(b) The conveyance of a leasehold interest in the Property to the Lessor is necessary and appropriate to the financing by the Lessor of the Costs of the Project.

(c) The issuance by the Lessor of the Series 2002A Bonds, and the sale and delivery thereof through a negotiated sale of the Series 2002A Bonds to the Underwriters, to pay the Costs of the Project is necessary and desirable for the accomplishment of the Project and is for the use and benefit of the City;

(d) The City will convey a leasehold interest in the Property to the Lessor and acquire real and personal property, construct, renovate, equip and install furnishings and equipment for the Carnahan Courthouse for a price equal to the Costs of the Project payable out of the proceeds of the Series 2002A Bonds, all pursuant to and in accordance with the provisions of the Lease Agreement and the Indenture;

(e) The City will lease the Property from the Lessor for the Rentals and Additional Rentals, which are subject to annual appropriation by the City. The proceeds from the Series 2002A Bonds will be used to acquire real and personal property, construct, renovate, equip and install furnishings and equipment for the Carnahan Courthouse;

(f) The City shall have the exclusive beneficial possession and use of the Carnahan Courthouse and so long as an Event of Default (as such term is defined in the Indenture and the Lease Agreement) shall not have occurred and there shall have been no failure to appropriate funds to pay the Rentals and Additional Rentals, the City will have the exclusive beneficial possession and use of the Carnahan Courthouse while the Series 2002A Bonds remain outstanding; and

(g) So long as an Event of Default (as defined in the Lease Agreement) shall not have occurred, with respect to the Rentals and Additional Rentals, the City will obtain from the Lessor conveyance of its leasehold interest in the Property as and when provided in the Lease Agreement, upon payment in full of the Series 2002A Bonds or as otherwise provided.

Section 3. Construction and Improvement of the Carnahan Courthouse and Creation of a Lien Thereon. The City is hereby authorized and directed to take all reasonable action to provide for the acquisition of real and personal property, and the construction, renovation, equipping and installing of furnishings and equipment for the Carnahan Courthouse. The Mayor, Comptroller and other appropriate officers of the City are hereby authorized and directed to execute, attest, acknowledge, deliver and record such instruments, in the form approved by the City Counselor, conveying a leasehold interest in the Property from the

City to the Lessor as may be necessary and appropriate. The Lessor is hereby authorized to create a lien and security interest in its rights, title and leasehold interest in any real and personal property related to the Carnahan Courthouse to secure payment of the Series 2002A Bonds and/or to secure obligations due to any Credit Provider under any Credit Agreement.

The acquisition of real and personal property and the construction, renovation, equipping and installing of furnishings and equipment for the Carnahan Courthouse shall be done pursuant to detailed plans and specifications approved by the Board of Public Service before bids are advertised therefor. The general character and extent of such work shall be as described in the Lease Agreement. The material to be used shall be as directed by the Board of Public Service. The expenditure of Bond proceeds to fund (i) the acquisition of real and personal property, and the construction, renovation, equipping and installing of furnishings and equipment for the Carnahan Courthouse, (ii) the establishment of a debt service reserve fund, (iii) the payment of capitalized interest, and (iv) costs of the issuance of the Series 2002A Bonds is hereby approved on behalf of the City.

Section 4. Financing of the Costs by the Issuance of the Series 2002A Bonds. The City hereby approves the financing of the Costs by the Lessor pursuant to the provisions of the Lease Agreement and the Indenture for the benefit and use of the City, including the funding of the Costs of the Project through the issuance and negotiated sale by the Lessor of the Series 2002A Bonds. The Series 2002A Bonds (1) shall have a final maturity not more than 30 years from the date of issuance, (2) shall bear a fixed rate of interest of not more than 10%, and (3) may be sold at a premium or at a discount with such discount not to exceed the maximum discount allowable under Missouri law.

Section 5. Limited Obligations. The Series 2002A Bonds and the interest thereon shall be limited obligations payable by the Lessor solely out of the Rentals and Additional Rentals received by the Lessor from the City or received by the Trustee on behalf of the City and reasonably expected to be used to pay debt service on the Series 2002A Bonds pursuant to the herein authorized Lease Agreement and from any amounts payable by any Credit Provider. The Series 2002A Bonds and the interest thereon shall not constitute an indebtedness of the City or State of Missouri within the meaning of any constitutional or statutory debt limitation or restriction. The obligation of the City to make payments of Rentals and Additional Rentals and other amounts under the Lease Agreement is subject to annual appropriation as provided therein. Neither such obligation of the City to make such payments nor the Series 2002A Bonds shall constitute a debt of the City. The issuance of the Series 2002A Bonds will not directly or contingently obligate the City to make any payments beyond those appropriated for its then current fiscal year. The Series 2002A Bonds shall be dated, mature, be in such denominations, bear interest at such times and have such other terms and provisions as shall be provided in the Indenture.

Section 6. Authority to Obtain Credit Enhancement and to Execute Credit Agreement. The City is hereby authorized and directed to obtain Credit Enhancement for the Series 2002A Bonds from a Credit Provider that has a credit rating such that the City will achieve, in the opinion of the Underwriters, an economic benefit if the Series 2002A Bonds are secured by the Credit Enhancement. Rentals and Additional Rentals may be used to pay (i) debt service on the Series 2002A Bonds and (ii) any amounts due and owing to the Credit Provider under the Credit Agreement. The Mayor and the Comptroller are hereby authorized to approve the terms of any Credit Agreement with the Credit Provider, and the Mayor and the Comptroller, with the advice of the City Counselor as to form thereof and attested by the Register, are hereby authorized and directed to execute such Credit Agreement and other documents in connection therewith as are required to obtain Credit Enhancement.

Section 8. Approval of Indenture. The Indenture, substantially in the form attached hereto as Exhibit A, is hereby approved with such completions thereof, changes therein and modifications thereof not inconsistent with the provisions of this Ordinance as shall be compatible with the provisions of the Base Lease and Lease Agreement as executed and delivered on behalf of the City.

SERIES 2002A BONDS
TERM BONDS

The Series 2002A Bonds shall bear interest from the most recent Interest Payment Date to which interest has been paid in full or, if no interest has been paid, from April 1, 2002. Interest on the Series 2002A Bonds shall be payable semiannually on each Interest Payment Date.

3. The Trustee is hereby designated as the Corporation's Paying Agent for the payment of the principal of, and redemption premium, if any, and interest on, the Series 2002A Bonds and as Bond Registrar.

4. The Series 2002A Bonds shall be numbered sequentially from one upward or in such manner as the Trustee shall direct. After delivery of the Series 2002A Bonds the Trustee shall file with the Corporation a record of the numbers assigned to such Series 2002A Bonds upon the initial delivery thereof.

5. The Series 2002A Bonds shall be executed substantially in the form and manner as provided in Exhibit A to this Indenture and delivered to the Trustee for authentication.

6. When the Series 2002A Bonds shall have been executed, authenticated and registered as required by this Indenture, the Trustee shall deliver the Series 2002A Bonds to or upon the order of the purchasers thereof upon payment to the Trustee of the net purchase price of the Series 2002A Bonds. The proceeds of the sale of the Series 2002A Bonds, including accrued interest and premium thereon, if any, shall be immediately paid over to the Trustee, and the Trustee shall deposit and apply such proceeds as provided in Article IV hereof.

Section 203. Nature of Obligations. The Bonds and the interest thereon shall be special obligations of the Corporation payable solely out of the Rentals and other revenues, moneys and receipts derived by the Corporation pursuant to the Lease Agreement, and are secured by a pledge and assignment of the Trust Estate to the Trustee in favor of the Bondholders, as provided in this Indenture and no incorporator, member, agent, employee, director or officer of the Corporation or the City shall at any time or under any circumstances be individually or personally liable under this Indenture or the Lease Agreement for anything done or omitted to be done by the Corporation hereunder. The Bonds and the interest thereon shall not be a debt of the City or the State and the City and the State shall not be liable thereon, and the Bonds shall not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction.

Section 204. Method and Place of Payment of Bonds; Interest Rights Preserved.

1. The principal of, and redemption premium, if any, and interest (computed on the basis of a 360-day year

consisting of twelve 30-day months) on, the Bonds shall be payable in any coin or currency of the United States of America which on the respective dates of payment thereof is legal tender for the payment of public and private debts.

2. Payment of the principal of and redemption premium, if any, shall be made upon the presentation and surrender of such Bonds at their respective Maturities at the principal corporate trust office of the Paying Agent. Payment of the interest on each Bond shall be made by the Paying Agent on each Interest Payment Date to the Registered Owner thereof at the close of business on the Record Date next preceding said Interest Payment Date by check or draft mailed to such Bondholder at his address as it appears on the Bond Register. Upon written request to the Paying Agent by the Holder, as of the Record Date, of at least \$1,000,000 principal amount of the Bonds, principal of and interest on the Bonds payable subsequent to the Record Date on or after which such notice is received shall be made by wire transfer to an account designated by such Holder or in such other manner as such Bondholder and the Paying Agent may determine.

Subject to the foregoing provisions of this Section, each Bond delivered under this Indenture upon transfer of or in exchange for or in lieu of any other Bond shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Bond.

Section 205. Execution and Authentication of Bonds.

1. The Bonds shall be executed on behalf of the Corporation by the manual or facsimile signature of its President or any of its Vice Presidents and attested by the manual or facsimile signature of its Secretary or any of its Assistant Secretaries, and shall have the corporate seal of the Corporation affixed thereto or imprinted or reproduced thereon. In case any officer whose signature or facsimile thereof appears on any Bonds shall cease to be such officer before the delivery of such Bonds, such signature or facsimile thereof shall nevertheless be valid and sufficient for all purposes, the same as if such person had remained in office until delivery. Any Bond may be executed by such persons as shall be the proper officers to sign such Bond at the actual time of the execution of such Bond although at the date of such Bond such persons may not have been such officers.

2. The Bonds shall have endorsed thereon a Certificate of Authentication substantially in the form set forth in Exhibit A to this Indenture, which shall be manually executed by the Trustee. No Bond shall be entitled to any security or benefit under this Indenture or shall be valid or obligatory for any purpose unless and until such Certificate of Authentication shall have been duly executed by the Trustee. Such executed Certificate of Authentication upon any Bond shall be conclusive evidence that such Bond has been duly authenticated and delivered under this Indenture. The Certificate of Authentication on any Bond shall be deemed to have been duly executed if signed by any authorized officer or employee of the Trustee, but it shall not be necessary that the same officer or employee sign the Certificate of Authentication on all of the Bonds that may be issued hereunder at any one time.

Section 206. Registration, Transfer and Exchange of Bonds.

1. The Trustee is hereby appointed Bond Registrar for the purpose of registering and transferring Bonds and as such shall keep the Bond Register as provided in this Indenture. All of the Bonds and all transfers and all exchanges thereof shall be fully registered as to principal and interest in the Bond Register.

2. Subject to any restrictions relating to global bond certificates in the event Bonds are issued in book-entry only form, Bonds may be transferred in the Bond Register only upon surrender thereof to the Trustee duly endorsed for transfer or accompanied by a written instrument of transfer duly executed by the Registered Owner thereof or his attorney or legal representative in such form as shall be satisfactory to the Trustee. Upon any such transfer, the Corporation shall execute and the Trustee shall authenticate and deliver in exchange for such Bond, a new Bond or Bonds, registered in the name of the transferee, of any denomination or denominations authorized by this Indenture authorizing such Bonds in an aggregate principal amount equal to the principal amount of such Bond, of the same Series and Stated Maturity and bearing interest at the same rate.

3. Bonds, upon surrender thereof at the principal corporate trust office of the Trustee, together with a written instrument of transfer duly executed by the Registered Owner thereof or his attorney or legal representative in such form as shall be satisfactory to the Trustee, may, at the option of the Registered Owner thereof, be exchanged for an equal aggregate principal amount of Bonds of the same Series and Stated Maturity, of any denomination or denominations authorized by this Indenture, and bearing interest at the same rate.

4. In all cases in which Bonds shall be exchanged or transferred as provided in this Indenture, the Corporation shall execute and the Trustee shall authenticate and deliver at the earliest practicable time Bonds in accordance with this Indenture. All Bonds surrendered in any such exchange or transfer shall forthwith be cancelled by the Trustee. No service charge shall be made to

any Bondholder for registration, transfer or exchange of Bonds, but the Corporation or the Trustee may make a charge for every such exchange or transfer of Bonds sufficient to reimburse it for any tax or other governmental charge required to be paid with respect to such exchange or transfer, and such charge shall be paid before any such transfer or exchange shall be completed.

5. Neither the Corporation nor the Trustee shall be required (i) to issue, transfer or exchange any Bond during a period beginning at the opening of business 15 days preceding the date of mailing a notice of redemption for Bonds selected for redemption under Section 303 and ending at the close of business on the day of such mailing or (ii) to transfer or exchange any Bond so selected for redemption in whole or in part.

Section 207. Persons Deemed Owners of Bonds. The person in whose name any Bond shall be registered shall be deemed and regarded by the Corporation, the Trustee and the Paying Agent as the absolute owner thereof, whether such Bond shall be overdue or not, for the purpose of receiving payment thereof or on account thereof and for all purposes, and neither the Corporation, the Trustee nor the Paying Agent shall be affected by notice to the contrary. Payment of or on account of the principal of, and redemption premium, if any, and interest on any Bond shall be made only to or upon the order of the Registered Owner thereof or his legal representative. All such payments shall be valid and effective to satisfy and discharge the liability upon such Bond, including the redemption premium, if any, and interest thereon, to the extent of the sum or sums so paid.

Section 208. General Provisions for Issuance of Bonds.

(a) All (but not less than all) of the Series 2002A Bonds shall be executed by the Corporation for issuance under this Indenture and delivered to the Trustee for authentication, but prior to or simultaneously with the authentication and delivery of the Bonds, the following items shall be filed with the Trustee:

(i) A copy of (a) this Indenture and any applicable resolution of the Corporation, (b) the Base Lease and (c) the Lease Agreement, each certified by the Corporation Representative;

(ii) A copy of the Ordinance certified by the City Representative;

(iii) An opinion of Counsel to the Corporation to the effect that (A) the Corporation has the right and power to execute and deliver this Indenture thereto, and this Indenture has been duly and lawfully executed and delivered by the Corporation and is valid and binding upon the Corporation in accordance with its terms; (B) this Indenture creates a valid pledge of the Trust Estate under this Indenture; (C) the Bonds have been duly and validly authorized and issued in accordance with this Indenture and are valid and binding obligations of the Corporation, enforceable in accordance with their terms and entitled to the benefits of this Indenture; and (D) the interest on the Bonds is not includable in gross income for purposes of Federal income taxation; provided, that Counsel may qualify such opinion insofar as the same relates to enforceability with respect to bankruptcy, insolvency, moratorium, reorganization or other laws affecting creditors' rights generally;

(iv) In the case of each Series of Additional Bonds, a copy of the Supplemental Indenture authorizing such Bonds, certified by the Corporation Representative, which shall, among other provisions, specify: (A) the authorized principal amount, designation and Series of such Bonds; (B) purposes for which such Series of Bonds is being issued; (C) the date, and the Stated Maturities of the Bonds of such Series; (D) the interest rate or rates of the Bonds of such Series and the Interest Payment Dates therefor; (E) the Authorized Denominations of, and the manner of dating, numbering and lettering of the Bonds of such Series; (F) the Paying Agent or Paying Agents and the place or places of payment of the principal and redemption price, if any, of, and interest on, the Bonds of such Series; (G) the redemption price or prices, if any, and, subject to Article III hereof, the redemption terms for the Bonds of such Series; (H) the amount and due date of sinking fund installments, if any, for Bonds of like maturity of such Series, provided that each sinking fund installment due date shall occur on an Interest Payment Date; (I) if so determined by the Corporation, provisions for the sale of the Bonds of such Series; (J) if such Bonds are to be issued in global book-entry-only form, the applicable provisions relating thereto; (K) the amount (or the method of determining the amount) to be deposited from the proceeds of such Series of Bonds in a Debt Service Reserve Fund for such Bonds, if any; and (L) the forms of the Bonds of such Series and the Certificate of Authentication to be endorsed thereon;

(v) A request and authorization to the Trustee, on behalf of the Corporation, executed by a Corporation Representative, to authenticate the Bonds and to deliver said Bonds to the purchasers therein identified upon payment to the Trustee, for the account of the Corporation, of the purchase price thereof. The Trustee shall be entitled to conclusively rely upon such request and authorization as to the names of the purchasers and the amount of such purchase price;

(vi) In the case of each Series of Additional Bonds, an opinion of Bond Counsel to the effect that the issuance of such

Additional Bonds will not result in the interest on any Bonds then Outstanding becoming includable in gross income for purposes of Federal income taxation; and

(vii) Such further documents, moneys and securities which are required by the provisions of any Supplemental Indenture authorizing such Bonds.

Section 209. Immobilization of Series 2002A Bonds by the Depository. As described in Section 201 above, the Series 2002A Bonds, upon original issuance, will be issued in book-entry only form and Global Bond Certificates representing all of the Series 2002A Bonds will be delivered by the Corporation to or upon the order of the initial purchasers for deposit with DTC or its agent. The Global Bond Certificates may be in printed or typewritten form or otherwise, as shall be acceptable to DTC and shall be registered in the name of Cede & Co. and held immobilized from circulation at the offices of DTC or its agent on behalf of the initial purchasers and subsequent Holders. DTC will be the sole Holder of record of such Global Bond Certificates and no investor or other party purchasing, selling or otherwise transferring ownership of any Series 2002A Bonds or any interest therein is to receive, hold or deliver any bond certificates as long as DTC holds such Series 2002A Bonds immobilized from circulation.

The Global Bond Certificates evidencing the Series 2002A Bonds may not thereafter be transferred or exchanged except:

(i) To any successor of DTC (or its nominee) or any substitute depository ("substitute depository") designated pursuant to clause (ii) of this subsection, provided that any successor of DTC or any substitute depository must be both a "clearing corporation" as defined in Section 8-102 of the Uniform Commercial Code of the State of Missouri and a qualified and registered "clearing agency" as provided in Section 17A of the Securities Exchange Act of 1934, as amended,

(ii) To a substitute depository designated by the Corporation and acceptable to the City upon (a) the determination by DTC that the Series 2002A Bonds shall no longer be eligible for depository services or (b) a determination by the Corporation that DTC is no longer able to carry out its functions, provided that any substitute depository must be qualified to act as such, as provided in clause (i) of this subsection, or

(iii) To those persons to whom transfer is requested in written transfer instructions in the event that (a) DTC shall resign or discontinue its services for the Series 2002A Bonds and the Corporation is unable to locate a qualified successor within two months following the resignation or determination of non-eligibility, (b) the Corporation determines that DTC is incapable of discharging its duties and the Corporation is unable to locate a qualified successor within two months following such determination, or (c) upon a determination by the Corporation that the continuation of the book-entry system described herein, which precludes the issuance of certificates to any Holder other than DTC (or its nominee) is no longer in the best interest of the beneficial owners of the Series 2002A Bonds, then the Corporation shall notify the beneficial owner of such resignation or determination and of the availability of Replacement Bonds to beneficial owners of the Series 2002A Bonds requesting the same and the registration, transfer and exchange of such Series 2002A Bonds will be conducted as provided in Section 206 of the Indenture.

The Trustee may rely on information from the Depository and its Participants as to the names of the Beneficial Owners of the Series 2002A Bonds, their addresses and principal amounts held.

In the event of a succession of DTC as may be authorized by this Section, the Bond Registrar upon its receipt of bond certificates for cancellation shall cause the authentication and delivery of Replacement Bond certificates to the substitute or successor depository in appropriate denominations and form as approved hereunder and the substitute or successor depository shall be treated as the Depository for all purposes and functions under this Indenture.

Section 210. Additional Bonds.

1. So long as no event has occurred and is continuing which, with the passage of time or otherwise, would become an Event of Default under this Indenture or the Lease Agreement (unless such Additional Bonds are Refunding Bonds or are being issued to cure such event), Additional Bonds may be issued under and equally and ratably secured by this Indenture on a parity with the Series 2002A Bonds and any other outstanding Additional Bonds, at any time and from time to time upon compliance with the conditions provided in this Section, for the following purposes:

(a) paying the Costs of completing the Project, such cost to be evidenced by a certificate signed by a City Representative and a Corporation Representative with the prior written consent of the Credit Provider; or

(b) providing funds for refunding all or any part of the Bonds then Outstanding of any Series, including the payment

of any redemption premium thereon and interest to accrue to the designated Redemption Date and any expenses in connection with such refunding.

2. Before any Additional Bonds shall be issued the Corporation shall adopt a resolution authorizing the issuance of such Additional Bonds, fixing the amount and terms thereof and describing the purpose or purposes for which such Additional Bonds are being issued, authorizing the Corporation to enter into a Supplemental Indenture for the purpose of issuing such Additional Bonds, and, if necessary, authorizing the Corporation to enter into a Supplemental Lease Agreement or other security instruments, to provide for the use of the proceeds of such Additional Bonds and payments at least sufficient to pay the principal of, and redemption premium, if any, and interest on, the Bonds then to be Outstanding as the same become due and for such other matters as are appropriate because of the issuance of such Additional Bonds.

3. Such Additional Bonds shall have the same designation as the Series 2002A Bonds, except for an identifying series letter or date and except, if appropriate, for the insertion of the word "Refunding" in the case of Refunding Bonds, shall be numbered, shall bear interest at such rate or rates not exceeding the maximum rate then permitted by law, shall be stated to mature and shall be redeemable at such times and prices (subject to Article III hereof), all as may be provided by the Supplemental Indenture authorizing such Additional Bonds. Except as to any difference in the date, the Stated Maturities, the rate or rates of interest or the provisions for redemption, such Additional Bonds shall be entitled to the same benefit and security of this Indenture as the Bonds. No Refunding Bonds shall be issued to refund all or a portion of Bonds Outstanding unless such Outstanding Bonds shall be deemed defeased under this Indenture upon completion of such refunding and the total debt service due shall be no greater than such total debt service would have been without the refunding of such Outstanding Bonds.

4. Nothing in this Indenture shall prohibit the Corporation from issuing bonds for any permissible purpose under separate indentures of trust.

