In addition to such taxes, any such corporation shall for the same ten (10) year period make a payment in lieu of taxes to the Collector of Revenue of the City of St. Louis in an amount based upon the assessment on the improvements located on the property during the calendar year preceding the calendar year during which such corporation shall have acquired title to such property. "E" EQUAL OPPORTUNITY AND NON- DISCRIMINATION GUIDELINES

A. EXISTING CONDITIONS AND FINDINGS OF BLIGHT

1. DELINEATION OF BOUNDARIES

The Vaughn Redevelopment Area ("Area") encompasses approximately 35.7 acres in the Carr Square neighborhood of the City of St. Louis ("City").

The legal description of the Area is attached and labeled Exhibit "A". The boundaries of the Area are delineated on Exhibit "B" ("Project Area Plan").

2. GENERAL CONDITION OF THE AREA

The Area comprises all of City Blocks 949, 950, 1676, 1677, 1678, 1679, 1680E, 2299, 2300, 1832, 1833 and 1834 and includes the following addresses: 1801-1905 Carr, 1121-1229 N. 18th, 1301-1461 Hogan, 1900-1924 Cass, 1100-1460 N. 20th. The Area is in poor condition. The physical conditions within the Area are shown on Exhibit "B" (Project Area Plan). For the purpose of this Plan, "Fair Condition" means (1) property that is generally structurally sound but suffers from inadequate maintenance and upkeep, or (2) vacant unimproved property that is under-utilized. "Poor Condition" means (1) buildings that are structurally unsound and/or substantially deteriorated, requiring major improvements such as new roofs, windows, systems, etc., in order to be used productively, or (2) property without buildings which is poorly maintained, has crumbling pavement, and/or is used for open storage.

Unemployment figures, computed by the Missouri State Employment Service, indicate a 6.2% unemployment rate for the City as of December, 1994. It is estimated that this rate is prevalent for residents of the neighborhoods surrounding the Area.

There are currently approximately 20 jobs within the Area.

3. PRESENT LAND USE OF THE AREA

Existing land uses within the Area include residential housing, a school and a city park.

The land use, including the location of public and private uses, streets and other rights-of-way is shown on Exhibit "B".

4. PRESENT LAND USE AND DENSITY OF SURROUNDING PROPERTIES

The properties to the west of the Area are primarily institutional, to the north commercial and industrial, to the east residential and to the south industrial uses.

Residential density for the surrounding neighborhoods is approximately 10.82 persons per acre.

5. CURRENT ZONING

The Area is zoned "C" Residential, "D" Residential and "G" Local Commercial and Office District pursuant to the Zoning Code of the City, which is incorporated in this Plan by reference.

6. FINDING OF BLIGHT

The property within the Area is partially occupied and in poor condition (as defined in Section A(2) above). The existence of deteriorated property constitutes both an economic liability to the City of St. Louis and presents a hazard to the health and well-being of its citizens. These conditions, therefore, qualify the Area as blighted within the meaning of Section 99.300 et seq. of the Revised Statutes of Missouri (the Land Clearance for Redevelopment Authority Law).

B. PROPOSED DEVELOPMENT AND REGULATIONS

1. DEVELOPMENT OBJECTIVES

The primary objective of this Plan is to facilitate the development of the Area into productive residential and institutional uses.

2. PROPOSED LAND USE OF THE AREA

The proposed land uses for the Area are residential and institutional uses permitted in Areas under a Planned Unit Development District by the City of St. Louis Zoning Code. Redevelopers contracting with the Land Clearance for Redevelopment Authority of the City of St. Louis ("LCRA") to develop property in the Area (hereafter referred to as "Redeveloper") shall not be permitted to use said property for the following: pawn shops, adult bookstores, x-rated movie houses, massage parlors or health spas, auto and truck dealers (new or used), storefront churches, pinball arcades, pool halls, secondhand or junk shops, tattoo parlors, truck or other equipment rentals requiring outside storage, blood donor facilities, free standing package liquor stores, check cashing centers, any use (except for financial institutions) that utilizes a sales or service window or facility for customers who are in cars, or restaurants that sell products to customers who are in cars or who consume the sold products in cars parked on the restaurant premises, or sell products through a sales window to

customers who are in cars or to pedestrians outside the building for immediate consumption by the customer either on or off the premises, automobile service or stations.

