In the case where the Mayor or his designee or SLDC, within thirty (30) days following delivery of the Certificate of Substantial Completion provides the Developer with specific written objections to the status of the Work, the Developer shall have such amount of time as is reasonably necessary to address such objections and when addressed shall re-submit the Certificate of Substantial Completion to the Mayor or his designee or the SLDC in accordance with this Section and the thirty (30) day period shall begin anew. The Certificate of Substantial Completion shall be in substantially the form attached as **Exhibit E**, attached hereto and incorporated by referenced herein.

#### **ARTICLE IV. REIMBURSEMENT OF DEVELOPER COSTS**

**4.1 City's Obligation to Reimburse Developer.** Subject to the terms of the Note Ordinance and this Agreement, the City agrees to reimburse Developer for the verified Reimbursable Redevelopment Project Costs in the total amount not to exceed **Eight Million Fifty Thousand Dollars (\$8,050,000) plus Issuance Costs** as provided in **Section 5.2** of this Agreement, subject to the limitations of **Article IV** of this Agreement.

**4.2 Reimbursements Limited to Reimbursable Redevelopment Project Costs; Developer's Right to Substitute.** Nothing in this Agreement shall obligate the City to issue TIF Notes or to reimburse the Developer for any cost that is not incurred pursuant to Section 99.820.1 of the TIF Act or that does not qualify as a "redevelopment project cost" under Section 99.805(14) of the TIF Act. The Developer shall provide to the City (a) itemized invoices, receipts or other information evidencing such costs; and (b) a Certificate of Reimbursable Redevelopment Project Costs constituting certification by the Developer that such cost is eligible for reimbursement under the TIF Act. Within thirty (30) days of the City's receipt from the Developer of a Certificate of Reimbursable Redevelopment Project Costs, the City shall review and act upon such Certificate of Reimbursable Redevelopment Project Costs. The parties agree that each of the categories of costs set forth in **Exhibit B**, attached hereto and incorporated herein by this reference, shall constitute Reimbursable Redevelopment Project Costs which are eligible for reimbursement in accordance with the TIF Act and this Agreement. The Developer shall be entitled to reimbursement for Redevelopment Project Costs from any of the categories set forth in **Exhibit B** up to the maximum aggregate amount established in **Section 4.1** of this Agreement; provided, that the Developer shall be obligated to advance to the City the full amounts identified in **Section 2.2, clauses (i)-(v)**, of this Agreement. If the City determines that any cost identified as a Reimbursable Redevelopment Project Cost is not a "redevelopment project cost" under Section 99.805(14) of the TIF Act, the City shall so notify the Developer in writing within the thirty (30) day period referenced in this **Section 4.2**, identifying the ineligible cost and the basis for determining the cost to be ineligible, whereupon the Developer shall have the right to identify and substitute other Redevelopment Project Costs as Reimbursable Redevelopment Project Costs with a supplemental application for payment and the thirty (30) day period shall begin anew. If the City fails to approve or disapprove any Certificate of Reimbursable Redevelopment Project Costs within thirty (30) days after receipt thereof, the Certificate of Reimbursable Redevelopment Project Costs shall be deemed approved.

**4.3 Cost Savings and Excess Profits.** Within one hundred eighty (180) days after the submission of the Certificate of Substantial Completion by Developer in accordance with **Section 3.8** of this Agreement, Developer also shall furnish to the City for the City's review and approval, (a) a statement of Verified Total Project Costs, with evidence of billings and payments for each expenditure, including itemized invoices, receipts, and pay applications or other evidence of payment as appropriate for the type of cost; and (b) a statement of each and every Post Completion Funding Source for the St. Louis Centre Component of the

Redevelopment Project.

If the St. Louis Centre Component of the Redevelopment Project includes a for-sale condominium component, the statements required by this Section 4.3 shall not be submitted until a minimum of 80% of the condominium units included in the St. Louis Centre Component of the Redevelopment Project have been sold, and such statements shall be submitted within sixty (60) days following such sale of 80% of such condominium units.