Section 211. Mutilated, Lost, Stolen or Destroyed Bonds. In the event any Bond shall become mutilated, or be lost, stolen or destroyed, the Corporation shall execute and the Trustee shall authenticate and deliver a new Bond of like date and tenor as the Bond mutilated, lost, stolen or destroyed; provided that, in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Trustee, and in the case of any lost, stolen or destroyed Bond, there shall be first furnished to the Corporation and the Trustee evidence of such loss, theft or destruction satisfactory to the Corporation and the Trustee, together with indemnity satisfactory to them to save each of them harmless. In the event any such Bond shall have matured, instead of issuing a substitute Bond the Corporation may authorize the payment of the same without surrender thereof. Upon the issuance of any substitute Bonds, the Corporation and the Trustee may require the payment of an amount sufficient to reimburse the Corporation and the Trustee for any tax or other governmental charge that may be imposed in relation thereto and any other reasonable fees and expenses incurred in connection therewith. The provisions of this Section 211 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, lost, stolen or destroyed Bonds.

Section 212. Cancellation and Destruction of Bonds Upon Payment. All Bonds that have been paid, that the Trustee has purchased, that have been surrendered for transfer or exchange and that have otherwise been surrendered to the Trustee under this Indenture, either at or before maturity, shall be cancelled by the Trustee immediately upon the payment, redemption or purchase of such Bonds and the surrender thereof to the Trustee.

All Bonds cancelled under any of the provisions of this Indenture shall be delivered by the Trustee to the Corporation, or, upon request of the Corporation, shall be destroyed by the Trustee. The Trustee shall execute a certificate in triplicate describing the Bonds so delivered or destroyed, and shall file executed counterparts of such certificate with the Corporation and the City.

Section 213. Temporary Bonds. Until definitive bonds are ready for delivery, there may be issued, and upon request of the Corporation the Trustee shall authenticate and deliver, in lieu of definitive bonds and subject to the same limitations and conditions, temporary typewritten, printed, engraved or lithographed fully registered bonds, substantially of the tenor hereinabove set forth and with such appropriate omissions, insertions and variations as may be required.

Until definitive bonds are ready for delivery, any temporary bond may be exchanged at the principal corporate trust office of the Trustee, without charge to the Holder thereof, for an equal aggregate principal amount of temporary bonds of the like tenor of the same maturity and bearing interest at the same rate.

If temporary bonds shall be issued, the Corporation shall cause the definitive bonds to be prepared without unreasonable delay and to be executed and delivered to the Trustee, and the Trustee, upon presentation to it at its principal corporate trust office of any temporary bond, shall cancel the same and authenticate and deliver in exchange therefor, without charge to the holder thereof,

a definitive bond or bonds of an equal aggregate principal amount, of the same maturity and bearing interest at the same rate as the temporary bond surrendered. Until so exchanged the temporary bonds shall in all respects be entitled to the sole benefit and security of this Indenture as the definitive bonds to be issued and authenticated hereunder.

**ARTICLE III
REDEMPTION OF BONDS**

Section 301. Redemption of Series 2002A Bonds. The Series 2002A Bonds shall be subject to redemption as provided in this Article as follows:

(i) Optional Redemption: The Series 2002A Bonds bearing a Stated Maturity of February 15, _____, and before shall not be subject to redemption prior to their respective Stated Maturities. The Series 2002A Bonds bearing a Stated Maturity of February 15, _____, and thereafter shall be subject to optional redemption and payment prior to their respective Stated Maturities at the election of the Corporation, upon the direction and instruction by the City, on February 15, _____, and at any time thereafter, as a whole at any time or in part on any Interest Payment Date, and if in part in such order as the Corporation shall determine, upon the direction and instruction by the City in its sole discretion, at a redemption price equal to 100% of the principal amount to be redeemed, plus accrued interest thereon to the Redemption Date.

(ii) Mandatory Sinking Fund Redemption. The Bonds maturing on February 15, 20____, shall be subject to mandatory redemption at par plus accrued interest to the date of redemption on the following dates and in the following principal amounts:

<u>Redemption Date</u>	<u>Principal Amount</u>
February 15, _____	\$ _____
February 15, _____	
February 15, _____	
February 15, _____	

(Leaving \$ _____ to mature on its stated maturity of February 15, _____.)

Section 302. Redemption in Event of Condemnation, Deficiency of Title, Fire or Other Casualty, or Change in Law or Circumstances. The Bonds shall be subject to extraordinary redemption and payment prior to their Stated Maturities by the Corporation, upon instructions from the City on any date upon the occurrence of any of the following conditions or events, provided the Bonds so redeemed are redeemed and paid according to their terms: (1) if title to, or the use of, substantially all of the Carnahan Courthouse is condemned by any authority having the power of eminent domain; (2) if the Corporation's interest in substantially all of the Carnahan Courthouse is found to be deficient or nonexistent to the extent that the Carnahan Courthouse is untenable or the efficient utilization of the Carnahan Courthouse by the City is impaired; (3) if substantially all of the Carnahan Courthouse are damaged or destroyed by fire or other casualty; or (4) if as a result of changes in the Constitution of the State, or of legislative or administrative action by the State or any political subdivision thereof, or by the United States, or by reason of any action instituted in any court, the Lease Agreement shall become void or unenforceable, or impossible of performance without unreasonable delay, or in any other way, by reason of such change of circumstances, unreasonable burdens or excessive liabilities are imposed on the City or the Corporation. Bonds redeemed pursuant to this Section shall be redeemed at a redemption price of 100% of the principal amount thereof, plus accrued interest thereon to the Redemption Date fixed for redemption and payment without a premium.

Section 303. Selection of Bonds to be Redeemed.

1. Bonds shall be redeemed in their Authorized Denominations. In the case of a partial redemption of Bonds of the same Series, the Bonds to be redeemed shall be selected by the Corporation, upon the direction of the City, from the Outstanding Bonds of that Series by lot or by such method as the Trustee shall deem fair and appropriate and which may provide for the selection for redemption of (i) portions of the principal of Outstanding Bonds of that Series of a denomination larger than \$5,000. The portions of the principal of Outstanding Bonds so selected for partial redemption shall be equal to \$5,000 or integral multiples thereof. Any Bond which is to be redeemed only in part shall be submitted to the Paying Agent and delivered to the Trustee, who shall authenticate and deliver to the Holder of such Bond, without service charge, a new Bond or Bonds, of any authorized denomination as requested by such Holder in an aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Bonds so surrendered. If the Holder of any Bond to be redeemed only in part shall fail to present such Bond to the Paying Agent for payment and exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the Redemption Date to the extent of the principal amount of a Bond so called for redemption and accrued interest thereon (and to that extent only). If the Bonds are in the

form of Global Bond Certificates, the partial redemption of such Bonds shall be governed by the agreement between the Corporation, the Trustee and the Depository.

2. The Trustee shall call Bonds for redemption and payment as herein provided upon receipt by the Trustee at least 45 days prior to the Redemption Date of a written request of the Corporation with the consent of the City. Such request shall specify the principal amount and Stated Maturities of Bonds so to be called for redemption, the applicable redemption price or prices and the provision or provisions of this Indenture or a Supplemental Indenture authorizing Additional Bonds pursuant to which such Bonds are to be called for redemption. The foregoing provisions of this paragraph shall not apply in the case of any mandatory redemption of Bonds pursuant to the mandatory redemption requirements of a Supplemental Indenture, and Bonds shall be called by the Trustee for redemption pursuant to such mandatory redemption requirements without the necessity of any action by the Corporation or the City and whether or not the Trustee shall hold in the Bond Fund or any other Bond Fund moneys available for and sufficient to effect the required redemption.

Section 304. Notice of Redemption. If and when any of the Bonds are called for redemption and payment prior to their Stated Maturity, the Trustee shall give written notice of said redemption and payment by first class mail, postage prepaid, mailed not less than 30 days nor more than 60 days prior to the Redemption Date to each Holder of Bonds to be redeemed, at the address appearing on the Bond Register. All notices of redemption shall include the Redemption Notice Information.

The failure of the Holder of any Bond to be so redeemed to receive written notice mailed as herein provided shall not affect or invalidate the redemption of said Bond.

The Bond Registrar is also directed to comply with any mandatory or voluntary standards then in effect for processing redemptions of municipal securities established by the Securities and Exchange Commission. Failure to comply with such standards shall not affect or invalidate the redemption of any Bond to be redeemed.

Notice of the redemption of Bonds hereunder, other than mandatory sinking fund redemption and except with respect to any notice which refers to Bonds which are the subject of an advance refunding, shall be given only if sufficient funds have been deposited with the Trustee to pay the redemption price of the Bonds to be redeemed.

Section 305. Effect of Call for Redemption. Prior to any date fixed for redemption pursuant to Section 302 hereof and prior to the giving of notice of redemption of any Bonds pursuant to Section 304 hereof (unless such notice shall state that the foregoing deposits shall be made only to the extent there are funds available therefor), there shall be deposited with the Trustee funds sufficient or United States Government Obligations, maturing as to principal and interest at such times and in such amounts as to provide funds sufficient, to pay the principal of Bonds to be called for redemption and accrued interest thereon on the Redemption Date and the redemption premium, if any, provided, however, the requirements for such deposit need not be met to the extent such redemption is to be made with the proceeds of Additional Bonds to be issued to refund all or a part of the Bonds to be redeemed. Any redemptions pursuant to Section 302 of this Indenture shall be made only from and/or to the extent of the funds or United States Government Obligations so deposited with the Trustee. Upon the happening of the above conditions, and notice having been given as provided in Section 304, the Bonds or the portions of the principal amount of Bonds thus called for redemption shall cease to bear interest on their Redemption Date, provided funds or United States Government Obligations sufficient for the payment of principal of, and redemption premium, if any and accrued interest on such Bonds are on deposit at the place of payment at that time, and shall no longer be entitled to the protection, benefit or security of this Indenture and shall not be deemed to be Outstanding under this Indenture.

- (e) The balance shall be deposited in the Project Fund.

ARTICLE V APPLICATION OF FUNDS

Section 501. Application of Funds with Respect to the Bond Fund. In addition to the deposits pursuant to Section 402 hereof, the Trustee shall deposit into the Series 2002A Bond Account (a) all amounts to be deposited in the Bond Fund pursuant to Section 4.1 and Section 4.2 of the Lease Agreement corresponding to the payments of principal of, redemption premium, if any, and interest on the Series 2002A Bonds; (b) all interest and other income derived from investments of funds on deposit in the Series 2002A Bond Account; (c) any amounts on deposit in the Debt Service Reserve Fund in excess of the Debt Service Reserve Fund Requirement and certain investment earnings on amounts in the Debt Service Reserve Fund, both pursuant to Section 404 hereof, and (d) all other moneys received by the Trustee which the Trustee is directed in writing to deposit in the Series 2002A Bond Account.

Except as provided in Sections 509, 510 and 909 hereof, and except as may be provided in any Supplemental Indenture with respect to using moneys in the Bond Fund to purchase Bonds in the open market, moneys in the Bond Fund shall be expended solely for the payment of the principal of, and redemption premium, if any, and interest on, the Bonds as the same mature and become due or upon the redemption thereof prior to maturity.

The Corporation hereby authorizes and directs the Trustee to withdraw sufficient funds from the Bond Fund to pay the principal of, and redemption premium, if any, and interest on the Bonds as the same become due and payable and to make said funds so withdrawn available to the Trustee and any Paying Agent for the purpose of paying such principal, redemption premium, if any, and interest.

Whenever the amount in the Bond Fund from any source whatsoever is sufficient to redeem all of the Bonds Outstanding and pay interest to accrue thereon prior to such redemption, the Corporation, upon request of the City, shall take and cause to be taken the necessary steps to redeem all such Bonds on the next succeeding Redemption Date for which the required redemption notice may be given or on such later Redemption Date as may be specified by the City. Any moneys in the Bond Fund may be used to redeem a portion of the Bonds Outstanding so long as the City is not in default with respect to any payments under the Lease Agreement and to the extent said moneys exceed the amount required (i) for payment of Bonds theretofore matured or called for redemption and (ii) for payment of any past due interest remaining unpaid.

Section 502. Application of Funds With Respect to the Debt Service Reserve Fund. In addition to the deposit pursuant to Section 402 hereof, except as herein otherwise provided, funds on deposit in the Debt Service Reserve Fund shall be used and applied by the Trustee solely to prevent a default in the event moneys on deposit in the Bond Fund shall be insufficient to pay the principal of and interest on the Bonds as the same become due. The Trustee may disburse and expend moneys from the Debt Service Reserve Fund whether or not the amount therein equals the Debt Service Reserve Fund Requirement. Moneys on deposit in the Debt Service Reserve Fund may be used to pay Bonds called for redemption or to purchase Bonds in the open market, prior to their Stated Maturity, provided all Bonds at the time Outstanding are called for redemption or purchased and sufficient funds are

available therefor. Moneys on deposit in the Debt Service Reserve Fund shall be used to pay and retire the Bonds last becoming due, unless such Bonds and all interest thereon are otherwise paid.

So long as the sum on deposit in the Debt Service Reserve Fund shall aggregate an amount equal to the Debt Service Reserve Fund Requirement, no further deposits to said Debt Service Reserve Fund shall be required. If, however, the Trustee is ever required to withdraw funds from the Debt Service Reserve Fund to prevent a default as herein provided and the withdrawal of such funds reduces the amount on deposit in the Debt Service Reserve Fund to less than the Debt Service Reserve Fund Requirement, Section 4.2 of the Lease Agreement provides that the City shall make up such deficiency by making monthly payments of Additional Rentals, commencing on the first day of the calendar month following the date of such withdrawal and continuing on the first day of each month thereafter, in an amount equal to one-twelfth (1/12) of the maximum amount of such deficiency, until the amount on deposit in the Debt Service Reserve Fund again aggregates a sum equal to the Debt Service Reserve Fund Requirement.

So long as the sum on deposit in the Debt Service Reserve Fund shall aggregate an amount equal to the Debt Service Reserve Fund Requirement, investment earnings on funds on deposit in the Debt Service Reserve Fund shall be deposited into the Bond Fund. If, however, the sum on deposit in the Debt Service Reserve Fund shall be less than the Debt Service Reserve Fund Requirement investment earnings on funds in the Debt Service Reserve Fund shall remain therein and be applied to reducing such deficiency.

Notwithstanding the foregoing, any of the following may be used in lieu of or as partial substitution for cash in the Debt Service Reserve Fund: an insurance policy, letter of credit, line of credit, guaranty or surety bond or any similar credit or liquidity facility, or any combination thereof which facility shall be obtained from an entity that is rated in one of the two highest rating categories by either Moody's, Fitch or S&P. In the case of the utilization of any cash substitute as described in this paragraph, any moneys remaining in the Debt Service Reserve Fund in excess of the Debt Service Reserve Fund Requirement shall be transferred to the Bond Fund.

Section 503. Valuation of Debt Service Reserve Fund. Permitted Investments in the Debt Service Reserve Fund shall be evaluated at the market value thereof, exclusive of accrued interest, by the Trustee quarterly on February 15, May 15, August 15 and November 15 of each year and the amount on deposit therein determined accordingly. In the event that on any such date of evaluation the amount on deposit in the Debt Service Reserve Fund shall aggregate an amount less than the Debt Service Reserve Fund Requirement (by reason of such evaluation and not by reason of any withdrawal), Section 4.2 of the Lease Agreement provides that the City shall make up such deficiency as Additional Rentals equal to such deficiency no later than the next evaluation date.

After payment in full of the principal of, premium, if any, and interest on the Bonds (or provision has been made for the payment thereof as specified in the Indenture), and the fees, charges and expenses of the Trustee and any Paying Agent and any other amounts required to be paid under the Indenture, the Lease Agreement, and any agreement with respect to Credit Enhancement, if any, all amounts remaining in the Debt Service Reserve Fund shall be paid to the City.

Section 504. Disbursements from Series 2002A Costs of Issuance Account. Moneys on deposit in the Series 2002A Costs of Issuance Account shall be paid out from time to time by the Trustee upon Written Requests of the Corporation Representative and the City Representative, in substantially the form of Exhibit B attached hereto, in an amount equal to the amount of costs and expenses of issuing and securing the Series 2002A Bonds certified in such Written Requests, including, without limitation, printing expenses, rating agency fees, recording and filing fees, trustee's and depository's fees and expenses, fees and expenses of the Corporation, legal fees, and other fees and expenses incurred or to be incurred by or on behalf of the Corporation or the City in connection with or incident to the issuance, sale and delivery of the Series 2002A Bonds. At such time as the Trustee is advised in writing by the Corporation Representative that such costs and expenses have been paid, and in any case not later than six months from the Closing Date, the Trustee shall transfer any moneys remaining in the Costs of Issuance Fund to the Bond Fund.

In making payments pursuant to this Section, the Trustee may rely upon such written requests and certifications and shall not be required to make any independent investigation in connection therewith.

Section 505. Disbursements from the Project Fund. Moneys in the Project Fund shall be expended in accordance with the Lease Agreement, and particularly Article V thereof, and the Trustee shall disburse such moneys in accordance with such provisions as such provisions may be amended or restricted by any Supplemental Indenture.

If required, the Corporation shall take all necessary and appropriate action promptly in approving and ordering all such disbursements. The Trustee is hereby authorized and directed to issue checks for each disbursement in the manner and as provided by the Lease Agreement.

The Trustee shall keep and maintain adequate records pertaining to the Project Fund and the accounts therein and all disbursements therefrom, and after the Project has been completed and a certificate filed as provided in Section 409 hereof and Section 5.7 of the Lease Agreement, the Trustee shall file a statement of receipts and disbursements with respect thereto with the Corporation and with the City.

Section 506. Completion of the Project. The completion of the Project and the payment of all costs and expenses incident thereto shall be evidenced by the filing with the Trustee of the certificate of the City Representative and the Corporation Representative required by the provisions of Section 5.7 of the Lease Agreement setting out the Completion Date. Any moneys remaining in the Project Fund at the time of the Completion Date for the Project shall be transferred to the Bond Fund and used to redeem Series 2002 Bonds on the next succeeding optional redemption date.

Section 507. Rebate Fund. In accordance with the Non-Arbitrage Certificate, the Corporation has covenanted to calculate and pay directly to the government of the United States of America all amounts due for payment of "arbitrage rebate" under Section 148(f) of the Code with respect to the Series 2002A Bonds. Accordingly, no amounts shall be deposited in the Rebate Fund, provided, however, that the Corporation may in the future deposit with the Trustee or direct the Trustee to deposit in the Rebate Fund amounts held in any fund or account hereunder for the Series 2002A Bonds (which direction shall specify the procedures for collection and payment of amounts due in respect of arbitrage rebate). The Rebate Fund is a trust fund, but amounts therein do not constitute part of the Trust Estate. Amounts on deposit in the Rebate Fund may be used solely to make payments to the United States of America under Section 148 of the Code and to pay costs related to the calculation of the amounts due. Any amounts remaining in the Rebate Fund upon satisfaction of all rebate obligations payable to the United States shall be transferred to the City.

Section 508. Payments Due on Saturdays, Sundays and Holidays. In any case where the Maturity of principal of, or redemption premium, if any, or interest on, any Bonds or the days fixed for redemption of any Bonds shall be a Saturday, a Sunday, a legal holiday or a day on which banking institutions in the city of payment are authorized by law to close, then payment of principal, redemption premium, if any, or interest need not be made on such date but may be made on the next succeeding day not a Saturday, a Sunday or a legal holiday or a day upon which such banking institutions are authorized by law to close with the same force and effect as if made on the date of maturity or the date fixed for redemption, and no interest shall accrue for the period after such date.

Section 509. Nonpresentment of Bonds. In the event any Bond shall not be presented for payment when the principal therein becomes due, either at its Maturity or otherwise, or at the Redemption Date thereof, if funds sufficient to pay such Bond shall have been made available to the Trustee, all liability of the Corporation to the Bondholder thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Trustee to hold such fund or funds, without liability for interest thereon, for the benefit of the Holder of such Bond who shall thereafter be restricted exclusively to such fund or funds for any claim of whatever nature on his part under this Indenture or on, or with respect to, said Bond. If any Bond shall not be presented for payment within five years following the date when such Bond becomes due, whether by maturity or otherwise, the Trustee shall repay to the City the funds theretofore held by it for payment of such Bond, and such Bond shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured obligation of the City, and the Bondholder thereof shall be entitled to look only to the City for payment, and then only to the extent of the amount so repaid, and the City shall not be liable for any interest thereon and shall not be regarded as a trustee of such money.

Section 510. Repayment to the City from the Bond Fund. After payment in full of the principal of and redemption premium, if any, and interest on, the Bonds (or after provision has been made for the payment thereof as provided in this Indenture), and the fees, charges and expenses of the Trustee and Paying Agents and any other amounts required to be paid under this Indenture and Lease Agreement, all amounts remaining in the Bond Fund shall be paid to the City upon the expiration or sooner termination of the Lease Agreement.

ARTICLE VI
PROVISIONS RELATING TO MUNICIPAL BOND INSURANCE
[Subject to revision based on Credit Provider selected]

Section 601. Payment Procedure Pursuant to Financial Guaranty Insurance Policy. As long as the Financial Guaranty Insurance Policy shall be in full force and effect with respect to the Series 2002A Bonds, the Corporation and the Trustee agree to comply with the following provisions:

(a) At least one (1) day prior to all Interest Payment Dates, the Trustee will determine whether there will be sufficient funds in the Funds and Accounts relating to the Series 2002A Bonds under the Indenture and this Indenture to pay the principal of

or interest on the Series 2002A Bonds on such Interest Payment Date. If the Trustee determines that there will be insufficient funds in such Funds or Accounts, the Trustee shall so notify the Credit Provider. Such notice shall specify the amount of the anticipated deficiency, the Series 2002A Bonds to which such deficiency is applicable and whether such Series 2002A Bonds will be deficient as to principal or interest, or both. If the Trustee has not so notified the Credit Provider at least one (1) day prior to an Interest Payment Date, the Credit Provider will make payments of principal or interest due on the Series 2002A Bonds on or before the first (1st) day next following the date on which the Credit Provider shall have received notice of nonpayment from the Trustee.

(b) The Trustee shall, after giving notice to the Credit Provider as provided in (a) above, make available to the Credit Provider and, at the Credit Provider's direction, to the Insurance Trustee or any successor Insurance Trustee, the registration books of the Corporation maintained by the Trustee and all records relating to the Funds and Accounts relating to the Series 2002A Bonds under this Indenture.

