5.2.1. Terms. Each TIF Note shall bear simple interest at a fixed rate per annum equal to (i) seven percent (7.0%) if the interest on such TIF Note, in the opinion of Bond Counsel, is not exempt from Federal income taxation; or (ii) five and one-half percent (5-1/2%) if the interest on such TIF Note, in the opinion of Bond Counsel, is exempt from Federal income taxation. All TIF Notes shall have a stated maturity of the Maturity Date.

5.2.2. Procedures for Issuance of TIF Notes. Except as otherwise provided in this Agreement, the City shall, within thirty (30) days after acceptance by the City of the Certificate of Reimbursable Redevelopment Project Costs, issue an endorsement to the TIF Note evidencing an advance of Reimbursable Redevelopment Project Costs. In lieu of an endorsement to the TIF Note, the City shall, upon written request by the Developer, issue additional TIF Notes in denominations of One Hundred Thousand Dollars (\$100,000) or more to evidence the City's obligation to pay such advances of Redevelopment Project Reimbursement Costs.

If the City accepts the Certificate of Reimbursable Redevelopment Project Costs within thirty (30) days after submission by the Developer, the resulting endorsement to the TIF Note shall be deemed to have been made on the date that the City accepts the Certificate of Reimbursable Redevelopment Project Costs. If the City accepts the Certificate of Reimbursable Redevelopment Project Costs more than thirty (30) days after submission by Developer (or rejects it more than thirty (30) days after submission by Developer and provides the Developer the right to identify and substitute eligible Reimbursable Redevelopment Project Costs in accordance with **Section 4.2** of this Agreement), the resulting endorsement to the TIF Note shall be deemed to have been made on the thirty-first (31st) day after submission of the Certificate of Reimbursable Redevelopment Project Costs by the Developer.

Notwithstanding anything contained in this Agreement to the contrary, upon the acceptance by the City of a Certificate of Reimbursable Redevelopment Project Costs and the issuance by the City of an endorsed TIF Note as provided in **Section 5.2.2** of this Agreement, the Developer shall be deemed to have advanced funds necessary to purchase such TIF Note and the City shall be deemed to have deposited such funds in the Project Fund and shall be deemed to have reimbursed the Developer in full for such costs from the amounts deemed to be on deposit in the Project Fund from time to time.

5.2.3. Special Mandatory Redemption of TIF Notes. The TIF Notes are subject to special mandatory redemption by the City, on each June 1 and December 1 occurring after the acceptance by the City of the Certificate of Substantial Completion at a redemption price equal to 100% of the principal amount being redeemed, together with the accrued interest thereon to the date fixed for redemption, which amount of principal being redeemed shall be an amount equal to Available Revenues on deposit in the applicable account of the Special Allocation Fund and which will not be required for the payment of interest on such June 1 or December 1.

5.3. TIF Bonds. The City may, in its sole and absolute discretion, issue TIF Bonds in an amount sufficient to refund all or a portion of the outstanding TIF Notes. The Developer shall not have any liability for any costs associated with the issuance of TIF Bonds but shall bear its own costs and expenses, including any attorneys' fees and expenses, that the Developer may incur in complying with Section 5.4 of this Agreement. Proceeds of any TIF Bonds shall be applied in the following order: (a) to the payment of Issuance Costs relating to the issuance of the TIF Bonds; (b) to the payment of outstanding principal of and interest on the TIF Notes to be refunded; (c) to the payment of capitalized interest on the TIF Bonds; and (d) to the establishment of a debt service reserve fund for the TIF Bonds.

5.4. Cooperation in the Issuance of TIF Obligations. The Developer covenants to cooperate and take all reasonable actions necessary to assist the City and its Bond Counsel, underwriters and financial advisors in the preparation of offering statements, private placement memorandum or other disclosure documents and all other documents necessary to market and sell the TIF Bonds, including disclosure of tenants of the Property and the non-financial terms of the leases between the Developer and such tenants, to the extent permitted by such leases. The Developer will not be required to disclose to the general public or any investor

any proprietary or confidential information, including financial information, pertaining to the Developer, but upon the execution of a confidentiality agreement acceptable to the Developer, the Developer will provide such information to the City's financial advisors, underwriters and their counsel to enable such parties to satisfy their due diligence obligations. The Developer shall make such compliance obligation a covenant running with the land, enforceable as if any subsequent transferee thereof were originally a party to and bound by this Agreement.

