WHEREAS, the LCRA and the Planning Commission have made and presented to this Board the studies and statements required to be made and submitted by Section 99.430 and this Board has been fully apprised by the LCRA and the Planning Commission of the facts and is fully aware of the conditions in the Area; and

WHEREAS, the Plan has been presented and recommended by LCRA and the Planning Commission to this Board for review and approval; and

WHEREAS, a general plan has been prepared and is recognized and used as a guide for the general development of the City and the Planning Commission has advised this Board that the Plan conforms to said general plan; and

WHEREAS, this Board has duly considered the reports, recommendations and certifications of the LCRA and the Planning Commission; and

WHEREAS, the Plan does prescribe land use and street and traffic patterns which may require, among other things, the vacation of public rights-of-way, the establishment of new street and sidewalk patterns or other public actions; and

WHEREAS, this Board is cognizant of the conditions which are imposed on the undertaking and carrying out of a redevelopment project, including those relating to prohibitions against discrimination because of race, color, creed, national origin, sex, marital status, age, sexual orientation or physical handicap; and

WHEREAS, in accordance with the requirements of Section 99.430 of the Statute, this Board advertised that a public hearing would be held by this Board on the Plan, and said hearing was held at the time and place designated in said advertising and all those who were interested in being heard were given a reasonable opportunity to express their views; and

WHEREAS, it is necessary that this Board take appropriate official action respecting the approval of the Plan.

A. EXISTING CONDITIONS AND FINDINGS OF BLIGHT

1. DELINEATION OF BOUNDARIES

The Kosciusko St./Marion St. Area ("Area") encompasses approximately 20.0 acres in the Kosciusko neighborhood of the City of St. Louis ("City") and is located between S. Broadway and the Mississippi River just south of Downtown.

The legal description of the Area is attached and labeled Exhibit "A". The boundaries of the Area are delineated on Exhibit "B" ("Project Area Plan").

2. GENERAL CONDITION OF THE AREA

The Area comprises a portion of City Blocks 701, 705 and 874 and all of City Blocks 696 and 695 and 700 (also known as 6502) and includes the following addresses: 1433-1547 Kosciusko St.; 143-233 and 144-234 Marion St.; 151-233 and 200-34 Carroll St.; 100-234 Miller (Park) St.; 1433-1561 and 1432-1562 S 2nd St.; and 1432-1616 S. 3rd St. The Area is in fair condition. The physical conditions within the Area are shown on Exhibit "B" (Project Area Plan). For the purpose of this Plan, "Fair Condition" means (1) property that is generally structurally sound but suffers from inadequate maintenance and upkeep, or (2) vacant unimproved property that is under-utilized. "Poor Condition" means (1) buildings that are structurally unsound and/or substantially deteriorated, requiring major improvements such as new roofs, windows, systems, etc., in order to be used productively, or (2) property without buildings which is poorly maintained, has crumbling pavement, and/or is used for open storage.

Unemployment figures, computed by the Missouri State Employment Service, indicate a 4.5% unemployment rate for the City as of November, 1999. It is estimated that this rate is prevalent for residents of the neighborhoods surrounding the Area.

There are currently approximately 20 jobs within the Area.

3. PRESENT LAND USE OF THE AREA

Existing land uses within the Area include four partially occupied industrial buildings and vacant land.

The land use, including the location of public and private uses, streets and other rights-of-way is shown on Exhibit "B".

4. PRESENT LAND USE AND DENSITY OF SURROUNDING PROPERTIES

The properties surrounding the Area are primarily used for industrial and commercial purposes.

Residential density for the surrounding neighborhoods is approximately 0.10 persons per acre.

5. CURRENT ZONING

The Area is zoned "J" Industrial and "K" Unrestricted Districts pursuant to the Zoning Code of the City, which is incorporated in this Plan by reference.

6. FINDING OF BLIGHT

The property within the Area is partially occupied and in fair condition (as defined in Section A(2) above). The existence of deteriorated property constitutes both an economic liability to the City of St. Louis and presents a hazard to the health and well being of its citizens. These conditions, therefore, qualify the Area as blighted within the meaning of Section 99.300 et seq. of the Revised Statutes of Missouri (the Land Clearance for Redevelopment Authority Law).