(c) The Trustee shall provide the Credit Provider and the Insurance Trustee with a list of registered owners of Series 2002A Bonds entitled to receive principal or interest payments from the Credit Provider under the terms of the Financial Guaranty Insurance Policy, and shall make arrangements with the Insurance Trustee (i) to mail checks or drafts to the registered owners of Series 2002A Bonds entitled to receive full or partial interest payments from the Credit Provider and (ii) to pay principal upon Series 2002A Bonds surrendered to the Insurance Trustee by the registered owners of Series 2002A Bonds entitled to receive full or partial principal payments from the Credit Provider.

(d) The Trustee shall, at the time it provides notice to the Credit Provider pursuant to (a) above, notify registered owners of Series 2002A Bonds entitled to receive the payment of principal or interest thereon from the Credit Provider (i) as to the fact of such entitlement, (ii) that the Credit Provider will remit to them all or a part of the interest payments next coming due upon proof of Bondholder entitlement to interest payments and delivery to the Insurance Trustee, in form satisfactory to the Insurance Trustee, of an appropriate assignment of the registered owner's right to payment, (iii) that should they be entitled to receive full payment of principal from the Credit Provider, they must surrender their Series 2002A Bonds (along with an appropriate instrument of assignment in form satisfactory to the Insurance Trustee to permit ownership of such Series 2002A Bonds to be registered in the name of the Credit Provider) for payment to the Insurance Trustee, and not the Trustee and (iv) that should they be entitled to receive partial payment of principal from the Credit Provider, they must surrender their Bonds for payment thereon first to the Trustee, who shall note on such Bonds the portion of the principal paid by the Trustee, and then, along with an appropriate instrument of assignment in form satisfactory to the Insurance Trustee, to the Insurance Trustee, which will then pay the unpaid portion of principal.

(e) In the event that the Trustee has notice that any payment of principal or interest on a Series 2002A Bond which has become due for payment and which is made to a Bondholder by or on behalf of the Corporation has been deemed a preferential transfer and theretofore recovered from its registered owner pursuant to the United States Bankruptcy Code by a trustee in bankruptcy in accordance with the final, nonappealable order of a court having competent jurisdiction, the Trustee shall, at the time the Credit Provider is notified pursuant to (a) above, notify all registered owners that in the event that any registered owner's payment is so recovered, such registered owner will be entitled to payment from the Credit Provider to the extent of such recovery if sufficient funds are not otherwise available, and the Trustee shall furnish to the Credit Provider its records evidencing the payments of principal or interest on the Series 2002A Bonds which have made by the Trustee and subsequently recovered from registered owners and the dates on which such payments were made.

(f) In addition to those rights granted the Credit Provider under this Indenture, the Credit Provider shall, to the extent it makes payment of principal or interest on Series 2002A Bonds, become subrogated to the rights of the recipients of such payments in accordance with the terms of the Financial Guaranty Insurance Policy, and to evidence such subrogation (i) in the case of subrogation as to claims for past due interest, the Trustee shall note the Credit Provider's rights as subrogee on the registration books of the Corporation maintained by the Trustee, upon receipt from the Credit Provider of proof of the payment of interest thereon to the registered owners of the Bonds, and (iii) in the case of subrogation as to claims for past due principal, the Trustee shall note the Credit Provider's rights as subrogee on the registration books of the Corporation maintained by the Trustee, upon surrender of the Series 2002A Bonds by the registered owners thereof together with proof of the payment of principal thereof.

(g) Notwithstanding any, other provisions of this Indenture, in determining whether the rights of the Bondholders will be adversely affected by any action taken pursuant to the terms and provisions of this Indenture, the Trustee (or Paying Agent) shall consider the effect on the Bondholders as if there were no Financial Guaranty Insurance Policy.

Section 602. Notices to the Credit Provider and Fiscal Agent. Any notice, request, complaint, demand or other paper required by this Indenture to be given or filed with the Credit Provider shall be addressed as follows:

(Address of Bond Insurer to come)

Section 603. Additional Notices to Credit Provider. While the Financial Guaranty Insurance Policy is in effect so long as the Credit Provider has not failed to comply with its obligations under the applicable Credit Enhancement, the Corporation or the Trustee, as appropriate, shall furnish to the Credit Provider:

- (a) notice of any draw upon or deficiency due to market fluctuations in the amount, if any, on deposit in the Debt Service Reserve Fund;
- (b) a copy of the financial statement and other records and documents referred to in Section 16.4 of the Lease Agreement at the times specified therein;
- (c) a copy of any notice to be given to the Registered Owners of the Series 2002A Bonds, including, without limitation, notice of any redemption (other than mandatory sinking fund redemption and including the principal amount, maturities and CUSIP numbers thereof) of or defeasance of Series 2002A Bonds, notice of an Event of Default, notice of resignation or removal of Trustee and any certificate rendered pursuant to the Indenture relating to the security for the Series 2002A Bonds, and
- (d) such additional information as it may reasonably request.

The Trustee shall notify the Credit Provider of any failure of the Corporation to provide any notices and certificates required to be delivered to the Trustee hereunder.

The Corporation will permit the Credit Provider to discuss the affairs, finances and accounts of the Corporation or any information the Credit Provider may reasonably request regarding the security for the Series 2002A Bonds with appropriate officers of the Corporation. The Trustee or the Corporation, as appropriate, will permit the Credit Provider to have access to and to make copies of all books, documents and records relating to the Trust Estate, Rentals and other revenues, moneys and receipts derived by the Corporation pursuant to the Lease Agreement and any other books, documents and records related to the Series 2002A Bonds at any reasonable time.

Notwithstanding any other provision of this Indenture, the Trustee shall immediately notify the Credit Provider if at any time there are insufficient moneys to make any payments of principal and/or interest as required and immediately upon the occurrence of any Event of Default under this Indenture.

The Credit Provider shall have the right to direct an accounting at the Corporation's expense, and the Corporation's failure to comply with such direction within thirty (30) days after receipt of written notice of the direction from the Credit Provider shall be deemed a default hereunder; provided, however, that if compliance cannot occur within such period, then such period will be extended so long as compliance is begun within such period and diligently pursued, but only if such extension would not materially adversely affect the interests of any registered owner of the Series 2002A Bonds.

Any sales, substitution, assignments or releases of Property shall require the consent of the Credit Provider.

Section 604. Credit Provider as Sole Holder. For all purposes of Articles IX, XI and XII of this Indenture, except with respect to the giving of notice of default to Holders, the Credit Provider, if any, shall be deemed to be the sole holder of the Series 2002A Bonds which it has insured or otherwise enhanced for so long as it has not failed to comply with its payment obligations under the applicable Credit Enhancement.

Section 605. Consent of the Credit Provider.

(a) Any provision of this Indenture expressly recognizing or granting rights in or to the Credit Provider may not be amended in any manner which affects the rights of the Credit Provider hereunder without the prior written consent of the Credit Provider. Notwithstanding any provision herein contained, the Credit Provider may exercise any rights granted thereto under this Section provided that it has not failed to comply with its payment obligations under the applicable Credit Enhancement.

(b) Unless otherwise provided in this Section, the Credit Provider's consent shall be required in addition to the Bondholder consent, when required for the following purposes: (i) execution and delivery of any Supplemental Indenture or any amendment, supplement or change to or modification of the Base Lease or the Lease Agreement, (ii) removal of the Trustee and

selection and appointment of any successor trustee; and (iii) initiation or approval of any action not described in (i) or (ii) above which requires the consent of Holders of Series 2002A Bonds. Notwithstanding the foregoing, in any instance where the consent of all Holders of Series 2002A Bonds is a prerequisite to any act, such act may not be effectuated solely upon Credit Provider's consent but only upon approval of all Bondholders.

(c) Anything in this Indenture to the contrary notwithstanding, upon the occurrence and continuance of an Event of Default, the Credit Provider shall, so long as it is not in default in its payment obligations under the Financial Guaranty Insurance Policy, be entitled to control and direct the enforcement of all rights and remedies granted to the Holders of the Series 2002A Bonds under this Indenture including, without limitation, the right to request the Trustee to pay taxes pursuant to Section 1010 of the Indenture, acceleration of the principal of the Series 2002A Bonds pursuant to the Indenture and the right to annul any declaration of acceleration, and, further, the Credit Provider shall also be entitled to approve all waivers of Events of Default.

(d) Upon the occurrence of an Event of Default, the Trustee may, with the consent of the Credit Provider, and shall, at the direction of the Credit Provider or 51% of the Bondholders with the consent of the Credit Provider, by written notice to the Corporation and the Credit Provider, declare the principal of the Bonds to be immediately due and payable, whereupon that portion of the principal of the Bonds thereby coming due and the interest thereon accrued to the date of payment shall, without further action, become and be immediately due and payable, anything in this Indenture or in the Bonds to the contrary notwithstanding.

(e) Any reorganization or liquidation plan with respect to the Corporation or the City must be acceptable to the Credit Provider. In the event of any reorganization or liquidation, the Credit Provider shall have the right to vote on behalf of all bondholders who hold the Credit Provider-insured bonds absent a default by the Credit Provider under the applicable Financial Guaranty Insurance Policy insuring such Bonds.

Section 606. Bonds to Remain Outstanding. In the event that the principal and/or interest due on the Series 2002A Bonds shall be paid by the Credit Provider pursuant to the Financial Guaranty Insurance Policy, the Series 2002A Bonds shall remain Outstanding for all purposes, not be defeased or otherwise satisfied and not be considered paid by the Corporation, and the assignment and pledge of the Trust Estate and all covenants, agreements and other obligations of the Corporation to the Holders of Series 2002A Bonds shall continue to exist and shall run to the benefit of the Credit Provider, and the Credit Provider shall be subrogated to the rights of such Registered Owners until the Series 2002A Bonds are paid by the Corporation in accordance with this Indenture.

ARTICLE VII **DEPOSITARIES OF MONEYS, SECURITY FOR DEPOSITS AND INVESTMENT OF FUNDS**

Section 701. Moneys to be Held in Trust. Except as otherwise specifically provided herein, all moneys deposited with or paid to the Trustee pursuant to the provisions of this Indenture, and all moneys deposited with or paid to any Paying Agent under this Indenture, shall be held by the Trustee or Paying Agent in trust and shall be applied only in accordance with this Indenture and the Lease Agreement, and, until used or applied as herein provided, shall constitute part of the Trust Estate and be subject to the lien hereof. Neither the Trustee nor any Paying Agent shall be under any liability for interest on any moneys received hereunder except such as may be agreed upon.

Section 702. Investment of Moneys in the Project Fund, the Costs of Issuance Fund, the Bond Fund and the Debt Service Reserve Fund, if any. Moneys held in the Project Fund, the Costs of Issuance Fund, the Bond Fund, the Debt Service Reserve Fund and the Rebate Fund created hereby authorizing any Series of Bonds, if any, shall, pursuant to written direction of the City, signed by the City Treasurer or his designee and in accordance with the Non-Arbitrage Certificate be invested and reinvested by the Trustee in Permitted Investments which mature or are subject to redemption by the holder prior to the date such funds will be needed. Any such Permitted Investments shall be held by or under the control of the Trustee and shall be deemed at all times a part of the fund or account in which such moneys are originally held, and the interest accruing thereon and any profit realized from such Permitted Investments shall be credited to such fund or account or as otherwise provided by a Supplemental Indenture, and any loss resulting from such Permitted Investments shall be charged to such fund or account. The Trustee shall sell and reduce to cash a sufficient amount of such Permitted Investments whenever the cash balance in such fund or account is insufficient for the purposes of such fund or account. The Trustee shall transfer excess monies in the Debt Service Reserve Fund to the Bond Fund after each quarterly valuation.

The Trustee may make any and all investments permitted by this Section through its own bond department or short-term investment department.

Section 703. Tax Exemption. The Corporation will comply with Section 16.2 of the Lease Agreement with respect

to the exemption of the interest on Bonds from Federal income taxation.

Section 704. Rebate. The Trustee shall annually make or, at the discretion of the Corporation and the City and at the expense of the City, employ an individual or firm having the requisite expertise to make, the calculation(s) required by the Non-Arbitrage Certificate and the Corporation shall (i) pay to the United States the amount, if any, required to be rebated by the Non-Arbitrage Certificate and (ii) invest proceeds of the Bonds only as provided in the Non-Arbitrage Certificate. Anything in this Section to the contrary notwithstanding, the Non-Arbitrage Certificate may be amended or superseded by a new Non-Arbitrage Certificate accompanied by an opinion of Bond Counsel addressed to the Corporation to the effect that the use of the new Non-Arbitrage Certificate will not cause the interest on the Bonds to become includable in gross income for Federal income tax purposes of the recipient thereof.

ARTICLE VIII PARTICULAR COVENANTS AND PROVISIONS

Section 801. Payment of Principal, Redemption Premium, if any, and Interest. The Corporation will deposit or cause to be deposited in the Bond Fund sufficient sums from Rentals and other revenues, moneys and receipts derived by the Corporation pursuant to the Lease Agreement or other tenancies promptly to meet and pay the principal of, redemption premium, if any, and interest on, the Bonds as the same become due and payable at the place, on the dates and in the manner provided herein and in the Bonds according to the true intent and meaning thereof.

Section 802. Authority to Execute Indenture and Issue Bonds. The Corporation is duly authorized to execute this Indenture, to issue the Bonds and to pledge and assign the Trust Estate in the manner and to the extent herein set forth; all action on its part for the execution and delivery of this Indenture and the issuance of the Bonds has been duly and effectively taken; and the Bonds in the hands of the Bondholders thereof are and will be valid and enforceable obligations of the Corporation according to the import thereof.

Section 803. Performance of Covenants. The Corporation will faithfully perform at all times any and all covenants, agreements, undertakings, stipulations and provisions contained in this Indenture and the Bonds.

Section 804. Instruments of Further Assurance; Encumbrances of Trust Estate. The Corporation will do, execute, acknowledge and deliver, or cause to be done, executed, acknowledged and delivered, such Supplemental Indentures and such further acts, instruments, financing statements and other documents as the Trustee may reasonably require for the better assuring, pledging and assigning unto the Trustee, the property and revenues herein described to the payment of the principal of, and redemption premium, if any, and interest on, the Bonds.

Section 805. Filing of Security Instruments. This instrument is intended to be a security agreement pursuant to the Uniform Commercial Code for any of the items specified as part of the interest of the Trustee on behalf of the Bondholders in the Carnahan Courthouse which, under applicable law, may be subject to a security interest pursuant to the Uniform Commercial Code, and the Corporation hereunder grants the Trustee on behalf of the Bondholders, a security interest in said items, whether now or hereafter acquired, and including all products and proceeds of said items. The Corporation will cause all appropriate financing and continuation statements and other security instruments to be filed or recorded, as applicable, in such manner, at such times and in such places as may be required by law to fully preserve and protect the security of the Bondholders and the rights of the Trustee hereunder. The Corporation shall, on an ongoing basis, execute and deliver all documents and make or cause to be made all filings and recordings necessary or desirable in order to perfect, preserve and protect the interest of the Trustee under this Indenture in the pledged property and the Base Lease to the extent possible under applicable law.

Section 806. Inspection of Project Books. All books and documents in the Corporation's possession relating to the Rentals and other revenues, moneys and receipts derived by the Corporation pursuant to the Lease Agreement shall at all times be open to inspection by such accountants or other agencies as the Trustee may from time to time designate.

Section 807. Enforcement of Rights Under the Lease Agreement. The Corporation will enforce all of the rights and all of the obligations of the City under the Lease Agreement to the extent necessary to preserve the property leased thereunder in good order and repair, and to protect the rights of the Trustee and the Bondholders hereunder with respect to the pledge and assignment of the Trust Estate upon the direction of the Trustee. The Trustee as assignee of the Lease Agreement and the holder of this Indenture in its name or in the name of the Corporation may enforce all rights of the Corporation and all obligations of the City under and pursuant to the Lease Agreement for and on behalf of the Bondholders, whether or not the Corporation is in default hereunder.

Section 808. Damage, Destruction and Condemnation. If the Carnahan Courthouse is destroyed or damaged by fire or other casualty, or if title to or temporary use of the Carnahan Courthouse or the interest of the City or of the Corporation therein shall be taken under the exercise of the power of eminent domain by any governmental body or by any person, firm or corporation acting under governmental authority, the City shall cause the net proceeds of any insurance (including proceeds from the City's self insurance program) or condemnation award to be applied as provided in Section 11.1 of the Lease Agreement.

ARTICLE IX **DEFAULT AND REMEDIES**

Section 901. Events of Default. If any one or more of the following events occur, it is hereby defined as and declared to be and to constitute an "Event of Default":

- (a) Default by the Corporation in the due and punctual payment of any interest on any Bond;
- (b) Default by the Corporation in the due and punctual payment of the principal of or redemption premium, if any, on any Bond, whether at the Stated Maturity or other Maturity thereof, or upon proceedings for redemption thereof;
- (c) Default in the performance or observance of any other of the covenants, agreements or conditions on the part of the Corporation contained in this Indenture or in the Bonds or in any other document or instrument that secures or otherwise relates to the debt and obligations hereby secured, and the continuance thereof for a period of 60 days after written notice given to the Corporation, and the City by the Trustee or to the Trustee, the City, and the Corporation by the Holders of not less than 25% in aggregate principal amount of Bonds then Outstanding; provided, however, if the failure stated in the notice cannot be corrected within said 60-day period, the Trustee may consent in writing to an extension of such time prior to its expiration and the Trustee will not unreasonably withhold its consent to such an extension if corrective action is instituted by the Corporation or the City within the 60-day period and diligently pursued to completion and if such consent, in its judgment, does not materially adversely affect the interests of the Bondholders. Upon receipt of notice of any Event of Default under this subparagraph (c) the City shall have the rights specified in subparagraph (b) of Section 914 hereof; or
- (d) An Event of Default under Section 12.1(a) of the Lease Agreement.

Notice of any Event of Default shall be given to the Corporation, and the City by the Trustee within thirty (30) days of the Trustee's knowledge thereof and the City, upon receipt of such notice, shall have the rights specified in subparagraph (a) of Section 914 hereof.

Section 902. Acceleration of Maturity in Event of Default. If an Event of Default shall have occurred and be continuing, the Trustee may, and upon the written request of the Holders of not less than 51% in aggregate principal amount of Bonds then Outstanding, shall, by notice in writing delivered to the Corporation and the City, declare the principal of all Bonds then Outstanding and the interest accrued thereof immediately due and payable, and such principal and interest shall thereupon become and be immediately due and payable.

If the payment of the Bonds is accelerated under this Section, each Bond shall be payable in the principal amount thereof and accrued interest thereon.

Section 903. Surrender of Possession of Trust Estate; Rights and Duties of Trustee in Possession. If an Event of Default shall have occurred and be continuing, the Corporation, upon demand of the Trustee, shall forthwith surrender the possession of, and it shall be lawful for the Trustee, by such officer or agent as it may appoint, to take possession of all or any part of the Trust Estate, together with the books, papers and accounts of the Corporation pertaining thereto, and including the rights and the position of the Corporation under the Lease Agreement and to collect, receive and sequester the Rentals and other revenues, moneys and receipts derived under the Lease Agreement, and out of the same and any moneys received from any receiver of any part thereof pay, and set up proper reserves for the payment of all proper costs and expenses of so taking, holding and managing the same, including (i) reasonable compensation to the Trustee, its agents and counsel and (ii) any charges of the Trustee hereunder, and the Trustee shall apply the remainder of the moneys so received in accordance with Section 909. The collection of such Rentals, revenues and other receipts, or the application thereof as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done in response to such default or pursuant to notice of default. Whenever all that is due upon the Bonds shall have been paid and all defaults cured, the Trustee shall surrender possession of the Trust Estate to the Corporation, its successors or assigns, the same rights, however, to exist upon any subsequent Event of Default.

While in possession of the Trust Estate, the Trustee shall render quarterly to the Corporation and the City a summarized statement of receipts and expenditures in connection therewith.

The City shall give notice to the Corporation with a copy to the Trustee as early as practicable in each Fiscal Year and in any case no later than three (3) Business Days following the date on which the budget for the next succeeding Fiscal Year is finally approved by the Board of Alderman of the City of either (i) the termination of the Lease Agreement or (ii) that sufficient funds have been budgeted and appropriated to make all payments of Rentals during the next succeeding Fiscal Year. Notice that sufficient funds have been appropriated for the next succeeding Fiscal Year shall be accompanied by evidence satisfactory to the Corporation that sufficient funds have been budgeted and appropriated to make all Rentals for the Fiscal Year to which such notice pertains and to make such payments of Additional Rentals as shall be required during such Fiscal Year by the terms of the Lease Agreement. If the Trustee does not receive such notice the Trustee shall make independent inquiry of the fact of whether or not such appropriation has been made. If notice of termination has been duly given, all of the City's right, title, interest and obligations under the Lease Agreement shall terminate without penalty on the last day of the then current Fiscal Year. Failure of the City to budget and appropriate prior to July 1 of each year funds in the minimum amount equal to the Rentals and a reasonable estimate of Additional Rentals during such Fiscal Year, shall constitute termination of the Lease Agreement at the end of the Fiscal Year then in effect, and failure to give notice to the Corporation of such termination as heretofore provided shall not affect such automatic termination.

Upon the occurrence and continuance of any Event of Non-Appropriation, the Trustee shall give notice to the City to vacate the Carnahan Courthouse immediately (but in no event earlier than the expiration of the then current Fiscal Year for which the Lessee has paid or appropriated monies sufficient to pay all Rentals and Additional Rentals due for such Fiscal Year) and shall, without any further demand or notice, (i) terminate this Lease Agreement, re-enter the Carnahan Courthouse and eject all parties in possession thereof therefrom and sublease the Carnahan Courthouse or (ii) take any action at law or in equity deemed necessary or desirable to enforce its rights with respect to the Carnahan Courthouse.

Section 904. Appointment of Receivers in Event of Default. If an Event of Default shall have occurred and be continuing, and upon the filing of a suit or other commencement of judicial proceedings to enforce the rights of the Trustee or of the Bondholders under this Indenture, the Trustee shall be entitled, as a matter of right, to the appointment of a receiver or receivers of the Trust Estate and of the earnings, income, products and profits thereof, pending such proceedings, with such powers as the court making such appointment shall confer.