5.5. City to Select Underwriter and Financial Advisor; Term and Interest Rate. The City shall have the right to select the designated underwriter (and such financial advisors and consultants as the underwriter and the City deem necessary for the issuance of the TIF Bonds) and underwriter's counsel. The final maturity of the TIF Bonds shall not exceed the maximum term permissible under the TIF Act. The TIF Bonds shall bear interest at such rates, shall be subject to redemption and shall have such terms as the City shall determine in its sole and absolute discretion.

ARTICLE VI. SPECIAL ALLOCATION FUND; COLLECTION AND USE OF TIF REVENUES

6.1. Creation of Special Allocation Fund. The City agrees to cause its Comptroller or other financial officer to maintain the Special Allocation Fund, including a "PILOTs Account" and an "EATs Account," and such further accounts or sub-accounts as are required by this Agreement or as the Comptroller of the City may deem appropriate in connection with the administration of the Special Allocation Fund pursuant to this Agreement. Subject to the requirements of the TIF Act and, with respect to Economic Activity Taxes, subject to annual appropriation by the Board of Aldermen, the City will promptly upon receipt thereof deposit all TIF Revenues into the PILOTs Account or EATs Account, as applicable.

6.2. Certification of Base for PILOTs and EATs. Within ninety (90) days after adoption of the Approving Ordinances, the City shall provide to the Developer: (i) a true, correct and complete copy of the City Assessor's calculation of the total initial equalized assessed valuation of the taxable real property within the Redevelopment Area based upon the most recently ascertained equalized assessed value of each taxable lot, block, tract or parcel of real property within the Redevelopment Area; and (ii) a certification of the amount of revenue from taxes, penalties and interest which are imposed by the City and other taxing districts and which are generated by economic activities within the Redevelopment Area for the calendar year ending December 31, 2001, but excluding those taxes, licenses, fees or special assessments identified in Section 99.845.3 of the TIF Act.

6.3. Application of Available Revenues. The City hereby agrees for the term of this Agreement to apply the Available Revenues and any taxes, fees or assessments subsequently enacted and imposed in substitution therefor and allocable to the Special Allocation Fund under the TIF Act or this Agreement to the repayment of TIF Obligations issued under **Article V** of this Agreement as provided in the Note Ordinance and this Agreement. Prior to the issuance of TIF Bonds and as long as any TIF Notes are outstanding, Available Revenues shall be applied to payment each June 1 and December 1 occurring after acceptance by the City of the Certificate of Substantial Completion (either by the City Comptroller or other financial officer or, at the option of the City, by the Trustee on behalf of the City), from the Special Allocation Fund as follows:

- (i.) Payment of fees and expenses incurred by the Comptroller of the City and the St. Louis Development Corporation in the administration of the Redevelopment Plan (but the Available Revenues applied to the fees and expenses incurred by the City and the St. Louis Development Corporation shall not exceed the lesser of Two Thousand Four Hundred Dollars and No/100 (\$2,400.00) or 0.4% of the TIF Notes outstanding on January 1 of each calendar year, unless the City has incurred costs pursuant to **Section 7.15** of this Agreement that have not otherwise been reimbursed to the City through the issuance of TIF Notes purchased by the Developer;
- (ii.) distribution of the Dedicated Surplus in the manner provided in Section 99.820.1(12) of the TIF Act;
- (iii.) payment of past due interest owing as a result of prior deficiencies of moneys to pay interest due on each interest payment due date;
- (iv.) payment of scheduled interest due on each interest payment date;
- (v.) payment of principal in an amount equal to Available Revenues then remaining on deposit in the applicable account of the Special Allocation Fund on each interest payment date;
- (vi.) all other remaining money in the Special Allocation Fund shall annually be declared as surplus and

distributed in the manner provided in Section 99.820.1(12) of the TIF Act.

If Available Revenues are insufficient to reimburse the City as provided above on any interest payment date, then the unpaid portion shall be carried forward to the next Payment date, with interest thereon.

The City agrees that the officer of the City at any time charged with the responsibility of formulating budget proposals will be directed to include in the budget proposal submitted to the Board of Aldermen, for each fiscal year that TIF Obligations are outstanding, a request for an appropriation of all Available Revenues on deposit in the Special Allocation Fund for application to the payment of the principal of (including payment of a premium, if any) and interest on the TIF Obligations.