Developer shall not include developer fees, project management, construction management or consultant fees for any service typically performed by the Developer in the Verified Total Project Costs. With respect to any other costs for any services provided by the Developer or any entity related to Developer, the amount of such costs shall not exceed the amount set forth in the Redevelopment Plan for such services, or, if the cost for such service is not explicitly set forth in the Redevelopment Plan as an individual line item, an amount determined by the City as acceptable. Moreover, if any of the owners, officers, principals or members of the construction contractor for St. Louis Centre Component of the Redevelopment Project are the same as any owner, officer, principal or member of Developer or general partner in the owner of the development, amounts allowed for aggregate contractor fees shall not exceed eighteen percent (18%) of construction costs as provided for in the Missouri Housing Development Commission's 2005 Qualified Allocation Plan for the Low Income Housing Tax Credit Program, and Developer shall include documentation, including detailed invoices and receipts for payment, for each and every item of costs traceable to third parties with no relationship to Developer, in addition to summary pay applications submitted to Developer by the construction contractor. The City shall determine whether particular costs are general requirements and includable in the contractor's fee allowance or are construction costs to which the aggregate contractor's fee allowance shall be applied, using the Cost Certification Guide promulgated by the Missouri Housing Development Commission as a guide for such determinations. The City shall complete its review of the statements and other documentation provided by the Developer pursuant to this Section and shall notify Developer if such documentation is acceptable and complete within forty-five (45) days of receipt by the City. Should the City notify Developer that the documentation submitted by the Developer is not acceptable or is not complete, the City shall specify which items of documentation are missing or unacceptable and the manner in which Developer may remedy such deficiencies, and Developer may make supplemental submissions to address such deficiencies, provided, however, that such supplemental submissions shall not include any materials with respect to costs incurred or other events that have taken place subsequent to the date the original submission was made. If requested by the City, Developer shall also submit an affidavit as to the accuracy of the statements as to the costs, the relationship of any payee to the Developer, the accuracy of the statements as to the amounts and types of tax credits received or other funding sources received, and the veracity of any other aspect of the statements of verified total project costs or Post-Completion Funding Sources. The City shall review any supplemental materials provided by the Developer within forty-five (45) days of receipt and shall notify Developer if such documentation is acceptable and complete within forty-five (45) days of receipt by the City. Developer shall respond to any notification by the City pursuant to this section within sixty (60) days of receipt of such notification. Once the City has issued any such notification, the City shall not be required to make the calculations specified in the following paragraph until the City has received all documentation deemed necessary by the City in order to make such calculations, provided, however, that if Developer fails to respond to any notification within such sixty (60) day period, the City shall have the right to finalize the calculations specified in the following paragraph based on the information and documentation then available to the City and the Developer shall accept the results of such finalized calculations for purposes of the discharge of TIF Notes as specified in the following paragraph. Either the City or the Developer may waive or extend the time periods for notification and response set forth herein.

To the extent that, in the City's determination, the sum of Post Completion Funding Sources as identified by the City exceeds the sum of: (x) Verified Total Project Costs, plus (y) four percent (4%) of the Acquisition Costs, plus (z) fifteen percent (15%) of all Verified Total Project Costs other than Acquisition Costs, then Developer hereby agrees that the maximum amount of Reimbursable Redevelopment Project Costs for which the Developer shall be reimbursed by the City as provided for in Section 4.1 of this Agreement and the maximum amount of any TIF Notes which shall be issued by the City in accordance with Section 5.2 of this Agreement shall be reduced by an amount in the aggregate equal to seventy-five percent (75%) of the total amount of such excess, as calculated by the City in accordance herewith. Developer agrees that the City may discharge any TIF Notes already issued at the time of such calculation in an amount in the aggregate equal to seventy-five percent (75%) of the total excess.

**4.4 City's Obligations Limited to Special Allocation Fund and Bond Proceeds.** Notwithstanding any other term or provision of this Agreement, TIF Notes issued by the City to the Developer for Reimbursable Redevelopment Project Costs are payable only from the Special Allocation Fund and from Bond Proceeds, if any, and from no other source. The City has not pledged its full faith and credit relative to the City's obligation to issue the TIF Obligations or to pay any Reimbursable Redevelopment Project Costs. The TIF Obligations shall be special, limited obligations of the City, and shall not constitute debt to the City within any constitutional or statutory meaning of the word "debt."

**ARTICLE V.  
TIF OBLIGATIONS**

**5.1 Conditions Precedent to the Issuance of TIF Notes.** No TIF Notes shall be issued until such time as the City has (i) accepted a Certificate of Substantial Completion in accordance with the procedures set forth in **Section 3.8** of this Agreement; (ii) approved a Certificate of Reimbursable Redevelopment Project Costs in substantially the form of **Exhibit D**, attached hereto and incorporated herein by reference, in accordance with the procedures set forth in **Section 4.2** of this Agreement; (iii) obtained an opinion of Bond Counsel regarding the taxable nature of the TIF Notes; (iv) received the full payment of all advances required to be paid under **Section 2.2** of this Agreement; and (v) received such other documentation as the City shall reasonably require of Developer in order for the City to obtain an opinion of Bond Counsel as required by this **Section 5.1**.

**5.2 Issuance of TIF Notes.** The City agrees to issue one or more TIF Notes with respect to the St. Louis Centre Component as provided in this Agreement and the Note Ordinance to reimburse the Developer for Reimbursable Redevelopment Project Costs up to the maximum amount established in **Section 4.1** of this Agreement, subject to the limitations of **Article IV** of this Agreement. The TIF Notes shall be in the form attached to the Note Ordinance as Exhibit B thereto, provided that if the Note Ordinance is repealed or otherwise amended to amend such form of TIF Note, the TIF Notes shall not be amended for the purposes of this Agreement without the written consent of Developer.

**5.2.1 Terms.** Each TIF Note shall bear interest at a fixed rate per annum determined on the date that is not less than ten (10) and not more than sixty (60) business days prior to the scheduled closing date for issuance of the TIF Notes (the "Pricing Date") based on the municipal yield curve for general obligation bonds (the "MMD") compiled by Municipal Market Data Line ® (or its successors) and published by Thomson Financial, an operating unit of The Thomson Corporation (or its successors) using the MMD yield published as of the Issuance Date for general obligation bonds rated "AAA" that mature in the same year as the TIF Notes, (i) plus four percent (4%) if the interest on such TIF Note, in the opinion of Bond Counsel, is not exempt from Federal income taxation (the "Taxable Rate"), or (ii) plus two percent (2%) if the interest on such TIF Note, in the opinion of Bond Counsel, is exempt from Federal income taxation (the "Tax Exempt Rate"); provided, in no event shall the interest rate on the TIF Notes exceed ten percent (10%) per annum. All TIF Notes shall have a stated maturity of the Maturity Date. Interest shall be computed on the basis of a 360-day year of twelve 30-day months. The TIF Notes shall bear interest from their registration date or from the most recent Payment Date to which interest has been paid or duly provided for.