Section 905. Exercise of Remedies by the Trustee. Upon the occurrence of an Event of Default, the Trustee may pursue any available remedy at law or equity by suit, action, mandamus or other proceeding to enforce the payment of the principal of and interest on the Bonds then Outstanding, and enforce and compel the performance of the duties and obligations of the Corporation as herein set forth or to enforce or realize upon any of the rights, powers, liens or interests granted hereby to the Trustee. Upon the occurrence of an Event of Default, the Trustee may exercise any of the rights and remedies of a secured party under the Missouri Uniform Commercial Code or other applicable laws and require the Corporation to assemble any collateral covered hereby and make it available to the Trustee at a place to be designated by the Trustee which is reasonably convenient to both parties.

Section 906. Exercise of Rights and Powers. If an Event of Default shall have occurred and be continuing, and if requested so to do by the Holders of 25% in aggregate principal amount of Bonds then Outstanding and indemnified as provided in subparagraph (l) of Section 1001 the Trustee shall be obligated to exercise such one or more of the rights and powers conferred by this Article as the Trustee, being advised by counsel, shall deem most expedient in the interests of the Bondholders.

All rights of action under this Indenture or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceedings relating thereto, and any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any Bondholder, and any recovery or judgment shall, subject to Section 909 hereof, be for the equal benefit of all the Registered Owners of the Outstanding Bonds.

Section 907. Limitation on Exercise of Remedies by Bondholders. No Bondholder shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of this Indenture or for the execution of any trust hereunder or for the appointment of a receiver or any other remedy hereunder unless:

- (i) a default has occurred of which the Trustee has been notified as provided in subparagraph (h) of Section 1001 hereof or of which by said subsection the Trustee is deemed to have notice;
- (ii) such default shall have become an Event of Default;

(iii) the Holders of 25% in aggregate principal amount of Bonds then Outstanding shall have made written request to the Trustee, shall have offered it reasonable opportunity either to proceed to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name, and shall have provided to the Trustee indemnity as provided in subparagraph (l) of Section 1001 hereof; and

(iv) the Trustee shall thereafter fail or refuse to exercise the powers herein granted or to institute such action, suit or proceeding in its own name;

and such notification, request and provision of indemnity are hereby declared in every case, at the option of the Trustee, to be conditions precedent to the execution of the powers and trusts of this Indenture, and to any action or cause of action for the enforcement of this Indenture, or for the appointment of a receiver or for any other remedy hereunder, it being understood and intended that no one or more Bondholders shall have any right in any manner whatsoever to affect, disturb or prejudice this Indenture by its, his or their action or to enforce any right hereunder except in the manner herein provided, and that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the equal benefit of the Registered Owners of all Bonds then Outstanding. Nothing in this Indenture contained shall, however, affect or impair the right of any Bondholder to payment of the principal of, and redemption premium, if any, and interest on any Bond at and after its Maturity or the obligation of the Corporation to pay the principal of, and redemption premium, if any, and interest on, each of the Bonds to the respective Registered Owners thereof at the time, place, from the source and in the manner herein and in such Bond expressed.

Section 908. Right of Bondholders to Direct Proceedings. Anything in this Indenture to the contrary notwithstanding, the Holders of a majority in aggregate principal amount of Bonds then Outstanding, shall have the right, at any time, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of this Indenture, or for the appointment of a receiver or any other proceedings hereunder; provided that such direction shall not be otherwise than in accordance with the provisions of law and of this Indenture, and, *provided, further*, that the Trustee shall have the right to decline to follow any such direction if the Trustee in good faith shall determine that the proceedings directed would involve it in personal liability.

Section 909. Application of Moneys in Event of Default. Upon an Event of Default, all moneys received by the Trustee pursuant to the Lease Agreement or pursuant to any right given or action taken under this Article or any other provisions of this Indenture, shall, after payment of the (i) cost and expenses of the proceedings resulting in the collection of such moneys and (ii) of the expenses, liabilities and advances incurred or made by the Trustee, be deposited in the Bond Fund and any other Bond Fund created for the payment of Bonds and all moneys so deposited in the Bond Fund or such other Bond Fund shall be applied as follows:

(a) If the principal of all the Bonds shall not have become due or shall not have been declared due and payable, all such moneys shall be applied:

First -- To the payment to the persons entitled thereto of all installments of interest then due and payable on the Bonds, in the order in which such installments of interest became due and payable, and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or privilege; and

Second -- To the payment to the persons entitled thereto of the unpaid principal of and redemption premium, if any, on any of the Bonds which shall have become due and payable (other than Bonds called for redemption for the payment of which moneys are held pursuant to this Indenture), in the order of their due dates, with interest on such Bonds from the respective dates upon which they became due and payable, and, if the amount available shall not be sufficient to pay in full all Bonds due on any particular date, together with such interest, then to the payment ratably, according to the amount of principal and redemption premium, if any, due on such date, to the persons entitled thereto without any discrimination or privilege.

(b) If the principal of all the Bonds shall have become due or shall have been declared due and payable, all such moneys shall be applied:

First -- To the payment to the persons entitled thereto of all installments of interest then due and payable on the Bonds, in the order in which such installments of interest became due and payable and, if the amount available shall not be sufficient to pay such amounts in full, then to the payment ratably, according to the amounts due, to the persons entitled thereto, without any discrimination or privilege; and

Second -- To the payment to the persons entitled thereto of unpaid principal of and redemption premium, if any,

then due and unpaid on all of the Bonds, without preference or priority of principal or premium of any Bond over principal or premium of any other Bond, ratably, according to the amounts due respectively for principal and redemption premium, if any, to the persons entitled thereto, without any discrimination or privilege.

(c) If the principal of all the Bonds shall have been declared due and payable, and if such declaration shall thereafter have been rescinded and annulled under this Article then, subject to subparagraph (b) of this Section, in the event that the principal of all the Bonds shall later become due or be declared due and payable, the moneys shall be applied in accordance with subparagraph (a) of this Section.

Whenever moneys are to be applied pursuant to this Section, such moneys shall be applied at such times and from time to time as the Trustee shall determine, having due regard to the amount of such moneys available and which may become available for such application in the future. Whenever the Trustee shall apply such moneys, it shall fix the date upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such dates shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date and shall not be required to make payment to the Holder of any Bond until such Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

Whenever all of the Bonds and interest thereon have been paid under this Section, and all expenses and charges of the Trustee have been paid, any balance remaining in the Bond Fund shall be paid to the City as provided in Section 510 hereof.

Section 910. Remedies Cumulative. No remedy conferred by this Indenture upon or reserved to the Trustee or to the Bondholders is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Trustee or to the Bondholders hereunder or now or hereafter existing at law or in equity or by statute.

Section 911. Delay or Omission Not Waiver. No delay or omission to exercise any right, power or remedy accruing upon any Event of Default shall impair any such right, power or remedy or shall be construed to be a waiver of any such Event of Default or acquiescence therein; and every such right, power or remedy may be exercised from time to time and as often as may be deemed expedient.

Section 912. Effect of Discontinuance of Proceedings. In case the Trustee shall have proceeded to enforce any right under this Indenture by the appointment of a receiver, by entry, or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Corporation, the City, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

Section 913. Waivers of Events of Default. The Trustee shall waive any Event of Default and its consequences and rescind any declaration of maturity of principal upon the written request of the Registered Owners of at least a majority in aggregate principal amount of all Bonds then Outstanding; *provided, however,* that there shall not be waived without the consent of the Registered Owners of all the Bonds Outstanding (a) any Event of Default in the payment of the principal of any Outstanding Bonds at their Stated Maturity, or (b) any Event of Default in the payment when due of the interest on any such Bonds unless, prior to such waiver or rescission, all arrears of interest, with interest (to the extent permitted by law) at the rate borne by the Bonds or overdue installments of interest in respect of which such default shall have occurred, or all arrears of payments of principal when due, as the case may be, and all expenses of the Trustee in connection with such default shall have been paid or provided for. In case of any such waiver or rescission, or in case any proceeding taken by the Trustee on account of any such default shall have been discontinued or abandoned or determined adversely, then and in every such case the Corporation, the City, the Trustee and the Bondholders shall be restored to their former positions, rights and obligations hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other default, or impair any right consequent thereon.

Section 914. Opportunity of City to Purchase Corporation's Interest in Event of Default and to Cure Defaults.

(a) Upon receipt of notice by the City of an Event of Default pursuant to subparagraph (a) or (b) of Section 901 hereof, the Corporation has, by Section 10.1(b) of the Lease Agreement, granted the City an option to purchase the Corporation's interest in the Carnahan Courthouse under the Lease Agreement.

(b) Upon receipt of notice by the City of an Event of Default pursuant to subparagraph (c) of Section 901 hereof, the Corporation hereby grants the City full authority, on account of the Corporation, to perform any covenant, agreement, or

obligation, the nonperformance of which is alleged in said notice to constitute a default, in the name and stead of the Corporation, with full power to do any and all things and acts to the same extent that the Corporation could do and perform any such things and acts in order to remedy such default.

ARTICLE X
THE TRUSTEE

Section 1001. Acceptance of the Trusts. The Trustee hereby accepts the trusts imposed upon it by this Indenture, and agrees to perform said trusts exercising the same degree of care and skill as a prudent corporate trustee ordinarily would exercise under the circumstances, but only upon and subject to the following express terms and conditions, and no implied covenants or obligations shall be read into this Indenture against the Trustee:

(a) The Trustee, prior to the occurrence of an Event of Default and after curing all Events of Default which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture. If any Event of Default shall have occurred and be continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and shall use the same degree of care and skill in their exercise, as a prudent corporate trustee would exercise or use under the circumstances in the conduct of its corporate trust affairs.

(b) The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or through agents, attorneys or receivers and shall not be responsible for any misconduct or negligence on the part of any attorney or receiver appointed or chosen by it with due care, and the Trustee shall be entitled to act upon the opinion or advice of Counsel, who may be Counsel to the Corporation or to the City, concerning all matters of trust hereof and the duties hereunder, and may in all cases pay such reasonable compensation to all such agents, attorneys and receivers as may reasonably be employed in connection with the trusts hereof. The Trustee shall not be responsible for any loss or damage resulting from an action or non-action by it taken or omitted to be taken in good faith in reliance upon such opinion or advice of Counsel.

(c) The Trustee shall not be responsible for any recital herein or in the Bonds (except with respect to the Certificate of Authentication of the Trustee appearing on the Bonds), or for the filing or refiling of this Indenture or any security agreements in connection therewith, or for the validity of the execution by the Corporation of this Indenture or any Supplemental Indentures or instruments of further assurance, or for the sufficiency of the security for the Bonds.

(d) The Trustee shall not be accountable for the use of any Bonds authenticated and delivered hereunder. The Trustee, in its individual or any other capacity, may become the owner or pledgee of Bonds with the same rights which it would have if it were not Trustee.

(e) The Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, affidavit, letter, telegram or other paper or document provided for under this Indenture believed by it to be genuine and correct and to have been signed, presented or sent by the proper person or persons.

(f) As to the existence or nonexistence of any fact or as to the sufficiency or validity of any instrument, paper or proceeding, or whenever in the administration of this Indenture, the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee shall be entitled to rely upon a certificate signed by a Corporation Representative and a City Representative, as the case may be, as sufficient evidence of the facts therein contained, and prior to the occurrence of a default of which the Trustee has been notified as provided in subparagraph (h) of this Section or of which by said subparagraph it is deemed to have notice, the Trustee shall also be at liberty to accept a similar certificate to the effect that any particular dealing, transaction or action is necessary or expedient, but may at its discretion secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same.

(g) The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty, and the Trustee shall not be answerable for other than its negligence or willful misconduct.

(h) The Trustee shall not be required to take notice or be deemed to have notice of any default hereunder except failure by the Corporation to cause to be made any of the payments to the Trustee required to be made under Article VI, unless the Trustee shall be specifically notified in writing of such default by the Corporation or by the Registered Owners of at least twenty-five percent (25%) in aggregate principal amount of all Bonds then Outstanding.

(i) At any and all reasonable times the Trustee and its duly authorized agents, attorneys, experts, engineers, accountants and representatives shall have the right, but shall not be required, to inspect all books, papers and records of the Corporation pertaining to the Carnahan Courthouse, and the Bonds, and to make copies of such memoranda as may be reasonably desired.

(j) The Trustee shall not be required to give any bond or surety in respect of the execution of its trusts and powers hereunder or otherwise in respect of the premises.

(k) The Trustee shall have the right, but shall not be required, to demand, in respect of the authentication of any Bonds, the withdrawal of any cash, the release of any property, or any action whatsoever within the purview of this Indenture, any showings, certificates, opinions, appraisals or other information, or corporate action or evidence thereof, in addition to that by the terms hereof required, as a condition of such action by the Trustee deemed necessary for the purpose of establishing the right of the Corporation to the authentication of any Bonds, the withdrawal of any cash, or the taking of any other action by the Trustee.

(l) Before taking any action under this Indenture, the Trustee may require that satisfactory and reasonable indemnity be furnished to it for the reimbursement of all costs and expenses to which it may be put and to protect it against all liability, except liability which is adjudicated to have resulted from its negligence or willful misconduct by reason of any action so taken.

(m) The Trustee shall invest funds held by it in accordance with Article VII.

Section 1002. Fees, Charges and Expenses of the Trustee. The Trustee shall be entitled to payment of and/or reimbursement for reasonable fees for its ordinary services rendered hereunder and all advances, agent and counsel fees and other ordinary expenses reasonably and necessarily made or incurred by the Trustee in connection with such ordinary services and, in the event that it should become necessary that the Trustee perform extraordinary services, it shall be entitled to reasonable extra compensation therefor and to reimbursement for reasonable and necessary extraordinary expenses in connection therewith; *provided, that*, if such extraordinary services or extraordinary expenses are occasioned by the neglect or misconduct of the Trustee it shall not be entitled to compensation or reimbursement therefor. The Trustee shall be entitled to payment and reimbursement for the reasonable fees and charges of the Trustee as Paying Agent for the Bonds and as Bond Registrar. Pursuant to the Lease Agreement, the City has agreed to pay to the Trustee all such fees, charges and expenses of the Trustee under this Indenture. The Trustee agrees that the Corporation shall have no liability for any fees, charges and expenses of the Trustee, and the Trustee agrees to look only to the City for the payment of all fees, charges and expenses of the Trustee and any Paying Agents as provided in the Lease Agreement. Upon the occurrence of an Event of Default and during its continuance, the Trustee shall have a lien with right of payment prior to payment on account of principal, or redemption premium, if any, or interest on, any Bond, upon all moneys in its possession under any provision hereof for the foregoing advances, fees, costs and expenses incurred.

Section 1003. Notice to Bondholders if Default Occurs. If a default occurs of which the Trustee is by subparagraph (h) of Section 1001 hereof required to take notice or if notice of default be given as in said subparagraph (h) provided, then the Trustee shall give written notice thereof by first class mail, postage prepaid, to the Holders of all Bonds then Outstanding at their respective addresses appearing on the Bond Register.

Section 1004. Intervention by the Trustee. In any judicial proceeding to which the Corporation is a party and which, in the opinion of the Trustee and its Counsel, has a substantial bearing on the interests of the Bondholders, the Trustee may intervene on behalf of Bondholders and shall do so if requested in writing by the Registered Owners of at least twenty-five percent (25%) of the aggregate principal amount of Bonds then Outstanding, provided that the Trustee shall first have been provided such reasonable indemnity as it may require against the costs, expenses and liabilities which it may incur in or by reason of such proceeding.

Section 1005. Successor Trustee Upon Merger, Consolidation or Sale. Any corporation or association into which the Trustee may be merged or converted or with or into which it may be consolidated, or to which it may sell or transfer its corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any merger, conversion, sale, consolidation or transfer to which it is a party, shall be and become successor Trustee hereunder and shall be vested with all the trusts, powers, rights, obligations, duties, remedies, immunities and privileges hereunder as was its predecessor, without the execution or filing of any instrument or any further act on the part of any of the parties hereto provided such successor Trustee is qualified to act as such under State law.

Section 1006. Resignation of Trustee. The Trustee and any successor Trustee may at any time resign from the trusts hereby created by giving at least 30 days written notice to the Corporation, the City and the Bondholders, but such resignation shall not take effect until the appointment of a successor Trustee by the Bondholders or by the Corporation and approved by the City of

each successor.

Section 1007. Removal of Trustee. The Trustee may be removed at any time by an instrument or concurrent instruments in writing delivered to the Trustee, the Corporation, and the City not less than ten (10) days prior to such removal and signed by the Holders of a majority in aggregate principal amount of Bonds then Outstanding, but such removal shall not take effect until the appointment of a successor Trustee by the Bondholders or by the Corporation and approval by the City of such successor.

Section 1008. Appointment of Successor Trustee. In case the Trustee shall resign or be removed, or shall otherwise become incapable of acting hereunder, or in case it shall be taken under the control of any public officer or officers or of a receiver appointed by a court, a successor Trustee may be appointed by the Holders of a majority in aggregate principal amount of Bonds then Outstanding, by an instrument or concurrent instruments in writing; provided that notwithstanding any other provision of this Indenture, no removal, resignation or termination of the Trustee shall take effect until a successor, approved by the City and the Corporation, shall be appointed and provided further that, in case of such vacancy, the Corporation, by an instrument executed and signed by its President or any Vice President and attested by its Secretary or any Assistant Secretary under its seal, may appoint a temporary Trustee to fill such vacancy until a successor Trustee shall be appointed by the Bondholders in the manner above provided. Any such temporary Trustee so appointed by the Corporation shall immediately and without further acts be superseded by the successor Trustee so appointed by such Bondholders. Every such Trustee appointed pursuant to this Section 1008 shall be a trust company or bank in good standing and qualified to accept such trusts, subject to examination by a Federal or state regulatory authority and having a reported capital and surplus and undivided profits of not less than \$75,000,000 or any corporation or association resulting from any merger, conversion, sale, consolidation or transfer to which it is a party, shall be and become successor Trustee hereunder and shall be vested with all the trusts, powers, rights, obligations, duties, remedies, immunities and privileges hereunder as was its predecessor, without the execution or filing of any instrument or any further act on the part of any of the parties hereto.

Section 1009. Vesting of Trusts in Successor Trustee. Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the Corporation and the City an instrument in writing accepting such appointment hereunder, and thereupon such successor shall become fully vested with all the trusts, powers, rights, obligations, duties, remedies, immunities and privileges of its predecessor; but such predecessor nevertheless, on the written request of the Corporation, shall execute and deliver an instrument transferring to such successor Trustee all the trusts, powers, rights, obligations, duties, remedies, immunities and privileges of such predecessor hereunder. Every predecessor Trustee shall deliver all securities and moneys held by it as Trustee hereunder to its successor. Should any instrument in writing from the Corporation be required by any successor Trustee for more fully and certainly vesting in such successor the trusts, powers, rights, obligations, duties, remedies, immunities and privileges hereby vested in the predecessor, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Corporation.

Section 1010. Right of Trustee to Pay Taxes and Other Charges. In case any tax, assessment or governmental or other charge upon, or insurance premium with respect to, any part of the Carnahan Courthouse is not paid as required herein or in the Lease Agreement, the Trustee may pay such tax, assessment or governmental or other charge or insurance premium without prejudice to any rights of the Trustee or the Bondholders hereunder arising in consequence of such failure; but the Trustee shall be under no obligation to make any such payment unless it shall have been requested to do so by the Registered Owners of at least twenty-five percent (25%) of the aggregate principal amount of Bonds then Outstanding and shall have been provided adequate funds for the purpose of such payment. Any amount at any time so paid under this Section 1010, with interest thereon from the date of payment at the rate of ten percent (10%) per annum, shall become an additional obligation secured by this Indenture, and the same shall be given a preference in payment over any payment of principal of, or redemption premium, if any, or interest on, the Bonds, and shall be paid out of the Rentals and any other revenues and receipts derived by the Corporation pursuant to the Lease Agreement, if not otherwise caused to be paid.

Section 1011. Trust Estate May Be Vested in Co-Trustee. It is a purpose of this Indenture that there shall be no violation of any law of any jurisdiction (including particularly the State) denying or restricting the right of banking corporations or associations to transact business as trustee in such jurisdiction. It is recognized that in case of litigation under this Indenture or the Lease Agreement, and in particular in case of the enforcement hereof or thereof on default, or in case the Trustee deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights or remedies herein granted to the Trustee, or take any other action which may be desirable or necessary in connection therewith, it may be necessary or desirable that the Trustee appoint an additional individual or institution as a co-trustee or separate trustee, and the Trustee is hereby authorized to appoint such co-trustee or separate trustee with the consent of the Corporation and the City.

In the event that the Trustee appoints an additional individual or institution as a co-trustee or separate trustee, each and

every remedy, power, right, claim, demand, cause of action, immunity, title, interest and lien expressed or intended by this Indenture to be exercised by the Trustee with respect thereto shall be exercisable by such co-trustee or separate trustee but only to the extent necessary to enable such co-trustee or separate trustee to exercise such powers, rights and remedies, and every covenant, agreement and obligation necessary to the exercise thereof by such co-trustee or separate trustee shall run to and be enforceable by either of them.

Should any deed, conveyance or instrument in writing from the Corporation be required by the co-trustee or separate trustee so appointed by the Trustee for more fully and certainly vesting in and confirming to him or it such properties, rights, powers, trusts, duties and obligations, any and all such deeds, conveyances and instruments in writing shall, on request, be executed, acknowledged and delivered by the Corporation.

In case the co-trustee or separate trustee shall die, become incapable of acting, resign or be removed, all the properties, rights, powers, trusts, duties and obligations of the co-trustee or separate trustee, so far as permitted by law, shall vest in a new co-trustee or separate trustee who shall be appointed by the Trustee.

The co-trustee or separate trustee shall be entitled to such compensation for its services as is reasonable and customary.

Section 1012. Accounting. The Trustee shall provide access to its records to the Corporation, and to any Bondholder requesting the same, which records shall show in reasonable detail all financial transactions relating to the Trust Estate and the balance in any funds created by this Indenture as of the beginning and close of each accounting period.

