## "F" BLIGHTING REPORT

**A. EXISTING CONDITIONS AND FINDINGS OF BLIGHT****1. DELINEATION OF BOUNDARIES**

The 4449-73 Evans Ave. Redevelopment Area ("Area") encompasses approximately 0.9 acres in the Lewis Place neighborhood of the City of St. Louis ("City") and is located on the north side of Evans Ave. between Newstead Ave. and Taylor Ave.

The legal description of the Area is attached and labeled Exhibit "A". The boundaries of the Area are delineated on Exhibits "B", "C" and "D" ("Project Area Plan").

**2. GENERAL CONDITION OF THE AREA**

The Area comprises a portion of City Block 3724. As of January 1, 2009, the Area was in poor condition. The parcel by parcel physical conditions within the Area are shown on Exhibit "B" ("Project Area Plan-Existing Uses and Conditions") and enumerated in Exhibit "F" "Blighting Report".

Unemployment figures, computed by the Missouri Economic Research and Information Center, Missouri Department of Economic Development, indicate a 12.1% unemployment rate for the City for the month of March, 2010. It is estimated that this rate is applicable to residents of the neighborhoods surrounding the Area.

There are currently no jobs within the Area.

**3. PRESENT LAND USE OF THE AREA**

As of January 1, 2009, existing land uses within the Area include two unoccupied single-family buildings and four vacant lots.

The land uses within the Area, including the location of public and private uses, streets and other rights-of-way, is shown on Exhibit "B".

**4. PRESENT LAND USE AND DENSITY OF SURROUNDING PROPERTIES**

The properties surrounding the Area are used primarily for residential purposes.

Residential density for the surrounding neighborhoods is approximately 9.5 persons per acre.

**5. CURRENT ZONING**

The Area is currently zoned "C" Multiple Family Residential District pursuant to the Zoning Code of the City, which is incorporated in this Blighting Study and Redevelopment Plan ("Plan") by reference.

**6. FINDING OF BLIGHT**

None of the property within the Area is occupied and the Area was in the conditions described in Exhibit "F" as of January 1, 2009. The existence of deteriorated property constitutes an economic or social liability to the City and presents a hazard to the health and well-being of its citizens. The preponderance of properties in the Area has been determined to be blighted within the meaning of Section 99.300-99.715 *et seq.* RSMo, as amended (the "Land Clearance for Redevelopment Authority Law") as evidenced by the Blighting Report attached hereto, labeled Exhibit "F" and incorporated herein by this reference.

**B. PROPOSED DEVELOPMENT AND REGULATIONS****1. DEVELOPMENT OBJECTIVES**

The primary objective of this Plan is to facilitate the redevelopment of the Area into productive residential uses.

2. PROPOSED LAND USE OF THE AREA

The proposed land uses for the Area are residential uses permitted in zones designated "C" Multiple Family Residential District by the City of St. Louis Zoning Code. Redeveloper(s) authorized by the Land Clearance for Redevelopment Authority of the City of St. Louis ("LCRA") to redevelop property in the Area (hereafter referred to as "Redeveloper(s)") shall be permitted to use the property within the Area for only the above proposed uses.

Exhibit "C" (Proposed Land Use) shows the proposed uses for the Area. The General Plan of the City which includes the "Strategic Land Use Plan" (as amended 2009) designates it as a Neighborhood Development Area (NDA).

3. PROPOSED ZONING

The zoning for the Area may remain "C" Multiple Family Residential District. All land coverage and building intensities shall be governed thereby.

4. RELATIONSHIP TO LOCAL OBJECTIVES

The proposed land uses, zoning, public facilities and utility plans are appropriate and consistent with local objectives as defined by the General Plan of the City which includes the "Strategic Land Use Plan" (as amended 2009). Any specific proposal to the LCRA for redevelopment of the Area or any portion of the Area shall contain, among other things, adequate provisions for traffic, vehicular parking, safety from fire, adequate provisions for light and air, sound design and arrangement, and improved employment opportunities.

5. PROPOSED EMPLOYMENT FOR THE AREA

No new jobs will be created in this Area because the proposed redevelopment is residential.

6. CIRCULATION

The Project Area Plan-Proposed Land Uses Plan (Exhibit "C") indicates the proposed circulation system for the Area. The layouts, levels and grades of all public rights-of-way may remain unchanged.

Rights-of-way changes will be subject to the review and approval of the City Department of Streets, and all vacations of rights-of-way are subject to approval by City ordinance.

7. BUILDING AND SITE REGULATIONS

The Area shall be subject to all applicable federal, state and local laws, ordinances, regulations and codes, including but not limited to, the City Building Code, Zoning District Regulations, and stipulations of the Planning and Urban Design Agency ("PDA") of the City. The population densities, land coverage, and building intensities of redevelopment shall be governed by the Zoning Code. No changes in the building codes or ordinances are required.

The Redeveloper(s) shall redevelop the Area in accordance with this Plan and the Redevelopment Agreement (if any) ("Agreement"), and shall maintain all structures, equipment, paved areas, and landscaped areas controlled by the Redeveloper(s) in good and safe order both inside and outside, structurally and otherwise, including necessary and proper painting. Failure to meet these requirements may result in suspension of tax abatement.

**WHEREAS**, it is necessary that this Board take appropriate official action respecting the approval of the Plan.

**NOW, THEREFORE, BE IT ORDAINED BY THE CITY OF ST. LOUIS AS FOLLOWS:**

**SECTION ONE.** There exists within the City of St. Louis ("City") a blighted area, as defined by Section 99.320 of the Revised Statutes of Missouri, as amended (the "Statute" being Sections 99.300 to 99.715 inclusive, as amended) described in Attachment "A", attached hereto and incorporated herein, known as the Magnolia/Oregon/Ohio Ave. Scattered Sites Area ("Area"). The existence of deteriorated property and other conditions constitutes an economic or social liability to the City and presents a hazard to the health and well-being of its citizens. These conditions, therefore, qualify the Area as blighted within the meaning of Section 99.320(3) RSMo, as amended, and are evidenced by the Blighting Report attached as Exhibit "F" ("Blighting Report") to the Blighting Study and Redevelopment Plan for the Area dated June 24, 2014 which is attached hereto, and labeled Attachment "B" and incorporated herein by reference ("Plan").

