6. Upon the nonpayment of the rent due under the Lease at the time when the same becomes due, or upon the nonperformance by the Lessee of any of the provisions or requirements under the Lease, the Lessor, at its election, may terminate this Lease, provided that the Lessee shall, after notice of nonpayment, breach or default, have thirty (30) days to cure any such nonpayment, and ninety (90) days to cure any such other breach, unless the provisions hereof provide either that a specified breach is grounds for immediate termination of the Lease or that failure to cure within a specified time frame of less than thirty (30) days is grounds for immediate termination (such as violating a statute or other law). The failure and omission of the Lessor to declare this Lease forfeited upon the breach or default of said Lessee in the payment of said rents as the same become due, or the nonperformance of any of the substantive covenants to be performed by the Lessee, shall not operate to bar, abridge, or destroy the right of the Lessor to declare this Lease null and void upon any subsequent breach, forfeiture or cause therefore by the Lessee.

7. Lessee agrees to pay ad valorem taxes on boats, vessels, aircraft or watercraft and on operation of same that may be moored on said Leased Premises or involved in any operations within said Leased Premises, including all other owned property and equipment, and it is agreed that the Lessee will not deny the authority of the proper assessing agency to assess ad valorem taxes on said improvements. Further, Lessee agrees to pay any and all taxes, fees and assessments due on any other aspect of Lessee's business operations or improvements within the Leased Premises. The Lessee reserves the right to question the amount of such assessment in any court of competent jurisdiction or other tribunal established by law to correct the valuation of the property on which the assessment of such tax is based. Failure to pay ad valorem and/or other taxes, fees and/or assessments due as and when due, whether or not such taxes, fees and/or assessments are appealed, shall be considered a breach of the terms of this Lease. All barges In Transit shall be exempt from the payment of taxes, fees and/or assessments. "In Transit" shall mean moored at the Leased Premises for not more than seven (7) calendar days in any 365-day period.

8. If the Lessee remains in possession of the Leased Premises after the expiration of the Term for which it is leased and the Lessee pays rent and the Lessor accepts said rent, such possession shall be construed as creating a month to month tenancy and not a renewal or extension of this Lease, but such month to month tenancy shall not continue for more than one (1) year. If the Lessee continues to occupy the Leased Premises on a month to month basis following the expiration of the Lease Term, Lessee's obligations under the Lease shall continue in full force and effect for the duration of Lessee's occupancy of the Leased Premises. Any such month to month tenancy may be terminated by Lessor at any time.

9. The Lessor reserves the right to modify, amend, or cancel this Lease as set forth in Section Ten (10) hereof in the event any portion of the Leased Premises is needed for any municipal purpose, which shall include, but is not limited to, right of way, sewer, Floodwall or Floodwall construction or repair, any other necessary or reasonable municipal purposes or use, and/or economic development in the Port District as defined by the Lessor in Lessor's sole discretion.

10. In the event that any portion of the Leased Premises or mooring area shall be needed for any municipal purpose as set forth in Section Nine (9) above, the Lessor shall have the right to modify, amend, or cancel this Lease upon one (1) year's written notice thereof to Lessee (or, in the case of an emergency, the existence of which shall be determined in Lessor's reasonable discretion, upon no less than fourteen (14) days' notice) and to eliminate from the Leased Premises such portion of the Leased Premises or mooring area as shall be needed for such purpose, which portion may include all of such Leased Premises or mooring area. In such event, it is agreed and understood by Lessee that no claim or action for damages or other compensation shall arise or be allowed by reason of such termination or modification, other than as set forth in Section Eleven (11) below. Written notice when required shall be deemed to be sufficient and delivered when sent by Certified U.S. Mail to Lessee's last known address.

11. If this Lease is amended or modified under the provisions of Sections Nine (9) and/or Ten (10), the current rent shall be adjusted in direct proportion to the change made in the Leased Premises. Lessee shall have the right to terminate this Lease without penalty by written notice within ninety (90) days after Lessor sends the notice to amend provided by Section Ten (10) if Lessee determines, in Lessee's sole discretion, that the portion of the Leased Premises which will remain after the elimination of the portion to be used for municipal purposes is not suitable to the Lessee. Lessee hereby acknowledges and agrees all other provisions of this Lease shall remain in effect for the duration of the Term for that remaining portion of the Leased Premises not used for municipal purposes under Sections Nine (9) and Ten (10). Lessee hereby acknowledges and agrees that the Lease shall be deemed terminated with respect to the portion of the Leased Premises eliminated pursuant to the notice referenced in Section Ten (10) above on the one-year anniversary of the date of the notice referenced in Section Ten (10) above, provided, however, that in the case of an emergency as described in Section Ten (10) above, the Lease shall be deemed terminated on the date specified in the notice.