B. PROPOSED DEVELOPMENT AND REGULATIONS

1. DEVELOPMENT OBJECTIVES

The primary objective of this Plan is to facilitate the development of the Area into productive industrial uses.

2. PROPOSED LAND USE OF THE AREA

The proposed land uses for the Area are industrial uses permitted in Areas designated "J" Industrial and "K" Unrestricted Districts by the City of St. Louis Zoning Code. Redevelopers authorized by the Land Clearance for Redevelopment Authority of the City of St. Louis ("LCRA") to develop property in the Area (hereafter referred to as "Redeveloper") shall not be permitted to use said property for the following:

pawn shops, adult bookstores, X-rated movie houses, massage parlors or health spas, auto and truck dealers (new or used), storefront churches, pinball arcades, pool halls, secondhand or junk shops, tattoo parlors, truck or other equipment rentals requiring outside storage, blood donor facilities, free standing package liquor stores, check cashing centers, any use (except for financial institutions or pharmacies) that utilizes a sales or service window or facility for customers who are in cars, or restaurants that sell products to customers who are in cars or who consume the sold products in cars parked on the restaurant premises, or sell products through a sales window to customers who are in cars or to pedestrians outside the building for immediate consumption by the customer either on or off the premises, automobile service or stations.

Exhibit "C" (Proposed Land Use) shows the proposed uses for the Area.

3. PROPOSED ZONING

The zoning for the Area can remain "J" Industrial and "K" Unrestricted Districts. All land coverage and building intensities shall be governed thereby.

4. RELATIONSHIP TO LOCAL OBJECTIVES

The proposed land uses, zoning, public facilities and utility plans are appropriate and consistent with local objectives as defined by the General Plan of the City of St. Louis which includes the "Comprehensive City Plan" (1947), the "St. Louis Development Program" (1973), and the "Economic Development Strategy" (1978). Any specific proposal to the LCRA for development of the Area or any portion of the Area shall contain, among other things, adequate provisions for traffic, vehicular parking, safety from fire, adequate provisions for light and air, sound design and arrangement and improved employment opportunities.

5. PROPOSED EMPLOYMENT FOR THIS AREA

Approximately 350 to 440 new permanent jobs will be created if the Area is developed in accordance with this Plan. The exact number of jobs created will depend upon the specific nature of the proposed development.

6. CIRCULATION

The Proposed Land Use Plan (Exhibit "C") indicates the proposed circulation system for the Area. The layouts, levels and grades of all public rights-of-way may remain unchanged; however, the vacation of Third St. from Park/Miller St. to Rutger St. is contemplated.

Rights-of-way changes will be subject to the review and approval of the City Department of Streets, and all vacations of rights-of-way are subject to approval by ordinance.

7. BUILDING AND SITE REGULATIONS

The Area shall be subject to all applicable federal, state and local laws, ordinances, regulations and codes, including but not limited to, the City Building Code, Zoning District Regulations, and stipulations of the Planning and Urban Design Agency ("PDA") of the City. The population densities, land coverage, and building intensities of redevelopment shall be governed by the Zoning Code. No changes in the building codes or ordinances are required.

Each Redeveloper shall develop the Area in accordance with this Plan and the Redevelopment Agreement, and shall maintain all structures, equipment, paved areas, and landscaped areas controlled by the Redeveloper in good and safe order both inside and outside, structurally and otherwise, including necessary and proper painting. Failure to meet this requirement may result in suspension of tax abatement.

8. URBAN DESIGN

a. Urban Design Objectives

The development of a well-coordinated industrial park competitive with other such warehousing, distribution and office centers in the region.

b. Urban Design Regulations

All buildings shall be of masonry construction with buffered outside storage.

c. Landscaping

The property shall be well landscaped. Perimeter street trees of a minimum caliper of 2-1/2 inches and generally 30-35 feet on center, as determined by the Parks Department of the City depending upon tree type, utilities, curb cuts, etc., shall be provided along all public or private streets - preferably in tree lawns along the curb. Existing, healthy trees and shrubs shall be retained, if feasible.

9. PARKING REGULATIONS

Parking shall be provided in accordance with the applicable zoning and building code requirements of the City, including PDA standards. This will provide adequate vehicular parking for the Area.

