SECTION FOUR. (A) A shift differential compensation for certain work assignments may be paid. The Appointing Authority shall determine the work assignments or activities performed for which shift differential compensation shall be paid.

Before shift differential compensation may be made an employee must have completed (5) hours of regular employment before 7:00 A.M. or five hours after 3:00 P.M. in twenty four hour period which begins at the employees' normal reporting time.

An employee shall be paid 1.00% of the employee's regular base bi-weekly rate for each eligible shift worked in a bi-weekly pay period. An employee shall work a complete eligible shift to receive shift differential compensation.

Shift differential shall not be paid to employees who work part-time, or full-time regular employees docked for any portion of a shift. An employee shall receive shift differential for working a portion of an eligible shift. Shift differential shall only be paid for whole hours worked, providing the portion of the shift not worked is charged to paid leave. A fraction of an hour shall not be counted toward the payment of the differential. An employee shall not receive shift differential compensation for any overtime worked that is not part of their regular schedule.

Employees who work on a Saturday and/or Sunday shall be paid a weekend differential.

1 This differential shall be 1.00% of an employee's base bi-weekly rate and shall not be paid for
2 any overtime worked that is not part of an employee's regular schedule. An employee shall
3 receive weekend differential for working a portion of an eligible day. This differential shall only
4 paid for whole hours worked, providing the portion of the day not worked is charged to paid
5 leave. A fraction of an hour shall not be counted toward the payment of the differential.
6 Weekend differential shall not be paid to employees compensated on an hourly or per-
7 performance basis or to bi-weekly paid employees who work part-time or full-time regular
8 employees docked for any portion of a day. The Appointing Authority may approve the payment
9 of hiring incentives to recruit qualified personnel for positions that are difficult to fill. Hiring
10 incentives shall be in any amount up to twenty-five percent (25%) of the annual salary of the
11 position for which the incentive is to be paid.

12 An employee who is appointed to a position requiring advanced technical skills or
13 professional qualifications may be paid at a rate up to ten (10%) higher than prescribed for the
14 class. Such advancement shall be made solely on the basis that the employee possesses
15 exceptional academic qualifications related to the duties of the position. The Appointing
16 Authority may also establish other bonus, incentive, or reimbursement programs to encourage
17 current employees to attain registration, licensure, certification, or proof of professional mastery
18 when it is deemed to be in the best interest of the service, or when such credentials are clearly
19 recognized as adding to the capability of individuals in that area. Incentives, bonuses, or
20 reimbursements conveyed under such programs would not result in an employee being ruled

1 ineligible for bonuses or salary increases permitted under other sections of this pay ordinance.

2 The Appointing Authority may establish a location allowance for positions which are
3 difficult to fill at specific duty stations. This allowance shall be in an amount up to ten percent of
4 the median of the pay range of the position for which the allowance is to be paid. The location
5 allowance shall be considered an addition to pay and shall not change the employee's base rate.

6 (B) No employee shall be paid at the rate lower than the minimum or higher than the maximum
7 of the salary range established for the class to which his/her position has been allocated, except
8 as otherwise provided in this ordinance.

9 (C) When a new employee is approved under Section 57.530 Missouri Revised Statutes, 1978,
10 the annual rate of compensation shall be twenty-six (26) times the first or lowest step within each
11 rank or position.

12 (D) Deputies and assistants in the Sheriff's Office may receive such hourly, daily or other rate as
13 may be allowed by the Circuit Court, for special services authorized by the Circuit Court, and
14 assigned by the Sheriff, when such special services are for additional work over and above the
15 regularly assigned working hours and payment of such special service is being taxed as costs in
16 the particular case or circumstance and deposit of such cost is made in advance of such special
17 services.

1 The minimum rate of pay for a position shall be paid upon original appointment to the class,
2 unless the appointing authority finds that it is impossible to recruit employees with adequate
3 Qualifications at the minimum rate.

4 If an advanced starting salary is necessary, the appointing authority may establish a recruitment
5 rate for a single position or all positions in a class and authorize employment at a figure above
6 the minimum but within the regular range of salary established for the class.

7 **SECTION SIX. Promotion, Demotion, Reallocation and Transfer:**

8 An employee who is transferred, promoted, demoted, or whose position is reallocated after the

13 (1) When an employee is promoted to a position in the General Schedule, the employee's salary
14 shall be set at a rate which is five (5%) higher than the rate received immediately prior to

16 adjustment when such action is needed to attract experienced, qualified candidates for a position.
17 Such salary determination shall take into consideration the nature and magnitude of the accretion
18 of duties and responsibilities resulting from the promotion. However, no employee shall be paid
19 less than the minimum rate nor more than the maximum rate for the new class of position, except

1 as otherwise provided in this ordinance.

2 (2) Temporary Promotions: Promotions of employees regardless of status, made for a limited
3 duration, shall result in a salary adjustment as is Paragraph (a) (1) of this Section. Upon
4 expiration of the temporary promotion, the employee shall be returned to his/her former rate of
5 pay, adjusted by any increases the employee may have received in the absence of the temporary
6 promotion.

7 In no case shall the employee's salary be above the maximum of the salary range.

1 reallocated shall not be reduced by reason of the new salary range and grade. The salary of such
2 employee shall not be increased so long as he or she remains in the class of position, except as
3 otherwise provided by this ordinance.