**SECTION TWO.** The redevelopment of the Area, as provided by the Statute, is necessary and in the public interest, and is in the interest of the public health, safety, morals and general welfare of the people of the City.

**SECTION THREE.** The Area qualifies as a redevelopment area in need of redevelopment under the provision of the Statute, and the Area is blighted as defined in Section 99.320 of the Statute.

**SECTION FOUR.** The Plan (including the Blighting Report) having been duly reviewed and considered, is hereby approved and incorporated herein by reference, and the President or Clerk of this St. Louis Board of Aldermen ("Board") is hereby directed to file a copy of the Plan with the Minutes of this meeting.

**SECTION FIVE.** The Plan is feasible and conforms to the general plan for the City.

**SECTION SIX.** The financial aid provided and to be provided for financial assistance pertaining to the Area is necessary to enable the redevelopment activities to be undertaken in accordance with the Plan, and the proposed financing plan for the Area is feasible.

**SECTION SEVEN.** The Plan for the Area will afford maximum opportunity, consistent with the sound needs of the City as a whole, for the redevelopment of the Area by private enterprise, and private redevelopments to be sought pursuant to the requirements of the Statute.

**SECTION EIGHT.** The Plan provides that the Land Clearance for Redevelopment Authority of the City of St. Louis ("LCRA") may acquire no property in the Area by the exercise of eminent domain.

**SECTION NINE.** The property within the Area is currently unoccupied. If it should become occupied all eligible occupants displaced by the Redeveloper (as defined in Section Twelve, below) shall be given relocation assistance by the Redeveloper at its expense, in accordance with all applicable federal, state and local laws, ordinances, regulations and policies.

**SECTION TEN.** The Plan gives due consideration to the provision of adequate public facilities.

**SECTION ELEVEN.** In order to implement and facilitate the effectuation of the Plan hereby approved, it is found and determined that certain official actions must be taken by this Board and accordingly this Board hereby:

- (a) To use the property in accordance with the provisions of the Plan, and be bound by the conditions and procedures set forth therein and in this Ordinance;
- (b) That in undertaking construction under the agreement with the LCRA and the Plan, bona fide Minority Business Enterprises (as further defined below, "MBEs") and Women's Business Enterprises ("as further defined below ("WBEs") will be solicited and fairly considered for contracts, subcontracts and purchase orders;

The Minority Group Member(s) must have operational and management control, interest in capital and earnings commensurate with their percentage of ownership. The term Minority Group Member(s) shall mean persons legally residing in the United States who are Black, Hispanic, Native American (American Indian, Eskimo, Aleut or Native Hawaiian), Asian Pacific American (persons with origins from Japan, China, the Philippines, Vietnam, Korea, Samoa, Guam, U.S. Trust Territory of the Pacific Islands, Laos, Cambodia or Taiwan) or Asian Indian American (persons with origins from India, Pakistan or Bangladesh). The term WBE shall mean a sole proprietorship, partnership, corporation, profit or non-profit organization owned, operated and controlled by a woman or women having at least fifty-one percent (51%) ownership. The woman or women must have operational and managerial control, interest in capital and earnings commensurate with their percentage of ownership.

The term "Redeveloper(s)" as used in this Section shall include heirs, successors in interest, and assigns.

**SECTION FOURTEEN.** A Redeveloper may seek ten (10) year real estate tax abatement pursuant to Sections 99.700 – 99.715, Revised Statutes of Missouri 2000, as amended, upon applications as provided therein. Such real estate tax abatement shall not include any Special Business District, Neighborhood Improvement District, Commercial Improvement District, or any other similar local taxing district created in accordance with Missouri law, whether now existing or later created.

In lieu of the ten (10) year tax abatement outlined above, and if a low-income tax credit program is implemented to finance particular parcels' redevelopment, a Redeveloper which is an urban redevelopment

corporation formed pursuant to Chapter 353 of the Missouri Statutes shall hereby be entitled to real property ad valorem tax abatement, which shall not include any Special Business District, Neighborhood Improvement District, Commercial Improvement District, or any other similar local taxing district created in accordance with Missouri law, whether now existing or later created, for a total period of fifteen (15) years from the commencement of such tax abatement, in accordance with the following provisions of this Plan. If no low income tax credit program has been implemented to finance the redevelopment of a particular parcel, then that parcel shall only be eligible to receive tax abatement for a period of up to ten (10) years.

If property in the Area is sold by the LCRA to an urban redevelopment corporation formed pursuant to Chapter 353 of the Missouri Statutes, or if any such corporation shall own property within the Area, then for up to the first ten (10) years after the date the redevelopment corporation shall acquire title to such property, taxes on such property shall be based upon the assessment of land, exclusive of any improvements thereon, during the calendar year prior to the calendar year during which such corporation shall have acquired title to such property. In addition to such taxes, any such corporation shall for up to the same ten (10) year period make a payment in lieu of taxes to the Collector of Revenue of the City of St. Louis in an amount based upon the assessment on the improvements located on the property during the calendar year prior to the calendar year during which such corporation shall have acquired title to such property. If such property shall be tax-exempt because it is owned by the LCRA and leased to any such corporation, then such corporation for a period of up to the first ten (10) years of the lease shall make payment in lieu of taxes to the Collector of Revenue of the City in an amount based upon the assessment on the property, including land and improvements, during the calendar year prior to the calendar year during which such corporation shall lease such property.