Surface parking shall not extend beyond the established building line. Surface parking along public streets shall be buffered by a continuous evergreen hedge

at least two and one-half (2-1/2) feet high on planting and maintained at three and one-half (3-1/2) feet high at maturity. Three percent (3%) of the interior of all parking lots containing more than twenty-five (25) spaces shall be landscaped with trees, at least two and one-half (2-1/2) inch caliper in size on planting. The trees shall be planted on islands, the largest dimension of which shall be at least five (5) feet, planted with low lying ground cover or other plant material.

10. SIGN REGULATIONS

All new signs shall be limited as set out in the City Code, PDA stipulations, this Plan and contracts between the LCRA and the Redeveloper. A uniform signage plan must be prepared by the Redeveloper for the entire project. All new signs shall be restricted to those identifying the names and/or business of the person or firm occupying the premises.

New wall signs shall not obstruct any architectural building elements, shall be placed only those sides of buildings visible from public or private streets, shall project no more than eighteen (18) inches from the face of the building, shall not be located between the second floor window sill of the structure and the top of the windows on the top floor of the structure, and the total sign area shall be the lesser of either one hundred (100) square feet or ten percent (10%) of the ground floor wall surface fronting on such streets. Only one sign per business per wall facing on a public or private street shall be permitted. In addition, one identification sign up to ten (10) sq. ft. in size may be placed on a wall facing a parking area or open space, provided the LCRA confirms that such a sign is required.

Canvas awnings with signs are permitted, provided they are compatible with the overall design and architectural details of the building upon which they are to be placed. Signage on awnings is limited to awning valance. In no case shall signage be allowed on both an awning valance and a building for the same business.

One ground or monument sign per use may be permitted provided it does not exceed ten (10) feet in height nor exceed fifty (50) square feet per side, and provided the LCRA confirms that such a sign is required based upon the use, location or siting of the structure. As an alternative one or two monument signs containing a multiple listing of tenants may be erected.

Businesses having more than 40,000 square feet of ground floor area may have signs proportionately larger than the maximum size set out in this section,

provided that the LCRA confirms that there is need based upon the use, location, or siting of the building.

Painted wall signs, roof signs, pole signs, moving signs, animated or flashing signs, or permanent or portable message board signs shall not be permitted in the Area, and no regular or mini billboards (free standing or mounted on structures) shall be erected or maintained in the area, except that construction and leasing signs may be maintained during construction and for a period of one (1) year after completion of improvements on any respective parcel or part thereof.

11. BUILDING, CONDITIONAL USE AND SIGN PERMITS

No exterior building, conditional use, or sign permits shall be issued by the City without the prior written approval of the LCRA.

12. PUBLIC IMPROVEMENTS

No additional schools, parks, recreational and community facilities or other public facilities will be required. Additional water, sewage or other public utilities may be required depending on development. The cost of such utility improvements will be borne by the Redeveloper.

If funds are available to the LCRA, it may provide public improvements including, but not limited to, measures for the control of traffic, improvements to street lighting, street trees, and any other improvements which may further the objectives of this Plan.

When developed in accordance with this Plan, the Area will comprise a coordinated, adjusted and harmonious development that promotes the health, safety, morals, order, convenience, prosperity, the general welfare, efficiency and economy of the City.

C. PROPOSED SCHEDULE OF DEVELOPMENT

The implementation of this Plan shall take place in a single phase initiated within approximately one (1) year of approval of this Plan by ordinance and completed within approximately three (3) years of approval of this Plan by ordinance.

The LCRA may alter the above schedule as economic conditions warrant.

D. EXECUTION OF PROJECT

1. ADMINISTRATION AND FINANCING

The LCRA is empowered by Missouri law to administer development of all types pursuant to this Plan and can do so to the extent and in the manner prescribed by the Land Clearance for Redevelopment Authority Law of Missouri.

All costs associated with the development of the Area will be borne by the Redeveloper.

Implementation of this Plan may be financed by funds obtained from private and/or public sources, including, without limitation, revenue bonds, bank loans, and equity funds provided by the Redeveloper.

2. PROPERTY ACQUISITION

The Property Acquisition Map, Exhibit "D" attached, identifies all the property located in the Area. The LCRA may not acquire any property in the Area by the exercise of eminent domain.

3. PROPERTY DISPOSITION

If the LCRA acquires property in the Area, it may sell or lease the property to a Redeveloper who shall agree to develop such property in accordance with this Plan and the contract between such Redeveloper and the LCRA. Any property acquired by the LCRA and sold to a Redeveloper will be sold at not less than its fair value, taking into account and giving consideration to those factors enumerated in Section 99.450, R.S.Mo. (1986) as amended, for uses in accordance with this Plan.