Exhibit "C" (Proposed Land Use) shows the proposed uses for the Area.

3. PROPOSED ZONING

The zoning for the Area can will be governed by a Planned Unit District. All land coverage and building intensities shall be governed thereby.

4. RELATIONSHIP TO LOCAL OBJECTIVES

The proposed land uses, zoning, public facilities and utility plans are appropriate and consistent with local objectives as defined by the General Plan of the City of St. Louis which includes the "Comprehensive City Plan" (1947), the "St. Louis Development Program" (1973), and the "Economic Development Strategy" (1978). Any specific proposal to the LCRA for development of the Area or any portion of the Area shall contain, among other things, adequate provisions for traffic, vehicular parking, safety from fire, adequate provisions for light and air, sound design and arrangement and improved employment opportunities.

5. PROPOSED EMPLOYMENT FOR THIS AREA

Approximately 10 new permanent jobs will be created if the Area is developed in accordance with this Plan. The exact number of jobs created will depend upon the specific nature of the proposed development.

6. CIRCULATION

The Proposed Land Use Plan (Exhibit "C") indicates the proposed circulation system for the Area. The layouts, levels and grades of all public rights-of-way may be changed as follows:

Alter 20th Street to create a landscaped mall at the west boundary of the site; Biddle will be extended to connect to 20th Street; two new north/south streets will be needed between 18th and 20th between Carr and Biddle; another residential street parallel to Biddle will connect to 20th to form a smaller landscaped Mall. (Division Park); O'Fallon may be modified to direct west bound vehicular traffic away from the elderly housing entrances; a new north/south street will be needed to connect Biddle to O'Fallon, east of the existing elderly towers.

Hogan will be extended south of O'Fallon and turn east to connect to 18th Street near the existing Health Clinic. North of Jefferson School, a new street,

Preservation, will run east/west to connect Hogan to a new southern extension of 19th, between Preservation and Cass. An existing east/west alley between Cole and Carr, 18th to 19th will need to be upgraded.

Rights-of-way changes will be subject to the review and approval of the City Department of Streets, and all vacations of rights-of-way are subject to approval by ordinance.

7. BUILDING AND SITE REGULATIONS

The Area shall be subject to all applicable federal, state and local laws, ordinances, regulations and codes, including but not limited to, the City Building Code, Zoning District Regulations, and stipulations of the Heritage and Urban Design Commission ("HUDC") of the City. The population densities, land coverage, and building intensities of redevelopment shall be governed by the Zoning Code. No changes in the building codes or ordinances are required.

Each Redeveloper shall develop the Area in accordance with this Plan and Redevelopment Agreement, and shall maintain all structures, equipment, paved areas, and landscaped areas controlled by the Redeveloper in good and safe order both inside and outside, structurally and otherwise, including necessary and proper painting. Failure to meet these requirements may result in suspension of tax abatement by the LCRA.

8. URBAN DESIGN

a. Urban Design Objectives

The intent is to re-establish a reconfigured, large, attractive and well landscaped residential complex, including retention of a primary school and two existing elderly residential towers which will be upgraded. Rebuilding of this substantial residential enclave coupled with major revitalization of Carr Square Village is to be a major compliment to nearby successful and attractive multi-million dollar investments (including O'Fallon Place Apartments, Dr. Martin Luther King Business Park and the new Gateway School Complex) in connection with continuing efforts to attractively return a large, near Northside of the City to productive use.

b. Urban Design Regulations

An overall design construction and landscaping Plan which incorporates the provisions contained within this section shall be prepared by the designated developer for review and approval by LCRA.

Retained, existing residential structures shall be upgraded. New construction shall consist of low rise buildings with attractive design details which contribute to a distinctive overall presence for the complex within the context of the retained high rise buildings, the O'Fallon Place Apartments enclave and the revitalized Carr Square Village area.

