(1) The bi-weekly salary of each employee whose pay range is established in Section 3(1)

(a) of this ordinance shall be increased by one and one half percent (1 1/2%), rounded to the nearest whole dollar or the minimum of the salary range, whichever is higher. This provision shall not apply to employees whose rate is deemed to be above the maximum of the new range as a result of demotion or reallocation.

(2) The salary of each employee whose pay range is established in Section 3(1)(a) of this ordinance and whose class has been allocated to a higher pay grade in the appropriate pay schedule, as determined by the Appointing Authority, shall have their current salary increased to a rate, rounded to the nearest whole dollar, which provides a one and one half (1 1/2.0%) increase in addition to a five percent (5%) adjustment in accordance with Section 6 of this pay ordinance, but not less than the minimum of the pay range.

(b) No employee shall be reduced in salary by reason of the adoption of the new pay schedules in this ordinance.

(c) The Appointing Authority may establish a special conversion procedure for a class or position in the event that the appointing authority determines that a serious inequity would be created by the application of the conversion procedures established in this Section.

The passage of this ordinance being deemed necessary for the immediate preservation of the public peace, health and safety, it is hereby declared to be an emergency measure and the same shall take effect and be in force immediately upon its approval by the Mayor.
