shall not extend beyond the established building line. Surface parking along public streets shall be buffered by a continuous evergreen hedge at least two and one-half (2 ½) feet high on planting and maintained at three and one-half (3 ½) feet high at maturity.

10. SIGN REGULATIONS

All new signs shall be limited as set out in the City Code, PDA stipulations, this Plan and contracts between the LCRA and the Redeveloper. All new signs shall be restricted to standard sale/lease signs.

No additional schools, parks, recreational and community facilities or other public facilities will be required. Additional water, sewage or other public utilities may be required depending on redevelopment. The cost of such utility improvements will be borne by the Redeveloper.

If funds are available to the LCRA, it may provide public improvements including, but not limited to, measures for the control of traffic, improvements to street lighting, street trees, and any other improvements which may further the objectives of this Plan.

When developed in accordance with this Plan, the Area will comprise a coordinated, adjusted and harmonious development that promotes the health, safety, morals, order, convenience, prosperity, general welfare, efficiency and economy of the City.

C. PROPOSED SCHEDULE OF DEVELOPMENT

It is estimated that the implementation of this Plan will take place in a single phase initiated within approximately one (1) year of approval of this Plan by City ordinance and completed within approximately two (2) years of approval of this Plan by City ordinance.

The LCRA may alter the above schedule as economic conditions warrant.

D. EXECUTION OF PROJECT

1. ADMINISTRATION AND FINANCING

The LCRA is empowered by Missouri law to administer redevelopment of all types pursuant to this Plan and can do so to the extent and in the manner prescribed by the Land Clearance for Redevelopment Authority Law.

All costs associated with the redevelopment of the Area will be borne by the Redeveloper(s).

3. PROPERTY DISPOSITION

If the LCRA acquires property in the Area, it may sell or lease the property to Redeveloper(s) who shall agree to redevelop such property in accordance with this Plan and the Agreement between such Redeveloper(s) and the LCRA. Any property acquired by the LCRA and sold to Redeveloper(s) will be sold at not less than its fair value, taking into account and giving consideration to those factors enumerated in Section 99.450, RSMo. as amended, for uses in accordance with this Plan.

4. RELOCATION ASSISTANCE

None of the property within the Area is currently occupied. If it should become occupied, all eligible occupants displaced as a result of the implementation of this Plan shall be given relocation assistance in accordance with all applicable federal, state and local laws, ordinances, regulations and policies.

Such real estate tax abatement shall not include taxes collected for any Special Business District, Neighborhood Improvement District, Commercial Improvement District, or any other similar local taxing district created in accordance with Missouri law, whether now existing or later created.

In lieu of the ten (10) year abatement outlined above, any Redeveloper(s) which is an urban redevelopment corporation formed pursuant to Chapter 353 of the Missouri Statutes shall hereby be entitled to real property ad valorem tax abatement which shall not include taxes collected for any Special Business District, Neighborhood Improvement District, Commercial Improvement District, or any other single local taxing district created in accordance with Missouri law, whether now existing or later created, for a total period of up to ten (10) years from the commencement of such tax abatement, in accordance with the following provisions of this Plan:

If property in the Area is sold by the LCRA to an urban redevelopment corporation formed pursuant to Chapter 353 of the Missouri Statutes, or if any such corporation shall own property within the Area, then for a period of up to the first ten (10) years after the date the redevelopment corporation shall acquire title to such property, taxes on such property shall be based upon the assessment of land, exclusive of any improvements thereon, during the calendar year prior to the calendar year during which such urban redevelopment corporation shall have acquired title to such property. In addition to such taxes, any such corporation shall for up to the same ten (10) year period make a payment in lieu of taxes to the Collector of Revenue of the City of St. Louis in an amount based upon the assessment on the improvements located on the property during the calendar year prior to the calendar year during which such urban redevelopment corporation shall have acquired title to such property. In addition to such taxes, any such corporation shall for such period of up to the ten (10) years make a payment in lieu of taxes to the Collector of Revenue of the City in an amount based upon the assessment on the improvements located on the property during the calendar year prior to the calendar year during which such corporation shall have acquired title to such property. If such property shall be tax-exempt because it is owned by the LCRA and leased to any such urban redevelopment corporation, then such corporation for a period of up to the first ten (10) years of the lease shall make payment in lieu of taxes to the Collector of Revenue of the City in an amount based upon the assessment on the property, including land and improvements, during the calendar year prior to the calendar year during which such corporation shall lease such property.

All payments in lieu of taxes shall be a lien upon the real property and, when paid to the Collector of Revenue of the City shall be distributed as all other property taxes. These partial tax relief and payment in lieu of taxes provisions, during up to said ten (10) year period, shall inure to the benefit of all successors in interest in the property of the urban redevelopment corporation, so long as such successors shall continue to use such property as provided in this Plan and in any Agreement with the LCRA. In no event shall such benefits extend beyond ten (10) years after any urban redevelopment corporation shall have acquired title to the property.

G. COMPLIANCE WITH AFFIRMATIVE ACTION AND NONDISCRIMINATION LAWS AND REGULATIONS

1. LAND USE

A Redeveloper(s) shall not discriminate on the basis of race, color, creed, national origin, marital status, sex, age, sexual orientation or physical handicap in the lease, sale, rental or occupancy of any property, or any improvements erected or to be erected in the Area, or any part thereof.