ARTICLE XI SUPPLEMENTAL INDENTURES

Section 1101. Supplemental Indentures Not Requiring Consent of Bondholders. Subject to Section 1103, the Corporation with the approval of the Board of Aldermen and the Trustee may from time to time, without the consent of or notice to any of the Bondholders, enter into such Supplemental Indenture or Supplemental Indentures as shall not adversely affect the interests of the Bondholders, for any one or more of the following purposes:

- (a) To cure any ambiguity or formal defect or omission in this Indenture or to correct or supplement any provision herein which may be inconsistent with any other provision herein;
- (b) To grant to or confer upon the Trustee for the benefit of the Bondholders any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Bondholders or the Trustee or either of them;
- (c) To subject to this Indenture additional revenues, properties or collateral;
- (d) To issue Additional Bonds provided in Section 210;
- (e) To make any other change which in the sole determination of the Trustee does not materially adversely affect the Bondholders; in making such determination the Trustee may rely on the opinion of such Counsel as it may select; and
- (f) To evidence the appointment of a separate trustee or a co-trustee or the succession of a new Trustee.

Section 1102. Supplemental Indentures Requiring Consent of Bondholders. Exclusive of Supplemental Indentures covered by Section 1101 and subject to Section 1103, the Holders of not less than a majority in aggregate principal amount of Bonds at the time Outstanding shall have the right, from time to time, to consent to and approve the execution by the Corporation and the Trustee of such other Supplemental Indenture or Supplemental Indentures as shall be deemed necessary and desirable by the Corporation and the City for the purpose of modifying, amending, adding to or rescinding any of the terms or provisions contained in this Indenture or in any Supplemental Indenture; *provided, that*, the consent of all the Holders of Bonds then Outstanding shall be required for (a) an extension of the maturity of the principal of or the interest on any Bond, or (b) a reduction in the principal amount of any Bond or the rate of interest thereon, or (c) a privilege or priority of any Bond or Bonds over any other Bond or Bonds, or (d) a reduction in the aggregate principal amount of Bonds, the Holders of which are required to consent to any such Supplemental Indenture.

If at any time the Corporation shall request, with the consent of the City, the Trustee to enter into any such Supplemental Indenture for any of the purposes of this Section 1102, the Trustee shall cause notice of the proposed execution of such Supplemental

Indenture to be mailed to each Bondholder at his address as shown by the Bond Register. Such notice shall briefly set forth the nature of the proposed Supplemental Indenture and shall state that copies thereof are on file at the principal corporate trust office of the Trustee for inspection by all Bondholders. If within 60 days or such longer period as shall be prescribed by the Corporation following the mailing of such notice, the Holders of not less than the requisite aggregate principal amount of the Bonds and Outstanding at the time of the execution of any such Supplemental Indenture shall have consented to and approved the execution thereof and herein provided, no Holder of any Bond shall have any right to object to any of the terms and provisions contained therein, of the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee of the Corporation from executing the same or from taking any action pursuant to the provisions thereof.

Section 1103. City's Consent to Supplemental Indentures. Any Supplemental Indenture that affects any rights or obligations of the City shall not become effective unless and until the City shall have consented in writing to the execution and delivery of such Supplemental Indenture, *provided, that*, receipt by the Trustee of a Supplemental Lease Agreement executed by the City in connection with the issuance of Additional Bonds under Section 210 shall be deemed to be the consent of the City to the execution of a Supplemental Indenture pursuant to Section 210. In this regard, the Trustee shall cause notice of the proposed execution and delivery of any such Supplemental Indenture (other than a Supplemental Indenture proposed to be executed and delivered pursuant to Section 210) together with a copy of the proposed Supplemental Indenture to be mailed to the City at least 90 days prior to the proposed date of execution and delivery of any such Supplemental Indenture. Notwithstanding the provisions of the immediately preceding sentence, the City's right to consent to a Supplemental Indenture shall terminate for so long as an Event of Default has occurred and is continuing under Section 12.1 of the Lease Agreement.

ARTICLE XII

SUPPLEMENTAL LEASE AGREEMENTS AND SUPPLEMENTAL BASE LEASES

Section 1201. Supplemental Lease Agreements and Supplemental Base Leases Not Requiring Consent of Bondholders. The Corporation and the Trustee shall, without the consent of or notice to the Bondholders consent to the execution of any Supplemental Lease Agreement and any Supplemental Base Lease, as may be required (i) by the Lease Agreement, the Base Lease or this Indenture, (ii) for the purpose of curing any ambiguity or formal defect or omission, (iii) in connection with the issuance of Additional Bonds, or (iv) in connection with any other change therein which, in the sole determination of the Trustee, does not materially adversely affect the interests of the Trustee or the Bondholders; in making such determination the Trustee may rely on the opinion of such Counsel as it may select.

Section 1202. Supplemental Lease Agreements and Supplemental Base Leases Requiring Consent of Bondholders. Except for Supplemental Lease Agreements and Supplemental Base Leases as provided for in Section 1201, neither the Corporation nor the Trustee shall consent to the execution of any Supplemental Lease Agreement or any Supplemental Base Lease without the mailing of notice and the obtaining of the written approval or consent of the Holders of not less than a majority in aggregate principal amount of the Bonds at the time Outstanding given and obtained as provided in Section 1102; *provided, that*, the consent of all the Holders of Bonds shall be required for (a) the creation of any lien ranking superior to or on a parity with the lien of this Indenture, unless otherwise permitted, or (b) a reduction in the aggregate principal amount of Bonds, the Holders of which are required to consent to any Supplemental Lease Agreement or any Supplemental Base Lease. If at any time the Corporation and the City shall request the consent of the Trustee to any such proposed Supplemental Lease Agreement or any Supplemental Base Lease, the Trustee shall cause notice of such proposed Supplemental Lease Agreement or Supplemental Base Lease to be mailed in the same manner as provided by Section 1102 with respect to Supplemental Indentures. Such notice shall briefly set forth the nature of such proposed Supplemental Base Lease or Supplemental Lease Agreement and shall state that copies of the same are on file at the principal corporate trust office of the Trustee for inspection by all Bondholders.

ARTICLE XIII

SATISFACTION AND DISCHARGE OF INDENTURE

Section 1301. Satisfaction and Discharge of the Indenture. When all Bonds are deemed to be paid as provided in Section 1302, and provision shall also be made for paying all other sums payable hereunder, including the fees and expenses of the Trustee and the Paying Agent to the date of retirement of the Bonds, then the right, title and interest of the Trustee in respect hereof shall thereupon cease, terminate and be void, and thereupon the Trustee shall cancel, discharge and release the lien of this Indenture and shall execute, acknowledge and deliver to the Corporation such instruments of satisfaction and discharge or release as shall be requisite to evidence such release and the satisfaction and discharge of the lien of this Indenture, and shall assign and deliver to the Corporation any property and revenues at the time subject to this Indenture that may then be in its possession, except amounts in the Bond Fund required to be paid to the City under Section 606 and except funds or securities in which such funds are invested by the Trustee for the payment of the principal of, and redemption premium, if any, and interest on, the Bonds.

The Corporation is hereby authorized to accept a certificate by the Trustee that the whole amount of the principal, redemption premium, if any, and interest so due and payable upon all of the Bonds then Outstanding has been paid or such payment provided for in accordance with Section 1302 as evidence of satisfaction of this Indenture, and upon receipt thereto shall cancel and erase the inscription of this Indenture from its records.

Section 1302. Bonds Deemed to be Paid. Bonds shall be deemed to be paid within the meaning of this Article XIII when payment of the principal of and the applicable redemption premium, if any, on such Bonds, plus interest thereon to the due date thereof (whether such due date be by reason of maturity or upon redemption as provided in this Indenture, or otherwise), either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided for by depositing with the Trustee, in trust and irrevocably set aside exclusively for such payment (a) moneys sufficient to make such payment or (b) Defeasance Obligations maturing as to principal and interest in such amount and at such times as will insure the availability of sufficient moneys to make such payment, *provided, however*, with respect to any deposit referred to in this clause (ii), the Trustee shall have received a verification report of a nationally recognized independent certified public accounting firm as to the adequacy of the escrow to fully pay the Bonds deemed to be paid. At such time as a Bond shall be deemed to be paid hereunder, as aforesaid, it shall no longer be secured by or entitled to the benefits of this Indenture, except for the purposes of any such payment from such moneys or Defeasance Obligations.

Notwithstanding the foregoing, in the case of Bonds which by their terms may be redeemed prior to the Stated Maturities thereof, no deposit under clause (ii) of the immediately preceding paragraph shall be deemed a payment of such Bonds as aforesaid until, as to all such Bonds which are to be redeemed prior to their respective stated maturities, proper notice of such redemption shall have been given in accordance with Article III or irrevocable instructions shall have been given to the Trustee to give such notice.

Notwithstanding any other provision of this Indenture, (a) all moneys or Defeasance Obligations set aside and held in trust pursuant to this Section 1302 for the payment of Bonds (including redemption premium thereon, if any) shall be applied to and used solely for the payment of the particular Bonds (including redemption premium thereon, if any) with respect to which such moneys and Defeasance Obligations have been so set aside in trust.

REGISTERED OWNER: Cede & Co.

PRINCIPAL AMOUNT:

ST. LOUIS MUNICIPAL FINANCE CORPORATION, a nonprofit corporation duly organized and existing under the Missouri Nonprofit Corporation Act (the "Corporation"), for value received, promises to pay, but only from the sources and in the manner hereinafter described, to the Registered Owner identified above, or registered assigns, on the Maturity Date specified above, unless called for redemption prior to maturity, the Principal Amount specified above and to pay interest thereon from said sources at the Interest Rate specified above from the Bond Date specified above, or from the most recent date to which interest has been paid, on February 15 and August 15 in each year beginning August 15, 2002 (each being an "Interest Payment Date"). As provided in the hereinafter defined Indenture, interest on this Bond will be paid to the person in whose name this Bond is registered in the hereinafter defined Bond Register at the close of business on the first day (whether or not a business day) of the calendar month in which the applicable Interest Payment Date occurs (the "Record Date") by check or draft mailed to the Registered Owner hereof at his address as it appears in the Bond Register or in such other manner as is determined in accordance with the Indenture.

Notwithstanding any other provision hereof, this Bond is subject to a book-entry system maintained by The Depository Trust Company ("DTC") and payment of principal and interest, the provision of notices and other matters will be made as described in the Corporation's Letter of Representations to DTC.

Unless this Bond is presented by an authorized representative of DTC to the Corporation or its agent for registration of transfer, exchange or payment, and any Bond issued is registered in the name of Cede & Co. or such other name as requested by an authorized representative of DTC and payment is made to Cede & Co., any transfer, pledge, or other use hereof for value or otherwise by or to any person is wrongful since the Registered Owner hereof, Cede & Co., has an interest herein.

The Principal Amount and redemption premium, if any, are payable by check or draft upon presentation and surrender of this Bond at the principal corporate trust office of UMB Bank, N.A. in Kansas City, Missouri (the "Trustee"). The Principal Amount and interest on this Bond (computed on the basis of a 360-day year consisting of twelve 30-day months) are payable in such coin or currency of the United States of America as at the time of payment is legal tender for the payment of public and private debts.

THIS BOND is one of a duly authorized issue of bonds of the Corporation designated Carnahan Courthouse Leasehold Revenue Bonds, Series 2002A (City of St. Louis, Lessee), in the aggregate principal amount of \$23,500,000 (the "Series 2002A Bonds"). The Bonds are being issued to provide funds to the Corporation to enable the Corporation (i) to provide funds for the acquisition of real and personal property, and the construction, renovation, installing and equipping of furnishings and equipment for the Carnahan Courthouse, as defined in the Indenture; (ii) to establish the Debt Service Reserve Fund, (iii) to fund capitalized interest, and (iv) to pay Costs of issuance of the Series 2002A Bonds, by the authority of and in full compliance with the provisions, restrictions and limitations of the constitution and statutes of the State of Missouri and the ordinances of the City of St. Louis.

THE BONDS are issued under an Indenture of Trust, dated as of the April 1, 2002, as amended and supplemented from time to time in accordance with the provisions thereof. Subject to the terms and conditions set forth therein, the Indenture permits the Corporation to issue Additional Bonds (as defined therein) secured by the Indenture without the consent of Bondholders. Reference is hereby made to the Indenture for a description of the property pledged and assigned thereunder, and the provisions, among others, with respect to the nature and extent of the security, the rights, duties and obligations of the Corporation, the Trustee, and the Bondholders, and the terms upon which the Bonds are issued and secured.

THE BONDS are subject to redemption and payment prior to their Stated Maturities by the Corporation, at the option of and upon instructions from the City, on any date upon any of the following conditions or events, provided all of the Bonds and all Additional Bonds, if any, are redeemed and paid according to their terms: (1) if title to, or the use of, substantially all of the Carnahan

Courthouse is condemned by any authority having the power of eminent domain; (2) if the Corporation's interest in substantially all of the Carnahan Courthouse is found to be deficient or nonexistent to the extent that the Carnahan Courthouse are untenable or the efficient utilization of the Carnahan Courthouse by the City is impaired; (3) if substantially all of the Carnahan Courthouse is damaged or destroyed by fire or other casualty; or (4) if as a result of changes in the Constitution of the State of Missouri or of legislative or administrative action by the State of Missouri, or any political subdivision thereof, or by the United States, or by reason of any action instituted in any court, the Lease Agreement shall become void or unenforceable, or impossible of performance without unreasonable delay, or in any other way, by reason of such change of circumstances, unreasonable burdens or excessive liabilities are imposed on the City or the Corporation. The Bonds redeemed as provided in this paragraph shall be redeemed at a redemption price of 100% of the principal amount thereof, plus accrued interest thereon to the date fixed for redemption and payment without a premium.

The Series 2002A Bonds bearing a Stated Maturity of February 15, _____, and before shall not be subject to redemption prior to their respective Stated Maturities. The Series 2002A Bonds bearing a Stated Maturity of February 15, _____, and thereafter shall be subject to optional redemption and payment prior to their respective Stated Maturities at the election of the Corporation, upon the direction and instruction by the City, on February 15, _____, and at any time thereafter, as a whole at any time or in part on any Interest Payment Date, and if in part in such order as the Corporation shall determine, upon the direction and instruction by the City in its sole discretion, at a redemption price equal to 100% of the principal amount to be redeemed, plus accrued interest thereon to the Redemption Date:

The Series 2002A Bonds shall be subject to optional redemption by the Corporation, in whole or in part at any time, at the written direction of the City, with the consent of the Credit Provider, to the Corporation and the Trustee not less than 45 days nor more than 60 days prior to the Redemption Date, at a redemption price equal to one hundred percent (100%) of the principal amount of the Series 2002A Bonds to be redeemed, plus accrued interest, if any, on such Redemption Date, but without premium, in the event that the City exercises its option to prepay all or a portion of the amounts payable pursuant to the Series 2002A Bonds pursuant to casualty, condemnation, changes in law, or certain other events as herein provided in the third paragraph above from amounts available thereunder.

IN THE EVENT any of the Bonds are called for redemption as aforesaid, notice thereof identifying the Bonds to be redeemed will be given by first class mail, postage prepaid, mailed not less than 30 days nor more than 60 days prior to the redemption date to each Registered Owner of Bonds to be redeemed. All Bonds so called for redemption will cease to bear interest on the specified redemption date provided funds or certain securities sufficient for the redemption of such Bonds are on deposit at the place of payment at that time, shall no longer be secured by the Indenture and shall not be deemed to be outstanding under the Indenture.

THE BONDS and the interest thereon are special obligations of the Corporation, payable solely out of the Rentals and Additional Rentals (both as defined in the Indenture) and certain other revenues, moneys and receipts derived by the Corporation pursuant to the Lease Agreement dated as of the April 1, 2002, as amended and supplemented, between the Corporation and the City and are secured by a pledge and assignment pursuant to the Indenture of the Trust Estate (as defined in the Indenture) and no incorporator, member, agent, employee, director or officer of the Corporation or the City shall at any time or under any circumstances be individually or personally liable under the Indenture or the Lease Agreement for anything done or omitted to be done by the Corporation thereunder. The Bonds and the interest thereon do not constitute a debt of the City of St. Louis, Missouri, or the State of Missouri, and neither said City nor said State shall be liable thereon, and the Bonds shall not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction. Pursuant to the Lease Agreement, the City has agreed to make payments sufficient for the prompt payment when due of the principal of, and redemption premium, if any, and interest on, the Bonds, which are to be paid by the City directly to the Trustee for the account of the Corporation, and all Rentals and certain other revenues and receipts under the Lease Agreement (except as reserved therein) have been duly pledged and assigned to the Trustee for that purpose.

THE LEASE AGREEMENT IS SUBJECT ANNUALLY TO THE APPROPRIATION OF RENTALS BY THE CITY. IF THE CITY FAILS TO APPROPRIATE FUNDS FOR RENTALS IN ANY FISCAL YEAR, THEN THE LEASE AGREEMENT SHALL TERMINATE AT THE END OF THE CURRENT FISCAL YEAR FOR WHICH FUNDS HAVE BEEN APPROPRIATED. THE CORPORATION HAS NO TAXING AUTHORITY.

THE REGISTERED OWNER of this Bond shall have no right to enforce the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Indenture, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture. In certain events, on the conditions, in the manner and with the effect set forth in the Indenture, the principal of all the Bonds issued under the Indenture and then outstanding

may become or may be declared due and payable before the stated maturity thereof, together with interest accrued thereon. Modifications or alterations of this Bond or the Indenture may be made only to the extent and in the circumstances permitted by the Indenture.

THIS BOND is transferable, as provided in the Indenture, in the Bond Register only upon surrender of this Bond to the Trustee duly endorsed for transfer or accompanied by a written instrument of transfer, in such form as shall be satisfactory to the Trustee, duly executed by the Registered Owner hereof or his attorney or legal representative, and thereupon a new Bond or Bonds in the same aggregate principal amount shall be issued to the transferee in exchange therefor as provided in the Indenture. The Corporation, the Trustee and the Paying Agent may deem and treat the person in whose name this Bond is registered on the Bond Register as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal or redemption price hereof and interest due hereon and for all other purposes.

The Bonds are issuable in denominations of Five Thousand Dollars (\$5,000) or integral multiples thereof at their Stated Maturity. The Registered Owner of any Bond or Bonds may surrender the same in exchange for an equal aggregate principal amount of Bonds of any authorized denomination in the manner, subject to the conditions and upon the payment of the charges provided in the Indenture. No service charge shall be made for any transfer or exchange of Bonds, but the Trustee or the Corporation may require payment of any tax or governmental charge in connection therewith.

THIS BOND shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Indenture until the Certificate of Authentication thereon shall have been executed by the Trustee.

IT IS HEREBY CERTIFIED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the execution and delivery of the Indenture and the issuance of this Bond do exist, have happened and have been performed in due time, form and manner as required by law.

IN WITNESS WHEREOF, St. Louis Municipal Finance Corporation has caused this Bond to be executed in its name by the manual signature of its President or Vice President and attested by the manual signature of its Secretary or Assistant Secretary and its corporation seal to be affixed hereto or imprinted or reproduced hereon, all as of the first day of April, 2002.

LEASE AND SUBLEASE OF PART OF THE PROJECT; RENTALS

Section 3.1. Lease of Property. The City demises and leases to the Corporation the Property currently under its control and management and the Corporation leases from the City effective April 1, 2002, such Property upon the terms and conditions herein provided, and with respect to the Property, subject to Permitted Encumbrances, for a Base Lease Term commencing as of April 1, 2002, and ending twenty (20) years beyond the final maturity date of the Series 2002A Bonds; provided, however, that if the Bonds have been paid in full at maturity or defeased pursuant to Article XIII of the Indenture and the City has not been required to surrender possession of the Property due to an Event of Non-Appropriation or an Event of Default under the Lease Agreement, the Base Lease will terminate upon such payment in full or defeasance.

The City agrees to acquire the Property not now owned by it and to acquire real or personal property, construct, renovate, equip and install furnishings and equipment for the Carnahan Courthouse and does hereby lease and demise such Property, subject to Permitted Encumbrances, to the Corporation upon the terms and conditions herein provided. Upon acquisition of any Property not now owned by the City, the same shall become a part of the Property leased hereunder, together with all improvements in respect of any Property hereafter acquired, constructed, renovated, equipped or installed by the City, and shall be subject to all the terms, covenants, conditions and provisions herein contained, without further action on the part of either party.

Pursuant to the Lease Agreement the City agrees, on behalf of the Corporation, to acquire real or personal property, construct, renovate, equip and install furnishings and equipment for Carnahan Courthouse. Each party hereto shall, upon request of the other party or the Trustee, execute such documents and take such actions as shall be deemed necessary by such other party or the Trustee to further evidence or confirm the lease of such premises hereunder.

Section 3.2. Sublease of the Project. Simultaneously with the delivery of this Base Lease, the Corporation is leasing the Property to the City pursuant to the Lease Agreement, but subject to the Indenture and the reservation of certain rights under this Base Lease. Upon acquisition of any other land, improvements or equipment as provided in Section 3.1 above from the City, the Corporation will likewise lease such land, improvements or equipment to the City pursuant to the Lease Agreement, subject to the Indenture.

Section 3.3. Assignment, Subleases and Mortgages. The Corporation shall not mortgage or otherwise assign its rights under this Base Lease or sublet the Property or the Carnahan Courthouse without the prior written consent of the City except in connection with any assignment of its rights as expressly provided for under the Lease Agreement.

Section 3.4. Rent and Other Considerations. As and for rental hereunder (the "Base Lease Rent") and in consideration of the leasing of the Property to the Corporation hereunder, and in order to provide funds for a portion of the Cost of the Project, the Corporation shall:

- (a) Issue, sell and cause to be delivered to the purchasers thereof the Bonds in one or more Series in the principal amount, bearing interest, maturing and having the other details as set forth in the Indenture and any Supplemental Indenture; and
- (b) Deposit the proceeds of the sale of each Series of Bonds as provided in the Indenture and any Supplemental Indenture.

Section 3.5. Additional Bonds. The Corporation may issue Additional Bonds for the purposes and upon the terms and conditions provided in Section 210 of the Indenture. The Corporation agrees, upon request of the City Representative, from time to time, to use its best efforts to issue the amount of Additional Bonds specified by the City, within the limits of law and under the conditions specified above and in the Indenture, provided that (i) the terms, manner of issuance, purchase price and disposition of proceeds of the sale of such Additional Bonds have been approved by the Board of Aldermen; (ii) the Corporation and the City shall have entered into a Supplemental Base Lease and Supplemental Lease Agreement, if necessary, to provide for the payment by the City of Rentals sufficient in amount to pay timely as and when due the principal of, redemption premium, if any, and interest on such Additional Bonds; and (iii) the Corporation shall have otherwise complied with the provisions of the Indenture with respect to the issuance of such Additional Bonds.

