10 **BE IT ORDAINED BY THE CITY OF ST. LOUIS AS FOLLOWS:**

11 **SECTION ONE. LEGISLATIVE FINDINGS.**

12 The existence of alcoholic beverage establishments appears to contribute directly to
13 numerous peace, health, safety and general welfare problems including loitering, littering,
14 drug trafficking, prostitution, public drunkenness, defacement and damaging of
15 structures, pedestrian obstructions, as well as traffic circulation, parking and noise
16 problems on public streets and neighborhood lots. The existence of such problems creates
17 serious impacts on the health, safety and welfare of residents of single- and multiple-
18 family within the district, including fear for the safety of children, elderly residents and of
19 visitors to the district. The problems also contribute to the deterioration of the
20 neighborhood and concomitant devaluation of property and destruction of community
21 values and quality of life. The number of establishments selling alcoholic beverages and
22 the associated problems discourage more desirable and needed commercial uses in the
23 area. In order to preserve the residential character and the neighborhood-serving
24 commercial uses of the area, there shall be a moratorium on the issuance of new liquor
25 licenses with the area beginning at the point of intersection of Delor St and Missouri