6.4. Cooperation in Determining TIF Revenues. The City and the Developer agree to cooperate and take all reasonable actions necessary to cause the TIF Revenues to be paid into the Special Allocation Fund, including the City's enforcement and collection of all such payments through all reasonable and ordinary legal means of enforcement.

6.5. Obligation to Report TIF Revenues. The Developer shall cause any purchaser or transferee of real property located within the Property, and any lessee or other user of real property located within the Property required to pay TIF Revenues, to use all reasonable efforts to timely fulfill such obligations as are required by **Section 6.4** of this Agreement. So long as any of the TIF Obligations are outstanding, the Developer shall cause such obligations to be covenants running with the land, which covenants shall be enforceable as if such purchaser, transferee, lessee or other user of such real property were originally a party to and bound by this Agreement.

6.6. Notice to City of Transfer. The Developer agrees to notify the City in writing of any proposed sale, transfer or other disposition of the Property or any interest therein as permitted by **Section 7.3.2** of this Agreement within ninety (90) days after the date of said sale, transfer or other disposition. Said notice shall specify the name and address of the person so acquiring any or all of the Property or any interest therein and shall identify the Property to be sold, transferred or otherwise disposed, whether by voluntary transfer or otherwise.

ARTICLE VII. GENERAL PROVISIONS

7.1. Developer's Right of Termination. At any time prior to the delivery of the Certificate of Substantial Completion, the Developer may, by giving written notice to the City, abandon the Redevelopment Project and terminate this Agreement and the Developer's obligations hereunder if the Developer determines, in its sole discretion, that the Redevelopment Project is no longer economically feasible. Upon such termination, the City shall have no obligation to reimburse the Developer for any amounts advanced under this Agreement or costs otherwise incurred or paid by Developer.

7.2. City's Right of Termination. The City may terminate this Agreement if the Developer fails to submit its Certificate of Substantial Completion, acceptable to the City, in accordance with **Section 3.7** of this Agreement and the schedule set forth in **Section 3.4** of this Agreement. Upon termination of this Agreement for any reason, the City shall have no further obligation to reimburse the Developer for any amounts advanced under this Agreement or costs otherwise incurred or paid by Developer.

7.3. Successors and Assigns.

7.3.1 Binding Affect. This Agreement shall be binding on and shall inure to the benefit of the parties named herein and their respective heirs, administrators, executors, personal representatives, successors and assigns.

7.3.2 Assignment or Sale. Without limiting the generality of the foregoing, all or any part of the Property or any interest therein may be sold, transferred, encumbered, leased, or otherwise disposed of at any time, and the rights of the Developer named herein or any successors in interest under this Agreement or any part hereof may be assigned at any time before, during or after redevelopment of the Redevelopment Project, whereupon the party disposing of its interest in the Property or assigning its interest under this Agreement shall be thereafter released from further obligation under this Agreement (although any such Property so disposed of or to which such interest pertains shall remain subject to the terms and conditions of this Agreement), provided that until substantial completion of the Redevelopment Project, the fee title to the Property shall not be sold, transferred or otherwise disposed of and the rights, duties and obligations of the Developer under this Agreement shall not be assigned in whole or in part without the prior written approval of the City, which approval shall not be

unreasonably withheld or delayed upon a reasonable demonstration by the Developer of the proposed transferee's or assignee's experience and financial capability to undertake and complete such portions of the Work and perform the Developer's obligations under this Agreement, all in accordance with this Agreement. Notwithstanding anything herein to the contrary, the City hereby approves, and no prior consent shall be required in connection with: (a) the right of the Developer to encumber or collaterally assign its interest in the Property or any portion thereof to secure loans, advances or extensions of credit to finance or from time to time refinance all or any part of the Redevelopment Project Costs, or the right of the holder of any such encumbrance or transferee of any such collateral assignment (or trustee or agent on its behalf) to transfer such interest by foreclosure or transfer in lieu of foreclosure under such encumbrance or collateral assignment; (b) the right of Developer to assign the Developer's rights, duties and obligations under this Agreement to any party related to the Developer by one of the relationships described in Section 267(b) of the United States Internal Revenue Code of 1986, as amended; provided that in each such event (i) the Developer named herein (4200 Laclede Corp.) shall remain liable hereunder for substantial completion of the Work and shall be released from such liability hereunder only upon the City's acceptance of the Certificate of Substantial Completion and (ii) the Developer provides to the City fifteen (15) days' advance written notice of the proposed assignment or transfer.