12. In the event this Lease is canceled, modified or amended under the provisions of Sections Nine (9) and/or Ten (10) hereof, the Lessor shall cause the Lessee to be reimbursed, in accordance with the provisions of this Section Twelve (12), for the cost of capital improvements the Lessee has made and paid for on the Leased Premises pursuant to the written approval of the Board of Public Service including any such approved improvements in place on the commencement date of this Lease and made and paid for by Lessee during any prior lease term, **provided, however**, that Lessor shall not cause the Lessee to be reimbursed for any capital improvements: (a) the cost of which is or was expressly invoiced to the Lessee's customers via a separate surcharge for such improvements on any such customer's bill; or (b) removable from the Leased Premises and reusable at another location. It is agreed and understood that the term capital improvements shall not include wharf boats, vessels or other floating improvements. Lessee agrees that the amount of the anticipated profits shall not be a factor in the determination of any reimbursement. Furthermore, Lessee shall not be entitled to any reimbursement for any capital improvements during any period that Lessee remains in possession of the Leased Premises in a month to month tenancy after the expiration of the Term as described in Section Eight (8), above. No funds from the City of St. Louis general revenue shall be used for the purpose of providing any reimbursement required pursuant to this Section Twelve (12).

In the event that the rate/rates for service to Lessee's customer(s) has/have been increased expressly and by separate invoice line item to cover the cost of any capital improvement made by Lessee, Lessor and Lessee agree that the sum of all payments made by such customers with respect to such capital improvement and the terms of the financing for such capital improvement shall be taken into account in determining the Lessee's cost of the capital improvement.

13. The Lessee shall have the right to terminate this Lease upon service of one (1) year's written notice and the payment of an additional one (1) year's rental which shall accompany such notice. The payment of the additional year's rental shall not relieve Lessee of the obligation to pay the current year's rental as provided herein. In the event Lessee shall terminate pursuant to this Section Thirteen (13), no reimbursement shall be made by Lessor under Section Twelve (12).

14. Any sublease, transfer, sale or assignment of Lessee's rights or interests under this Lease, and/or change in corporate structure of Lessee are expressly prohibited unless and until the Board of Public Service, the Port Commission and the Board of Aldermen of the City of St. Louis approves such action. Failure to obtain such approvals before taking any such action shall be considered a breach of this Lease. If such action is so approved, all parts of this Lease are binding on any sublessee, assignee, successor, or new or modified corporate entity.

15. This Lease may be canceled at the option of the City, in the City's sole discretion, if, at any time during the Term of this Lease, the person or persons who on the date of execution of this Lease owns or own a majority of the Lessee's voting shares of stock, ceases or cease to own a majority of such shares, except if such change in ownership is the result of transfer(s) by inheritance, or the result of a public offering pursuant to the Securities and Exchange Act of 1934, as amended, or the result of merger of the Lessee into or consolidation with another corporation.

This Lease may be canceled at the option of the City, in its sole discretion, if the Lessee sells a majority of or all of the

assets of the Lessee without Board of Public Service and Port Commission approval, which approval shall not be unreasonably withheld. If sale, transfer or assignment of Lessee's stock is approved, all parts of this Lease are binding on the purchaser, transferee or assignee. If the approvals described in this Section are obtained with respect to an action described in this Section, or if no such approvals are required with respect to an action described in this section, all parts of this Lease are binding on any sublessee, assignee, or new or modified corporate entity.

16. The Lessee agrees not to erect any barrier, fence or supporting structures or store any materials on the Floodwall itself or within twenty-five (25) feet of either side of the Floodwall. Notwithstanding any other provision of this Lease, the City and any lawfully designated agent or representative of the City shall retain the right to enter onto any portion of the Leased Premises and to alter any portion of the Leased Premises as may be reasonably necessary to install, inspect, maintain or repair the Floodwall and relief wells whenever the City or its lawfully designated agent or representative deems necessary, in the City's sole discretion. Lessee shall not alter or modify any portion of the Leased Premises that lay within fifty (50) feet of any Floodwall or relief well without the express written consent of the President of the Board of Public Service.

17. Any payment due pursuant to this Lease which is not timely paid shall be delinquent and shall bear interest from the date due at prime rate plus two (2) percent. Prime rate shall be that average rate as established by U.S. Bank N.A. or Bank of America N.A., or any successors or assigns of such Banks.