**5.2.3 Procedures for Issuance of TIF Notes.** Within a reasonable period of time but not to exceed ninety (90) days of Developer's satisfaction of the conditions of **Section 5.1** of this Agreement, the City shall issue a TIF Note to an Original Purchaser evidencing reimbursement of Reimbursable Redevelopment Project Costs. Notwithstanding anything contained in this Agreement to the contrary, upon the acceptance by the City of a Certificate of Reimbursable Redevelopment Project Costs and the issuance by the City of a TIF Note as provided in this **Section 5.2.2**, the Developer shall be deemed to have advanced funds necessary to purchase such TIF Notes and the City shall be deemed to have deposited such funds in the Project Fund and shall be deemed to have reimbursed the Developer in full for such costs from the amounts deemed to be on deposit in the Project Fund from time to time.

**5.2.4 Special Mandatory Redemption of TIF Notes.** All TIF Notes are subject to special mandatory redemption by the City, in whole at any time or in part on each March 1 and September 1 (each, a "Payment Date") occurring after the acceptance by the City of the Certificate of Substantial Completion at a redemption price equal to 100% of the principal amount being redeemed, together with the accrued interest thereon to the date fixed for redemption.

**5.3 Issuance of TIF Bonds.**

**5.3.1** The City may, in its sole and absolute discretion, issue, or cause to be issued, TIF Bonds at any time in an amount sufficient to refund all or a portion of the outstanding TIF Notes.

**5.3.2** Upon receipt of a written request by Developer and upon the City's underwriter's recommendation in favor of issuing TIF Bonds and recommendation of the principal amount thereof based on the criteria set forth below, the City shall use its best efforts to cause the Authority to issue TIF Bonds as described in this Section. The aggregate gross cash proceeds from the sale of the TIF Bonds before payment of Issuance Costs, together with any interest accrued thereon ("Bond Proceeds") of such TIF Bonds will be finally determined by the City after receiving the underwriter's recommendation based on the criteria set forth below. The City shall not be obligated to cause the Authority to issue such

TIF Bonds unless the underwriter determines that all of the following criteria are satisfied as of the date of issuance of such bonds, unless such criteria are waived by the City's underwriter. Developer shall not have any liability for any costs associated with the issuance of TIF Bonds but shall bear its own costs and expenses, including any attorneys' fees and expenses, that Developer may incur in complying with this Section. Notwithstanding anything in this Section to the contrary, Developer shall be liable for all costs incurred by the City or the Authority in the event the Developer has requested the issuance of bonds and the City's underwriter has determined that such bonds cannot be issued at such time.

5.3.2.1. Criteria for Issuance. The underwriter's recommendation for issuance of TIF Bonds and the principal amount thereof shall be based on the following criteria:

- (i) Acceptance by the City of the Certificate of Substantial Completion for the St. Louis Centre Component;
- (ii) Review of projections of St. Louis Centre Revenues available for debt service as proposed by an independent qualified consultant. Such projections must show that (A) if all available St. Louis Centre Revenues were to be applied to the immediate repayment of the TIF Bonds, the TIF Bonds would reasonably be anticipated to be retired within twenty-three (23) years from the effective date of the Approving Ordinance, and (B) based on a maturity date twenty-three (23) years from the effective date of the Approving Ordinance, the TIF Bonds are reasonably likely to achieve debt service coverage ratio reasonably acceptable to the City's underwriter;
- (iii) Developer's documentation of stabilization of the St. Louis Centre Component for a minimum period of two (2) years after substantial completion as evidenced in a report to the City prepared by a qualified independent consultant to be paid for by the City, which report also sets forth TIF revenue projections for the St. Louis Centre Component in connection with the issuance of the TIF Bonds;
- (iv) The aggregate net projected debt service on the TIF Bonds (taking into account the principal portion of the TIF Bonds that are issued to establish a reserve fund and to pay Issuance Costs, and including any reserve fund earnings) will be lower than the net average annual debt service on the outstanding TIF Notes, unless the Developer voluntarily elects to defer or forgive principal of and/or interest on the TIF Notes in an amount necessary to make the aggregate net projected debt service on the TIF Bonds lower than the net average annual debt service on the outstanding TIF Notes; and
- (v) The TIF Bonds can be sold at an aggregate net interest cost which is less than the aggregate net interest cost of the TIF Notes to be redeemed.

**5.4 Application of TIF Bond Proceeds.** Proceeds of any TIF Bonds shall be applied:

- 5.4.1.** To the payment of costs relating to the issuance of the TIF Bonds;
- 5.4.2.** To the payment of outstanding principal of and interest on the TIF Notes to be refunded;
- 5.4.3.** To the payment of capitalized interest on the TIF Bonds; and
- 5.4.4.** To the establishment of a debt service reserve fund for the TIF Bonds in a reasonable amount of the principal amount of TIF Bonds to be issued, as to be determined by the City's underwriter.