7.3.3 Assignment or Sale to Exempt Organization. Prior to any sale, transfer or other disposition of all or any portion of the Property or any interest therein to an organization exempt from payment of ad valorem property taxes, such organization shall be required to agree not to apply for an exemption from payment of such property taxes for a period ending on the earlier of the date that all TIF Obligations are paid in full or twenty-three (23) years from the date that the Note Ordinance was adopted by the City. The Developer shall make this requirement a covenant running with the land, enforceable for such period as if such purchaser or other transferee or possessor thereof were originally a party to and bound by this Agreement.

7.4 Remedies. Except as otherwise provided in this Agreement and subject to the Developer's and the City's respective rights of termination, in the event of any default in or breach of any term or conditions of this Agreement by either party, or any successor, the defaulting or breaching party (or successor) shall, upon written notice from the other party specifying such default or breach, proceed immediately to cure or remedy such default or breach, and shall, in any event, within thirty (30) days after receipt of notice, cure or remedy such default or breach. In the event that the defaulting or breaching party (or successor) diligently and in good faith commences to cure or remedy such default or breach but is unable to cure or remedy such default or breach within thirty (30) days after receipt of notice, the defaulting or breaching party (or successor) shall, prior to the end of such thirty (30) days, provide notice to the other party that it has in good faith commenced to cure or remedy such default or breach, whereupon the defaulting or breaching party (or successor) shall have an additional thirty (30) days to cure or remedy such default or breach. In case such cure or remedy is not taken or not diligently pursued, or the default or breach shall not be cured or remedied prior to the end of the additional thirty (30) day period, the aggrieved party may institute such proceedings as may be necessary or desirable in its opinion to cure and remedy such default or breach, including without limitation proceedings to compel specific performance by the defaulting or breaching party.

7.5 Force Majeure. Neither the City nor the Developer nor any successor in interest shall be considered in breach or default of their respective obligations under this Agreement, and times for performance of obligations hereunder shall be extended (but with respect to the times for performance set out in **Section 3.4** of this Agreement, only to the extent provided therein and established thereunder) in the event of any delay caused by force majeure, including without limitation damage or destruction by fire or casualty; strike; lockout; civil disorder; war; restrictive government regulations; lack of issuance of any permits and/or legal authorization by the governmental entity necessary for the Developer to proceed with construction of the Work or any portion thereof; shortage or delay in shipment of material or fuel; acts of God; unusually adverse weather or wet soil conditions; or other like causes beyond the parties' reasonable control, including without limitation any litigation, court order or judgment resulting from any litigation affecting the validity of the Redevelopment Plan, the Redevelopment Project or the TIF Obligations or this Agreement; provided that such event of force majeure shall not be deemed to exist as to any matter initiated or sustained by the Developer in bad faith, and further provided that the Developer notifies the City in writing within thirty (30) days of the commencement of such claimed event of force majeure.

7.6 Notices. Any notice, demand or other communication required by this Agreement to be given by either party hereto to the other shall be in writing and shall be sufficiently given or delivered if dispatched by certified United States first class mail, postage prepaid, or delivered personally,

or to such other address(es) with respect to either party as that party may, from time to time, designate in writing and forward to the other as provided in this paragraph.

7.7. Conflict of Interest. No member of the Board of Aldermen, the TIF Commission, or any branch of the City's government who has any power of review or approval of any of the Developer's undertakings, or of the City's contracting for goods or services for the Redevelopment Area, shall participate in any decisions relating thereto which affect that member's personal interests or the interests of any corporation or partnership in which that member is directly or indirectly interested. Any person having such interest shall immediately, upon knowledge of such possible conflict, disclose, in writing, to the Board of Aldermen the nature of such interest and seek a determination by the Board of Aldermen with respect to such interest and, in the meantime, shall not participate in any actions or discussions relating to the activities herein proscribed.