18. The Lessee shall not store, or allow the storage of, any garbage or trash on the Leased Premises or mooring area. Further, Lessee shall ensure that Lessee, Lessee's customers, and employees and/or guests of Lessee do not throw trash or any articles or materials of any sort whatsoever into the river or onto any portion of the Wharf, mooring area, or Leased Premises. Lessee shall be responsible for enforcing this prohibition. Lessee shall also be responsible for ensuring that the Leased Premises and the adjoining river are at all times neat and free of all trash, rubble, and debris, regardless of whether or not such trash, rubble, and debris was deposited by Lessee. The Lessee shall enforce this clause on any craft or vehicle servicing, or being serviced by, the Lessee. Lessee's failure to abide by the provisions of this section shall be considered a breach of this Lease. The Lessee shall have responsibility for the housekeeping on the Improved Wharf immediately in front of the mooring area and Leased Premises. Failure to maintain this area as required by this Lease or to abide by any other City ordinances shall result in the cancellation of this Lease upon approval by the Board of Public Service and the Port Commission.

19. Upon execution of this Lease, the Lessee shall, at his own expense, have this Lease recorded by the City's Recorder of Deeds.

20. EQUAL OPPORTUNITY AND NONDISCRIMINATION GUIDELINES.

Regarding any contract for work in connection with the improvement of any property included in the Leased Premises, the Lessee (which term shall include Lessee, any designees, successors and assigns thereof, any entity formed to implement a project in which the Lessee has a controlling interest), and Lessee's contractors and subcontractors shall include a clause requiring compliance with all federal, state and local laws, ordinances, or regulations governing equal opportunity and nondiscrimination, and with all Executive Orders of the Mayor of the City St. Louis addressing participation by Minority Enterprises ("MBEs") and Women Business Enterprises ("WBEs") in City-assisted work. The Lessee and its contractor(s) shall not contract or subcontract with any party known to have been found in violation of any such laws, ordinances, regulations or Executive Orders.

Further, Lessee agrees, for itself and for its successors and assigns, that Lessee shall not discriminate in any way on the basis of race, color, creed, national origin, sex, marital status, age, sexual orientation or physical handicap in the sale, lease, rental, use or occupancy of the Leased Premises or any improvements erected or to be erected in or on the Leased Premises or any part thereof. Further, Lessee agrees, for itself and for its successors and assigns, to include covenants in each and every contract entered into by Lessee with respect to the improvement or operation of the Leased Premises to ensure such discrimination by any of Lessee's contractors is prohibited. The non-discrimination provisions embodied in this Section shall run with the land and shall be enforceable by the Port Commission, by the City, and by the United States of America, as their interests may appear. Lessee agrees that, if the improvement and use of the Leased Premises creates permanent jobs, it shall enter into a First Source Referral Agreement with the Saint Louis Agency on Training and Employment and the Port Commission for referral of Jobs Training Partnership Act-eligible individuals. Said Referral Agreement shall specify the number and types of jobs to be covered by the Referral Agreement, the target date for referrals to begin, and the procedure for referral.

21. On or within thirty (30) days before or after January 1 of each year, Lessee must present to the Port Commission a marine survey by a qualified marine engineer, acceptable to the Port Commission, attesting to the safety of all of the facilities operated by Lessee on, at or in the Leased Premises. Lessee's failure to provide such survey and/or failure of the survey to

unequivocally assert that all such facilities are safe shall be considered a breach of this Lease.

22. All vessels must be moored in line parallel to the Floodwall and all mooring activities shall be conducted only pursuant to and shall comply in all respects with all applicable permits.

23. No auxiliary craft shall be moored to any craft or vessel subject to this Lease except for clear and explicit emergency public safety reasons, except as expressly permitted by the Coast Guard and Army Corps of Engineers, and except temporarily for maintenance purposes. Maintenance craft may be moored to another craft or vessel only during the actual time period when maintenance is taking place.

24. After notice to the Board of Public Service and the Port Commission, after submission to the Board of Public Service and the Port Commission of drawings and specifications signed and sealed by a licensed marine engineer, and after issuance of all applicable permits from all applicable City, state and federal regulatory agencies, Lessee shall have the right to install, or modify the installation or use of, deadmen and mooring cells on the bank adjacent to Lessee's mooring area and Leased Premises in accordance with said signed and sealed drawings and specifications and permits. Installations in existence on the date hereof shall be permitted to remain, but any and all modifications or replacement of such installations shall be subject to the requirements of this section.

Lessee shall have the right to ingress and egress to the mooring facilities over the land between the Floodwall and the Leased Premises.