Provision of fencing in front yards along public streets shall not be permitted unless a comprehensive plan incorporating use of ornamental fencing is prepared and is determined to be acceptable by the LCRA. Fencing of rear and side yard may utilize wood board or chain link, black matte finish enclosures not exceeding six feet in height. Retained chain link fencing shall have a black matte color.

c. Landscaping

The property shall be well-landscaped.

Perimeter street trees of a minimum caliper of 2-1/2 inches and generally 30-35 feet on center, depending upon tree type, utilities, curb cuts, etc., shall be provided along all public or private streets - preferably in tree lawns along the curb.

Existing landscaping shall be upgraded and retained except in instances where it is documented by the developer for LCRA approval that removal is essential.

Each Redeveloper shall maintain all structures, equipment, paved areas, and landscaped areas controlled by the Redeveloper in good and safe order both inside and outside, structurally and otherwise, including necessary and proper painting. Failure to meet this requirement may result in suspension of tax abatement.

9. PARKING REGULATIONS

Parking shall be provided in accordance with the applicable zoning and building code requirements of the City, including HUDC standards. This will provide adequate vehicular parking for the Area.

Surface parking shall not extend beyond the established building line, and preferably, shall be in the rear areas of the complex. Surface parking along public streets shall be buffered by a continuous evergreen hedge at least two and one-half (2-1/2) feet high on planting and maintained at three and one-half (3-1/2) feet high at maturity. Provision of shade or ornamental trees within the hedgerow may be required. Three percent (3%) of the interior of all parking lots containing more than twenty-five (25) spaces shall be landscaped with

trees, at least two and one-half (2-1/2) inch caliper in size on planting. The trees shall be planted on islands, the largest dimension of which shall be at least five (5) feet, planted with low lying ground cover or other plant material.

10. SIGN REGULATIONS

All new signs shall be limited as set out in the City Code, HUDC stipulations, this Plan and contracts between the LCRA and the Redeveloper. A uniform signage plan must be prepared by the Redeveloper for the entire project.

11. BUILDING, CONDITIONAL USE AND SIGN PERMITS

No building, conditional use, or sign permits shall be issued by the City without the prior written approval of the LCRA.

12. PUBLIC IMPROVEMENTS

No additional schools, recreational and community facilities will be required. Additional water, sewage or other public utilities may be required depending on development. The cost of such utility improvements will be borne by the Redeveloper.

If funds are available to the LCRA, it may provide public improvements including, but not limited to, measures for the control of traffic, improvements to street lighting, street trees, and any other improvements which may further the objectives of this Plan.

When developed in accordance with this Plan, the Area will comprise a coordinated, adjusted and harmonious development that promotes the health, safety, morals, order, convenience, prosperity, the general welfare, efficiency and economy of the City.

C. PROPOSED SCHEDULE OF DEVELOPMENT

The implementation of this Plan shall take place in two phases. The first phase will be initiated within approximately one (1) year of approval of this Plan by ordinance and completed within approximately three (3) years of approval of this Plan by ordinance. The second phase will be initiated within approximately three (3) years of the approval of the Plan, and completed within eight (8) years of the approval of this Plan by ordinance. The LCRA may alter the above schedule as economic conditions warrant.

D. EXECUTION OF PROJECT

1. ADMINISTRATION AND FINANCING

The LCRA is empowered by Missouri law to administer development of all types pursuant to this Plan and can do so to the extent and in the manner

prescribed by the Land Clearance for Redevelopment Authority Law of Missouri.

All costs associated with the development of the Area will be borne by the Redeveloper.

Implementation of this Plan may be financed by funds obtained from private and/or public sources, including, without limitation, revenue bonds, bank loans, and equity funds provided by the Redeveloper.

2. PROPERTY ACQUISITION

The Property Acquisition Map, Exhibit "D" attached, identifies all the property located in the Area. The LCRA may not acquire any property in the Area by the exercise of eminent domain.