For the ensuing period of up to five (5) years following the original period stated above, any such corporation shall pay taxes and payments in lieu of taxes as provided above in an amount based upon fifty percent (50%) of the then normal assessment of the land and improvements. This provision shall only apply to taxes on parcels with redevelopment financed in part by low income tax credit programs. Thereafter any such corporation shall pay the full amount of taxes.

All payments in lieu of taxes shall be a lien upon the real property and, when paid to the Collector of Revenue of the City shall be distributed as all other property taxes. These partial tax relief and payment in lieu of taxes provisions, during up to said fifteen (15) year period, shall inure to the benefit of all successors in interest in the property of the redevelopment corporation, so long as such successors shall continue to use such property as provided in this Plan and in any Agreement with the LCRA. In no event shall such benefits extend beyond fifteen (15) years after any urban redevelopment corporation shall have acquired title to the property.

**SECTION FIFTEEN.** Any proposed modification which will substantially change the Plan must be approved by this Board in the same manner as the Plan was first approved. Modifications which will substantially change the Plan include, but are not necessarily limited to, modifications on the use of eminent domain, to the length of tax abatement, to the boundaries of the Area, or to other items which alter the nature or intent of the Plan.

The Plan may be otherwise modified (e.g. urban design regulations, development schedule) by the LCRA.

**SECTION SIXTEEN.** The sections of this Ordinance shall be severable. In the event that any section of this Ordinance is found by a court of competent jurisdiction to be invalid, the remaining sections of this Ordinance are valid, unless the court finds the valid sections of the Ordinance are so essential and inseparably connected with and dependent upon the void section that it cannot be presumed that this Board would have enacted the valid sections without the void ones, or unless the court finds that the valid sections standing alone are incomplete and are incapable of being executed in accordance with the legislative intent.

**A. EXISTING CONDITIONS AND FINDINGS OF BLIGHT**

1. DELINEATION OF BOUNDARIES

The Magnolia/Oregon/Ohio Ave. Scattered Sites Redevelopment Area ("Area") encompasses approximately 1.51 acres in the Fox Park and Benton Park West Neighborhood of the City of St. Louis ("City"). The sites are located on Magnolia Ave. between Nebraska Ave. and California Ave., on Oregon Ave. between Sydney St. and Lynch St. and on Ohio Ave. between Lynch St and Pestalozzi St.

The legal description of the Area is attached and labeled Exhibit "A". The boundaries of the Area are delineated on Exhibits "B", "C" and "D" ("Project Area Plan").

2. GENERAL CONDITION OF THE AREA

The Area comprises a portion of City Blocks 2076, 2077, 1422 and 1426 and includes the following address: 2829, 2842 and 2846 Magnolia Ave.; 2613-17-18, 2642-44-46, 2649 Oregon Ave.; 2828, 2830, 2832, 2832H, 2834, 2836 and 2838 Ohio Ave. These sites in the Area are in fair to poor condition. The parcel by parcel physical conditions within the Area are shown on Exhibit "B" ("Project Area Plan-Existing Uses and Conditions") and enumerated in Exhibit "F" "Blighting Report".

The sites in the Area are within the Market Type-E and Market Type-F Categories of the January 2014 St. Louis Market Value Analysis (MVA). Market Type-E category has average levels of owner occupancy, while Market Type-F has the lowest levels of owner occupancy.

Unemployment figures, computed by the Missouri Economic Research and Information Center, Missouri Department of Economic Development, indicate a 8.2% unemployment rate for the City for the month of April, 2014. It is estimated that this rate is applicable to residents of the neighborhoods surrounding the Area.

There are currently no jobs within the Area.

3. PRESENT LAND USE OF THE AREA

Existing land uses within the Area includes unoccupied residential buildings as well as vacant residential lots.

The land uses within the Area, including the location of public and private uses, streets and other rights-of-way, is shown on Exhibit "B".

4. PRESENT LAND USE AND DENSITY OF SURROUNDING PROPERTIES

The properties surrounding the Area are used primarily for residential purposes.

Residential density for the surrounding neighborhoods is approximately 14.60 and 16.95 persons per acre.

5. CURRENT ZONING

The Area is currently zoned "C" Multi-Family Dwelling District pursuant to the Zoning Code of the City, which is incorporated in this Blighting Study and Redevelopment Plan ("Plan") by reference.

6. FINDING OF BLIGHT

The property within the Area is unoccupied and the Area is in the conditions described in Exhibit "F". The existence of deteriorated property constitutes an economic or social liability to the City and presents a hazard to the health and well-being of its citizens. The preponderance of properties in the Area has been determined to be blighted within the meaning of Section 99.300-99.715 *et seq.* RSMo, as amended (the "Land Clearance for Redevelopment Authority Law") as evidenced by the Blighting Report attached hereto, labeled Exhibit "F" and incorporated herein by this reference.

**B. PROPOSED DEVELOPMENT AND REGULATIONS**

1. DEVELOPMENT OBJECTIVES

The primary objectives of this Plan are to eliminate blight within the Area and to facilitate the redevelopment of the Area into productive residential uses.

The City Planning Commission adopted a Sustainability Plan on January 9, 2013. As Amended this Redevelopment Plan contributes to the sustainability of the City as outlined in the Sustainability Report (Exhibit G).

2. PROPOSED LAND USE OF THE AREA

The proposed land uses for the Area are residential uses permitted in zones designated "C" Multi-Family Dwelling District by the City of St. Louis Zoning Code. Redeveloper(s) authorized by the Land Clearance for Redevelopment Authority of the City of St. Louis ("LCRA") to redevelop property in the Area (hereafter referred to as "Redeveloper(s)") shall be permitted to use the property within the Area for only the above proposed uses.

Exhibit "C" (Proposed Land Use) shows the proposed uses for the Area. The General Plan of the City which includes the "Strategic Land Use Plan" (as amended 2014) designates it as a Neighborhood Preservation Area (NPA).