25. Lessee accepts the property in "as is" condition, and, except as otherwise expressly stated elsewhere in this Lease, without any express or implied warranties of suitability, merchantability, fitness for a particular purpose or environmental fitness. The City and the Port Commission have made no representations or warranties, express or implied, and explicitly disclaims the same, concerning the absence of any pollution, contamination, Hazardous Material, Infectious Waste, Solid Waste, underground storage tanks, or hazardous building materials in, on or about the Lease Premises or its improvements, except as may be specifically and expressly stated elsewhere in this Lease.

26. Lessee shall not remove any underground or aboveground storage tanks located on the Leased Premises without first obtaining the written consent of the Port Commission, which consent shall not be unreasonably withheld. Any such removal shall be performed in accordance with any and all applicable laws, regulations and ordinances. During the term of this Lease or any extension thereto, Lessee shall not abandon an underground or aboveground storage tank in place, and Lessee shall remove or replace or repair any such tank within ninety (90) days of any discontinuation of use. Lessee shall not install any underground or aboveground storage tanks on the Leased Premises without first obtaining the permission of the Port Commission. Unless specifically stated elsewhere in this Lease, the Port Commission shall have absolute discretion to approve or deny a request by Lessee to install a new underground or aboveground storage tank. Notwithstanding the foregoing provision, where the Lessee proposes to replace an existing underground or aboveground storage tank with a new tank, the Port Commission shall not unreasonably withhold permission therefor.

27. Lessee must obtain the explicit written permission of the Port Commission prior to applying to an agency or agencies of the state and/or federal governments for a permit or license to:

- (1) treat, store or dispose of Hazardous Material(s);
- (2) treat, store or dispose of waste Oil;
- (3) treat, store, process, manage, recycle or dispose of Solid Waste(s);
- (4) operate a waste tire site or waste tire processing facility; or
- (5) manufacture Hazardous Material(s);

on all or any portion of the Leased Premises. Further, Lessee shall not apply for a permit or license to allow it to place, nor shall Lessee place, any fill or dredged material into the waters of the United States or tributaries thereof which are adjacent to or on the Leased Premises without first obtaining the explicit written approval of the Port Commission therefor. The Port Commission may, in its absolute and unfettered discretion, grant or deny approval for any activity referenced in this Section. Should the Port Commission deny permission for any such activity, Lessee shall abandon plans for such activity on, in or at the Leased Premises and shall not conduct such activity on, in or at the Leased Premises unless and until the Port Commission grants express written approval

for such activity.

28. Upon the expiration or earlier termination of this Lease, Lessee shall quit and peacefully surrender the Premises to Lessor, and Lessor, upon or at any time after any such expiration or termination, may without further notice, enter upon and re-enter the Leased Premises and possess and repossess itself thereof, by summary proceedings, ejectment or otherwise, and may dispossess Lessee and remove Lessee and all other persons and property from the Leased Premises and may have, hold and enjoy the Leased Premises and the right to receive all rental income of and from the same. Lessee shall leave and surrender the Leased Premises to the Lessor in the same condition in which the Leased Premises was at the commencement of this Lease, except as repaired, rebuilt, restored, altered, replaced or added to as permitted or required by any provision of this Lease, and except for ordinary wear and tear. Upon such surrender, Lessee shall (a) remove from the Leased Premises all property which is owned by Lessee or third parties other than the Lessor and (b) repair any damage caused by such removal. Lessee further agrees and warrants that, upon the expiration or earlier termination of this Lease, Lessee shall return the Leased Premises to the City free of any and all Hazardous Material, Infectious Waste, Solid Waste (unless disposal of solid waste on the Leased Premises was specifically permitted by the terms of this Lease or a subsequent written document executed on behalf of, and authorized by, the Port Commission), pollutants, and contaminants which were placed, released, discharged, disposed, and/or spilled on, into, or about the Leased Premises. Lessee shall, upon the expiration or earlier termination of this Lease, remove all product(s) or waste(s) stored in underground and aboveground storage tanks located on the Leased Premises which were installed or used during the term of the Lease. Upon termination or expiration of the Lease, Lessee shall also perform tank tightness testing on all underground and aboveground storage tanks and connecting piping, installed or used during the term of the Lease, and shall, upon request and at the sole discretion of the Port Commission, remove any tanks that were installed by Lessee pursuant to this Lease or a prior lease agreement between the City and the Lessee. Lessee shall also either remove or decontaminate any soil contaminated by leaks from storage tanks or connecting piping installed or used during the term of the Lease. Any such removal and/or decontamination shall be performed in accordance with any and all applicable laws, regulations and ordinances at Lessee's sole cost and expense, which obligation shall survive the expiration or termination of this Lease. In the event that Lessee fails to perform its obligations pursuant to this Section of the Lease, the City shall give Lessee notice of said failure within thirty (30) days of discovering the Lessee's default of its obligations under this section. If Lessee fails to fully comply with its obligations hereunder within thirty (30) days of such notice, the City may undertake any and all legal actions, including but not limited to, injunction and/or specific performance, as are necessary to bring the Leased Premises into compliance with the standards set out herein. In the event that the City is required to undertake actions to bring the Leased Premises into compliance with said standards, Lessee shall reimburse the City for all costs thereof, including, but not limited to, reasonable attorneys fees and expenses, litigation costs, fees for engineering and consulting services, costs of testing, removal, and/or remediation, and disposal costs. The Lessee expressly agrees that the City may attach liens to any of Lessee's real and personal property located in the City of St. Louis in order to recover the City's costs of bringing the Leased Premises into compliance with the standards set out herein.