7.8. Damage or Destruction of Redevelopment Project. In the event of total destruction or damage to the Redevelopment Project by fire or other casualty, during construction or thereafter during the term of this Agreement so long as any TIF Notes are outstanding, the Developer shall determine and advise the City in writing within one year of such destruction or damage whether to restore, reconstruct and repair any such destruction or damage so that the Redevelopment Project will be completed or rebuilt in accordance with the Redevelopment Plan and this Agreement. Should the Developer determine not to restore, reconstruct and repair, all unaccrued liability of the City for any payments of principal of or interest on the TIF Notes shall immediately terminate and the Developer shall promptly surrender the TIF Notes to the City for cancellation. In the event of such total destruction or damage during the term of this Agreement and after any TIF Bonds are issued, the Developer shall, at the City's option after consultation with the Developer, tender to the City that portion of the insurance proceeds from any fire or casualty insurance policy in an amount equal to the outstanding principal amount of the TIF Bonds, plus accrued interest thereon.

7.9. Inspection. The City may conduct such periodic inspections of the Work as may be generally provided in the building code of the City. In addition, the Developer shall allow other authorized representatives of the City reasonable access to the Work site from time to time upon advance notice prior to the completion of the Work for inspection thereof. The Developer shall not unreasonably deny the City and its officers, employees, agents and independent contractors the right to inspect, upon request, all architectural, engineering, demolition, construction and other contracts and documents pertaining to the construction of the Work as the City determines is reasonable and necessary to verify the Developer's compliance with the terms of this Agreement.

7.10. Choice of Law. This Agreement shall be taken and deemed to have been fully executed, made by the parties in, and governed by the laws of State of Missouri for all purposes and intents.

7.11. Entire Agreement; Amendment. The parties agree that this Agreement constitutes the entire agreement between the parties and that no other agreements or representations other than those contained in this Agreement have been made by the parties. This Agreement shall be amended only in writing and effective when signed by the authorized agents of the parties.

7.12. Counterparts. This Agreement may be executed in multiple counterparts, each of which shall constitute one and the same instrument.

7.13. Severability. In the event any term or provision of this Agreement is held to be unenforceable by a court of competent jurisdiction, the remainder shall continue in full force and effect, to the extent the remainder can be given effect without the invalid provision.

7.14. Representatives Not Personally Liable. No elected or appointed official, agent, employee or representative of the City shall be personally liable to the Developer in the event of any default or breach by any party under this Agreement, or for any amount which may become due to any party or on any obligations under the terms of this Agreement.

7.15. Actions Contesting the Validity and Enforceability of the Redevelopment Plan. During such time as the Developer is the owner of the TIF Notes, in the event a third party brings an action against the City or the City's officials, agents, attorneys, employees or representatives contesting the validity or legality of the Redevelopment Area, the Redevelopment Plan, the TIF Obligations, or the ordinance approving this Agreement, the Developer may, at its option, join the City in defense of such claim or action. The parties expressly agree that, so long as no conflicts of interest exist between them with regard to the handling of such litigation, the same attorney or attorneys may simultaneously represent the City and the Developer in any such proceeding. The Developer shall be responsible for all reasonable and necessary costs and expenses incurred by the City and by the Developer in connection with the defense of such claim or action, provided that if the City does not approve a settlement or compromise which the Developer would agree to, the Developer shall not be responsible for any costs or expenses incurred thereafter in the defense of such claim or action. All cost of any such defense, whether incurred by the City or the Developer, shall be deemed to be Reimbursable Redevelopment Project Costs and reimbursable from any amounts in the Special Allocation Fund, subject to Article IV of this Agreement.

7.16. Release and Indemnification. The indemnification provisions and covenants contained in this Section shall survive termination or expiration of this Agreement.

7.16.1. The City and its governing body members, officers, agents, attorneys, employees and independent contractors shall not be liable to the Developer for damages or otherwise in the event that all or any part of the TIF Act, or any ordinance adopted in connection with either the TIF Act, this Agreement or the Redevelopment Plan, is declared invalid or unconstitutional in whole or in part by the final (as to which all rights of appeal have

expired or have been exhausted) judgment of any court of competent jurisdiction, and by reason thereof either the City is prevented from performing any of the covenants and agreements herein or the Developer is prevented from enjoying the rights and privileges hereof.

7.16.2. The Developer releases from and covenants and agrees that the City and its governing body members, officers, agents, attorneys, employees and independent contractors shall not be liable for, and agrees to indemnify and hold harmless the City, its governing body members, officers, agents, attorneys, employees and independent contractors against any and all claims, demands, liabilities and costs, including reasonable attorneys' fees, costs and expenses, arising from damage or injury, actual or claimed (excluding consequential and punitive damages), to persons or property occurring or allegedly occurring as a result of any negligent or malicious acts or omissions of the Developer, its governing body members, officers, agents, attorneys, employees and independent contractors, in connection with its or their activities conducted pursuant to this Agreement.