**5.5 Cooperation in the Issuance of TIF Obligations.** Developer covenants to cooperate and take all reasonable actions necessary to assist the City and its Bond Counsel, the Authority, underwriters and financial advisors in the preparation of offering statements, private placement memorandum or other disclosure documents and all other documents necessary to market and sell the TIF Obligations, including disclosure of tenants of the St. Louis Centre Property and the non-financial terms of the leases between Developer and such tenants. Developer will not be required to disclose to the general public or any investor any proprietary or confidential information, including financial information, pertaining to Developer, but upon the execution of a confidentiality

agreement acceptable to Developer, Developer will provide such information to the City's financial advisors, underwriters and their counsel to enable such parties to satisfy their due diligence obligations. Developer shall make such compliance obligation a covenant running with the land, enforceable as if any subsequent transferee thereof were originally a party to and bound by this Agreement, provided, that Developer shall satisfy this and any other obligation of this Agreement to make any provision a covenant running with the land by recording this Agreement in the Office of the Recorder of Deeds of the City of St. Louis.

**5.6 Subordinate Notes.** TIF Notes may be issued in two series, with one series subordinate to TIF Notes of the other series issued hereunder (the "Subordinate Notes"), such that no payment of principal or interest on any such Subordinate Notes may be made while any TIF Notes are outstanding. All such Subordinate Notes shall be payable as to principal and interest according to the terms set forth in **Sections 5.2 and 6.3** of this Agreement.

If the amount of TIF Bonds issued pursuant to this Agreement is insufficient to refund all of the outstanding TIF Notes, the TIF Notes remaining outstanding shall be redeemed by the issuance of Subordinate Notes. Each Subordinate Note shall have the same maturity and have the same outstanding principal amount and the same interest rate as the TIF Note it redeems. All such Subordinate Notes shall be payable as to principal and interest according to the terms set forth in **Sections 5.4 and 6.3** of this Agreement.

**5.7 City to Select Underwriter and Financial Advisor; Term and Interest Rate.** The City shall have the right to select the designated underwriter (and such financial advisors and consultants as the underwriter and the City deem necessary for the issuance of the TIF Bonds) and underwriter's counsel. The final maturity of the TIF Bonds shall not exceed the maximum term permissible under the TIF Act. The TIF Bonds shall bear interest at such rates, shall be subject to redemption and shall have such terms as the City shall determine in its sole discretion.

#### **ARTICLE VI. SPECIAL ALLOCATION FUND; COLLECTION AND USE OF TIF REVENUES**

**6.1 Creation of Special Allocation Fund.** The City agrees to cause its Comptroller or other financial officer to maintain the Special Allocation Fund, including a "PILOTs Account," an "EATs Account," and such further accounts or sub-accounts as are required by this Agreement or as the Comptroller may deem appropriate in connection with the administration of the Special Allocation Fund pursuant to this Agreement. Subject to the requirements of the TIF Act and, with respect to Economic Activity Taxes, subject to annual appropriation by the Board of Aldermen, the City will promptly upon receipt thereof deposit all Payments in Lieu of Taxes into the PILOTs Account and all Economic Activity Taxes into the EATs Account.

**6.2 Certification of Base for PILOTS and EATS.**

**6.2.1.** Upon the reasonable written request of the City, Developer shall use its best efforts to provide or cause to be provided to the Comptroller or its authorized representative any documents necessary for the City to calculate the base for PILOTs and EATs including, but not limited to: (i) the address and locator number of all parcels of real property located within the St. Louis Centre Property; and (ii) information related to payment of utility taxes by any businesses, owners or other occupants of the St. Louis Centre Property in the calendar year ending December 31, 2005.

**6.2.2.** Within ninety (90) days after execution of the Redevelopment Agreement, the City shall provide to the Developer (i) a certificate of the City Assessor's calculation of the total initial equalized assessed valuation of the taxable real property within RPA 1 and the St. Louis Centre Property based upon the most recently ascertained equalized assessed valuation of each taxable lot, block, tract, or parcel of real property within RPA 1; and (ii) a certification of the amount of revenue from taxes, penalties and interest which are imposed by the City and other taxing districts and which are generated by economic activities within RPA 1 and the St. Louis Centre Property for the calendar year ending December 31, 2005, but excluding those personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to Section 70.500 of the Revised Statutes of Missouri, taxes levied for the purpose of public transportation, or licenses, fees or special assessments identified as excluded in Section 99.845.3 of the TIF Act.

**6.3 Application of Available Revenues.**

The City hereby agrees for the term of this Agreement to apply the Available Revenues and any taxes, fees or assessments subsequently enacted and imposed in substitution therefor and allocable to the Special Allocation Fund under the TIF Act or this

Agreement to the repayment of TIF Notes as provided in the Note Ordinance and this Agreement.

Upon the payment in full of the principal of and interest on all TIF Notes (or provision has been made for the payment thereof as specified in the Note Ordinance), payment in full of the fees and expenses of the Comptroller and the SLDC, and payment in full of any other amounts required to be paid under the Note Ordinance, all amounts remaining on deposit in the Revenue Fund shall be declared as surplus and distributed in the manner provided in the Act.

If monies available in Special Allocation Fund are insufficient to reimburse the City or the Developer as provided above on any Payment Date, then the unpaid portion shall be carried forward to the next Payment Date, with interest thereon.