3. PROPERTY DISPOSITION

If the LCRA acquires property in the Area, it may sell or lease the property to a Redeveloper who shall agree to develop such property in accordance with this Plan and the contract between such Redeveloper and the LCRA. Any property acquired by the LCRA and sold to a Redeveloper will be sold at not less than its fair value, taking into account and giving consideration to those factors enumerated in Section 99.450, R.S.Mo. (1986) as amended, for uses in accordance with this Plan.

4. RELOCATION ASSISTANCE

The property within the Area is currently partially occupied. All eligible occupants displaced as a result of the implementation of the Plan shall be given relocation assistance in accordance with all applicable federal, state and local laws, ordinances, regulations and policies.

E. COOPERATION OF THE CITY

The City and its Board of Aldermen, by enacting an ordinance approving this Plan, pledges its cooperation to enable the project to be carried out in a timely manner and in accordance with this Plan.

F. TAX ABATEMENT

A Redeveloper which is an urban redevelopment corporation formed pursuant to Chapter 353 of the Missouri Statutes shall hereby be entitled to real property ad valorem tax abatement for a total period of up to twenty five (25) years from the commencement of such tax abatement, in accordance with the following provisions of this Plan:

If property in the Area is sold by the LCRA to an urban redevelopment corporation formed pursuant to Chapter 353 of the Missouri Statutes, or if any such corporation shall own property within the Area, then for the first ten (10) years after the date the redevelopment corporation shall acquire title to such property, taxes on such property shall be based upon the assessment of land, exclusive of any improvements thereon, during the calendar year preceding the calendar year during which such corporation shall have acquired title to such property. In addition to such taxes, any such corporation shall for the same ten (10) year period make a payment in lieu of taxes to the Collector of Revenue of the City of St. Louis in an amount based upon the assessment on the improvements located on the property during the calendar year preceding the calendar year during which such corporation shall have acquired title to such property. If property shall be tax exempt because it is owned by the St. Louis Housing Authority and leased to any such corporation, then such corporation for the first ten (10) years of such lease shall make payments in lieu of taxes to the Collector of Revenue of the City in an amount based upon the assessment on the property, including land and improvements, during the calendar year preceding the calendar year during which such corporation shall lease such property.

For the ensuing period of up to fifteen (15) years following the original period stated above, any such corporation shall pay taxes and payments in lieu of taxes as provided above in an amount based upon fifty percent (50%) of the then normal assessment of the land and improvements. Thereafter any such corporation shall pay the full amount of taxes.

All payments in lieu of taxes shall be a lien upon the property and, when paid to the Collector of Revenue of the City shall be distributed as all other property taxes. These partial tax relief and payment in lieu of taxes provisions, during up to said twenty five (25) year period, shall inure to the benefit of all successors in interest in the property of the redevelopment corporation, so long as such successors shall continue to use such property as provided in this Plan and in any contract with the LCRA. In no event shall such benefits extend beyond twenty-five (25) years after the redevelopment corporation shall have acquired title to the property.

G. COMPLIANCE WITH AFFIRMATIVE ACTION AND NONDISCRIMINATION LAWS AND REGULATIONS

1. LAND USE

The Redeveloper shall not discriminate on the basis of race, color, creed, national origin, marital status, sex, age, sexual orientation or physical handicap in the lease, sale or occupancy of the Area.

2. CONSTRUCTION AND OPERATIONS

A Redeveloper shall not discriminate on the basis of race, color, creed, national origin, marital status, sex, age, sexual orientation or physical handicap in the construction and operation of any project in the Area and shall take such affirmative action as may be appropriate to afford opportunities to everyone in all activities of the project, including enforcement, contracting, operating and purchasing.

3. LAWS AND REGULATIONS

A Redeveloper shall comply with all applicable federal, state and local laws, ordinances, executive orders and regulations regarding nondiscrimination and affirmative action, including the Community Development Agency Guidelines for Maximum Utilization of Minority Enterprises dated January 1, 1981, as may be amended, and the "Equal Opportunity and Nondiscrimination Guidelines" in Exhibit "E", attached.

4. ENFORCEMENT

All of the provisions of Section G shall be enforceable against the Redeveloper, its heirs, successors or assigns, by the LCRA, the City, any state having jurisdiction or the United States of America.