ARTICLE IV DISBURSEMENT FROM PROJECT FUND

Section 4.1. Disbursement from Project Fund. The Corporation will authorize and direct the Trustee in the Indenture to use monies in the Project Fund for the payment, or for reimbursement to the City for payment, of the Costs upon the terms and conditions specified therein and in the Lease Agreement.

ARTICLE V TERMINATION

Section 5.1. Termination. This Base Lease shall terminate as specified in Section 3.1 hereof; *provided, however*, in the event the City pays all Rentals and Additional Rentals provided for in Article IV of the Lease Agreement and exercises thereafter the option to purchase the Corporation's interest in the remaining Base Lease Term hereunder as provided in Article X of the Lease Agreement, then this Base Lease shall be considered assigned to the City and terminated through merger of the leasehold interest with the fee interest in the real estate described in Schedule I, if the City is the owner of the fee interest and elects to terminate the leasehold interest so acquired from the Corporation. The Corporation agrees, upon such assignment and termination of the Base Lease Term, to quit and surrender the Property as it then exists.

If an Event of Default under the Lease Agreement occurs for any reason, or if the City terminates the Lease Agreement and fails to purchase the Corporation's interest in the Carnahan Courthouse as provided in Article X of the Lease Agreement, the Corporation shall have the right to possession thereof for the remainder of the Base Lease Term and shall have the right to sublease the same or, sell its interest therein and in this Base Lease upon whatever terms and conditions it deems prudent; *provided, that* the

Carnahan Courthouse shall always be operated for a lawful purpose. In such event, if the City so requests, the Corporation shall provide the City with adequate public liability insurance covering the Carnahan Courthouse for the remainder of the Base Lease Term and will furnish the City with evidence thereof. In the event that the Corporation shall receive a payment for the sale of its interest or total rental payments for subleasing that are, after the payment of the Corporation's expenses in connection therewith, including fees and expenses of the Trustee, in excess of the purchase price applicable under Section 10.1 of the Lease Agreement at the time of termination or default plus interest thereon at the interest rate per annum borne by the Bonds (which must be an amount sufficient to pay the principal of and all interest on the Bonds, or to provide for the payment thereof as provided in Article XIII of the Indenture, with amounts so received to be credited first to such interest and then to principal), then such excess shall be paid to the City by the Corporation, its assigns or its sublessee.

Section 5.2. Default by the Corporation. The City shall not have the right to exclude the Corporation from the Carnahan Courthouse or to take possession thereof (except pursuant to the Lease Agreement) or to terminate this Base Lease prior to the termination of the Base Lease Term upon any default by the Corporation hereunder; except that if, upon exercise of the option to purchase the Corporation's interest in the Carnahan Courthouse under the Lease Agreement granted to the City in Article X of the Lease Agreement and after the payment of the purchase price specified therein and the other sums payable under the Lease Agreement, the Corporation fails to convey its interest therein to the City pursuant to said option, then the City shall have the right to terminate this Base Lease, such termination to be effective 30 days after delivery of written notice of such termination to the Corporation. However, in the event of any default by the Corporation hereunder, the City may maintain an action, if permitted in equity, for specific performance.

Section 5.3. Quiet Enjoyment. Subject to the Lease Agreement, the Corporation at all times during the term of this Base Lease shall peaceably and quietly have and enjoy the Carnahan Courthouse.

Section 5.4. No Merger. Subject to Section 5.1, no union of the interests of the City and the Corporation herein shall result in a merger of this Base Lease and the Lease Agreement or of this Base Lease and the fee title to the real estate described in Schedule I hereto.

Section 5.5. Waiver of Personal Liability. All liabilities under this Base Lease on the part of the Corporation are corporate liabilities of the Corporation, and, to the extent permitted by law, the City hereby releases each and every incorporator, member, agent, employee, director and officer of the Corporation of and from any personal or individual liability under this Base Lease. THIS LEASE PURCHASE AGREEMENT (the "Lease Agreement"), made and entered into as of April 1, 2002, by and between the **ST. LOUIS MUNICIPAL FINANCE CORPORATION**, a not-for-profit corporation duly organized under the Missouri Nonprofit Corporation Act, as Lessor (the "Corporation"), and the **CITY OF ST. LOUIS**, a municipal corporation and political subdivision in the State of Missouri, as Lessee (the "City"),

WITNESSETH:

WHEREAS, the Corporation is a nonprofit corporation organized under the Missouri Nonprofit Corporation Act with full lawful power and authority to enter into this Lease Agreement by and through its Board of Directors; and

WHEREAS, the City is a municipal corporation and political subdivision duly organized and existing under its Charter and the Constitution and the laws of the State of Missouri with full lawful power and authority to enter into this Lease Agreement by and through its duly authorized officers; and

WHEREAS, pursuant to the terms of a Base Lease by and between the City and the Corporation dated as of April 1, 2002, the City leased the real estate described in Schedule I hereto and the existing improvements and certain equipment and other personal property to the Corporation for the payments and upon the terms and conditions therein set forth; and

WHEREAS, the Corporation proposes to provide funds to the City to acquire real and personal property, renovate, construct, equip and install furnishings and equipment for the Carnahan Courthouse (hereinafter described); and

WHEREAS, the Corporation proposes to issue to achieve the foregoing purposes, its Carnahan Courthouse Leasehold Revenue Bonds, Series 2002A (City of St. Louis, Missouri, Lessee) (the "Series 2002A Bonds"), in an aggregate principal amount not to exceed \$ _____, authorized under and pursuant to a certain Indenture of Trust of even date herewith between the Corporation and UMB Bank, N.A., St. Louis, Missouri, as Trustee (the "Indenture").

NOW, THEREFORE, in consideration of the premises and the mutual covenants and agreements herein set forth, the Corporation and the City do hereby covenant and agree as follows:

ARTICLE I DEFINITIONS AND RULES OF CONSTRUCTION

Section 1.1. Definitions of Words and Terms. Capitalized words and terms used in the Base Lease, this Lease Agreement and the Indenture shall have the meanings as set forth in the Indenture unless some other meaning is plainly intended.

Section 1.2. Rules of Construction. Words of the masculine gender shall be deemed and construed to include correlative words of the feminine and neuter genders. Unless the context shall otherwise indicate, the words importing the singular number shall include the plural and vice versa, and words importing person shall include firms, associations and corporations, including public bodies, as well as natural persons.

Section 1.3. Accounting Terms. Accounting terms used herein and not otherwise specifically defined shall have the meaning ascribed to such terms by generally accepted accounting principles as from time to time in effect.

ARTICLE II REPRESENTATIONS

Section 2.1. Representations by the Corporation. The Corporation represents, warrants and covenants as follows:

(a) The Corporation is a not-for-profit corporation duly incorporated under the Missouri Nonprofit Corporation Act and has corporate power to enter into this Lease Agreement. By proper corporate action its officers have been duly authorized to execute and deliver this Lease Agreement;

(b) The execution and delivery of this Lease Agreement and the consummation of the transactions herein contemplated will not conflict with or constitute a breach of or default under the Corporation's articles of incorporation or bylaws or any bond, debenture, note or other evidence of indebtedness of the Corporation, or any contract, agreement or sublease to which the Corporation is a party or by which it is bound or materially affecting its property or assets;

(c) The leasing of the Property to the City and the providing of funds to the City to finance the Costs of the Project will further the public purpose of the Corporation;

(d) The Corporation will issue its Carnahan Courthouse Leasehold Revenue Bonds, Series 2002A (City of St. Louis, Missouri, Lessee) to finance the Costs of the Project; and

(e) Interest on the Series 2002A Bonds is not includible in gross income of the Holders thereof for purposes of the Federal income taxes and is exempt from all income taxation imposed by the State under Chapter 143 of the Revised Statutes of Missouri. The Corporation will do all things necessary and within its control to assure the continuation of the tax-exempt status of the Series 2002A Bonds. The Corporation is exempt from Federal taxation on its income pursuant to Section 501(c)(3) of the Code.

Section 2.2. Representations by the City. The City represents, warrants and covenants as follows:

(a) The City is a municipal corporation and political subdivision, duly created and existing under and pursuant to

its Charter and the Constitution and laws of the State of Missouri.

(b) The lease of the Property by the Corporation to the City, as provided in this Lease Agreement, will contribute to the general welfare and benefit of the City and its residents by providing for the Project which will serve the aforesaid purposes and is therefore necessary, desirable and in the public interest.

(c) The City, pursuant to its Charter and the Ordinance has full power and authority to enter into the transactions contemplated by this Lease Agreement and to carry out its obligations hereunder, and has been duly authorized to execute and deliver this Lease Agreement and by proper action has duly authorized the execution and delivery of this Lease Agreement.

(d) Neither the execution and delivery of this Lease Agreement, nor the fulfillment of or compliance with the terms and conditions hereof, nor the consummation of the transactions contemplated hereby conflicts with or results in a breach of the terms, conditions or provisions of any restriction or any agreement or instrument to which the City is now a party or by which the City is bound.

(e) The City has not made, done, executed or suffered, and warrants that it will not make, do, execute or suffer, any act or thing whereby the City's interests in any property now or hereafter included in the Carnahan Courthouse shall be or may be impaired, changed or encumbered in any manner whatsoever except as permitted by the Base Lease and this Lease Agreement.

(f) The City represents and warrants that (i) the City is a governmental unit under the laws of the State of Missouri with general taxing powers and (ii) 95% or more of the net proceeds of the Bonds will be used for local governmental activities of the City.

(g) The City is now owns fee title to the Property free and clear of any liens or encumbrances except the Permitted Encumbrances, and such real property is presently, or will be upon transfer of title to the City, exempt from property and other taxes levied by the State of Missouri or any political subdivision thereof or by the City.

(h) This Lease Agreement, the Base Lease and the Non-Arbitrage Certificate constitute legal, valid and binding obligations of the City enforceable against the City in accordance with their respective terms, except as such enforceability may be limited by bankruptcy, insolvency, moratorium or other similar laws affecting or relating to the enforcement of creditors' rights generally.

(i) Pursuant to the Base Lease, the Corporation has been vested with a good and valid leasehold interest in the Carnahan Courthouse.

(j) There is no action or proceeding pending or to the knowledge of the City threatened by or against the City by or before any court or administrative body that would materially adversely affect the ability of the City to perform its obligations under this Lease Agreement, the Base Lease and the Non-Arbitrage Certificate and all authorizations, consents and approvals of governmental bodies or agencies required to be obtained by the City as of the date hereof in connection with the execution and delivery of this Lease Agreement, the Base Lease and the Non-Arbitrage Certificate or in connection with the performance of the obligations of the City hereunder and thereunder have been obtained.

(k) It is the City's intent to pay all Rentals and Additional Rentals for the Lease Term if funds are legally available therefor and in that regard the City represents that the use of the Carnahan Courthouse is essential to its proper, efficient and economic operation. To the extent that funds are available pursuant to Section 478.401, RSMo., Section 488.447, RSMo., or other similar statutes or ordinances, which allow the imposition of a surcharge for the purpose of courthouse restoration, maintenance and upkeep, and such surcharge has not been previously pledged for any prior series of bonds, the City intends to use revenues from such sources to provide funds to make payments of Rentals or Additional Rentals hereunder, subject to annual appropriation.

ARTICLE III GRANTING PROVISIONS; TERM

Section 3.1. Conveyance; Granting of Leasehold.

(a) Simultaneously with the issuance of the Bonds (i) the City and the Corporation will enter into the Base Lease and (ii) the Corporation will deposit the proceeds of the Bonds in accordance with Section 503 of the Indenture. The Bond proceeds shall be utilized as provided in the Indenture.

(b) The Corporation, by these presents, hereby rents, leases and sublets the Property currently under its control and management, subject to Permitted Encumbrances, unto the City and the City hereby rents and leases such Property, subject to Permitted Encumbrances, from the Corporation for the Rentals and Additional Rentals and subject to the terms and conditions hereinafter set forth.

The Corporation does hereby lease and demise such additional Property acquired by the City and leased to the Corporation pursuant to the Base Lease, subject to Permitted Encumbrances, to the Corporation upon the terms and conditions herein provided. Upon acquisition by the Corporation of a leasehold interest in any Property not now owned by the City, the same shall become a part of the Property leased hereunder, together with all improvements in respect of any Property hereafter acquired, constructed, equipped or installed by the City, and shall be subject to all the terms, covenants, conditions and provisions herein contained, without further action on the part of either party.

(c) The City shall take all necessary steps on or prior to the date of closing of the Series 2002A Bonds to provide the Corporation with a valid and binding first lien upon its leasehold interest in the Carnahan Courthouse and will provide the Corporation with an opinion of counsel to the City that all necessary action related thereto, including, but not limited to, the timely filing of financing statements, have been taken.

(d) The City agrees to execute and deliver to the Corporation, upon the Corporation's request, any financing statements, as well as extensions, renewals and amendments thereof, in such form as the Corporation may require to perfect a security interest with respect to said items and with respect to its leasehold interest in the Carnahan Courthouse. The City shall pay all costs of filing such financing statements as well as any extensions, renewals, amendments and releases thereof, and shall pay all reasonable costs and expenses of any record searches for financing statements which the Corporation may reasonably require.

Section 3.2. Term of Lease Agreement; Termination; Annual Appropriation Required. The Term of this Lease Agreement shall commence as of April 1, 2002, and shall terminate on the earliest of the occurrence of any of the following events: (i) the last day of the then current Fiscal Year of the City during which there occurs an Event of Non-Appropriation with respect to the City; (ii) there occurs an Event of Default by the City under this Lease Agreement if the Corporation or the Trustee elects such remedy pursuant to Section 12.2; (iii) the date upon which all Rentals and Additional Rentals, as the case may be, required under this Lease Agreement shall be paid by the City; or (iv) discharge of the Indenture as provided in Article XIII of the Indenture. The expiration or termination of the term of this Lease Agreement as to the City's right of possession of the Carnahan Courthouse shall terminate the City's rights of use of the Carnahan Courthouse; *provided, however*, that all other terms of this Lease Agreement and the Indenture, including the continuation of City's purchase right under Section 10.1 hereof and all obligations of the Trustee with respect to the Holders of the Bonds and the receipt and disbursement of funds shall be continuing until the lien of the Indenture is discharged, as provided in the Indenture, except that all obligations of the City to pay any amounts to the Holders and the Trustee hereunder shall thereafter be satisfied only as provided in the Indenture and, with respect to an Event of Non-Appropriation prior to such expiration or termination as provided in this Lease Agreement, are payable prior to the termination of this Lease Agreement. The termination or expiration of the term of this Lease Agreement, of itself, shall not discharge the lien of the Indenture.

Subject to the following two paragraphs, the payment obligations of the City under this Lease Agreement shall be absolute and unconditional, free of deductions and without any abatement, offset, recoupment, diminution or set-off whatsoever and shall be sufficient to provide all funds required for debt service on the Series 2002A Bonds, funding of the Debt Service Reserve Fund and all other amounts required under the Indenture.

Nothing herein shall be construed to require the Board of Aldermen to appropriate any money to pay any Rentals or Additional Rentals (except as heretofore appropriated). If the City fails to pay any portion of the Rentals or Additional Rentals which are due hereunder, the City, upon the request of the Trustee or the Corporation, will immediately quit and vacate the Carnahan Courthouse, and the Rentals and Additional Rentals (except for payments which have been theretofore appropriated and then available for such purpose) shall thereupon cease, it being understood between the parties that the City shall not be obligated to pay any Rentals or Additional Rentals to the Corporation hereunder except as provided herein. Should the City fail to pay any portion of the required Rentals and Additional Rentals, the Trustee in accordance with the Indenture may immediately bring legal action to evict the City from the Carnahan Courthouse. No judgment may be entered against the City for failure to pay any Rentals or Additional Rentals, except to the extent that the City has theretofore incurred liability to pay such Rentals or Additional Rentals through its actual use and occupancy of the Carnahan Courthouse.

The Rentals and Additional Rentals constitute current expenses of the City and the City's obligations hereunder are from year to year only and do not constitute a mandatory payment obligation of the City in any ensuing Fiscal Year beyond the current Fiscal Year. No provision hereof shall be construed or interpreted as creating a general obligation or other indebtedness of the City

or any agency or instrumentality of the City within the meaning of any constitutional or statutory debt limitation. Neither the execution, delivery and performance of this Lease Agreement nor the issuance of the Bonds directly or indirectly or contingently obligates the City to make any payments hereunder beyond those appropriated for the City's then current Fiscal Year; *provided, however*, that nothing herein shall be construed to limit the rights of the Bondholders or the Trustee to receive any amounts which may be realized from the Trust Estate pursuant to the Indenture.

B. City Covenant. The City covenants and agrees that the City's Budget Director, or any other officer at any time charged with responsibility of formulating budget proposals, is directed to include in the budget proposals submitted to the Board of Estimate and Apportionment, and to the extent permitted by law, to the Board of Aldermen of the City, in any year during the Lease Term, a request or requests for the Rentals and a reasonable estimate of Additional Rentals. Requests for appropriations shall be made in each Fiscal Year so that the City's Rentals and a reasonable estimate of Additional Rentals to be paid during the succeeding Fiscal Year will be available for such purposes. It is the intention of the City that the decision to appropriate the City's Rentals and Additional Rentals to provide financing for the Project pursuant to this Lease Agreement shall be made solely by the Board of Aldermen and not by any other official of the City except subject to the power of the Mayor of the City to approve or disapprove ordinances. The City presently expects to, in each Fiscal Year of the City during this Lease Term, appropriate funds for the City to provide financing for the Project in an amount sufficient to pay principal of, interest on and redemption premium, if any, on the Series 2002A Bonds. Upon such appropriation, the Rentals and reasonably estimated Additional Rentals will be available for such Fiscal Year to be drawn upon to make payments pursuant to the terms of this Lease Agreement after the budget is adopted and in no event later than July 1 of each year.

The City shall give notice to the Corporation with a copy to the Trustee as early as practicable in each Fiscal Year and in any case no later than three (3) Business Days following the date on which the budget for the next succeeding Fiscal Year is finally approved by the Board of Aldermen of the City of either (i) the termination of this Lease Agreement or (ii) that sufficient funds have been budgeted and appropriated to make all payments of Rentals and Additional Rentals during the next succeeding Fiscal Year. Notice that sufficient funds have been appropriated for the next succeeding Fiscal Year shall be accompanied by evidence satisfactory to the Corporation that sufficient funds have been budgeted and appropriated to make all Rentals for the Fiscal Year to which such notice pertains and to make such payments of Additional Rentals as shall be required during such Fiscal Year by the terms of this Lease Agreement. If the Trustee does not receive such notice the Trustee shall make independent inquiry of the fact of whether or not such appropriation has been made. If notice of termination has been duly given, all of the City's right, title, interest and obligations under this Lease Agreement shall terminate without penalty on the last day of the then current Fiscal Year. Failure of the City to budget and appropriate prior to July 1 of each year funds in the minimum amount equal to the Rentals and a reasonable estimate of Additional Rentals during such Fiscal Year, shall constitute termination of this Lease Agreement at the end of the Fiscal Year then in effect, and failure to give notice to the Corporation of such termination as heretofore provided shall not affect such automatic termination.

The City intends, subject to the provisions above with respect to the failure of the City to budget or appropriate funds to pay Rentals and a reasonable estimate of Additional Rentals, to continue the Lease Term and to pay the Rentals and Additional Rentals hereunder. The City reasonably believes that legally available funds in an amount sufficient to pay all Rentals and Additional Rentals during the Lease Term can be obtained and in addition to using its bonafide best efforts to accomplish the same shall exhaust all available administrative reviews and appeals, if any, in the event such portion of the budget request is not approved. Notwithstanding the foregoing, the decision to budget and appropriate funds or to continue the Lease Term is to be made in accordance with the City's normal procedures for such decisions.

Section 3.3. **Use of Premises.** The City shall have the right to use, occupy or operate the Carnahan Courthouse for any lawful public purpose with respect to the Project and shall not use, occupy or operate the Carnahan Courthouse so as to make void or voidable any insurance then in force with respect thereto and will not cause interest on the Bonds to become subject to Federal or Missouri income taxes.

Section 3.4. **Quiet Enjoyment and Possession.** During the Lease Term the Corporation shall provide the City with quiet use and enjoyment of the Carnahan Courthouse and the City shall during such Lease Term peaceably and quietly have and hold and enjoy the Carnahan Courthouse, without suit, trouble or hindrance from the Corporation, except as expressly set forth in this Lease Agreement. The Corporation shall have the right to inspect the Carnahan Courthouse as provided in Section 16.3 hereof.

ARTICLE IV PROVISIONS FOR PAYMENT, REDEMPTION OF BONDS

Section 4.1. **Rentals.** The City, subject to the provisions of Section 3.2 hereof, agrees to pay the amounts required

by this Lease Agreement as follows:

Until the principal of, premium, if any, and interest on the Bonds shall have been fully paid or provision for the payment thereof shall have been made in accordance with Article XIII of the Indenture, the City shall pay to the Trustee, as the assignee of the Corporation, in funds which will be immediately available to the Trustee not less than five (5) Business Days before the date any payment is due, as Rentals in respect of the Project, amounts which shall correspond to the payments in respect of the principal of, premium, if any, and interest on the Bonds whenever and in whatever manner the same shall become due, whether at Stated Maturity, upon redemption or acceleration or otherwise.

The City covenants and agrees that it will pay Rentals at such times and in such amounts as to assure that no default in the payment of principal of, premium, if any, or interest on the Bonds shall at any time occur. If the balance in the Bond Fund (not subject to the lien of the Trustee under Section 1002 of the Indenture) is less than the sum then required to be on deposit therein in order to pay the principal of, premium, if any, and interest then payable on the Bonds in accordance with the provisions of this Section 4.1, the City will forthwith pay as Rentals any such deficiency to the Trustee for deposit in the Bond Fund in immediately available funds; *provided, that*, any amount at any time held by the Trustee in the Bond Fund (not subject to the lien of the Trustee under Section 1002 of the Indenture) for the payment of the principal of, premium, if any, and interest on the Bonds shall, at the election of the City, be credited against the Rentals next required to be paid by the City, to the extent such amount is in excess of the amount required for payment of (i) any Bonds theretofore matured or called for redemption plus (ii) past due interest, in all cases where such Bonds or interest checks have not been presented for payment; and provided, further, that if the amount held by the Trustee in the Bond Fund (not subject to the lien of the Trustee under Section 1002 of the Indenture) shall be sufficient to pay at the times required the principal of, premium, if any, and interest on all of the Bonds then remaining unpaid, the City shall not be obligated to pay Rentals.