The City agrees that it will comply with the Charter of The City of St. Louis, Article XVI, Section 3 for each fiscal year that TIF Obligations are outstanding and the City will request an appropriation of all Available Revenues on deposit in the Special Allocation Fund for application to the payment of the principal of (including, but not limited to, payment of a premium, if any) and interest on the TIF Obligations.

**6.4 Cooperation in Determining TIF Revenues.** The City and the Developer agree to cooperate and take all reasonable actions necessary to cause the TIF Revenues to be paid into the Special Allocation Fund, including, but not limited to, the City's enforcement and collection of all such payments through all reasonable and ordinary legal means of enforcement.

**6.5 Obligation to Report TIF Revenues.** The Developer shall use commercially reasonable efforts to cause any purchaser or transferee of real property located within the St. Louis Centre Property, and any lessee or other user of real property located within the St. Louis Centre Property required to pay St. Louis Centre Revenues, shall use all reasonable efforts to timely fulfill such obligations as are required by **Section 6.4** of this Agreement. So long as any of the TIF Obligations are outstanding, the Developer shall cause such obligations to be covenants running with the land, which covenants shall be enforceable as if such purchaser, transferee, lessee or other user of such real property were originally a party to and bound by this Agreement.

**6.6 Notice to City of Transfer.** The Developer agrees to notify the City in writing of any sale, transfer or other disposition of the St. Louis Centre Property or any interest therein as permitted by **Section 7.3.2** of this Agreement at least fifteen (15) days prior to such sale, transfer or other disposition. Said notice shall specify the name and address of the person so acquiring any or all of the St. Louis Centre Property or any interest therein and shall identify the St. Louis Centre Property to be sold, transferred or otherwise disposed, whether by voluntary transfer or otherwise. Notwithstanding the foregoing, Developer shall not be required to notify the City of the lease or transfer of a residential unit, commercial unit or parking space in the ordinary course of business except as may be required by **Section 4.3**.

## ARTICLE VII. GENERAL PROVISIONS

**7.1 Developer's Right of Termination.** At any time prior to the delivery of a Certificate of Substantial Completion, the Developer may, by giving written notice to the City, abandon the St. Louis Centre Component and terminate this Agreement and the Developer's obligations hereunder if the Developer determines, in its sole discretion, that the St. Louis Centre Component is no longer economically feasible. Upon such termination, the City shall have no obligation to reimburse the Developer for any amounts advanced under this Agreement or costs otherwise incurred or paid by Developer.

**7.2 City's Right of Termination.** The City may terminate this Agreement if (i) the Developer fails to submit to the MBE/WBE Compliance Officer a copy of Developer's MBE/WBE Subcontractor's List and its MBE/WBE Utilization Statement within one hundred eighty (180) days of the date of this Agreement; provided, however, that termination under this Section 7.2(i) may be waived in the sole discretion of the MBE/WBE Compliance Officer; or (ii) the Developer fails to submit its Certificate of Substantial Completion, acceptable to the City, in accordance with **Section 3.8** of this Agreement and the schedule set forth in **Section 3.4** of this Agreement. Upon such termination, the City shall have no obligation to issue a TIF Note with respect to the St. Louis Centre Component or to reimburse the Developer for any amounts advanced under this Agreement or costs otherwise incurred or paid by Developer.

**7.3 Successors and Assigns.**

**7.3.1 Binding Effect.** This Agreement shall be binding on and shall inure to the benefit of the parties named herein and their respective heirs, administrators, executors, personal representatives, successors and assigns.

**7.3.2. Assignment or Sale.** Without limiting the generality of the foregoing, all or any part of the St. Louis Centre Property or any interest therein may be sold, transferred, encumbered, leased, or otherwise disposed of at any time, and the rights of the Developer named herein or any successors in interest under this Agreement or any part hereof may be assigned at any time before, during or after redevelopment of the Redevelopment Project, whereupon the party disposing of its interest in the St. Louis Centre Property or assigning its interest under this Agreement shall be thereafter released from further obligation under this Agreement (although any such St. Louis Centre Property so disposed of or to which such interest pertains shall remain subject to the terms and conditions of this Agreement), provided, however, that until substantial completion of the St. Louis Centre Component, the fee title to the St. Louis Centre Property shall not be sold, transferred or otherwise disposed of and the rights, duties and obligations of the Developer under this Agreement shall not be assigned in whole or in part without the prior written approval of the City, which approval shall not be unreasonably withheld or delayed upon a reasonable demonstration by the Developer of the proposed transferee's or assignee's experience and financial capability to undertake and complete such portions of the Work and perform the Developer's obligations under this Agreement, all in accordance with this Agreement. Notwithstanding anything herein to the contrary, the City hereby approves, and no prior consent shall be required in connection with: (a) the right of the Developer to encumber or collaterally assign its interest in the St. Louis Centre Property or any portion thereof or its rights, duties and obligations under this Agreement to secure loans, advances or extensions of credit to finance or from time to time refinance all or any part of the Redevelopment Project Costs with respect to the St. Louis Centre Component or the right of the holder of any such encumbrance or transferee of any such collateral assignment (or trustee or agent on its behalf) to transfer such interest by foreclosure or transfer in lieu of foreclosure under such encumbrance or collateral assignment; and (b) the right of Developer or any Related Entity to transfer its St. Louis Centre Property or to assign the Developer's rights, duties and obligations under this Agreement to any Related Entity; (c) the right of the Developer to sell, lease or transfer a residential unit, commercial unit or parking space in the ordinary course of business; provided that in each such event (i) the Developer named herein (MX TIF, Inc.) shall remain liable hereunder for the substantial completion of the St. Louis Centre Component, subject, however, to Developer's right of termination pursuant to **Section 7.1** of this Agreement, and shall be released from such liability hereunder only upon substantial completion of the St. Louis Centre Component, and (ii) the Developer provides to the City fifteen (15) days' advance written notice of the proposed assignment or transfer other than of the sale or lease of a residential unit, commercial unit or parking space in the ordinary course of business which shall require no notice except as required by **Section 4.3**.