3. PROPOSED ZONING

The proposed zoning for the Area is "C" Multi-Family Dwelling District. All land coverage and building intensities shall be governed thereby.

4. RELATIONSHIP TO LOCAL OBJECTIVES

The proposed land uses, zoning, public facilities and utility plans are appropriate and consistent with local objectives as defined by the General Plan of the City which includes the "Strategic Land Use Plan" (as amended 2014). Any specific proposal to the LCRA for redevelopment of the Area or any portion of the Area shall

contain, among other things, adequate provisions for traffic, vehicular parking, safety from fire, adequate provisions for light and air, sound design and arrangement, and improved employment opportunities. This proposal will also support the Neighborhood's average levels of owner occupancy in Market Type-E Category and shall also address the Area's lower levels of owner occupancy in Market Type-F Category as determined by the 2014 MVA.

5. PROPOSED EMPLOYMENT FOR THE AREA

There are no new jobs expected to be created in this Area because of the proposed redevelopment.

6. CIRCULATION

The Project Area Plan-Proposed Land Uses Plan (Exhibit "C") indicates the proposed circulation system for the Area. The layouts, levels and grades of all public rights-of-way may remain unchanged.

Rights-of-way changes will be subject to the review and approval of the City Department of Streets, and all vacations of rights-of-way are subject to approval by City ordinance.

7. BUILDING AND SITE REGULATIONS

The Area shall be subject to all applicable federal, state and local laws, ordinances, regulations and codes, including but not limited to, the City Building Code, Zoning District Regulations, and stipulations of the Planning and Urban Design Agency ("PDA") of the City. The population densities, land coverage, and building intensities of redevelopment shall be governed by the Zoning Code. No changes in the building codes or ordinances are required.

The Redeveloper(s) shall redevelop the Area in accordance with this Plan and the Redevelopment Agreement (if any) ("Agreement"), and shall maintain all structures, equipment, paved areas, and landscaped areas controlled by the Redeveloper(s) in good and safe order both inside and outside, structurally and otherwise, including necessary and proper painting. Failure to meet these requirements may result in suspension of tax abatement.

8. URBAN DESIGN

a. **Urban Design Objectives**

The property in the Area shall be redeveloped such that it is an attractive residential asset to the surrounding neighborhood that meets the Lafayette Square Historic District standards.

b. **Urban Design Regulations**

- 1.) **Rehabilitation** shall respect the original exterior of the structures in the Area in terms of design and materials. Window and door shapes and detailing shall be compatible with the original design
- 2.) **New construction** or alterations shall be positioned on the lot so that any existing recurrent building masses and spaces along the street are continued as well as the pattern of setback from the street.
- 3.) **New Exterior Materials** on facades of structures in the Area visible from the street(s) shall be compatible in type and texture with the dominant materials of adjacent buildings. Artificial masonry such as "Permastone" is not permitted. A submission of all building materials shall be required prior to building permit approval.
- 4.) **Architectural Details** on existing structures in the Area shall be maintained in a similar size, detail and material. Where they are badly deteriorated, similar details salvaged from other buildings may be substituted. Both new and replacement window and doorframes shall be limited to wood or color finished aluminum on the street facing facades, including basement windows. Raw or unfinished aluminum and glass block are not acceptable.

Awnings of canvas only are acceptable.

- 5.) **Roof Shapes** that are employed in a predominance of existing buildings in a block shall set the standard of compatibility for any proposed new construction or alteration.
- 6.) **Roof Materials** shall be slate, tile, copper or asphalt shingles where the roof is visible from the street. Brightly colored asphalt shingles are not appropriate.

**c. Landscaping and Sidewalk Maintenance**

The Area shall be well-landscaped. Perimeter street trees of a minimum caliper of 2-1/2 inches and generally 30-35 feet on center, depending upon tree type, utilities, curb cuts, etc., shall be provided along all public or private streets - preferably in tree lawns along the curb. If necessary, sidewalks shall be notched to accommodate the trees.

Ornamental or shade trees shall be provided in the front lawns along with evergreen accent shrubs.

Existing, healthy trees shall be retained, if feasible. Sidewalks shall be repaired/replaced to insure safe walkability in the city.

**d. Fencing**

Fencing in the front yards shall be limited to ornamental metal with a black matte finish. Fencing behind the building line and not facing a street may be chain link with a black matte finish, or a good quality, privacy fence provided it is not wood stockade style. Fencing facing a side street shall be ornamental metal or a good quality board fence up to six (6) feet in height provided landscaping is provided between the fence and the sidewalk.

9. **PARKING REGULATIONS**

Parking shall be provided in accordance with the applicable zoning and building code requirements of the City, including PDA standards. This will provide adequate vehicular parking for the Area.

Where feasible, parking shall be limited to the rear of the property in the Area off the alley, and at least one space shall be provided for each residential unit. In addition, surface parking shall not extend beyond the established building line. Surface parking along public streets shall be buffered by a continuous evergreen hedge at least two and one-half (2 1/2) feet high on planting and maintained at three and one-half (3 1/2) feet high at maturity.

10. **SIGN REGULATIONS**

All new signs shall be limited as set out in the City Code, PDA stipulations, this Plan and contracts between the LCRA and the Redeveloper. All new signs shall be restricted to standard sale/lease signs.

11. **BUILDING, CONDITIONAL USE AND SIGN PERMITS**

No building, conditional use, or sign permits shall be issued by the City without the prior written recommendation of the LCRA.

12. **PUBLIC IMPROVEMENTS**

No additional schools, parks, recreational and community facilities or other public facilities will be required. Additional water, sewage or other public utilities may be required depending on redevelopment. The cost of such utility improvements will be borne by the Redeveloper.

If funds are available to the LCRA, it may provide public improvements including, but not limited to, measures for the control of traffic, improvements to street lighting, street trees, and any other improvements which may further the objectives of this Plan.