4. RELOCATION ASSISTANCE"

The property within the Area is currently partially occupied. All eligible occupants displaced as a result of the implementation of the Plan shall be given relocation assistance in accordance with all applicable federal, state and local laws, ordinances, regulations and policies.

E. COOPERATION OF THE CITY

The City and its Board of Aldermen, by enacting an ordinance approving this Plan, pledges its cooperation to enable the project to be carried out in a timely manner and in accordance with this Plan.

F. TAX ABATEMENT

A Redeveloper may seek ten (10) year real estate tax abatement pursuant to Sections 99.700 -99.715, Revised Statutes of Missouri 1994, as amended, upon application as provided therein. In lieu of the ten (10) year abatement outlined

above, a Redeveloper which is an urban redevelopment corporation formed pursuant to Chapter 353 of the Missouri Statutes shall hereby be entitled to real property ad valorem tax abatement for a total period of up to twenty five (25) years from the commencement of such tax abatement, in accordance with the following provisions of this Plan: tc "In lieu of the ten (10) year abatement outlined above, a Redeveloper which is an urban redevelopment corporation formed pursuant to Chapter 353 of the Missouri Statutes shall hereby be entitled to real property ad valorem tax abatement for a total period of up to twenty five (25) years from the commencement of such tax abatement, in accordance with the following provisions of this Plan:"

If property in the Area is sold by the LCRA to an urban redevelopment corporation formed pursuant to Chapter 353 of the Missouri Statutes, or if any such corporation shall own property within the Area, then for the first ten (10) years after the date the redevelopment corporation shall acquire title to such property, taxes on such property shall be based upon the assessment of land, exclusive of any improvements thereon, during the calendar year preceding the calendar year during which such corporation shall have acquired title to such property. In addition to such taxes, any such corporation shall for the same ten (10) year period make a payment in lieu of taxes to the Collector of Revenue of the City of St. Louis in an amount based upon the assessment on the improvements located on the property during the calendar year preceding the calendar year during which such corporation shall have acquired title to such property. If property shall be tax exempt because it is owned by the LCRA and leased to any such corporation, then such corporation for the first ten (10) years of such lease shall make payments in lieu of taxes to the Collector of Revenue of the City in an amount based upon the assessment on the property, including land and improvements, during the calendar year preceding the calendar year during which such corporation shall lease such property.

All payments in lieu of taxes shall be a lien upon the property and, when paid to the Collector of Revenue of the City shall be distributed as all other property taxes. These partial tax relief and payment in lieu of taxes provisions, during up to said ten (10) year period, shall inure to the benefit of all successors in interest in the property of the redevelopment corporation, so long as such successors shall continue to use such property as provided in this Plan and in any contract with the LCRA. In no event shall such benefits extend beyond ten (10) years after the redevelopment corporation shall have acquired title to the property.

G. COMPLIANCE WITH AFFIRMATIVE ACTION AND NONDISCRIMINATION LAWS AND REGULATIONS

1. LAND USE

The Redeveloper shall not discriminate on the basis of race, color, creed, national origin, marital status, sex, age, sexual orientation or physical handicap in the lease, sale or occupancy of the Area.

2. CONSTRUCTION AND OPERATIONS

A Redeveloper shall not discriminate on the basis of race, color, creed, national origin, marital status, sex, age, sexual orientation or physical handicap in the construction and operation of any project in the Area and shall take such affirmative action as may be appropriate to afford opportunities to everyone in all activities of the project, including enforcement, contracting, operating and purchasing.

3. LAWS AND REGULATIONS

A Redeveloper shall comply with all applicable federal, state and local laws, ordinances, executive orders and regulations regarding nondiscrimination and affirmative action, including the "Equal Opportunity and Nondiscrimination Guidelines" in Exhibit "E", attached.

4. ENFORCEMENT

All of the provisions of this Section G shall be incorporated in a Contract between the LCRA and a Redeveloper, which agreement shall be recorded in the office of the Recorder of Deeds. The provisions of G (1) and G (3) shall be covenants running with the land, without limitation as to time, and the provisions of G (2) shall be for the duration of this Plan and any extension thereof.