**7.3.3. Assignment or Sale to Exempt Organization.** Prior to any sale, transfer or other disposition of all or any portion of the St. Louis Centre Property or any interest therein to an organization exempt from payment of ad valorem property taxes, such organization shall be required to agree not to apply for an exemption from payment of such property taxes for a period ending on the earlier of the date that all TIF Obligations are paid in full or twenty-three (23) years from the effective date of the Approving Ordinance. The Developer shall make this requirement a covenant running with the land, enforceable for such period as if such purchaser or other transferee or possessor thereof were originally a party to and bound by this Agreement. Notwithstanding any other provision of this paragraph, the parties agree and acknowledge that the Missouri Development Finance Board is currently the owner of the St. Louis Centre Property.

**7.4 Remedies.** Except as otherwise provided in this Agreement and subject to the Developer's and the City's respective rights of termination, in the event of any default in or breach of any term or conditions of this Agreement by either party, or any successor, the defaulting or breaching party (or successor) shall, upon written notice from the other party specifying such default or breach, proceed immediately to cure or remedy such default or breach, and shall, in any event, within thirty (30) days after receipt of notice, cure or remedy such default or breach. In the event that the defaulting or breaching party (or successor) diligently and in good faith commences to cure or remedy such default or breach but is unable to cure or remedy such default or breach within thirty (30) days after receipt of notice, the defaulting or breaching party (or successor) shall, prior to the end of such thirty (30) days, provide notice to the other party that it has in good faith commenced to cure or remedy such default or breach, whereupon the defaulting or breaching party (or successor) shall have an additional thirty (30) days to cure or remedy such default or breach. In case such cure or remedy is not taken or not diligently pursued, or the default or breach shall not be cured or remedied prior to the end of the additional thirty (30) day period, the aggrieved party may institute such proceedings as may be necessary or desirable in its opinion to cure and remedy such default or breach, including without limitation proceedings to compel specific performance by the defaulting or breaching party.

**7.5 Force Majeure.** Neither the City nor the Developer nor any successor in interest shall be considered in breach or default of their respective obligations under this Agreement, and times for performance of obligations hereunder shall be extended in the event of any delay caused by force majeure (except as expressly limited in **Section 3.4**), including without limitation damage

or destruction by fire or casualty; strike; lockout; civil disorder; war; restrictive government regulations; lack of issuance of any permits and/or legal authorization by the governmental entity necessary for the Developer to proceed with construction of the Work or any portion thereof; shortage or delay in shipment of material or fuel; acts of God; unusually adverse weather or wet soil conditions; or other like causes beyond the parties' reasonable control, including without limitation any litigation, court order or judgment resulting from any litigation affecting the validity of the Redevelopment Plan, the Redevelopment Project or the TIF Obligations or this Agreement; provided that (i) such event of force majeure shall not be deemed to exist as to any matter initiated or sustained by the Developer in bad faith, and (ii) the Developer notifies the City in writing within thirty (30) days of the commencement of such claimed event of force majeure.

**7.6 Notices.** All notices, demands, consents, approvals, certificates and other communications required by this Agreement to be given by either party hereunder shall be in writing and shall be hand delivered or sent by United States first class mail, postage prepaid, addressed to the appropriate party at its address set forth below, or at such other address as such party shall have last designated by notice to the other. Notices, demands, consents, approvals, certificates and other communications shall be deemed given when delivered or three days after mailing; provided, however, that if any such notice or other communication shall also be sent by telecopy or fax machine, such notice shall be deemed given at the time and on the date of machine transmittal if the sending party receives a written send verification on its machines and forwards a copy thereof with its mailed or courier delivered notice or communication.

**7.7 Conflict of Interest.** No member of the Board of Aldermen, the TIF Commission, or any branch of the City's government who has any power of review or approval of any of the Developer's undertakings, or of the City's contracting for goods or services for the Redevelopment Area, shall participate in any decisions relating thereto which affect that member's personal interests or the interests of any corporation or partnership in which that member is directly or indirectly interested. Any person having such interest shall immediately, upon knowledge of such possible conflict, disclose, in writing, to the Board of Aldermen the nature of such interest and seek a determination by the Board of Aldermen with respect to such interest and, in the meantime, shall not participate in any actions or discussions relating to the activities herein proscribed.