When developed in accordance with this Plan, the Area will comprise a coordinated, adjusted and harmonious development

that promotes the health, safety, morals, order, convenience, prosperity, general welfare, efficiency and economy of the City.

**C. PROPOSED SCHEDULE OF DEVELOPMENT**

It is estimated that the implementation of this Plan will take place in a single phase initiated within approximately one (1) year of approval of this Plan by City ordinance and completed within approximately two (2) years of approval of this Plan by City ordinance.

The LCRA may alter the above schedule as economic conditions warrant.

**D. EXECUTION OF PROJECT**

1. ADMINISTRATION AND FINANCING

The LCRA is empowered by Missouri law to administer redevelopment of all types pursuant to this Plan and can do so to the extent and in the manner prescribed by the Land Clearance for Redevelopment Authority Law.

All costs associated with the redevelopment of the Area will be borne by the Redeveloper(s).

Implementation of this Plan may be financed by funds obtained from private and/or public sources, including, without limitation, revenue bonds, bank loans, and equity funds provided by the Redeveloper(s).

2. PROPERTY ACQUISITION

The Project Area Plan-Acquisition Map, Exhibit "D" attached, identifies all the property located in the Area. The LCRA may not acquire any property in the Area by the exercise of eminent domain.

3. PROPERTY DISPOSITION

If the LCRA acquires property in the Area, it may sell or lease the property to Redeveloper(s) who shall agree to redevelop such property in accordance with this Plan and the Agreement between such Redeveloper(s) and the LCRA. Any property acquired by the LCRA and sold to Redeveloper(s) will be sold at not less than its fair value, taking into account and giving consideration to those factors enumerated in Section 99.450, RSMo. as amended, for uses in accordance with this Plan.

4. RELOCATION ASSISTANCE

The property within the Area is currently unoccupied. If it becomes occupied all eligible occupants displaced as a result of the implementation of this Plan shall be given relocation assistance in accordance with all applicable federal, state and local laws, ordinances, regulations and policies.

**E. COOPERATION OF THE CITY**

The City and its Board of Aldermen, by enacting an ordinance approving this Plan, pledges the cooperation of the City to enable the project to be carried out in a timely manner and in accordance with this Plan.

**F. TAX ABATEMENT**

A Redeveloper may seek ten (10) year real estate tax abatement pursuant to Sections 99.700 – 99.715, Revised Statutes of Missouri 2000, as amended, upon applications as provided therein. Such real estate tax abatement shall not include any Special Business District, Neighborhood Improvement District, Commercial Improvement District, or any other similar local taxing district created in accordance with Missouri law, whether now existing or later created.

In lieu of the ten (10) year tax abatement outlined above, and if a low-income tax credit program is implemented to finance particular parcels' redevelopment, a Redeveloper which is an urban redevelopment corporation formed pursuant to Chapter 353 of the Missouri Statutes shall hereby be entitled to real property ad valorem tax abatement, which shall not include any Special Business District, Neighborhood Improvement District, Commercial Improvement District, or any other similar local taxing district created in accordance with Missouri law, whether now existing or later created, for a total period of

fifteen (15) years from the commencement of such tax abatement, in accordance with the following provisions of this Plan. If no low income tax credit program has been implemented to finance the redevelopment of a particular parcel, then that parcel shall only be eligible to receive tax abatement for a period of up to ten (10) years.

If property in the Area is sold by the LCRA to an urban redevelopment corporation formed pursuant to Chapter 353 of the Missouri Statutes, or if any such corporation shall own property within the Area, then for up to the first ten (10) years after the date the redevelopment corporation shall acquire title to such property, taxes on such property shall be based upon the assessment of land, exclusive of any improvements thereon, during the calendar year prior to the calendar year during which such corporation shall have acquired title to such property. In addition to such taxes, any such corporation shall for up to the same ten (10) year period make a payment in lieu of taxes to the Collector of Revenue of the City of St. Louis in an amount based upon the assessment on the improvements located on the property during the calendar year prior to the calendar year during which such corporation shall have acquired title to such property. If such property shall be tax-exempt because it is owned by the LCRA and leased to any such corporation, then such corporation for a period of up to the first ten (10) years of the lease shall make payment in lieu of taxes to the Collector of Revenue of the City in an amount based upon the assessment on the property, including land and improvements, during the calendar year prior to the calendar year during which such corporation shall lease such property.

For the ensuing period of up to five (5) years following the original period stated above, any such corporation shall pay taxes and payments in lieu of taxes as provided above in an amount based upon fifty percent (50%) of the then normal assessment of the land and improvements. This provision shall only apply to taxes on parcels with redevelopment financed in part by low income tax credit programs. Thereafter any such corporation shall pay the full amount of taxes.

All payments in lieu of taxes shall be a lien upon the real property and, when paid to the Collector of Revenue of the City shall be distributed as all other property taxes. These partial tax relief and payment in lieu of taxes provisions, during up to said fifteen (15) year period, shall inure to the benefit of all successors in interest in the property of the redevelopment corporation, so long as such successors shall continue to use such property as provided in this Plan and in any Agreement with the LCRA. In no event shall such benefits extend beyond fifteen (15) years after any urban redevelopment corporation shall have acquired title to the property.

## **G. COMPLIANCE WITH AFFIRMATIVE ACTION AND NONDISCRIMINATION LAWS AND REGULATIONS**

### **1. LAND USE**

A Redeveloper(s) shall not discriminate on the basis of race, color, creed, national origin, marital status, sex, age, sexual orientation or physical handicap in the lease, sale, rental or occupancy of any property, or any improvements erected or to be erected in the Area, or any part thereof.