7.16.3. The City and its governing body members, officers, agents, attorneys, employees and independent contractors shall not be liable for any damage or injury to the persons or property of the Developer or its officers, agents, employees, independent contractors or any other persons who may be about the Property or the Work except for matters arising out of the gross negligence or willful misconduct of the City and its governing body members, officers, agents, attorneys, employees and independent contractors.

7.16.4. All covenants, stipulations, promises, agreements and obligations of the City contained herein shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the City and not of any of its governing body members, officers, agents, attorneys, employees or independent contractors in their individual capacities.

7.16.5. No governing body members, officers, agents, attorneys, employees or independent contractors of the City shall be personally liable to the Developer (i) in the event of a default or breach by any party under this Agreement or (ii) for any amount or any TIF Obligations which may become due to any party under the terms of this Agreement.

7.16.6. The Developer releases from and covenants and agrees that the City, its governing body members, officers, agents, attorneys, employees and independent contractors shall not be liable for, and agrees to indemnify and hold the City, its governing body members, officers, agents, attorneys, employees and independent contractors, harmless from and against any and all third party suits, interest, claims and cost of reasonable attorneys fees incurred by any of them, resulting from, arising out of, or in any way connected with: (i) the enforcement of this Agreement, the validity of the TIF Obligations or the enforcement or validity of any other agreement or obligation made in connection therewith and their approvals (excluding opinions of counsel and of the City's financial advisors whenever such claim is based on such party's own negligence); (ii) the negligence or willful misconduct of the Developer or its officers, agents, employees or independent contractors in connection with the design, management, development, redevelopment and construction of the Work, or (iii) the compliance by the Developer with all applicable state, federal and local environmental laws, regulations and ordinances as applicable to the Property, to the extent such condition existed prior to the acquisition thereof by the Developer. The foregoing release and indemnification shall not apply in the case of such liability arising directly out of the negligence or malicious acts or omissions of the City or its governing body members, officers, agents, attorneys, employees and independent contractors in connection with its or their activities conducted pursuant to this Agreement or which arises out of matters undertaken by the City following termination of this Agreement as to the Redevelopment Project or any particular portion thereof.

7.17. Survival. Notwithstanding the expiration or termination or breach of this Agreement by either party, the agreements contained in **Section 2.2, clauses 2.2.3 and 2.2.4, Article VI, Sections 7.10, 7.11, 7.12, 7.13, 7.14, 7.15, 7.16, 7.17 and Article VIII** of this Agreement shall, except as otherwise expressly set forth herein, survive such early expiration or early termination of this Agreement by either party.

7.18. Maintenance of the Property. The Developer shall remain in compliance with all provisions of the City's ordinances relating to maintenance and appearance of the Property during the construction of the Redevelopment Project or any portion thereof. Upon substantial completion of the Redevelopment Project and so long as any TIF Obligations are outstanding, the Developer or its successor(s) in interest, as owner or owners of the affected portion(s) of the Property, shall, during the remainder

of the term of this Agreement (but subject to any delay caused by an event of force majeure as provided in **Section 7.5** of this Agreement), maintain or cause to be maintained the buildings and improvements within the Redevelopment Area which it owns in a good state of repair and attractiveness and in conformity with applicable state and local laws, ordinances and regulations. If there are separately-owned or ground leased parcels of real estate on the Property during the term of this Agreement, each owner or lessee as a successor in interest to the Developer shall maintain or cause to be maintained the buildings and improvements on its parcel in a good state of repair and attractiveness and in conformity with applicable state and local laws, ordinances and regulations, and shall maintain or cause to be maintained reasonable casualty and liability insurance with respect to the same in accordance with **Section 7.8** of this Agreement.

7.19. Non-Discrimination. The Developer agrees that, during the term of this Agreement and as an independent covenant running with the land, there shall be no discrimination upon the basis of race, creed, color, national origin, sex, age, marital status or physical handicap in the sale, lease, rental, occupancy or use of any of the facilities under its control within the Redevelopment Area or any portion thereof and said covenant may be enforced by the City or the United States of America or any of their respective agencies. The Developer further agrees that a provision containing the covenants of this paragraph shall be included in all agreements pertaining to the lease or conveyance or transfer (by any means) of all or a portion of the Redevelopment Project and any of the facilities under its control in the Redevelopment Area. Except as provided in this Section, the Developer shall have no obligation to enforce the covenants made by any transferee or lessee, tenant, occupant or user of any of the facilities within the Redevelopment Area.