**7.8 Damage or Destruction of Redevelopment Project.** In the event of total destruction or damage to the St. Louis Centre Component of the Redevelopment Project by fire or other casualty, during construction or thereafter during the term of this Agreement so long as any TIF Notes are outstanding and the Developer or a Related Entity owns the St. Louis Centre Property, the Developer shall determine and advise the City in writing within one year of such destruction or damage whether to restore, reconstruct and repair any such destruction or damage so that the St. Louis Centre will be completed or rebuilt in accordance with the Redevelopment Plan and this Agreement. Should the Developer determine not to restore, reconstruct and repair, all unaccrued liability of the City for any payments of principal of or interest on the TIF Notes shall immediately terminate and the Developer shall promptly surrender the TIF Notes to the City for cancellation. In the event of such total destruction or damage during the term of this Agreement and after any TIF Bonds are issued or the issuance of a TIF Note to a purchaser other than the Developer or a Related Entity, the Developer shall, at the City's option after consultation with the Developer, tender to the City that portion of the insurance proceeds, if any, to which Developer is entitled, after satisfaction of any terms or obligations of any deed of trust, promissory note or financing agreement entered into by the Developer for the financing of all or any part of the St. Louis Centre Component, from any fire or casualty insurance policy in an amount equal to the outstanding principal amount of the TIF Bonds or TIF Notes, plus accrued interest thereon to be deposited into the Special Allocation Fund.

**7.9 Inspection.** The City may conduct such periodic inspections of the Work as may be generally provided in the building code of the City. In addition, the Developer shall allow other authorized representatives of the City reasonable access to the Work site from time to time upon advance notice prior to the completion of the Work for inspection thereof. The Developer shall not unreasonably deny the City and its officers, employees, agents and independent contractors the right to inspect, upon request, all architectural, engineering, demolition, construction and other contracts and documents pertaining to the construction of the Work as the City determines is reasonable and necessary to verify the Developer's compliance with the terms of this Agreement.

**7.10 Choice of Law.** This Agreement shall be taken and deemed to have been fully executed, made by the parties in, and governed by the laws of State of Missouri for all purposes and intents.

**7.11 Entire Agreement; Amendment.** The parties agree that this Agreement constitutes the entire agreement between

the parties and that no other agreements or representations other than those contained in this Agreement have been made by the parties. This Agreement shall be amended only in writing and effective when signed by the authorized agents of the parties.

**7.12 Counterparts.** This Agreement may be executed in multiple counterparts, each of which shall constitute one and the same instrument.

**7.13 Severability.** In the event any term or provision of this Agreement is held to be unenforceable by a court of competent jurisdiction, the remainder shall continue in full force and effect, to the extent the remainder can be given effect without the invalid provision.

**7.14 Representatives Not Personally Liable.** No elected or appointed official, agent, employee or representative of the City shall be personally liable to the Developer in the event of any default or breach by any party under this Agreement, or for any amount which may become due to any party or on any obligations under the terms of this Agreement.

**7.15 Attorney's Fees.** In any dispute arising out of or relating to this Agreement, including any action to enforce this Agreement against a defaulting or breaching party pursuant to **Section 7.4**, the prevailing party shall recover from the non-prevailing party the prevailing party's attorney's fees, in addition to any other damages to which it is entitled.

**7.16 Actions Contesting the Validity and Enforceability of the Redevelopment Plan.** In the event a third party brings an action against the City or the City's officials, agents, attorneys, employees or representatives contesting the validity or legality of the Redevelopment Area, the Redevelopment Plan, the TIF Obligations, or the ordinance approving this Agreement, Developer may, at its option, join the City in defense of such claim or action. The parties expressly agree that, so long as no conflicts of interest exist between them with regard to the handling of such litigation, the same attorney or attorneys may simultaneously represent the City and the Developer in any such proceeding. The Developer shall be responsible for all reasonable and necessary costs and expenses incurred by the City and by the Developer in connection with the defense of such claim or action (to the extent relating to the St. Louis Centre Component), provided that if the City does not approve a settlement or compromise which the Developer would agree to, the Developer shall not be responsible for any costs or expenses incurred thereafter in the defense of such claim or action. All cost of any such defense, whether incurred by the City or the Developer, shall be deemed to be Reimbursable Redevelopment Project Costs and reimbursable from any amounts in the Special Allocation Fund, subject to **Article IV** of this Agreement.

**7.17 Release and Indemnification.** The indemnifications and covenants contained in this Section shall survive termination or expiration of this Agreement.

**7.17.1.** The City and its governing body members, officers, agents, attorneys, employees and independent contractors shall not be liable to the Developer for damages or otherwise in the event that all or any part of the TIF Act, or any ordinance adopted in connection with either the TIF Act, this Agreement or the Redevelopment Plan, is declared invalid or unconstitutional in whole or in part by the final (as to which all rights of appeal have expired or have been exhausted) judgment of any court of competent jurisdiction, and by reason thereof either the City is prevented from performing any of the covenants and agreements herein or the Developer is prevented from enjoying the rights and privileges hereof.

**7.17.2.** The Developer releases from and covenants and agrees that the City and its governing body members, officers, agents, attorneys, employees and independent contractors shall not be liable for, and agrees to indemnify and hold harmless the City, its governing body members, officers, agents, attorneys, employees and independent contractors against any and all claims, demands, liabilities and costs, including reasonable attorneys' fees, costs and expenses, arising from damage or injury, actual or claimed (excluding consequential and punitive damages), to persons or property occurring or allegedly occurring as a result of any negligent or malicious acts or omissions of the Developer, its governing body members, officers, agents, attorneys, employees and independent contractors, in connection with its or their activities conducted pursuant to this Agreement.