A. EXISTING CONDITIONS AND FINDINGS OF BLIGHT

1. DELINEATION OF BOUNDARIES

The 2325 Ann Ave. Redevelopment Area ("Area") encompasses approximately .10 acres in the McKinley Heights neighborhood of the City of St. Louis ("City") and is located on the northern side of Ann Ave. between S. Jefferson Ave. and McNair Ave.

The legal description of the Area is attached and labeled Exhibit "A". The boundaries of the Area are delineated on Exhibits "B", "C" and "D" ("Project Area Plan").

2. GENERAL CONDITION OF THE AREA

The Area comprises a portion of City Block 1347.00. The Area is in fair condition. The parcel by parcel physical conditions within the Area are shown on Exhibit "B" ("Project Area Plan-Existing Uses and Conditions") and enumerated in Exhibit "F" "Blighting Report".

Unemployment figures, computed by the Missouri Economic Research and Information Center, Missouri Department of Economic Development, indicate a 9.3% unemployment rate for the City for the month of October, 2012. It is estimated that this rate is applicable to residents of the neighborhoods surrounding the Area.

6. FINDING OF BLIGHT

None of the property within the Area is occupied and the Area is in the conditions described in Exhibit "F". The existence of deteriorated property constitutes an economic or social liability to the City and presents a hazard to the health and well-being of its citizens. The preponderance of properties in the Area has been determined to be blighted within the meaning of Section 99.300-99.715 *et seq.* RSMo, as amended (the "Land Clearance for Redevelopment Authority Law") as evidenced by the Blighting Report attached hereto, labeled Exhibit "F" and incorporated herein by this reference.

B. PROPOSED DEVELOPMENT AND REGULATIONS1. DEVELOPMENT OBJECTIVES

The primary objectives of this Plan are to eliminate blight within the Area and to facilitate the redevelopment of the Area into productive residential uses.

2. PROPOSED LAND USE OF THE AREA

The proposed land uses for the Area are residential uses permitted in zones designated "C" Multiple Family Dwelling District by the City of St. Louis Zoning Code. Redeveloper(s) authorized by the Land Clearance for Redevelopment Authority of the City of St. Louis ("LCRA") to redevelop property in the Area (hereafter referred to as "Redeveloper(s)") shall be permitted to use the property within the Area for only the above proposed uses.

Exhibit "C" (Proposed Land Use) shows the proposed uses for the Area. The General Plan of the City which includes the "Strategic Land Use Plan" (as amended 2011) designates it as a Neighborhood Preservation Area (NPA).

3. PROPOSED ZONING

The proposed zoning for the Area is "C" Multiple Family Dwelling District. All land coverage and building intensities shall be governed thereby.

4. RELATIONSHIP TO LOCAL OBJECTIVES

The proposed land uses, zoning, public facilities and utility plans are appropriate and consistent with local objectives as defined by the General Plan of the City which includes the "Strategic Land Use Plan" (as amended 2011). Any specific proposal to the LCRA for redevelopment of the Area or any portion of the Area shall contain, among other things, adequate provisions for traffic, vehicular parking, safety from fire, adequate provisions for light and air, sound design and arrangement, and improved employment opportunities.

5. PROPOSED EMPLOYMENT FOR THE AREA

There are no new jobs expected to be created in this Area because of the proposed redevelopment.

6. CIRCULATION

The Project Area Plan-Proposed Land Uses Plan (Exhibit "C") indicates the proposed circulation system for the Area. The layouts, levels and grades of all public rights-of-way may remain unchanged.

Rights-of-way changes will be subject to the review and approval of the City Department of Streets, and all vacations of rights-of-way are subject to approval by City ordinance.

7. BUILDING AND SITE REGULATIONS

The Area shall be subject to all applicable federal, state and local laws, ordinances, regulations and codes, including but not limited to, the City Building Code, Zoning District Regulations, and stipulations of the Planning and Urban Design Agency ("PDA") of the City. The population densities, land coverage, and building intensities of redevelopment shall be governed by the Zoning Code. No changes in the building codes or ordinances are required.

The Redeveloper(s) shall redevelop the Area in accordance with this Plan and the Redevelopment Agreement (if any) ("Agreement"), and shall maintain all structures, equipment, paved areas, and landscaped areas controlled by the Redeveloper(s) in good and safe order both inside and outside, structurally and otherwise, including necessary and proper painting. Failure to meet these requirements may result in suspension of tax abatement.

8. URBAN DESIGNa. **Urban Design Objectives**

The property in the Area shall be redeveloped such that it is an attractive residential asset to the surrounding neighborhood.

b. **Urban Design Regulations**

RSMo, as amended (the "Land Clearance for Redevelopment Authority Law") as evidenced by the Blighting Report attached hereto, labeled Exhibit "F" and incorporated herein by this reference.

B. PROPOSED DEVELOPMENT AND REGULATIONS

1. DEVELOPMENT OBJECTIVES

The primary objectives of this Plan are to eliminate blight within the Area and to facilitate the redevelopment of the Area into productive residential uses.

2. PROPOSED LAND USE OF THE AREA

The proposed land uses for the Area are residential uses permitted in zones designated "B" Two Family Residential District by the City of St. Louis Zoning Code.