29. Lessee shall, with respect to its use of the Leased Premises, periodically furnish the Port Commission with satisfactory proof that it is in full compliance with any and all federal and/or state laws and regulations and City ordinances relating to or concerning air quality, water quality, noise, hazardous or toxic materials, hazardous wastes, infectious wastes, solid wastes, underground storage tanks and hazardous building materials. Further, Lessor shall have the right to inspect any and all portions of the Leased Premises, including facilities or vehicles located thereon, at any time during normal business hours or at any time if Lessor has reason to believe that a violation of any federal or state law or City ordinance has occurred or is about to occur. Should Lessee fail to comply with this provision, the City, after reasonable notice, may terminate this Lease.

30. During the term of this Lease and any extension thereof, Lessee shall be prohibited from conducting gaming activities on, within or from the Leased Premises or mooring area, or on, within or from any vessel or other facility moored within the Leased Premises or mooring area, and Lessee shall be prohibited from taking any action (including, without limitation, application for a Gaming License, application for appropriate zoning classification, or any other action of any kind or nature) which is in any way related to any possible use of the mooring, docking or other rights granted to Lessee herein for gaming purposes of any kind, without the prior express written consent of the City and Port Commission.

31. The terms and conditions of this Lease shall be binding on Lessee's heirs, successors and assigns.

32. No expiration or early termination of this Lease shall relieve Lessee of its liability and obligations under this Lease, and such liability and obligations shall survive any expiration or early termination. In the event of any such expiration or early termination, whether or not the Leased Premises or any part thereof shall have been relet, Lessee shall continue to pay to the Lessor the Base Rental and all other sums, amounts and charges required to be paid by Lessee during the Term of this Lease. Except as otherwise expressly provided herein, this Lease and the rights of Lessor and the obligations of Lessee hereunder shall not be affected by: (i) any damage to or theft, loss or destruction of any of the Leased Premises, (ii) any default on the part of Lessee

hereunder or under any Note, Mortgage, Assignment or any other agreement, (iii) any latent or other defect in any of the Leased Premises, (iv) any violation of any provision of this Lease by Lessor, (v) the bankruptcy, insolvency, reorganization, composition, readjustment, liquidation, dissolution or winding-up of, or other proceeding affecting, Lessee, (vi) the exercise of any remedy, including foreclosure, under any Mortgage or Assignment, (vii) any action with respect to this Lease (including the disaffirmance hereof) which may be taken by Lessee, any trustee, receiver or liquidator of Lessee or any court under the Federal Bankruptcy Code or otherwise, (viii) market or economic changes, or (ix) any other cause, whether similar or dissimilar to the foregoing, any present or future Law to the contrary notwithstanding.

In the event that either (a) Lessee's business fails to operate for any reason for any period in excess of ninety (90) days and Lessee fails to use due diligence to resume its operations, or (b) Lessee's business fails to operate for any reason for any period in excess of one-hundred eighty (180) days regardless of Lessee's due diligence, Lessor may terminate this Lease at the end of either such period. In the event that Lessee or any corporate entity or individual holding a majority of control over Lessee declares bankruptcy, Lessor may terminate this Lease unless such termination is expressly prohibited by a court of law.

33. This Lease, including any exhibits and this Appendix in their collective entirety, includes all the covenants and agreements between the Lessor and Lessee. This Lease and its exhibits and this Appendix can be changed, renewed, or extended only by amendment in writing signed by Lessor and Lessee and approved by the Port Commission and Board of Public Service, and only when such amendment is authorized by an ordinance enacted for that purpose. In no event shall the lease of wharf property be extended to cover a period of time exceeding a total of twenty-five (25) years as provided by City Charter Article I, Section 1(16).