4 (2) If the employee's position is reallocated to class in a lower pay grade and the rate of pay for
5 the previous position is within the salary range of the new position, his or her salary shall remain
6 unchanged.

7 (3) The salary of an employee whose position is allocated to a class in a higher pay grade shall
8 be determined in accordance with the provisions of this Section 6 (a)(1) relating to salary
9 advancement on promotion.

10

14 than the minimum rate nor more than the maximum rate for the new class of position.

15 **SECTION SEVEN. Salary Adjustment.**

2 The appointing authority of an employee who demonstrates exceptional performance of duties or
3 outstanding qualifications may advance the employee, by not more than ten percent (10%) after
4 twenty-six (26) weeks of employment at a rate in the salary range which may be in addition to
5 any merit increase received.

6 (2) Substandard performance of duties:

7 The appointing authority of an employee whose level of performance is significantly diminished
8 and no longer warrants payment at the current rate within the range may be decreased to a lower
9 rate in the salary range.

10 (b) The pay of any employee may be decreased as a disciplinary action by an appointing
11 authority to a lower rate or step within a salary range. The decrease shall not be greater than

13 below the minimum of the pay range for the class. The appointing authority may determine that
14 the pay decrease shall be effective for a specific number of bi-weekly pay periods, providing,
15 however, that such decrease shall not be effective for more than twenty six (26) weeks.

16 (c) The Appointing Authority may establish procedures for the review and approval of
17 within-range salary adjustments to correct or mitigate serious and demonstrable internal pay
18 inequities. Salary adjustment under this provision shall preclude adjustments to compensate or

12
13 Any salary paid to an employee in the City service shall represent the total remuneration
14 for the employee, excepting reimbursements for official travel and other payments specifically

2 regularly established number of hours a day, days, a week, or days bi-weekly, the amount paid
3 shall be proportionate to the hours in the employee's normal work week and the bi-weekly rate
4 for the employee's position. The payment of a separate salary for actual hours worked from two
5 or more departments, divisions, or other units of the City for duties performed for each of such
6 agencies is permissible if the total salary received from these agencies is not in excess of the
7 maximum rate of pay for the class.

7 of Military leave and reemployment rights.

8 Before military leave without pay is authorized, the employee shall present to the
9 employee's appointing authority evidence of such military service. Upon the expiration of
10 military leave of absence, the employee shall be reinstated to the class of position he/she
11 occupied at the time the leave was granted without breaking continuity of service. Failure of an
12 employee to report for duty within the time pursuant to State or Federal Law shall be just cause
13 for dismissal. The employee's accumulated leave balance(s) shall be restored to the employee
14 upon his/her return.

15 **SECTION TWELVE. Leave of Absence and Family/Medical Leave**

1 provisions of the federal "Family and Medical Leave Act of 1993" as provided in this ordinance.

2 (a) An appointing authority, may grant an employee in a competitive position a general
3 leave of absence without pay for a period not to exceed twelve (12) months, whenever such leave
4 is considered to be in the best interest of the City Service. Such non-paid leaves are granted at
5 the discretion of the appointing authority and may be for any reason including an employee's
6 personal illness when the circumstances do not qualify for family/medical leave, or when
7 eligibility for family/medical leave has been exhausted.

8 Upon the expiration of such leave of absence, the employee shall be reinstated to the
9 competitive position he or she occupied at the time the leave was granted provided he or she is
10 able to perform the duties of the position. The employee shall be reinstated to the position at the
11 same relative rate in the salary range the employee occupied at the time the leave was initiated.

13 cause for dismissal. If necessary to the efficient conduct of the business of the City, an employee
14 on leave other than military leave or qualifying family/medical leave may be notified by the
15 appointing authority to return prior to the expiration of such leave. Failure of the employee to
16 return within ten (10) days after receipt of such notice would terminate his/her leave of absence
17 and be just cause for dismissal, subject to any applicable federal, state or local regulations.

18
19 (b) The federal "Family and Medical Leave Act of 1993" entitles eligible employees to
June 12, 2015

1 up to 12 weeks of unpaid leave in any 12-month period for the birth, adoption or placement of a
2 child, to care for a spouse or an immediate family member with a serious health condition, or
3 when the employee is unable to work because of a serious health condition. While an employee
4 is on a qualifying family/medical leave of absence, the City of St. Louis will continue to pay the
5 employee's health care premiums, if any, during the leave period. Once the leave is concluded,
6 the employee shall be reinstated to the same or an equivalent job.

7 The Appointing Authority shall establish additional rules, guidelines and procedures for
8 the effective administration of the "Family/Medical Leave Policy." The policy shall comply with
9 all provisions of the "Family/Medical Leave Act of 1993" and any amendments thereafter.

10

11 (c) Employees who are granted general leaves of absence and other non-paid leaves of
12 absence, except family/medical leaves of absence, must take all accrued vacation and authorized
13 sick leave at the start of the leave of absence. Employees who are granted a non-paid leave of
14 absence will not accrue vacation or sick leave during the period of non-paid leave. Upon the
15 expiration of such leaves of absence, the employee shall follow the procedures as established in
16 this Section 12 and any other applicable regulations and procedures as established by the