### **2. CONSTRUCTION AND OPERATIONS**

A Redeveloper (s) shall not discriminate on the basis of race, color, creed, national origin, marital status, sex, age, sexual orientation or physical handicap in the construction and operation of any project in the Area and shall take such affirmative action as may be appropriate to afford opportunities to everyone in all activities of the project, including enforcement, contracting, operating and purchasing.

### **3. LAWS AND REGULATIONS**

A Redeveloper (s) shall comply with all applicable federal, state and local laws, ordinances, executive orders and regulations regarding nondiscrimination and affirmative action, including the City Guidelines for Minimum Utilization of Minority Enterprises, dated January 1, 1981 as may be amended, and the "Equal Opportunity and Nondiscrimination Guidelines" in Exhibit "E", attached.

### **4. ENFORCEMENT**

All of the provisions of this Section G shall be incorporated in an Agreement between the LCRA and a Redeveloper (s), which agreement shall be recorded in the office of the Recorder of Deeds. The provisions of G (1) and G (3) shall be covenants running with the land, without limitation as to time, and the provisions of G (2) shall be for the duration of this Plan and any extension thereof.

All of the provisions of Section G shall be enforceable against the Redeveloper (s), its heirs, successors or

assigns, by the LCRA, the City, any state having jurisdiction or the United States of America.

**H. MODIFICATIONS OF THIS PLAN**

Any proposed modification which will substantially change this Plan shall be approved by the St. Louis Board of Aldermen in the same manner as this Plan was first approved. Modifications which will substantially change this Plan include, but are not necessarily limited to, modifications on the use of eminent domain, to the length of tax abatement, to the boundaries of the Area, or other items which alter the nature or intent of this Plan.

This Plan may be otherwise modified (e.g. urban design regulations, development schedule) by the LCRA.

**I. DURATION OF REGULATION AND CONTROLS**

The regulation and controls set forth in this Plan shall be in full force and effect for twenty-five years commencing with the effective date of approval of this Plan by City ordinance, and for additional five (5) year periods unless before the commencement of any such fifteen (15) year period the St. Louis Board of Aldermen shall terminate this Plan at the end of the term then in effect, except as provided in Section G (4) of this Plan.

**J. EXHIBITS**

All attached exhibits are hereby incorporated by reference into this Plan and made a part hereof.

**K. SEVERABILITY**

The elements of this Plan satisfy all requirements of state and local laws. Should any provisions of this Plan be held invalid by a final determination of a court of law, the remainder of the provisions hereof shall not be affected thereby, and shall remain in full force and effect.

#### **A. EXISTING CONDITIONS AND FINDINGS OF BLIGHT**

##### 1. DELINEATION OF BOUNDARIES

The 3304 Shenandoah Ave. Redevelopment Area ("Area") encompasses approximately .09 acres in the Tower Grove East neighborhood of the City of St. Louis ("City") and is located on the southern side of Shenandoah Ave. between Louisiana Ave. and Virginia Ave.

The legal description of the Area is attached and labeled Exhibit "A". The boundaries of the Area are delineated on Exhibits "B", "C" and "D" ("Project Area Plan").

##### 2. GENERAL CONDITION OF THE AREA

The Area comprises a portion of City Block 1436.00. The Area is in fair condition. The parcel by parcel physical conditions within the Area are shown on Exhibit "B" ("Project Area Plan-Existing Uses and Conditions") and enumerated in Exhibit "F" "Blighting Report".

The Area is in the Market Type-D Category of the January 2014 St. Louis Market Value Analysis (MVA). This category has higher than average levels of owner occupancy.

Unemployment figures, computed by the Missouri Economic Research and Information Center, Missouri Department of Economic Development, indicate a 8.2% unemployment rate for the City for the month of April, 2014. It is estimated that this rate is applicable to residents of the neighborhoods surrounding the Area.

There are currently no jobs within the Area.

##### 3. PRESENT LAND USE OF THE AREA

Existing land uses within the Area include an unoccupied two-family building.

The land uses within the Area, including the location of public and private uses, streets and other rights-of-way, is shown on Exhibit "B".

##### 4. PRESENT LAND USE AND DENSITY OF SURROUNDING PROPERTIES

The properties surrounding the Area are used primarily for residential purposes.

Residential density for the surrounding neighborhoods is approximately 17.73 persons per acre.

##### 5. CURRENT ZONING

The Area is currently zoned "B" Two-Family Dwelling District pursuant to the Zoning Code of the City, which is incorporated in this Blighting Study and Redevelopment Plan ("Plan") by reference.

##### 6. FINDING OF BLIGHT

The property within the Area is unoccupied and the Area is in the conditions described in Exhibit "F". The existence of deteriorated property constitutes an economic or social liability to the City and presents a hazard

to the health and well-being of its citizens. The preponderance of properties in the Area has been determined to be blighted within the meaning of Section 99.300-99.715 et seq. RSMo, as amended (the "Land Clearance for Redevelopment Authority Law") as evidenced by the Blighting Report attached hereto, labeled Exhibit "F" and incorporated herein by this reference.

## **B. PROPOSED DEVELOPMENT AND REGULATIONS**

### **1. DEVELOPMENT OBJECTIVES**

The primary objectives of this Plan are to eliminate blight within the Area and to facilitate the redevelopment of the Area into productive residential uses.

The City Planning Commission adopted a Sustainability Plan on January 9, 2013. This Redevelopment Plan contributes to the sustainability of the City as outlined in the Sustainability Report (Exhibit G).

### **2. PROPOSED LAND USE OF THE AREA**

The proposed land uses for the Area are residential uses permitted in zones designated "B" Two-Family Dwelling District by the City of St. Louis Zoning Code. Redeveloper(s) authorized by the Land Clearance for Redevelopment Authority of the City of St. Louis ("LCRA") to redevelop property in the Area (hereafter referred to as "Redeveloper(s)") shall be permitted to use the property within the Area for only the above proposed uses.

