

1 **BOARD BILL NO. 152** **INTRODUCED BY PRESIDENT LEWIS E. REED**

2 An ordinance requiring online posting of notices and agendas of all public
3 meetings of the City of St. Louis and requiring the Information Technology Services
4 Agency to create an electronic subscription service that e-mails alerts of new notices of
5 meetings.

6 **BE IT ORDAINED BY THE CITY OF ST. LOUIS AS FOLLOWS:**

7 **SECTION ONE. Online posting of notice and agendas of public meetings.**

8 Notice of any public meeting of any board, commission, department, division, or
9 agency of the City of St. Louis for which public notice is required must be posted on the
10 City's website at least 24 hours prior to such meeting. An agenda for each such meeting
11 must be posted on the City's website by the appropriate board, commission, department,
12 division, or agency at least 24 hours prior to such meeting. If minutes are required to be
13 kept of such a meeting, such minutes must be posted on the City's website by the
14 appropriate board, commission, department, division, or agency. The appropriate board,
15 commission, department, division, or agency must ensure that at least 12 months' of such
16 agendas and minutes are available on the City's website.

17 **SECTION TWO. E-mail notice subscription service.**

18 The Information Technology Services Agency shall create an electronic
19 subscription service whereby members of the public can subscribe to receive e-mailed
20 alerts of newly posted meeting notices required by Section One of this ordinance on the
21 City of St. Louis website.
