

St. Louis City Ordinance 63867

FLOOR SUBSTITUTE

BOARD BILL NO. [96] 166

INTRODUCED BY ALDERMAN MARY ROSS

An ordinance, recommended and approved by the Airport Commission and the Board of Estimate and Apportionment to initiate a Capital Improvement program at Lambert-St. Louis International Airport (the "Airport"), providing for the acquisition of additional snow removal equipment at a total estimated cost of Six Million, Three Hundred Thousand Dollars (\$6,300,000); appropriating the total sum of Six Million, Three Hundred Thousand Dollars (\$6,300,000) from the Airport Development Fund to be expended for payment of cost authorized herein; authorizing and directing the Supply Division of the City of St. Louis to take bids and execute contracts for the acquisition of the additional snow removal equipment with the advice, consent and approval of the Director of Airports; providing that any contract let hereunder, shall be subject to the Charter of the City of St. Louis and any Missouri State laws or regulations applicable thereto; authorizing and directing the Comptroller of the City of St. Louis to draw warrants from time to time on the Treasurer of the City of St. Louis for payment of expenses authorized herein; authorizing the Director of Airports to make such applications and provide such data and to take whatever action necessary to seek reimbursement from the Federal Aviation Administration under the Airport Improvement Program, the Passenger Facility Charge Program or other programs for which these authorized expenditures might qualify; directing that all contracts let under authority of this ordinance be in compliance with all applicable minority and women or disadvantaged business enterprise requirements and in compliance with all applicable Federal, State, and local laws, ordinances, regulations, court decisions and executive orders relating to equal employment opportunity; and containing an emergency clause.

WHEREAS, Lambert-St. Louis International Airport (the "Airport") is the seventh (7) most active airport in the United States;

WHEREAS, the Greater St. Louis area has experienced some severe winter conditions in the past decade;

WHEREAS, The City of St. Louis, as the owner and operator of the Airport, is committed to giving its citizens and the traveling public excellent service throughout the year; and

WHEREAS, the acquisition of the additional snow removal equipment will assist in maintaining said high quality of service during winter snow conditions.

BE IT ORDAINED BY THE CITY OF ST. LOUIS AS FOLLOWS:

SECTION ONE. There is hereby established a Capital Improvement program at Lambert-St. Louis International Airport (the "Airport") recommended and approved by the Airport Commission and the Board of Estimate and Apportionment, providing for the acquisition of additional snow removal equipment, consisting of but not limited to eight (8) additional snowplows, three (3) additional snow blowers, eight (8) additional snow brooms, three (3) additional deicers, and two (2) additional sanders at a total estimated cost of Six Million, Three Hundred Thousand Dollars (\$6,300,000).

SECTION TWO. There is hereby authorized an appropriation of Six Million, Three Hundred Thousand Dollars (\$6,300,000) from the Airport Development Fund established under authority by Ordinance No. 59286, Section 13, approved October 26, 1984 to be expended for the payment of costs authorized herein.

SECTION THREE. The Supply Division of the City of St. Louis is hereby authorized and directed to take bids and execute contracts for the acquisition of the additional snow removal equipment authorized herein, with the advice, consent and approval of the Director of Airports.

SECTION FOUR. It is hereby provided that any contract let hereunder, shall be subject to the Charter of the City of St. Louis and any Missouri State laws or regulations applicable there.

SECTION FIVE. The Comptroller of the City of St. Louis is hereby authorized to draw warrants from time to time on the Treasurer of the City of St. Louis for payment of expenses authorized herein upon submission of properly certified vouchers in conformance with procedures established by the Comptroller of the City of St. Louis.

SECTION SIX. The Director of Airports is hereby authorized to make such applications, to provide such data and to take whatever action necessary to seek reimbursement from the Federal Aviation Administration under the Airport Improvement Program, the Passenger Facility Charge Program or other programs for projects herein authorized where such costs are deemed eligible and monies made available for reimbursement under Federal law or contract.

SECTION SEVEN. All contracts let under authority of this ordinance shall be in compliance with all applicable minority and women or disadvantage business enterprise requirements and in compliance with all applicable Federal, State and local laws, ordinances, regulations, court decisions and executive orders relating to equal employment opportunity.

SECTION EIGHT. This being an ordinance providing for the preservation of the public peace, health or safety, it is hereby declared to be an emergency measure as defined in Article IV., Section 20, of the City Charter and shall become effective immediately upon its approval by the Mayor of the City of St. Louis.