7.20. Fair Employment. Without limiting any of the foregoing, the Developer voluntarily agrees to observe the Equal Opportunity and Nondiscrimination Guidelines set forth as **Exhibit E** attached hereto and incorporated herein by reference. By execution of this Agreement, the Developer certifies and agrees that it is under no contractual or other disability that would materially impair its ability to observe the Guidelines set forth as **Exhibit E**, attached hereto and incorporated herein by reference.

**ARTICLE VIII.

This TIF Note is one of an authorized series of fully registered Notes of the City designated “City of St. Louis, Missouri, [Taxable][Tax-Exempt] Tax Increment Revenue Notes (1505 Missouri TIF Redevelopment Project), Series 2002,” issued in an aggregate principal amount of not to exceed \$621,100 (the “Notes”). The TIF Notes are being issued for the purpose of paying a portion of the Redevelopment Project Costs in connection with the Redevelopment Plan, under the authority of and in full compliance with the Constitution and laws of the State of Missouri, including particularly the Real Property Tax Increment Allocation Redevelopment Act, Sections 99.800 to 99.865, of the Revised Statutes of Missouri, as amended (the “Act”), and pursuant to the Note Ordinance.

The TIF Notes and the interest thereon shall be special, limited obligations of the City payable solely from and secured as to the payment of principal and interest, by the Available Revenues and other moneys pledged thereto and held by the Finance Officer as provided herein. “Available Revenues” means (a) all monies on deposit in the PILOTs Account of the Special Allocation Fund; and (b) all monies on deposit in the Economic Activity Tax Account of the Special Allocation Fund that have been appropriated to the repayment of the TIF Notes, excluding (i) any amount paid under protest until the protest is withdrawn or resolved against the taxpayer or (ii) any sum received by the City which is the subject of a suit or other claim communicated to the City which suit or claim challenges the collection of such sum.

economic activities within the Redevelopment Area, as defined in the Note Ordinance, over the amount of such earnings taxes generated by economic activities within the Redevelopment Area in the year ended December 31, 2001, while tax increment financing remains in effect, and allocated to and paid by the City Collector of Revenue to the City Treasurer for deposit in a segregated account of the Special Allocation Fund;

Third, to the Debt Service Fund, an amount sufficient to pay all or any portion of past due interest owing as a result of prior deficiencies of moneys to pay interest due any TIF Notes on each Payment Date;

The TIF Notes are subject to optional redemption by the City in whole at any time or in part on any Payment Date at a redemption price of 100% of the principal amount of the TIF Note to be redeemed, plus accrued interest thereon to the date fixed for redemption.

The TIF Notes are subject to special mandatory redemption by the City on each Payment Date, at a redemption price equal to 100% of the principal amount being redeemed, together with accrued interest thereon to the date fixed for redemption, in an amount equal to Available Revenues on deposit in the applicable account of the Special Allocation Fund and which will not be required for the payment of interest on such Payment Date.

The TIF Notes or portions of Notes to be redeemed shall become due and payable on the redemption date, at the redemption price therein specified, and from and after the redemption date (unless the City defaults in the payment of the redemption price) such TIF Notes or portion of TIF Notes shall cease to bear interest. Upon surrender of such TIF Notes for redemption in accordance with such notice, the redemption price of such TIF Notes shall be paid by the Finance Officer. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any TIF Note, there shall be prepared for the Registered Owner a new TIF Note or Notes of the same maturity in the amount of the unpaid principal as provided herein. All TIF Notes that have been redeemed shall be cancelled and destroyed by the Finance Officer as provided herein and shall not be reissued.

Subject to the limitations of the preceding paragraph, upon surrender thereof at the office of the Finance Officer, the Finance Officer shall transfer or exchange any TIF Note for a new TIF Note of the same maturity and in the same principal amount as the Outstanding principal amount of the TIF Note that was presented for transfer or exchange. Any TIF Note presented for transfer or exchange shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in a form and with guarantee of signature satisfactory to the Finance Officer, duly executed by the Registered Owner thereof or by the Registered Owner’s duly authorized agent.