The City covenants and agrees to make the Rentals to the Trustee at its principal corporate trust office for the account of the Corporation during the Lease Term on or before 11:00 A.M., Trustee's local time, in the appropriate amount and on the Rental payment dates. All Rentals shall be deposited by the Trustee in accordance with the provisions of the Indenture and shall be used and applied by the Trustee in the manner and for the purpose set forth in the Indenture.

Section 4.2. Additional Rentals. The City shall pay or cause to be paid, subject to the provisions of Section 3.2 hereof, as Additional Rentals:

- (a) To the Trustee amounts equal to the amounts to be paid to the Trustee pursuant to Section 1002 of the Indenture;
- (b) All Impositions (as defined in Article VI hereof);
- (c) All amounts required under Section 15.1 of this Lease Agreement;
- (d) All costs incident to the payment of the principal of and interest on the Bonds as the same become due and payable, including all costs, premiums and expenses in connection with the call, redemption and payment of all Outstanding Bonds which amounts shall be deposited in the Bond Fund;
- (e) The payments, if any, which the City shall be required hereunder to deposit into the Debt Service Reserve Fund pursuant to the Indenture;
- (f) All reasonable expenses and advances incurred or made in connection with the enforcement of any rights under this Lease Agreement or the Indenture by the Corporation or the Trustee and any reasonable expenses incurred by the Corporation to enable it to comply with the provisions of the Base Lease, this Lease Agreement or the Indenture;
- (g) All reasonable fees and expenses of a Credit Provider, if any, for the provision of any Credit Enhancement including any reimbursements and any amounts owing under any credit agreement;
- (h) All reasonable and necessary fees and expenses the Corporation incurred in connection with the Series 2002A Bonds or the establishment and maintenance of the Corporation's status as a Missouri not-for-profit corporation or a qualified 501(c)(3) corporation; and
- (i) All amounts required to be rebated to the United States as provided in the Indenture.

Section 4.3. Rentals and Additional Rentals, etc., Payable without Abatement or Set-Off; City Obligations, Assignments of Rentals and Certain Additional Rentals. Subject to the provisions of Section 3.2, the City covenants and agrees with and for the express benefit of the Corporation from time to time Outstanding that all payments of Rentals and Additional Rentals shall be made by the City on or before the date the same become due, and the City shall perform all of its other obligations, covenants and agreements hereunder (including the obligation to pay Rentals and Additional Rentals) without notice or demand, and without abatement, offset, deduction, set-off, counterclaim, recoupment or defense or any right of termination or cancellation arising from any circumstance whatsoever, whether now existing or hereafter arising, and irrespective of whether any portion of the Project shall have been started or completed and shall be sufficient to provide all funds required for debt service on the Series 2002A Bonds, funding of the Debt Service Reserve Fund and all other amounts required under the Indenture.

Nothing in this Lease Agreement shall be construed as a waiver by the City of any rights or claims the City may have against the Corporation under this Lease Agreement or otherwise, but any recovery upon such rights and claims shall be had from the Corporation separately, it being the intent of this Lease Agreement that the City shall be unconditionally and absolutely obligated to perform fully all of its obligations, agreements and covenants under this Lease Agreement (including the obligation to pay Rentals and Additional Rentals), subject to the provisions of Section 3.2 hereof. The City may, however, at its own cost and expense and in its own name or in the name of the Corporation, prosecute or defend any action or proceeding or take any other action involving third persons which the City deems reasonably necessary in order to secure or protect its right of possession, occupancy and use hereunder, and in such event the Corporation hereby agrees to cooperate fully with the City and to take all action necessary to effect the substitution of the City for the Corporation in any such action or proceeding if the City shall so request.

The obligation of the City to pay Rentals and Additional Rentals is subject to the provisions of Section 3.2 hereof and does not constitute a general obligation or indebtedness of the City for which the City is obligated to levy or pledge any form of taxation, or for which the City has levied or pledged any form of taxation and shall not be construed to be a debt of the City for any purpose whatsoever or in contravention of any applicable constitutional, statutory or charter limitation or requirement, but in each Fiscal Year shall be payable solely from the amounts, if any, appropriated therefor out of the income and revenue provided for such year plus any unencumbered balances from previous years.

Section 4.4. Prepayment of Rentals. The City may at any time prepay all or any part of the Rentals provided for hereunder to the extent provided in the Indenture for redemption of the Bonds.

Section 4.5. Redemption of Bonds; Purchase of Bonds. The Trustee, on behalf of the Corporation, shall take all steps necessary and permitted under the applicable provisions of the Indenture for the redemption of Bonds upon receipt by the Corporation and the Trustee of a written notice from the City, if notice of redemption is required by the Indenture:

- (a) specifying the principal amount of Bonds to be redeemed;
- (b) fixing the date of such redemption; and
- (c) giving directions to mail or publish notice of redemption as may be required by the Indenture.

Unless otherwise stated therein, such notice by the City shall be revocable by the City at any time prior to the time at which the Bonds are to be redeemed or are deemed to be paid in accordance with Article XIII of the Indenture.

The Trustee shall further, on behalf of the Corporation, take all steps necessary and permitted under the applicable provisions of the Indenture to purchase Bonds in the open market for application as provided in the Indenture or any Supplemental Indenture upon written instructions of the City.

ARTICLE V THE PROJECT

Section 5.1. Disposition of Bond Proceeds. The proceeds of the sale of the Bonds shall be paid over to the Trustee for the account of the Corporation for disposition as provided in the Indenture.

Section 5.2. Construction of the Project. The City shall acquire real and personal property, construct, renovate, equip and install furnishings and equipment for the Carnahan Courthouse, all in accordance with the Plans and Specifications with respect to the Carnahan Courthouse, a copy of which shall be made available by the Trustee upon request. The City agrees that the aforesaid acquisition, construction, renovation, equipping and installation, will, with such changes and additions as may be made hereunder,

result in a building suitable for use by the City. The City will cause the aforesaid acquisition, construction, renovation, equipping and installation, to be made in accordance with the Construction Contracts and such Plans and Specifications.

Section 5.3. Payment for Construction Costs of the Project. All Construction Costs of the Project to be paid for out of the proceeds of the Bonds shall be paid by the Trustee from the Project Fund, and the Corporation and the City hereby authorize and direct the Trustee to make such disbursements from the Project Fund upon receipt by the Trustee of certificates signed by the City Representative and the Corporation Representative in the forms of the certificates attached hereto as Exhibit A. The sole obligation of the Corporation under this paragraph shall be to cause the Trustee to make such disbursements upon receipt of such certificates. The Trustee may conclusively rely on any such certificate and shall not be required to make any investigation in connection therewith.

Section 5.4. Payment for Equipment. The parties agree that certain furnishings and equipment will be necessary in the construction, renovation, improvement, completion and operation of certain components of the Project, and the City hereby agrees to purchase the same, but solely from the Project Fund, and the Corporation and the City hereby authorize and direct the Trustee to pay for, such items of equipment (and any installation costs thereof) with respect to the Carnahan Courthouse, solely from the Project Fund, upon receipt by the Trustee of a certificate signed by the City Representative and the Corporation Representative in the form of the certificate attached hereto as Exhibit A. The sole obligation of the Corporation under this section shall be to cause the Trustee to make such disbursements upon receipt of said certificates. The Trustee may conclusively rely on any such certificate and shall not be required to make any investigation in connection therewith.

Section 5.5. Payment of Other Costs of the Project. The Corporation agrees to pay for, but solely from the Project Fund, and the Corporation and the City hereby authorize and direct the Trustee to pay for, but solely from the Project Fund, all other Costs of the Project upon receipt by the Trustee of a certificate signed by a City Representative and the Corporation Representative in the form of the certificate attached hereto as Exhibit A. The sole obligation of the Corporation under this paragraph shall be to cause the Trustee to make such disbursements upon receipt of said certificates. The Trustee may conclusively rely on any such certificate and shall not be required to make any investigation in connection therewith.

Section 5.6. Deficiency of the Project Fund. In the event the aggregate amount of Costs exceeds the sum of the amount of funds in the Project Fund plus other moneys contributed by the City and available for construction of the Project, the Project shall be modified by the City pursuant to the provisions hereof to include only those components which can be completed with the aforesaid amounts; *provided, that*, if the Project Fund shall be insufficient to pay all Costs and to complete the Project, as it may be modified, free of liens, the City shall pay, but only from legally available funds, in cash, subject to the provisions of Section 3.2 and as Additional Rentals under Section 4.2, the full amount of any such deficiency by making payments therefor directly to the supplier of materials and services as the same shall become due, and the City shall hold the Corporation harmless from any obligation to pay such deficiency; provided that the City's obligation to pay such deficiency shall be limited to its current budgeted appropriations for the Project and the City shall have no obligation to appropriate additional funds therefor.

Section 5.7. Establishment of Completion Date; Disposition of Remaining Moneys in the Project Fund. The Completion Date for the Project shall be evidenced to the Trustee by a certificate signed by the City Representative setting forth the Costs of the Project and stating that, except for amounts retained by the Trustee at the direction of the City Representative to pay any Costs of the Project not then due and payable, (i) the acquisition, construction, renovation, equipping and installation of such Project has been completed substantially in accordance with the Plans and Specifications with respect to the Carnahan Courthouse and all labor, services, materials and supplies used in such acquisition, construction, renovation, equipping and installation have been paid for and (ii) all other facilities necessary in connection with the Project have been acquired, constructed, renovated, equipped and installed in accordance with the Plans and Specifications therefor and all costs and expenses incurred in connection therewith have been paid. Notwithstanding the foregoing, such certificate shall state that it is given without prejudice to any rights against third parties which exist at the date of such certificate or which may subsequently come into being.

All amounts in the Project Fund after the Completion Date for the Project shall at the written direction of the Corporation be applied or deposited as provided in Section 506 of the Indenture. Any amounts deposited in the Bond Fund pursuant to said Section 506 of the Indenture shall be applied in accordance with the provisions of Section 603 of the Indenture.

ARTICLE VI IMPOSITIONS

Section 6.1. Impositions. The City shall, subject to the provisions of Section 3.2 hereof, during the Lease Term, bear, pay and discharge, before the delinquency thereof, as Additional Rentals, all taxes and assessments, general and special, if any, which

may be lawfully taxed, charged, levied, assessed or imposed upon or against or be payable for or in respect of the Carnahan Courthouse or the Corporation's or the City's interest in the Carnahan Courthouse or the income therefrom or Rentals and other amounts payable under this Lease Agreement, including any new taxes and assessments not of the kind enumerated above to the extent that the same are lawfully made, levied or assessed in lieu of or in addition to taxes or assessments now customarily levied against real or personal property, and further including all water and sewer charges, assessments and other general governmental charges and impositions whatsoever, foreseen or unforeseen, which if not paid when due would impair the security of the Bonds or encumber the City's title to the Carnahan Courthouse (all of the foregoing being herein referred to as "Impositions").

Section 6.2. Contest of Impositions. The City shall have the right, in its own name or in the Corporation's name, to contest the validity or amount of any Imposition which the City is required to bear, pay and discharge pursuant to the terms of this Article VI by appropriate legal proceedings instituted at least 10 days before the Imposition which is being contested becomes delinquent and may permit the Imposition so contested to remain unpaid during the period of such contest and any appeal therefrom unless the Corporation or the Trustee shall notify the City that, in the opinion of Counsel, by nonpayment of any such items the interest of the Corporation in the Carnahan Courthouse will be materially endangered or the Carnahan Courthouse or any part thereof will be subject to loss or forfeiture, in which event the City shall promptly pay such taxes, assessments or charges or provide the Corporation with full security against any loss which may result from nonpayment, in form satisfactory to the Corporation and the Trustee. The Corporation agrees to cooperate with the City in connection with any and all administrative or judicial proceedings related to Impositions. The City shall hold the Corporation harmless from any costs and expenses the Corporation may incur related to any of the above.

ARTICLE VII INSURANCE; INDEMNIFICATION

Section 7.1. Liability Insurance; Indemnification. The City shall, under the City's customary insurance practice (which may include self-insurance subject to availability of appropriation therefor) or otherwise, take such measures as may be necessary to insure against liability for injuries to or disability or death of any person or damage to or loss of property arising out of or in any way relating to the condition or the operation of the Carnahan Courthouse or any part thereof during the term of the Lease Agreement. The net proceeds of all such self-insurance or other insurance shall be applied toward extinguishment or satisfaction of the liability with respect to which the insurance proceeds may be paid. It is understood that this insurance covers any and all liability of the City and its officers, employees and agents. The City agrees to indemnify the Corporation and the Trustee for any loss, damage or expense incurred, paid or suffered by them as a result of any suit or claim of a nature covered by such insurance, to the full extent permitted by State law.

Section 7.2. Property Insurance. The City shall, under the City's customary insurance practices (which may include self-insurance subject to availability of appropriation therefor) or otherwise, take such measures as may be necessary or appropriate in accordance with sound business practices to insure the Carnahan Courthouse to the extent insurable against loss included in all risk insurance policies then in use in the State. Any such insurance may be subject to reasonable deductibles. Any self-insurance program and the principal amount of Bonds Outstanding shall be established and maintained in accordance with the City's customary insurance practices.

All insurance policies shall name the Corporation as its assignee as an insured or loss payee. Insurance proceeds shall be payable to the City and the Corporation as their interests appear. No insurance policy may be cancelled or modified absent prior written notification of at least 30 days to the Corporation.

The net proceeds of any such insurance, whether from the City's self-insurance program or otherwise, shall be applied as provided in Article XI hereof.

ARTICLE VIII ASSIGNMENT, SUBLEASING AND MORTGAGING

Section 8.1. Assignment, etc. by the Corporation. Pursuant to the Granting Clauses of the Indenture, the Corporation is concurrently assigning this Lease Agreement and all rights and interests of the Corporation hereunder, including pledging and granting a security interest in all moneys receivable hereunder (except for payments under Sections 4.2(f), (g), (h) and (i) hereof and its rights to indemnification hereunder) and in the Carnahan Courthouse to the Trustee as security for payment of the principal of, premium, if any, and interest on the Bonds. The City consents to assignment of this Lease Agreement and the Rentals and such Additional Rentals receivable hereunder and hereby agrees that, subject to Section 3.2, as to the Trustee, its obligation to make such payments shall be absolute and unconditional and without any defense or right of abatement, diminution, counterclaim or set-off arising out of any breach by the Corporation or the Trustee of any obligation to the City.

Section 8.2. Assignment, Subleasing and Licensing by the City. This Lease Agreement may not be assigned by the City without the written consent of the Corporation. However, the Carnahan Courthouse or any part thereof may be subleased by the City, in whole or in part, without the consent of the Corporation, subject, however, to each of the following conditions:

(a) This Lease Agreement and the obligation of the City to pay Rentals and Additional Rentals hereunder and to perform all of the terms, covenants and conditions of this Lease Agreement and of any other security document to which it shall be a party shall remain obligations of the City and any assignee or transferee or sublessee of the City shall have assumed in writing and have agreed to keep and perform all of the terms of this Lease Agreement on the part of the City to be kept and performed and shall be jointly and severally liable with the City for the performance thereof, and shall be subject to service of process in the State, and, if a corporation, shall be qualified to do business in the State, and in the opinion of Counsel, such assignment or transfer or sublease shall not legally impair in any respect the obligations of the City for the payment of all Rentals nor for the full performance of all of the terms, covenants and conditions of this Lease Agreement or of any other security document to which the City is a part, nor impair or limit in any respect the obligations of any obligor under any other security documents.

(b) The City shall within ten (10) days after the delivery thereof, furnish or cause to be furnished to the Corporation, the Credit Provider, if any, and the Trustee a true and complete copy of such sublease.

(c) No sublease by the City shall cause the Carnahan Courthouse or any portion thereof being subleased to be used for a purpose other than a governmental or proprietary function authorized under the provisions of the Constitution and laws of the State of Missouri and the Charter of the City.

(d) Before entering into any sublease, the City shall obtain and file with the Trustee and the Corporation an opinion from Bond Counsel to the effect that the sublease will not cause the interest on the Bonds to become subject to Federal or Missouri income taxes.

The City may grant licenses to use all or any portion of the Carnahan Courthouse in the normal course of business without the consent of the Corporation.

ARTICLE IX MAINTENANCE, REPAIRS AND MODIFICATIONS

Section 9.1. Maintenance, Repairs and Modifications. The City shall, at its own expense, maintain, preserve and keep the Carnahan Courthouse in good repair and condition, and shall from time to time make all repairs, replacements and improvements necessary to keep the Carnahan Courthouse in such condition. The Corporation shall have no responsibility for any of these repairs, replacements or improvements. In addition, the City shall, at its own expense, have the right to make additions, modifications and improvements to the Carnahan Courthouse or any part thereof. Such additions, modifications and improvements shall not in any way damage the Carnahan Courthouse nor cause it to be used for purposes other than those authorized under the provisions of municipal, State and Federal law; and the Carnahan Courthouse upon completion of any additions, modifications and improvements made pursuant to this Section, shall be of a value which is not substantially less than the value thereof immediately prior to the making of such additions, modifications and improvements. Any property for which a substitution or replacement is made pursuant to this Section 9.1 may be disposed of by the City in such manner and on such terms as are determined by the City. The City will not permit any mechanic's or other lien to be established or remain against any part of the Carnahan Courthouse for labor or materials furnished in connection with any remodeling, additions, modifications, improvements, repairs, renewals or replacements made by the City pursuant to this Section 9.1; *provided, that*, if any such lien is established and the City shall first notify the Corporation of the City's intention to do so, the City may in good faith contest any lien filed or established against the Carnahan Courthouse and in such event may permit the items so contested to remain undischarged and unsatisfied during the period of such contest and any appeal therefrom unless the Corporation shall notify the City that, in the opinion of Counsel, by nonpayment of any such item the interest of the Corporation in the Carnahan Courthouse will be materially endangered or the Carnahan Courthouse or any part thereof will be subject to loss or forfeiture, in which event the City shall promptly pay and cause to be satisfied and discharged all such unpaid items or provide the Corporation with full security against any such loss or forfeiture, in form satisfactory to the Corporation. The Corporation will cooperate fully with the City in any such contest, upon request and at the expense of the City.

Section 9.2. Liens. The City shall not, directly or indirectly, create, incur, assume or suffer to exist any mortgage, pledge, lien, charge, encumbrance or claim on or with respect to the Carnahan Courthouse or any part thereof (except for Permitted Encumbrances), other than the respective rights of the Corporation and the City as provided herein and in the Base Lease. The City shall have the right in its own name or in the Corporation's name to contest the validity or amount of any lien which the City is

required to discharge and may permit the lien so contested to remain unpaid during the period of such contest and any appeal therefrom unless the Corporation or the Trustee shall notify the City that, in the opinion of Counsel, by nonpayment of any such items the interest of the Corporation in the Carnahan Courthouse will be materially endangered or the Carnahan Courthouse or any part thereof will be subject to loss or forfeiture in which event the City shall promptly discharge such lien. Except as expressly provided in this Article, the City shall promptly, at its own expense, take such action as may be necessary to duly discharge or remove any such mortgage, pledge, lien, charge, encumbrance or claim if the same shall arise at any time. The City shall reimburse the Corporation for any expense incurred by it in order to discharge or remove any such mortgage, pledge, lien, charge, encumbrance or claim.

ARTICLE X

CITY'S OPTION TO PURCHASE CORPORATION'S INTEREST

Section 10.1. City's Option to Purchase Corporation's Interest. (a) The City shall have the option to purchase the Corporation's leasehold interest in the Carnahan Courthouse and to terminate the Base Lease and this Lease Agreement at any time during the Base Lease Term (subject to the requirements of the following provisions of this subparagraph (a)) upon payment of the principal, interest and redemption premium, if any, on the Bonds or providing funds for the Corporation to make provision for their payment pursuant to Article XIII of the Indenture and the payment of all Additional Rentals. Except as otherwise provided in this Section 10.1, the City shall give at least sixty (60) days written notice to the Corporation and to the Trustee of its intent to exercise the option and so terminate this Lease Agreement. Payment of the final Rentals and Additional Rentals shall constitute exercise of the option granted hereunder without further action by the City.

(b) If the City receives notice of an Event of Default pursuant to subparagraph (a) or (b) of Section 901 of the Indenture, the City shall also have the option to purchase the Corporation's leasehold interest in the Carnahan Courthouse under the Base Lease and to terminate this Lease Agreement upon payment of the Bonds or providing funds for the Corporation to make provision for their payment pursuant to Article XIII of the Indenture and the payment of all Additional Rentals. The City shall give notice of its intent to exercise the option provided for by this subparagraph (b) by giving notice thereof to the Corporation and the Trustee not later than 90 days after receipt of notice of any such Event of Default. The City shall make the payment provided for in this subparagraph (b) not later than 90 days after it has given notice of its intent to exercise this option to the Corporation and the Trustee.

ARTICLE XI

DAMAGE, DESTRUCTION AND CONDEMNATION; USE OF NET PROCEEDS

Section 11.1. Damage, Destruction and Condemnation. Unless the City shall have exercised its option to purchase the Corporation's interest under the Base Lease and terminate this Lease Agreement as provided in Article X hereof, if (i) the Carnahan Courthouse is destroyed or are damaged by fire or other casualty or notwithstanding the foregoing, such purchase should not occur after the Trustee has rented the premises prior to such purchase or (ii) title to or the temporary use of the Carnahan Courthouse or the interest of the City or the Corporation in the Carnahan Courthouse shall be taken under the exercise of the power of eminent domain by any governmental body or by any person, firm or corporation acting under governmental authority, the City shall, subject to the provisions of the following paragraph, cause the net proceeds of any insurance or condemnation award to be applied to the prompt repair, restoration, modification or improvement of the Carnahan Courthouse by the City free of liens other than Permitted Encumbrances. Any balance of the net proceeds remaining after such work has been completed for the Carnahan Courthouse shall, unless all of the Project has been completed, be transferred to the Project Fund and at the completion of the Carnahan Courthouse, such funds shall be applied as provided in Section 506 of the Indenture. If the Project has been completed, any net proceeds remaining after such work has been completed shall be deposited in the Bond Fund and used in accordance with Section 603 of the Indenture.