Exhibit "C" (Proposed Land Use) shows the proposed uses for the Area. The General Plan of the City which includes the "Strategic Land Use Plan" (as amended 2014) designates it as a Neighborhood Preservation Area (NPA).

### **3. PROPOSED ZONING**

The proposed zoning for the Area is "B" Two-Family Dwelling District. All land coverage and building intensities shall be governed thereby.

### **4. RELATIONSHIP TO LOCAL OBJECTIVES**

The proposed land uses, zoning, public facilities and utility plans are appropriate and consistent with local objectives as defined by the General Plan of the City which includes the "Strategic Land Use Plan" (as amended 2014). Any specific proposal to the LCRA for redevelopment of the Area or any portion of the Area shall contain, among other things, adequate provisions for traffic, vehicular parking, safety from fire, adequate provisions for light and air, sound design and arrangement, and improved employment opportunities. The proposal will further enhance the strong owner-occupancy level of Market Type-D Category in the 2014 MVA.

### **5. PROPOSED EMPLOYMENT FOR THE AREA**

There are no new jobs expected to be created in this Area because of the proposed redevelopment.

### **6. CIRCULATION**

The Project Area Plan-Proposed Land Uses Plan (Exhibit "C") indicates the proposed circulation system for the Area. The layouts, levels and grades of all public rights-of-way may remain unchanged.

Rights-of-way changes will be subject to the review and approval of the City Department of Streets, and all vacations of rights-of-way are subject to approval by City ordinance.

### **7. BUILDING AND SITE REGULATIONS**

The Area shall be subject to all applicable federal, state and local laws, ordinances, regulations and codes, including but not limited to, the City Building Code, Zoning District Regulations, and stipulations of the Planning and Urban Design Agency ("PDA") of the City. The population densities, land coverage, and building intensities of redevelopment shall be governed by the Zoning Code. No changes in the building codes or ordinances are required.

The Redeveloper(s) shall redevelop the Area in accordance with this Plan and the Redevelopment Agreement (if any) (“Agreement”), and shall maintain all structures, equipment, paved areas, and landscaped areas controlled by the Redeveloper(s) in good and safe order both inside and outside, structurally and otherwise, including necessary and proper painting. Failure to meet these requirements may result in suspension of tax abatement.

No additional schools, parks, recreational and community facilities or other public facilities will be required. Additional water, sewage or other public utilities may be required depending on redevelopment. The cost of such utility improvements will be borne by the Redeveloper.

If funds are available to the LCRA, it may provide public improvements including, but not limited to, measures for the control of traffic, improvements to street lighting, street trees, and any other improvements which may further the objectives of this Plan.

When developed in accordance with this Plan, the Area will comprise a coordinated, adjusted and harmonious development that promotes the health, safety, morals, order, convenience, prosperity, general welfare, efficiency and economy of the City.

It is estimated that the implementation of this Plan will take place in a single phase initiated within approximately one (1) year of approval of this Plan by City ordinance and completed within approximately two (2) years of approval of this Plan by City ordinance.

The LCRA may alter the above schedule as economic conditions warrant.

**D. EXECUTION OF PROJECT**

1. ADMINISTRATION AND FINANCING

The LCRA is empowered by Missouri law to administer redevelopment of all types pursuant to this Plan and can do so to the extent and in the manner prescribed by the Land Clearance for Redevelopment Authority Law.

**WHEREAS**, the predominance of defective or inadequate street layout, unsanitary or unsafe conditions, deterioration of site improvements, improper subdivision or obsolete platting, inadequate or outmoded design and conditions which endanger life or property by fire and other causes, or any combination of such factors, retards the provision of housing accommodations or constitutes an economic or social liability or a menace to the public health, safety, morals or welfare in the present condition and use of the Area and such conditions are beyond remedy and control solely by regulatory process in the exercise of the police power and cannot be dealt with effectively by ordinary private enterprise without the aids provided in the Statute; and

**WHEREAS**, this Board has considered the "Blighting Study and Redevelopment Plan for the 3130 Ohio Ave. Redevelopment Area" dated June 24, 2014, consisting of a Title Page; a Table of Contents Page, twenty (20) numbered pages including Exhibits "A" – "G" attached hereto and incorporated herein as Attachment "B" ("Plan"); and based on the information in the Plan, specifically the Blighting Report in Exhibit "F" to the Plan, considered each parcel of property in the Area and found the preponderance of the Area to be blighted, and

**WHEREAS**, there is a need for the LCRA to undertake the redevelopment of the Area as a land clearance project under the Statute, pursuant to plans by or presented to the LCRA under Section 99.430.1 (4) RSMo, as amended; and

**WHEREAS**, the LCRA has, after considering each individual parcel of property in the Area and finding the Area to be blighted, approved the Plan and recommended approval of the Plan to the Planning Commission of the City of St. Louis ("Planning Commission") and to this Board; and

**WHEREAS**, it is desirable and in the public interest that a public body, the LCRA, undertake and administer the Plan; and

**WHEREAS**, the LCRA and the Planning Commission have made and presented to this Board the studies and statements required to be made and submitted by Section 99.430 RSMo, as amended, and this Board has been fully apprised by the LCRA and the Planning Commission of the facts and is fully aware of the conditions in the Area; and

**WHEREAS**, a general plan has been prepared and is recognized and used as a guide for the general development of the City and the Planning Commission has advised this Board that the Plan conforms to that general plan; and

**WHEREAS**, under the provisions of the Statute, it is required that this Board take such actions as may be required to approve the Plan; and

**WHEREAS**, this Board has duly considered the reports, recommendations and certifications of the LCRA and the Planning Commission; and

**WHEREAS**, the Plan prescribes land use and street and traffic patterns which may require, among other things, the

vacation of public rights-of-way, the establishment of new street and sidewalk patterns or other public actions; and