**7.17.3.** The City and its governing body members, officers, agents, attorneys, employees and independent contractors shall not be liable for any damage or injury to the persons or property of the Developer or its officers, agents, employees, independent contractors or any other persons who may be about the St. Louis Centre Property or the Work except for matters arising out of the gross negligence or willful misconduct of the City and its governing body members, officers, agents, attorneys, employees and independent contractors.

**7.17.4.** All covenants, stipulations, promises, agreements and obligations of the City contained herein shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the City and not of any of its governing body members, officers, agents, attorneys, employees or independent contractors in their individual capacities.

**7.17.5.** No governing body members, officers, agents, attorneys, employees or independent contractors of the City shall be personally liable to the Developer (i) in the event of a default or breach by any party under this Agreement or (ii) for any amount or any TIF Notes which may become due to any party under the terms of this Agreement.

**7.17.6.** The Developer releases from and covenants and agrees that the City, its governing body members, officers, agents, attorneys, employees and independent contractors shall not be liable for, and agrees to indemnify and hold the City, its governing body members, officers, agents, attorneys, employees and independent contractors, harmless from and against any and all third party suits, interest, claims and cost of reasonable attorneys fees incurred by any of them, resulting from, arising out of, or in any way connected with: (i) the enforcement of this Agreement, the validity of the TIF Obligations or the enforcement or validity of any other agreement or obligation made in connection therewith and their approvals (excluding opinions of counsel and of the City's financial advisors whenever such claim is based on such party's own negligence); (ii) the negligence or willful misconduct of the Developer or its officers, agents, employees or independent contractors in connection with the design, management, development, redevelopment and construction of the Work, or (iii) the compliance by the Developer with all applicable state, federal and local environmental laws, regulations and ordinances as applicable to the St. Louis Centre Property, to the extent such condition existed prior to the acquisition thereof by the Developer. The foregoing release and indemnification shall not apply in the case of such liability arising directly out of the negligence or malicious acts or omissions of the City or its governing body members, officers, agents, attorneys, employees and independent contractors in connection with its or their activities conducted pursuant to this Agreement or which arises out of matters undertaken by the City following termination of this Agreement as to the Redevelopment Project or any particular portion thereof.

**7.18 Survival.** Notwithstanding the expiration or termination or breach of this Agreement by either party, the agreements contained in **Section 2.2, clauses (iii)-(v), Article VI, Sections 7.10, 7.11, 7.12, 7.13, 7.14, 7.15, 7.16, 7.17 and Article VIII** of this Agreement shall, except as otherwise expressly set forth herein, survive such early expiration or early termination of this Agreement by either party.

**7.19 Maintenance of the Property.** The Developer shall remain in compliance with all provisions of the City's ordinances relating to maintenance and appearance of the St. Louis Centre Property during the construction of the St. Louis Centre Component or any portion thereof. Upon substantial completion of the St. Louis Centre Component and so long as any TIF Obligations are outstanding, the Developer or its successor(s) in interest, as owner or owners of the affected portion(s) of the St. Louis Centre Property, shall, during the remainder of the term of this Agreement (but subject to any delay caused by an event of force majeure as provided in **Section 7.5** of this Agreement), maintain or cause to be maintained the buildings and improvements within the St. Louis Centre Property which it owns in a good state of repair and attractiveness and in conformity with applicable state and local laws, ordinances and regulations. If there are separately-owned or ground leased parcels of real estate on the St. Louis Centre Property during the term of this Agreement, each owner or lessee as a successor in interest to the Developer shall maintain or cause to be maintained the buildings and improvements on its parcel in a good state of repair and attractiveness and in conformity with applicable state and local laws, ordinances and regulations.

**7.20 Non-Discrimination.** The Developer agrees that, during the term of this Agreement and as an independent covenant running with the land, there shall be no discrimination upon the basis of race, creed, color, national origin, sex, age, marital status or physical handicap in the sale, lease, rental, occupancy or use of any of the facilities under its control within the St. Louis Centre Property or any portion thereof and said covenant may be enforced by the City or the United States of America or any of their respective agencies. The Developer further agrees that a provision containing the covenants of this paragraph shall be included in all agreements pertaining to the lease or conveyance or transfer (by any means) of all or a portion of the St. Louis Centre Property and any of the facilities under its control in the St. Louis Centre Property. Except as provided in this Section, the Developer shall have no obligation to enforce the covenants made by any transferee or lessee, tenant, occupant or user of any of the facilities within the St. Louis Centre Property.

**7.21 Fair Employment.** Without limiting any of the foregoing, the Developer voluntarily agrees to observe the Equal Opportunity and Nondiscrimination Guidelines set forth as **Exhibit F**, attached hereto and incorporated herein by reference. By execution of this Agreement, the Developer certifies and agrees that it is under no contractual or other disability that would materially impair its ability to observe the Guidelines set forth as **Exhibit F**, attached hereto and incorporated herein by reference.

7.22 MBE/WBE Compliance

The Developer shall comply with the Mayor’s Executive Order #28, as amended as of the date of this Agreement, during the design and construction of the St. Louis Centre Component and with respect to ongoing services provided by third parties to the Developer in connection with the St. Louis Centre Component.