If the City determines that the repair, restoration, modification or improvement of the Carnahan Courthouse is not economically feasible or in the best interest of the City, then, in lieu of making such repair, restoration, modification or improvement, the City shall make provision for the redemption of Outstanding Bonds in an amount equal to the net proceeds of any such insurance or condemnation award rounded to the nearest Authorized Denomination, any such net proceeds shall be applied by the City to the payment of the Outstanding Bonds called for redemption and shall pay the fees and expenses of the Corporation and the Trustee, together with all other amounts due under the Indenture and under this Lease Agreement, and all amounts required to be rebated to the Federal government pursuant to the Indenture or the Non-Arbitrage Certificate.

Section 11.2. Insufficiency of Net Proceeds. If the net proceeds are insufficient to pay in full the cost of any repair, restoration, modification or improvement of the Carnahan Courthouse in accordance with this Section, subject to appropriation of sufficient funds, the City shall complete the work and pay any cost in excess of the amount of the net proceeds, and the City agrees

that if by reason of any such insufficiency of the net proceeds, the City shall make any payments pursuant to the provisions in this Section, the City shall not be entitled to any reimbursement therefor from the Corporation or any diminution of any amount payable hereunder.

Section 11.3. Cooperation of the Corporation. The Corporation shall cooperate fully with the City at the expense of the City in filing any proof of loss with respect to any insurance policy covering the events described in Section 11.1 hereof and in the prosecution or defense of any prospective or pending condemnation proceeding with respect to the Carnahan Courthouse or any part thereof and will, to the extent it may lawfully do so, permit the City to litigate in any proceeding resulting therefrom in the name of and on behalf of the Corporation. In no event will the Corporation voluntarily settle, or consent to the settlement of, any proceedings arising out of any insurance claim or any prospective or pending condemnation proceeding with respect to the Carnahan Courthouse or any part thereof without the written consent of the City.

Section 11.4. Event of Non-Appropriation. If an Event of Non-Appropriation shall occur and be continuing, upon receipt of a certificate from a City Representative which states that the City has not appropriated the funds required to be appropriated by the City, or upon receipt of other notice of the occurrence of any Event of Non-Appropriation with respect to the City, the Trustee shall immediately notify the Corporation of such occurrence.

If an Event of Non-Appropriation shall occur, the City shall not be obligated to make payment of the Rentals or Additional Rentals provided for herein beyond the last day of the Fiscal Year during which such Event of Non-Appropriation occurs, except for the City's obligation to make payments which are payable prior to the termination of this Lease Agreement; *provided, however*, that the City shall continue to be liable for the amounts payable during such time when the City continues to occupy the Carnahan Courthouse. The Trustee shall, upon the occurrence of an Event of Non-Appropriation, have all rights and remedies granted to it under the Indenture and as a secured creditor under Missouri law, as trustee for the benefit of Holders of the Bonds, and shall be further entitled to all monies then on hand in all funds and accounts created under the Indenture. All property, funds and rights acquired by the Trustee upon the termination of this Lease Agreement as to the City's possessory interest hereunder by reason of an Event of Non-Appropriation as provided herein shall be held by the Trustee under the Indenture for the benefit of the holders of the Bonds as set forth in the Indenture until the Bonds are paid in full.

The parties hereto agree that, upon the occurrence of an Event of Non-Appropriation, the Lessee shall immediately quit and vacate the Carnahan Courthouse upon termination of the then current term of this Lease Agreement.

Section 11.5. Non-Substitution Covenant. The City covenants and agrees that, to the extent permitted by law, if an Event of Default described in Article XII hereof occurs with respect to the City, the City will not construct, own or operate any courthouse facility not in existence at the time such Event of Default occurs during the sixty (60) day period subsequent to such Event of Default. The provisions of this paragraph shall survive the termination of this Lease Agreement as a result of an Event of Default and shall remain in effect and be binding upon the City.

Section 11.6. Termination of Lease Term. The Lease Term shall terminate as to the City, including the City's right to possession of the Carnahan Courthouse pursuant to Section 3.2 hereof, upon the earliest of the occurrence of any of the following events: (i) the last day of the then current Fiscal Year of the City during which there occurs an Event of Non-Appropriation with respect to the City; (ii) there occurs an Event of Default by the City under this Lease Agreement if the Corporation or the Trustee elects such remedy pursuant to the Section 12.2; (iii) the date upon which all Rentals and Additional Rentals, as the case may be, required under this Lease Agreement shall be paid by the City, or (iv) discharge of the Indenture as provided in Article XIII of the Indenture.

Section 11.7. Remedies Regarding City Defaults. Upon the occurrence of an Event of Default by the City pursuant to this Lease Agreement or the Base Lease, resulting in an Event of Default on the Bonds pursuant to the Indenture, the City shall have the exclusive right to purchase from the Corporation the leasehold interest in the Carnahan Courthouse, or any part thereof for a period of 90 days from the date of such default for the amount of the principal on the Bonds then Outstanding plus accrued interest to such date of default. Notwithstanding the foregoing, the Corporation and the Trustee may also exercise the remedies set forth in Section 12.2 herein. Notwithstanding anything herein to the contrary, the Trustee shall be entitled to sublease the Carnahan Courthouse, or any part thereof to any entity, public or private, for such period as is necessary for the Trustee to obtain sufficient monies to pay in full the principal of, redemption, premium if any, and interest on the Bonds, and the obligations of the Trustee with respect to the Bondholders and the receipt and disbursement of funds shall be continuing until the lien of the Indenture is discharged as provided in the Indenture.

ARTICLE XII

DEFAULT PROVISIONS

Section 12.1. Events of Default Defined. The following shall be "Events of Default" under this Lease Agreement and the terms "Events of Default" and "Default" shall mean, whenever they are used in this Lease Agreement, any one or more of the following events:

- (a) Failure by the City to pay any Rentals or Additional Rentals in the amounts and at the times specified herein.
- (b) Failure by the City to observe and perform any covenant, condition or agreement on its part to be observed or performed, other than as referred to in clause (a) of this Section, for a period of thirty (30) days after written notice specifying such failure and requesting that it be remedied has been given to the City by the Corporation or the Trustee, unless the Trustee shall agree in writing to an extension of such time prior to its expiration; provided, however, if the failure stated in the notice cannot be corrected within the applicable period, the Trustee will not unreasonably withhold its consent to an extension of such time if corrective action is instituted by the City within the applicable period and diligently pursued until the default is corrected.
- (c) The filing by the City of a voluntary petition in bankruptcy, or failure by the City promptly to lift any execution, garnishment or attachment of such consequence as would impair the ability of the City to carry on its operation, or adjudication of the City as a bankrupt, or assignment by the City for the benefit of creditors, or the entry by the City into an agreement of composition with creditors, or the approval by a court of competent jurisdiction of a petition applicable to the City in any proceedings whether voluntary or involuntary instituted under the provisions of the Federal bankruptcy laws, as amended, or under any similar acts which may hereafter be enacted.
- (d) Failure by the Lessee to vacate the Carnahan Courthouse by the expiration of the current Fiscal Year during which an Event of Non-Appropriation occurs.

The provisions of this Section are subject to the following limitations: if by reason of force majeure the City is unable in whole or in part to carry out its obligations under this Lease Agreement, other than its obligation to pay Rentals or Additional Rentals with respect thereto, the City shall not be deemed in default under the continuance of such inability, provided notice thereof is given to the Corporation and the Trustee. The term "force majeure" as used herein shall mean, without limitation, the following acts of God: strikes, lockouts or other industrial disturbances; acts of public enemies; orders or restraints of any kind of the government of the United States of America or the State of Missouri or their respective departments, agencies or officials, or any civil or military authority; insurrections; riots; landslides; earthquakes; fires; storms; droughts; floods; explosions; breakage or accident to machinery, transmission pipes or canals; or any other cause or event not reasonably within the control of the City and not resulting from its negligence. The City agrees, however, to remedy with all reasonable dispatch the cause or causes preventing the City from carrying out its agreement; provided that the settlement of strikes, lockouts and other industrial disturbances shall be entirely within the discretion of the City and the City shall not be required to make settlement of strikes, lockouts and other industrial disturbances by acceding to the demands of the opposing party or parties when such course is in the judgment of the City unfavorable to the City.

Section 12.2. Remedies on Default. Whenever any Event of Default referred to in Section 12.1 shall have happened and be continuing, the Corporation or the Trustee shall have the right, at its option and without any further demand or notice, to take any one or more of the following remedial steps:

- (a) By written notice to the City declare all Rentals and Additional Rentals for the Fiscal Year in which the Event of Default occurred to be immediately due and payable and such Rentals and Additional Rentals shall thereupon become immediately due and payable; or
- (b) With or without terminating this Lease Agreement take possession of the Carnahan Courthouse, in which event the City shall vacate the Carnahan Courthouse and take all actions necessary to authorize, execute and deliver to the Corporation all documents necessary to vest in the Corporation for the remainder of the Lease Term, all of the City's interest in and to the Carnahan Courthouse, sell the Corporation's (or its assignee's) interest in the Base Lease, or lease the Carnahan Courthouse and collect the rentals therefor, for all or any portion of the remainder of its leasehold term upon such terms and conditions as it may deem satisfactory in its sole discretion with the City remaining liable, subject to the provisions of Section 3.2 hereof, for the difference between (i) the Rentals and Additional Rentals payable by the City hereunder during the Lease Term and (ii) the net proceeds or any purchase price, rents or other amounts paid by the new purchaser, lessee or sublessee of the Carnahan Courthouse, and, provided further, that, in such event, if the Corporation shall receive a payment for sale of its interest or total sub-rentals for sublease that are, after payment of the Corporation's expenses in connection therewith, in excess of the purchase price applicable under Section 10.1 hereof at the time of default plus interest thereon at the interest rate per annum borne by the Bonds, then such excess shall be paid

to the City either by the Corporation, its assigns, or by its sublessee; or

(c) Take whatever action at law or in equity may appear necessary or desirable to collect the Rentals and Additional Rentals then due and thereafter to become due during the Lease Term or enforce performance and observance of any obligation, agreement or covenant of the City under this Lease Agreement.

(d) Upon the occurrence and continuance of any Event of Non-Appropriation, the Trustee as provided in the Indenture shall give notice to the City to vacate the Carnahan Courthouse immediately (but in no event earlier than the expiration of the then current Fiscal Year for which the Lessee has paid or appropriated monies sufficient to pay all Rentals and Additional Rentals due for such Fiscal Year) and shall, without any further demand or notice, (i) terminate this Lease Agreement, re-enter the Carnahan Courthouse and eject all parties in possession thereof therefrom, and sublease the Carnahan Courthouse or (ii) take any action at law or in equity deemed necessary or desirable to enforce its rights with respect to the Carnahan Courthouse.

Section 12.3. No Remedy Exclusive. No remedy herein conferred upon or reserved to the Corporation or the Trustee is intended to be exclusive and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Lease Agreement or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Corporation or the Trustee to exercise any remedy reserved to it in this Article XII it shall not be necessary to give any notice, other than such notice as may be required in this Article XII or by law.

Section 12.4. No Additional Waiver Implied by One Waiver. In the event any agreement contained in this Lease Agreement shall be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

ARTICLE XIII

NOTICES; CONSENTS NOT TO BE UNNECESSARILY WITHHELD

Section 13.1. Notices. All notices required or desired to be given hereunder shall be in writing, and all such notices and other written documents required or desired to be given hereunder shall be deemed duly served and delivered for all purposes upon the Corporation, the City and the Trustee if given in the manner and to the addresses specified in the Indenture.

Section 13.2. The Corporation Shall Not Unreasonably Withhold Consents and Approvals. Wherever in this Lease Agreement it is provided that the Corporation shall, may or must give its approval or consent, or execute supplemental agreements or schedules, the Corporation shall not unreasonably, arbitrarily or unnecessarily withhold or refuse to give such approvals or consents or refuse to execute such supplemental agreements or schedules.

ARTICLE XIV

AMENDMENTS, CHANGES AND MODIFICATIONS

Section 14.1. Amendments. Except as otherwise provided in this Lease Agreement or in the Indenture, subsequent to the issuance of Bonds and prior to all of the Bonds being paid in accordance with the Indenture and provision being made for the payment of all sums payable under the Indenture in accordance with Article XIII thereof, this Lease Agreement may not be effectively amended, changed, modified, altered or terminated without the concurring written consent of the Trustee, given in accordance with the provisions of the Indenture.

ARTICLE XV

NET LEASE

Section 15.1. Net Lease. The parties hereto agree (a) that this Lease Agreement is intended to be a net lease, (b) that the payments of Rentals and Additional Rentals are designed to provide the Corporation and the Trustee funds adequate in amount to pay all principal of and interest and any redemption premiums accruing on the Bonds as the same become due and payable, (c) that to the extent that the payments of Rentals and Additional Rentals are not sufficient to provide the Corporation and the Trustee with funds sufficient for the purposes aforesaid, the City, subject to the provisions of Section 3.2 hereof, shall be obligated to pay, and it does hereby covenant and agree to pay, upon demand therefor, as Additional Rentals, such further sums of money, in cash, as may from time to time be required for such purposes, and (d) that if, after all of the Bonds are deemed to be paid in accordance with Article XIII of the Indenture and provision has been made for payment of all other sums payable under the Indenture in

accordance with Article XIII thereof, the Trustee or the Corporation holds unexpended funds received in accordance with the terms hereof, such unexpended funds shall, after payment therefrom of all sums then due and owing by the City under the terms of this Lease Agreement, and except as otherwise provided in this Lease Agreement and the Indenture, become the absolute property of and be paid over forthwith to the City.

Section 15.2. No General Liability. No provision, covenant or agreement contained in this Lease Agreement or in the Indenture, the Bonds, or any obligation herein or therein imposed upon the Corporation or the City, or the breach thereof, shall constitute or give rise to or impose upon the Corporation or the City a general liability or a charge upon the general credit or taxing powers of the City.

ARTICLE XVI MISCELLANEOUS

Section 16.1. Merger, Consolidation, Transfer of Assets, etc. It is the intention of the parties that the Base Lease and this Lease Agreement will not be deemed merged with the effect that the specific grant of property interests, payment terms or any other terms of this Lease Agreement or the Base Lease are unenforceable or in any way mitigated in force and effect.

As long as any of the Bonds remain Outstanding and unpaid, or until provision for the payment thereof has been made as provided in Article XIII of the Indenture, the Corporation will maintain its corporate existence and will not dissolve or otherwise dispose of all or a major portion of its assets without the approval of the City and the Trustee. The Corporation will not consolidate with or merge into another corporation or permit one or more other corporations to consolidate with or merge into it except that the Corporation may, without violating the foregoing, consolidate with or merge into another not-for-profit corporation organized under the laws of the State or permit one or more other such corporations to consolidate with or merge into it, if the following requirements are complied with and there has been delivered to the City and to the Trustee sufficient evidence showing that there has been such compliance:

- (a) The surviving or resulting corporation, as the case may be, has expressly assumed in writing all of the obligations, covenants and agreements of the Corporation contained in the Bonds, the Base Lease, this Lease Agreement, the Indenture, and any other instruments of security given by the Corporation to secure any of its obligations;
- (b) The lien created by the Indenture will not be adversely affected thereby;
- (c) The Corporation has obtained an opinion of Bond Counsel that the corporate action referred to does not cause the interest on the Bonds then Outstanding to become includable in gross income for purposes of Federal or Missouri income tax purposes; and
- (d) As a result of the transaction, the surviving or resulting corporation is not in default under this Lease Agreement, the Base Lease, the Indenture, the Bonds or any other instrument of security securing the obligations of the Corporation.

Section 16.2. Maintenance of Tax Exemption. Neither the City nor the Corporation shall take any action or fail to take any action which action or failure would cause the interest on the Bonds to be includable in gross income for Federal or Missouri income tax purposes. The Corporation further covenants that, so long as the Bonds remain Outstanding, it will, to the best of its ability, maintain its status as an organization exempt from taxation.

The City and the Corporation will comply with all applicable provisions of the Code, including Section 103 and Section 148 thereof and the regulations of the Treasury Department thereunder, from time to time proposed or in effect, in order to maintain the exclusion of interest on the Bonds from gross income for purposes of Federal and Missouri income taxation. To this end the City covenants and agrees that throughout the Lease Term it will operate the Carnahan Courthouse solely for local governmental purposes and at no time shall the City allow in excess of five percent (5%) of the Carnahan Courthouse to be used in the trade or business of a non-governmental person within the meaning of the Code.

The City and the Corporation covenant and agree that they will use the proceeds of the Bonds as soon as practicable and with all reasonable dispatch for the purpose for which the Bonds are issued as hereinbefore set forth, and that no part of the proceeds of the Bonds shall be invested in any securities, obligations or other investments except for the temporary period pending such use nor used, at any time, directly or indirectly, in a manner which, if such use had been reasonably anticipated on the date of issuance of the Bonds, would have caused any of the Bonds to be or become "arbitrage bonds" within the meaning of Section 103(b)(2) or Section 148 of the Code and the regulations of the Treasury Department thereunder proposed or in effect at the time of such use and

applicable to obligations issued on the date of issuance of the Bonds.

The representations, warranties, covenants and statements of expectation of the City set forth in the Non-Arbitrage Certificate are by this reference incorporated in this Lease Agreement as though fully set forth herein.

Section 16.3. Access to Premises. The City agrees that the Corporation and any Corporation Representative shall have the right at all reasonable times to enter upon and to examine and inspect the Carnahan Courthouse. The City further agrees that the Corporation and any Corporation Representative shall have such rights to access to the Carnahan Courthouse as may be reasonably necessary to cause the proper maintenance of the Carnahan Courthouse in the event of failure by the City to perform its obligations hereunder.

Section 16.4. City's Financial Reports; City to Take Further Action, etc.; Additional Covenants of the City. So long as any of the Bonds are Outstanding, the City shall deliver to the Trustee, as soon as available, a copy of the City's annual audited financial statements. Such audited financial statements will include the financial transactions of the Corporation in accordance with generally accepted accounting principles.

The Corporation also covenants and agrees that upon payment of all the Rentals and Additional Rentals and the exercise of the option granted in Section 10.1 hereof, the Corporation and its officers shall take all actions necessary to authorize, execute and deliver to the City any documents which may be necessary to vest in the City all of the Corporation's interest in and to the Carnahan Courthouse, including, if necessary, a release of any and all liens created under the provisions of this Lease Agreement or otherwise by the Corporation. The Corporation agrees to defend or eliminate any claims adverse to such interest arising out of an Event of Default occurring after receipt by the Corporation of its leasehold interest in the Carnahan Courthouse; provided that the Corporation's obligations under this provision shall not extend to claims arising out of actions by the City or persons asserting claims under it.

Section 16.5. Covenants of the City with Respect to Transfers. As long as any of the Bonds remain Outstanding and unpaid or provision for the payment of the same made in accordance with the provisions of Article XIII of the Indenture, the City will not convey or transfer any interest in the Carnahan Courthouse or any part thereof other than to the Corporation.

Section 16.6. Amounts Remaining in the Bond Fund or the Project Fund. It is agreed by the parties hereto that any amounts remaining in the Bond Fund or the Project Fund upon the expiration or sooner termination of the Lease Term, after payment in full of the Bonds (or provision for payment thereof having been made in accordance with the provisions of Article XIII of the Indenture), the reasonable fees, charges and expenses of Trustee and the Corporation in accordance with the Indenture and all other amounts required to be paid under the Base Lease, this Lease Agreement and the Indenture, shall belong to and shall be paid to the City by the Trustee as overpayment of Rentals and Additional Rentals.

Section 16.7. Amendments, Changes and Modifications. This Lease Agreement may not be amended, changed, modified, altered or terminated, except as provided in Article XII of the Indenture.

Section 16.8. Ongoing Disclosure. The City covenants and agrees to enter into a Continuing Disclosure Agreement for the benefit of the Bondholders or similar undertaking intended to satisfy the ongoing disclosure requirements of the Securities and Exchange Commission Rule 15c2-12.

Section 16.9. Waiver of Sovereign Immunity. For purposes of Section 805 of the Indenture, to the extent permitted by law, the City hereby waives the right to sovereign immunity or any other similar defense with respect to the enforcement of remedies pursuant to Section 12.2 herein.

Section 16.10. Construction and Enforcement. This Lease Agreement shall be construed and enforced in accordance with the laws of Missouri. Wherever in this Lease Agreement it is provided that either party shall or will make any payment or perform or refrain from performing any act or obligation, each such provision shall, even though not so expressed, be construed as an express covenant to make such payment or to perform, or not to perform, as the case may be, such act or obligation.

Section 16.11. Severability. In the event any provision hereof shall be determined to be invalid or unenforceable, the validity and effect of the other provisions hereof shall not be affected thereby.

Section 16.12. Binding Effect. This Lease Agreement shall inure to the benefit of and shall be binding upon the Corporation and the City and their respective successors and assigns.

Section 16.13. Section and Article Headings. The Section and Article headings and the table of contents herein are for convenience only and in no way define, limit or describe the scope or intent of any of the provisions hereof.

SECTION 6: Termination of Reporting Obligations.

The City's obligations under this Disclosure Agreement shall terminate upon the legal defeasance, prior redemption or payment in full of all the Series 2002A Bonds. If the City's obligations under the Indenture are assumed in full by another entity, such entity shall be responsible for compliance with this Disclosure Agreement in the same manner as if it were the City, and the City shall have no further responsibility hereunder. 2. The undertaking, as amended or taking into account such waiver, should, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the Series 2002A Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

In the event of any amendment or waiver of a provision of this Disclosure Agreement, the City shall describe such amendment in the next Annual Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or, in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the City. A default under this Disclosure Agreement shall not be deemed to be an Event of Default under the Indenture, and the sole remedy under this Disclosure Agreement in the event of any failure of the City or the Dissemination Agent to comply with this Disclosure Agreement shall be action to compel performance.