**WHEREAS**, this Board is cognizant of the conditions which are imposed on the undertaking and carrying out of a redevelopment project, including those relating to prohibitions against discrimination because of race, color, creed, national origin, sex, marital status, age, sexual orientation or physical handicap; and

**WHEREAS**, in accordance with the requirements of Section 99.430 RSMo, as amended, this Board placed public notices in a newspaper of general circulation in the City that a public hearing would be held by this Board on the Plan, and a hearing was held at the time and place designated in those notices and all those who were interested in being heard were given a reasonable opportunity to express their views; and

**WHEREAS**, it is necessary that this Board take appropriate official action respecting the approval of the Plan.

#### **A. EXISTING CONDITIONS AND FINDINGS OF BLIGHT**

##### 1. DELINEATION OF BOUNDARIES

The 3130 Ohio Ave. Redevelopment Area ("Area") encompasses approximately .07 acres in the Benton Park West neighborhood of the City of St. Louis ("City") and is located on the eastern side of Ohio Ave. between Juniata St. and Wyoming St.

The legal description of the Area is attached and labeled Exhibit "A". The boundaries of the Area are delineated on Exhibits "B", "C" and "D" ("Project Area Plan").

##### 2. GENERAL CONDITION OF THE AREA

The Area comprises a portion of City Block 1760.00. The Area is in fair condition. The parcel by parcel physical conditions within the Area are shown on Exhibit "B" ("Project Area Plan-Existing Uses and Conditions") and enumerated in Exhibit "F" "Blighting Report".

Unemployment figures, computed by the Missouri Economic Research and Information Center, Missouri Department of Economic Development, indicate a 9.6% unemployment rate for the City for the month of February, 2014. It is estimated that this rate is applicable to residents of the neighborhoods surrounding the Area.

There are currently no jobs within the Area.

##### 3. PRESENT LAND USE OF THE AREA

Existing land uses within the Area include an unoccupied two-family building.

The land uses within the Area, including the location of public and private uses, streets and other rights-of-way, is shown on Exhibit "B".

##### 4. PRESENT LAND USE AND DENSITY OF SURROUNDING PROPERTIES

The properties surrounding the Area are used primarily for residential purposes.

Residential density for the surrounding neighborhoods is approximately 16.95 persons per acre.

##### 5. CURRENT ZONING

The Area is currently zoned "B" Two-Family Dwelling District pursuant to the Zoning Code of the City, which is incorporated in this Blighting Study and Redevelopment Plan ("Plan") by reference.

##### 6. FINDING OF BLIGHT

The property within the Area is unoccupied and the Area is in the conditions described in Exhibit "F". The existence of deteriorated property constitutes an economic or social liability to the City and presents a hazard to the health and well-being of its citizens. The preponderance of properties in the Area has been determined to be blighted within the meaning of Section 99.300-99.715 et seq. RSMo, as amended (the "Land Clearance for Redevelopment Authority Law") as evidenced by the Blighting Report attached hereto, labeled Exhibit "F" and

incorporated herein by this reference.

## **B. PROPOSED DEVELOPMENT AND REGULATIONS**

### **1. DEVELOPMENT OBJECTIVES**

The primary objectives of this Plan are to eliminate blight within the Area and to facilitate the redevelopment of the Area into productive residential uses.

The City Planning Commission adopted a Sustainability Plan on January 9, 2013. This Redevelopment Plan contributes to the sustainability of the City as outlined in the Sustainability Report (Exhibit G).

### **2. PROPOSED LAND USE OF THE AREA**

The proposed land uses for the Area are residential uses permitted in zones designated "B" Two-Family Dwelling District by the City of St. Louis Zoning Code. Redeveloper(s) authorized by the Land Clearance for Redevelopment Authority of the City of St. Louis ("LCRA") to redevelop property in the Area (hereafter referred to as "Redeveloper(s)") shall be permitted to use the property within the Area for only the above proposed uses.

Exhibit "C" (Proposed Land Use) shows the proposed uses for the Area. The General Plan of the City which includes the "Strategic Land Use Plan" (as amended 2014) designates it as a Neighborhood Preservation Area (NPA).

### **3. PROPOSED ZONING**

The proposed zoning for the Area is "B" Two-Family Dwelling District. All land coverage and building intensities shall be governed thereby.

### **4. RELATIONSHIP TO LOCAL OBJECTIVES**

The proposed land uses, zoning, public facilities and utility plans are appropriate and consistent with local objectives as defined by the General Plan of the City which includes the "Strategic Land Use Plan" (as amended 2014). Any specific proposal to the LCRA for redevelopment of the Area or any portion of the Area shall contain, among other things, adequate provisions for traffic, vehicular parking, safety from fire, adequate provisions for light and air, sound design and arrangement, and improved employment opportunities. The proposal shall also address the Area's lower levels of owner occupancy as determined by the 2014 MVA.

### **5. PROPOSED EMPLOYMENT FOR THE AREA**

There are no new jobs expected to be created in this Area because of the proposed redevelopment.

### **6. CIRCULATION**

The Project Area Plan-Proposed Land Uses Plan (Exhibit "C") indicates the proposed circulation system for the Area. The layouts, levels and grades of all public rights-of-way may remain unchanged.

Rights-of-way changes will be subject to the review and approval of the City Department of Streets, and all vacations of rights-of-way are subject to approval by City ordinance.

### **7. BUILDING AND SITE REGULATIONS**

The Area shall be subject to all applicable federal, state and local laws, ordinances, regulations and codes, including but not limited to, the City Building Code, Zoning District Regulations, and stipulations of the Planning and Urban Design Agency ("PDA") of the City. The population densities, land coverage, and building intensities of redevelopment shall be governed by the Zoning Code. No changes in the building codes or ordinances are required.

The Redeveloper(s) shall redevelop the Area in accordance with this Plan and the Redevelopment Agreement (if any) ("Agreement"), and shall maintain all structures, equipment, paved areas, and landscaped areas