H. MODIFICATIONS OF THIS PLAN

Any proposed modification which will substantially change this Plan shall be approved by the St. Louis Board of Aldermen in the same manner as this Plan was first approved. This Plan may be otherwise modified (e.g. urban design regulations, development schedule) by the LCRA, provided that such revisions shall be effective only upon the consent of the Community Development Commission of the City. Changes which are not substantial are those that do not go to the crux of this Plan.

I. DURATION OF REGULATION AND CONTROLS

The regulation and controls set forth in this Plan shall be in full force and effect for twenty-five years commencing with the effective date of approval of this Plan by ordinance, and for additional ten (10) year periods unless before the commencement of any such ten (10) year period the Board of Aldermen shall terminate this Plan as of the end of the term then in effect, except as provided in Section G (4) of this Plan.

EQUAL OPPORTUNITY AND NONDISCRIMINATION GUIDELINES

In any contract for work in connection with the redevelopment of any property in the Area, the Redeveloper (which term shall include Redeveloper, any designees, successors and assigns thereof, and any entity formed to implement the project of which the Redeveloper is a general partner), its contractors and subcontractors will include a clause requiring compliance with all federal, state and local laws, ordinances, or regulations governing equal opportunity and nondiscrimination, the Executive Orders of the Mayor of the City dated December 6, 1984, January 10, 1990, March 31, 1992, and all guidelines herein.

The Redeveloper and its contractor will not contract or subcontract with any party known to have been found in violation of any such laws, ordinances, regulations or these guidelines.

In the redevelopment of the Area, there shall be maximum utilization of bona fide minority business enterprises ("MBE's") and women business enterprises ("WBE's" and, together with MBE's, "disadvantaged business enterprises" or "DBE's"). The Redeveloper will set a minimum goal of twenty-five percent (25%) MBE participation and five percent (5%) WBE participation under these guidelines. In the event the Redeveloper fails to attain that goal, the Redeveloper may be required to show good cause therefor; provided however, that this requirement will be deemed to have been met when documentation evidences that all available resources (i.e. DBE suppliers, contractors, and subcontractors) willing to perform the work or provide the supplies--at a price which (i) is within the range requested by non-DBE's; or (ii) if higher than that requested by non-DBE's, is attributable to the effects of past discrimination--have been exhausted.

The term MBE shall mean a sole proprietorship, partnership, corporation, profit or non-profit organization owned, operated and controlled by minority group members who have at least fifty-one percent (51%) ownership. The minority group member(s) must have operational and management control and interest in capital and earnings commensurate with their percentage of ownership. The term Minority Group Member(s) shall mean persons legally residing in the United States who are Black, Hispanic, Native American (American Indian, Eskimo, Aleut or Native Hawaiian),

Asian Pacific American (persons with origins from Japan, China, the Philippines, Vietnam, Korea, Samoa, Guam, U.S. Trust Territory of the Pacific Islands, Laos, Cambodia or Taiwan) or Asian Indian American (persons with origins from India, Pakistan or Bangladesh). The term WBE shall mean a sole proprietorship, partnership, corporation, profit or non-profit organization owned, operated and controlled by a woman or women who have at least fifty-one percent (51%) ownership. The woman or women must have operational and managerial control and interest in capital and earnings commensurate with their percentage of ownership.

The Redeveloper agrees for itself and its successors and assigns, that there shall be covenants to ensure that there shall be no discrimination on the part of the Redeveloper, its successors or assigns upon the basis of race, color, creed, national origin, sex, marital status, age, sexual orientation or physical handicap in the sale, lease, rental, use or occupancy of any property, or any Improvements erected or to be erected in the Area or any part thereof, and those covenants shall run with the land and shall be enforceable by the LCRA, the City, and the United States of America, as their interests may appear in the project.

The Redeveloper agrees that if the redevelopment of the Area creates permanent jobs, it shall enter into an Employment Plan with the Saint Louis Agency on Training and Employment and the LCRA for referral of Jobs Training Partnership Act eligible individuals. Said plan shall specify the number of jobs to be covered by the Employment Plan, the target date for referrals to begin, and the procedure for referral.
